Main Activities

The objective of the Trust is the advancement of the Christian faith. In considering current and future activities of the Trust the trustees have given due consideration to the Charity Commission's general guidance on public benefit. The Trust's activities fall broadly into 2 main parts:

1. Local Ministry in the Bridgnorth area

The Trust aims to support and complement the ministry of the existing local churches for the benefit of both Christians and the community at large. This is done in various ways:

- The Trust employs staff to minister in the local area in cooperation with local churches.
- On 1st February 2025 the Catalyst Youth Trust project was established as a separate charity, Reg No. 1209640, and John Prockter's part-time employment was transferred from Torchbearers Trust to the Catalyst Youth Trust.
- The Trust provides gifts to local churches to assist them in pursuing their own ministry.
- The Trust provides grants to assist people in attending training and conferences to equip them better for their Christian ministry.
- The Trust provides financial support to the Bridgnorth Dry Bar Trust, which is a local charity providing an alcohol-free youth centre for young people from age 10 upwards.
- The Trust provides financial support to the Bridgnorth Youth & Schools Project, which employs youth workers to work with young people aged 10-18 in local schools and in the community.

2. Financial Grants to Christian ministries and Individuals in the UK and overseas.

These grants are made to ministries and individuals with aims and objectives consistent with those of the Trust and are normally made as a result of relationships developed over a number of years. Recipients include:

- Hope Foster Home, Beijing, China which provides orphanages in China to house orphans, especially very young children who have been abandoned because they have serious illnesses. This organisation arranges life-saving surgery for these children then accommodates them until they can be adopted permanently by local families. All needy children are considered for acceptance by the orphanage without conditions and without charge.

Torchbearers Trust Annual Report for year to 31st March 2025 (cont'd)

- International Fellowship of Evangelical Students (IFES) which is a worldwide body based in the UK which provides Christian ministry and education to students around the world.
- Christian Blind Mission, which works around the world bringing sight to the blind
- Christians Against Poverty – a UK charity which provides free debt counselling to people who lack the funds to buy such services. This ministry has seen considerable success in assisting individuals and families who are under extreme financial pressure to restructure their debts and eventually get out of debt through careful budgeting.
- TR Slater's ministry with young men in Corby
- CMS – Church Missionary Society – in support of Simon and Sarah Cawdell working in Uganda
- Gideon and Funmi Para-Mallam for Gideon's research studies and for the work of their Peace Foundation in Jos, Nigeria
- Nigerian Fellowship of Evangelical Students which is the national representation of IFES in Nigeria.
- Bala Usman for his ministry establishing schools and training centres in disadvantaged villages in Plateau State, Nigeria
- Horses for Orphans, Brazil - a project which endeavours to build the foundations of life for orphans and the underprivileged, to equip them to succeed in their personal and professional lives and come into a deeper knowledge of the love of God.
- A forestry and church planting ministry in Guyana.

Achievements during the Year

- Much of the work of the trust continues to involve providing quiet support and much needed funds to various Christian ministries both in the UK and overseas.
- The trust has provided financial support to the Bridgnorth Youth & Schools Project to enable it to continue its valuable work.
- The Trust has assisted in the launch of 1The Catalyst Youth Trust as a separate charity, which continues to provide support to youth workers across the region and also leads the Engage Schools project in Telford, helping local churches to develop their work with secondary schools. During the year it developed the ministry of the Hikaru book in the form of workshops in primary and secondary schools.
- As Nigeria continues to suffer from major lawlessness we have been able to provide funds for pursuit of peace and also to enable support for remote villages through provision of schooling and agricultural education.

Financial Review

During the year income totalled £63,886 (previous year £70,938). Expenditure totalled £65,242 (previous year £71,293). Overall there was a deficit of £1,356 (previous year £355).

Policies

Reserves Policy

The nature of the Trust's work is such that the trustees do not consider it appropriate to build up any significant reserves. Income is received on the understanding that it is for the support of the Trust's current activities and is consequently spent as it is received.

Torchbearers Trust Annual Report for year to 31st March 2025 (cont'd)

Grant-Making Policy

The Trust will consider an application from anyone who is training for some form of Christian ministry. Preference will be given to Christians from within the Bridgnorth area. In practice the funds available for such grants are at present fairly limited.

Investments Selection Policy

Because the trust does not hold significant reserves any such reserves are held in an interest bearing deposit account.

Review of Major Risks

The most significant risk to the work of the Trust is that the majority of the individual donation income comes from two of the trustees. Should their circumstances change the income of the trust could be reduced substantially. The trustees are fully aware of this risk and ensure that the trust's expenditure could be reduced to accommodate any such reduction in income, should it become necessary.

2. Financial Grants to Christian ministries and Individuals in the UK and overseas.

These grants are made to ministries and individuals with aims and objectives consistent with those of the Trust and are normally made as a result of relationships developed over a number of years. Recipients include:

- Hope Foster Home, Beijing, China which provides orphanages in China to house orphans, especially very young children who have been abandoned because they have serious illnesses. This organisation arranges life-saving surgery for these children then accommodates them until they can be adopted permanently by local families. All needy children are considered for acceptance by the orphanage without conditions and without charge.

- International Fellowship of Evangelical Students (IFES) which is a worldwide body based in the UK which provides Christian ministry and education to students around the world.
- Christian Blind Mission, which works around the world bringing sight to the blind
- Christians Against Poverty – a UK charity which provides free debt counselling to people who lack the funds to buy such services. This ministry has seen considerable success in assisting individuals and families who are under extreme financial pressure to restructure their debts and eventually get out of debt through careful budgeting.
- TR Slater's ministry with young men in Corby
- Gideon and Funmi Para-Mallam for Gideon's research studies and for the work of their Peace Foundation in Jos, Nigeria
- Nigerian Fellowship of Evangelical Students which is the national representation of IFES in Nigeria.
- Bala Usman for his ministry establishing schools and training centres in disadvantaged villages in Plateau State, Nigeria
- Horses for Orphans, Brazil - a project which endeavours to build the foundations of life for orphans and the underprivileged, to equip them to succeed in their personal and professional lives and come into a deeper knowledge of the love of God.

Achievements during the Year

- Much of the work of the trust continues to involve providing quiet support and much needed funds to various Christian ministries both in the UK and overseas.
- The trust has provided financial support to the Bridgnorth Youth & Schools Project to enable it to continue its valuable work.
- The trust has provided funding to the Bridgnorth Dry Bar Trust to enable it to launch a Saturday Drop-In Café to reach an additional group of young people.
- The Catalyst Youth Trust project continues to provide support to youth workers across the region and also leads the Engage Schools project in Telford, helping local churches to develop their work with secondary schools.
- As Nigeria continues to suffer from major lawlessness we have been able to provide funds for pursuit of peace and also to enable support for remote villages through provision of schooling and agricultural education.

Financial Review

During the year income totalled £114,775 (previous year £93,493). Expenditure totalled £122,092 (previous year £95,023). Overall there was a deficit of £7,317.

Policies

Reserves Policy

The nature of the Trust's work is such that the trustees do not consider it appropriate to build up any significant reserves. Income is received on the understanding that it is for the support of the Trust's current activities and is consequently spent as it is received.

Torchbearers Trust Annual Report for year to 31st March 2023 (cont'd)

Grant-Making Policy

The Trust will consider an application from anyone who is training for some form of Christian ministry. Preference will be given to Christians from within the Bridgnorth area. In practice the funds available for such grants are at present fairly limited.

Investments Selection Policy

Because the trust does not hold significant reserves any such reserves are held in an interest bearing deposit account.

Review of Major Risks

The most significant risk to the work of the Trust is that the majority of the individual donations income comes from two of the trustees. Should their circumstances change the income of the trust could be reduced substantially. The trustees are fully aware of this risk and ensure that the trust's expenditure could be reduced to accommodate any such reduction in income, should it become necessary.

Main Activities

The objective of the Trust is the advancement of the Christian faith. In considering current and future activities of the Trust the trustees have given due consideration to the Charity Commission's general guidance on public benefit. The Trust's activities fall broadly into 2 main parts:

1. Local Ministry in the Bridgnorth area

The Trust aims to support and complement the ministry of the existing local churches for the benefit of both Christians and the community at large. This is done in various ways, although opportunities for ministry have been somewhat limited by the COVID pandemic during the year:

- The Trust employs staff to minister in the local area - co-ordinating prayer groups who pray for the local community and providing pastoral and discipleship support and training by various means, in cooperation with local churches.
- The Trust employs two part-time staff for the Catalyst Youth Trust project which works across the region to encourage and support the development of youth and schools work.
- The Trust provides gifts to local churches to assist them in pursuing their own ministry.
- The Trust provides grants to assist people in attending training and conferences to equip them better for their Christian ministry.
- The Trust provides financial support to the Bridgnorth Dry Bar Trust, which is a local charity providing an alcohol-free youth centre for young people from age 10 upwards.
- The Trust provides financial support to the Bridgnorth Youth & Schools Project, which employs a team of youth workers to work with young people aged 10-18 in local schools and in the community.

2. Financial Grants to Christian ministries and Individuals in the UK and overseas.

These grants are made to ministries and individuals with aims and objectives consistent with those of the Trust and are normally made as a result of relationships developed over a number of years. Recipients include:

- Hope Foster Home, Beijing, China which provides orphanages in China to house orphans, especially very young children who have been abandoned because they have serious illnesses. This organisation arranges life-saving surgery for these children then accommodates them until they can be adopted permanently by local families. All needy children are considered for acceptance by the orphanage without conditions and without charge.

- International Fellowship of Evangelical Students (IFES) which is a worldwide body based in the UK which provides Christian ministry and education to students around the world.
- St Mary's Church, Bridgnorth to assist in the employment of their Children's and Families Worker.
- SWYM – South West Youth Ministries, which provides training for Christian youth workers in the South West of England.
- Christian Blind Mission, which works around the world bringing sight to the blind
- Christians Against Poverty – a UK charity which provides free debt counselling to people who lack the funds to buy such services. This ministry has seen considerable success in assisting individuals and families who are under extreme financial pressure to restructure their debts and eventually get out of debt through careful budgeting.
- TR Slater's ministry with young men in Corby
- Gideon and Funmi Para-Mallam for Gideon's research studies and for the work of their Peace Foundation in Jos, Nigeria
- Nigerian Fellowship of Evangelical Students which is the national representation of IFES in Nigeria.
- Bala Usman for his ministry establishing training centres in disadvantaged villages in Plateau State, Nigeria
- Horses for Orphans, Brazil - a project which endeavours to build the foundations of life for orphans and the underprivileged, to equip them to succeed in their personal and professional lives and come into a deeper knowledge of the love of God.

Achievements during the Year

- Much of the work of the trust continues to involve providing quiet support and much needed funds to various Christian ministries both in the UK and overseas.
- The trust has provided substantial financial support to the Bridgnorth Youth & Schools Project to enable it to continue its valuable work.
- The trust has provided funding to the Bridgnorth Dry Bar Trust to enable it to launch a Saturday Drop-In Café to reach an additional group of young people.
- The Catalyst Youth Trust project continues to provide support to youth workers across the region and also leads the Engage Schools project in Telford, helping local churches to develop their work with secondary schools.

Financial Review

During the year income totalled £93,493 (previous year £75,908). Expenditure totalled £95,023 (previous year £76,807). Overall there was a deficit of £1,530.

In the General Fund income and expenditure were both substantially affected by the pandemic. Some staff were furloughed for part of the year so income of £4,236 (previous year £11,751) was received from the Government's Job Retention Scheme

Policies

Reserves Policy

The nature of the Trust's work is such that the trustees do not consider it appropriate to build up any significant reserves. Income is received on the understanding that it is for the support of the Trust's current activities and is consequently spent as it is received.

Torchbearers Trust Annual Report for year to 31st March 2022 (cont'd)

Grant-Making Policy

The Trust will consider an application from anyone who is training for some form of Christian ministry. Preference will be given to Christians from within the Bridgnorth area. In practice the funds available for such grants are at present fairly limited.

Investments Selection Policy

Because the trust does not hold significant reserves any such reserves are held in an interest bearing deposit account.

Review of Major Risks

The most significant risk to the work of the Trust is that the majority of the individual donations income comes from two of the trustees. Should their circumstances change the income of the trust could be reduced substantially. The trustees are fully aware of this risk and ensure that the trust's expenditure could be reduced to accommodate any such reduction in income, should it become necessary.

Independent Examiner's Report to the Trustees of Torchbearers Trust

We report to the charity trustees on our examination of the accounts of the charity for the year ended 31st March 2021 which are set out on pages one to seven

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

We report in respect of our examination of the charity's accounts carried out under section 145 of the Act and in carrying out our examination we have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

We have completed my examination. We confirm that no material matters have come to our attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
