Registered Charity No: **1000179**

On accounts for the year ended **17 September 2021**

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Report of the Trustees

- It is the understanding of Trustees that, such are the activities of this Trust, no formal policy covering financial reserves is necessary.

During 12-month period 2020/21 Trustees have engaged in the following support activities:

UK.

- Financially supported elderly, poor and homeless individuals and families.
- Financially supported UK Charitable Trusts.

India.

- Trustees financially supported **Torbay House** – a residential Home for former 'street children' in India. In previous years, trustees provided all funds for the purchase of land, and the construction of Torbay House which was completed during August 2010. During 2012/13 trustees funded the construction of a further building in the grounds of Torbay House for use as a school - not just for Torbay House residents, but also other children drawn from the immediate community.

This school became operational in June 2013. During 2013/2014 trustees funded the construction of a new dining hall, guest accommodation and security room. During 2014/2015 funds were provided for the construction and fitting out of a library for residents of Torbay House, also children in the nearby village. In addition, funds were provided to stock the library with 200 books, also regular periodicals and journals.

- During 2020/21 funds were made available to Professor Paul Rajan, through Indian Charitable Trust - '*Serving Women & the Poor*' – to purchase food and supplies for distribution in the Paravakkudi region of India, to greatly disadvantaged families hit very hard by the Covid virus.
- Trustees continue to financially support the widow of the late **Rev Paul Gedela** and her three children.
- In previous years Trustees financially supported the purchase of land and construction of the building now known as **Victor Community College**, which provides valuable vocational training for local people. In the current year trustees continued to fund further development and running costs of this important educational facility.

- Following a 2016 visit to Bangalore by Mr Robert Harvey of Lincoln, trustees created an additional UK Charity Commission approved '*working name*' – '**Escape from Poverty**' - to raise much needed funds to support Family Development Services (an Indian Charitable Trust). FDS provides education to children from the slums of Bangalore who, ordinarily, would receive none at all. www.escapefrompoverty.org.uk
- Trustees believe education is one of very few routes out of Indian poverty.
- During 2020/21 trustees financially sponsored the education of 19 young children from the slums of Bangalore.

Summation.

Trustees continue to validate requests for support before making grants or donations and incurring expenditure, especially where potential recipients are based overseas.

Trustees are hugely grateful to all who donate or voluntarily raise funds for the Trust's support activities.

Everyone involved with The Huxham Charitable Trust is a volunteer - nobody receives any payment for their services.
