BETHEL GRACE PRAYER MINISTRY TRUSTEES REPORT ENDING DECEMBER 2024

OUR AVTIVITIES:

Our target to meet three sets of families wasnt materialized. We were able to visit one that was grieving over the loss of their beloved daughter

who passed away mysteriously in croydon. And another two whose son was involved in violence. We were able to support them by delevering the gosple, procl;aiming the word and support.

We will endeavour to put in more effort since this is one of our main goals of touching people who need the most.

We shall continue to try and identify this group in our communities.

The Prison Fellowship is still working with and through us. We were giving a batch of 12 families from the Worm Wood Scrub Prisons to buy and deliver christmas presents on behalf

of the inmates. We will also continued our donations to the Great Ormond Street Children Hospital. We are also praying to reach out to some charity organisations to contribute our

widows mite.

BAPTISM: We had two people baptised by immersion at Southend on sea.

FINANCES: As said earlier, our financial situation is not healthy. Our contributions are very low even though we are not at a loss due to careful spending and scrutiny.

This does not stop us from driving our objectives.

***EVANGELISM*:** Pastor Anthony Osei was joined by Pastor Anthony Appau of the Souls of Hope Ministries to carry out this task with one member in the name of Mr. Francis Adu.

Meanwhile we are trying to find other avenues to strategise our evangelism.

BEREAVEMENT: We were notified of the death of Pastor Porchia Osei's mother. The date of the funeral yet to be announced.

MISCELLANEOUS: We attended the celebration of the birth of a baby boy, by Miss Emmanuela Opong at woodggreen London.

BETHEL GRACE PRAYER MINISTRY--TRUSTEES ANNUAL REPORT --2023

OUR ACTIVITIES

We continue to work towards the provision of parcels to the children of the inmates at Wormwood Scrubs prisons. As usual, we participated in the Angels Tree Presents Scheme, coordinated by The Saint Paul's Church (Ealing), headed by Mr. Alan Brown.
We were able to send 15 nicely parked parcels.

FINANCES

Contributions from members were not good online, therefore unable to meet our target this financial year, but were able to donate to the Prison Fellowship and the Great Ormond Street Hospital.
There was the need to support a couple of members who were financially handicapped in pursuance of their education.

BEREAVEMENT

We joined our brother Nathan to bury his mother at the Enfield Cemetery.

EVANGELISM

We were able to go out on three occasions to evangelize. We were short of volunteers.

NO ONE BEYOND HOPE

We have still not been able to effectively carry out this programme, even though Sister Josephine tried her best but couldn't meet expectations due her carrier work load.We hope to find other solutions to improve upon.

MISCELLANEOUS

We purchased a fairly used DeskTop computer with a New monitor to replace the old one.

BETHEL GRACE PRAYER MINISTRY - TRUSTEES ANNUAL REPORT-2022

OUR ACTIVITIES

So far it has been great for few volunteers working assiduously towards our goal.

This particular year was very interesting,regarding wormwood scrub prisons,we were able to send only 12 parcrls. This was due to official chages to the prison management by the ministry of justice.

We tried to work with all souls church in evangelism but could not materalised, therefore we went solo, touching lives, preaching to parents especially, since a lot of youthful problems begin from there. Even though

we confronted some difficulties,which is normal in evangelism. We will still continue to reach out irrespective of the problems we encounter.

This year 2022, we were able to distribute few items for new babies, and intend to build on that in the near future

YOUTH TRAINING

This is still suspended until further notice, however we were able to organise three open youth camps successfull in July and September.

FINANCES

Thre is still room for improvement. It has been advised that, there should be fund raising for any bereaved member or other believers funeral, instead of usng money from the treasury account, which was embraced

by all , which will go a long way in doing more for the community and evangelism and the improvement of the church's finances as a whole.

BEREAVEMENT

The mother of Margaret Twumasi passed away in Ghana and was supported to to go and bury her as she was in financial difficulties. Three other believers funeral was also attended

NO ONE BEYOND HOPE

The church is trying to to keep this project going as a separate entity regarding evangelism. There is the need for training our volunteers to effectively carry out this programme.

MERGER

There is a stumbling block, which still needs to be addressed, however there had been no headway regardng this issue for now.

WEBSITE

It is still under review to find a sustainable website, due to our financial constraints. However it has been noted that, future fund raising on the site will be important as our activities are gradually growing.

BETHEL GRACE PRAYER MINISTRY -- ANNUAL TRUSTEES REPORT- 2021

OUR ACTIVITIES :

_Our journey in this field has been very slow and daunting as the effects of tjhe pandemic is still biting. However, we continued our support for the prison fellowship which Pastor Tony is a member. We were able to send 23 parcels to the children of the inmates as christmas presents from their parents. We also joined the All Souls Ministry in spreading the Good News to various communities and helping the homeless on the streets with small gifts and encouragement.

FINANCES :

As most of our activities are now on line, this has seriously affected our finances as membership has dropped, reason why we joined forces with our sister faith group to effect most of our activities though always sponsoring our members in transportation, food and indirect assistance.

ORBITUARARY

We are saddened by the the death of our dear sister and former trustee who deputised for our secretary. She passed away with covid, we are yet to retrieve some of our documents and records, ie. books from her family if possible.

YOUTH TRAINING : This was suspended until further notice.

MERGER: This topic is still ongoing as to who to merge with if possible, even though we are devided in a merger, members are being given ample time to deeply think about this, with the counsel of the trustees, digging deep into advantages and disadvantages of a merger.

NO ONE BEYOND HOPE : We effectively combined this with home visits, targeting families with mental health issues. This really went well as we were able to visit at least 4 familes, two of which we revisited more than twice, so we hope to continue and also try to reach out to any volunteering mental health professional to help us deal with specific issues outside our scope.

On the whole it has been quite an eventful year on the background of this pandemic.

SIGNED..... SANDRA OSEI.

OUR ACTIVITIES

We continue to support the prison fellowship at Wormwood Scrubs Prisons in the midst of the pandemic.

We make donations and collabporate with the Angel Tree Department of the Prison Fellowship to parcel and present gifts to children of the Inmates, with Rev. Anthony Osei also working assidiously with them.

We were also able to organise a children's Party and a Youth Gathering, to bring them to Chhrist, which were fully patronised.

FINANCES

This was a very difficult Year where we had to suspend Fellowshiping indefinitely, which seriously affected every department of the Ministry.

HOME VISITS

This was also suspended until further notice.

NO ONE BEYOND HOPE

A suspention was imposed on this as well.

WAY FORWARD

On Line Fellowshiping was established , and we were able to get some few people to worship with. Which is still on going until further notice.
The good news is that we were able to maintain all our trustees as at now.
