ACHIEVEMENTS AND PERFORMANCE

Madrassa Talimul Islam April 2024 - 2025

Achievements and highlights during the year

The whole of the premises at 241E High St. North has now been leased to Letslocate Ltd, which includes the car park, first and second floor of the building.

The revised planning application for the shop floor (formally 99p store) conversion were submitted to Newham Council in February 2020 for approval and in July 2020 our planning application was approved by Newham Planning Application Committee. Our solicitor Abdul Rauf (of Whitmore Solicitors) is currently in the process of agreeing a working framework (S106 planning agreement) between Madrassa Talimul Islam and Newham Council before we can start any building work. As of end March 2025 our solicitors have not been able to complete the working framework (i.e. S106 agreement) with Newham council. We still do not have a date when the S106 agreement will be completed.

An Annual Jalsa (prize giving) was held to mark the end of the Madrasah academic year. Many of the Madrasah students carried out activities that showed what they learned during the year, e.g. recitation of the Quran, give a short speech etc. The audience consisted of parents and other regular users of the Masjid.

The Charity invited a number of renowned Islamic scholars to give speeches on various Islamic topics, some topics included:

- Family Issues, Reasons and Solutions
- Reviving Imaan
- Zikr and its Virtues
- Rewards in giving in Charity
- Islamic Inheritance
- Hifdh Completion
- Harms of Interest

The Charity also organised two successful Youth Conferences where renowned young Islamic scholars were invited to part good advice to the young members of the community. Food was provided at the end to everyone who attended the event.

We restarted youth activities for 2 days a week (Friday after Madrassa and Sunday afternoon) at 236-238 High St. North for the Madrassa children. The activities include table tennis, table football etc. We also took the senior students and their teachers for paint balling, fun was had by all.

MADRASSA TALIMUL ISLAM PROJECTS

Womens Classes:

We organised a course titled 'Safeguarding Children' for the Madrassa teachers during the year, this was given by an external organisation specialising in this field.

This is where the five daily regular prayers take place as well as the main Friday congregational prayer.

Comprehensive translation of the Quran, in Urdu and English, is given by the Imam three days a week after a congregational prayer. One day a week the Imam also gives Islamic Fiqh and Hadeeth lectures.

Independent examiner's report to the trustees of Madrassa Talimul Islam

I report to the charity trustees on my examination of the accounts of Madrassa Talimul Islam (the Trust) for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements and assessment of going concern

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Going Concern

Although net movement dropped in the year to £68,056 (2024: £176,788) compared to previous year, the Board of Trustees are confident that they would be in operation for the next twelve months.

Therefore, the account has been prepared as a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when the charity receives them.

Investment income is recognised on receivable basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using either a straight line or reducing balance method, as indicated below.

Depreciation is provided on the following basis:

Freehold property - 1% on cost

Fixtures and fittings - 25% on cost

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2025**

1. ACCOUNTING POLICIES - continued

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Debtors

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at less any impairment.

Creditors

Basic financial liabilities, including trade and other creditors, loans from third parties and loans from related parties, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Qardh hassana

Concessional loans - These are interest free concessional loans from the community to the charity, which are repayable on demand and are showed as other creditors within one year.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

ACHIEVEMENT AND PERFORMANCE

Madrassa Talimul Islam April 2023 - 2024

Achievements and highlights during the year

The whole of the premises at 241E High St. North has been now been leased to Letslocate Ltd, which includes the car park, first and second floor of the building.

The revised planning application for the shop floor (formally 99p store) conversion were submitted to Newham Council in February 2020 for approval and in July 2020 our planning application was approved by Newham Planning Application Committee. Our solicitor Abdul Rauf (of Whitmore Solicitors) is currently in the process of agreeing a working framework (S106 planning agreement) between Madrassa Talimul Islam and Newham Council before we can start any building work. As of end March 2024 our solicitors have not been able to complete the working framework (i.e. S106 agreement) with Newham council. We still do not have a date when the S106 agreement will be completed.

An Annual Jalsa (prize giving) was held to mark the end of the Madrasah academic year. Many of the Madrasah students carried out activities that showed what they learned during the year, e.g. recitation of the Quran, give a short speech etc. The audience consisted of parents and other regular users of the Masjid.

The Charity invited a number of renowned Islamic scholars to give speeches on various Islamic topics, some topics included:

- Family Issues, Reasons and Solutions
- Reviving Imaan
- Zikr and its Virtues
- Rewards in giving in Charity
- Islamic Inheritance
- Hifdh Completion
- Harms of Interest

The Charity also organised two successful Youth Conferences where renowned young Islamic scholars were invited to part good advice to the young members of the community. Food was provided at the end to everyone who attended the event.

We restarted youth activities for 2 days a week (Friday after Madrassa and Sunday afternoon) at 236-238 High St. North for the Madrassa children. The activities include table tennis, table football etc. We also took the senior students and their teachers for paint balling, fun was had by all.

This year we have received £20K of funding from Newham Council for the youth activities run by the Charity.

MADRASSA TALIMUL ISLAM PROJECTS

Womens Classes:

Madrassa Talimul Islam runs classes for Women who want to further they knowledge of Islam. These classes are very popular with women of all age groups.

In early 2013 we started Quran Tafsir (Quran Commentary) during the Women's classes.

These classes have been restarted after Covid-19 and relocated to 248A High Street North.
Hifz Classes (Quran memorisation)

The hifz class promotes the complete memorisation of the Qur'an. There are approximately 15 boys in the class which are held twice every weekday from 6:15am to 7:30am and 5:00pm to 7:00pm.

Madrassahs:

Madrassahs are after school classes where Quran and Islamic knowledge are taught.

The Madrassah runs five days a week from 5:00pm to 7:00pm. Approximately two hundred children aged five and above currently attending follow a strategic curriculum.

We also run weekend madrassah classes from 9:30am to 12:30pm for those children who are unable to join the weekday classes. Approximately 50 children aged 5 years and above currently attend the weekend classes.

The Madrassah held its Prize Giving Day Ceremony where students were presented with prizes and certificates.

We organised a course titled 'Safeguarding Children' for the Madrassa teachers during the year, this was given by an external organisation specialising in this field.

Mosque:

This is where the five daily regular prayers take place as well as the main Friday congregational prayer.

Comprehensive translation of the Quran, in Urdu and English, is given by the Imam three days a week after a congregational prayer. One day a week the Imam also gives Islamic Fiqh and Hadeeth lectures.

FINANCIAL REVIEW

Reserves policy

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trust average monthly spending was approximately £15,000 (2023: £19,000 per month during year ended 31st March 2024).

The trustees consider that the ideal level of reserves would cover six months spending which is approximately £90,000. The current reserves at balance sheet date were £2,615,037 (2023: £2,438,249), all of which were unrestricted. The trustees consider the trust is in a healthy position to continue support the charity objectives.

The financial statements have been prepared under the historical cost convention.

Going Concern

Net movement rose in the year to £176,788 (2023: £95,219) compared to previous year. As a result, the Board of Trustees are confident that they would be in operation for the next twelve months.

Therefore, the account has been prepared as a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when the charity receives them.

Investment income is recognised on receivable basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using either a straight line or reducing balance method, as indicated below.

Depreciation is provided on the following basis:

Freehold property - 1% on cost

Fixtures and fittings - 25% on cost

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

MADRASSA TALIMUL ISLAM
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023

ACHIEVEMENT AND PERFORMANCE

Madrassa Talimul Islam April 2022 - 2023

The whole of the premises at 241E High St. North has been now been leased to Letslocate Ltd, which includes the car park, first and second floor of the building.

The revised planning application for the shop floor (formally 99p store) conversion were submitted to Newham Council in February 2020 for approval and in July 2020 our planning application was approved by Newham Planning Application Committee. Our solicitor Abdul Rauf (of Whitmore Solicitors) is currently in the process of agreeing a working framework (S106 planning agreement) between Madrasaa Talimul Islam and Newham Council before we can start any building work. As of end March 2023, because of the backlog at Newham council due to Covid-19 our solicitors have not been able to complete the working framework (i.e. S106 agreement) with Newham council. We still do not have a date when the S106 agreement will be completed.

An Annual Jalsa (prize giving) was held to mark the end of the Madrasah academic year. Many of the Madrasah students carried out activities that showed what they learned during the year, e.g. recitation of the Quran, give a short speech etc. The audience consisted of parents and other regular users of the Masjid.

The Charity invited a number of renowned Islamic scholars to give speeches on various Islamic topics.

The Charity also organised two successful Youth Conferences where renowned young Islamic scholars were invited to part good advice to the young members of the community. Food was provided at the end to everyone who attended the event.

We restarted youth activities for 2 days a week (Friday after Madrassa and Sunday afternoon) at 236-238 High St. North for the Madrassa children. The activities include table tennis, table football etc. We also took the senior students and their teachers for paint balling, fun was had by all.

MADRASSA TALIMUL ISLAM PROJECTS

Womens Classes

Madrassa Talimul Islam runs classes for Women who want to further they knowledge of Islam. These classes are very popular with women of all age groups.

In early 2013 we started Quran Tafsir (Quran Commentary) during the Women's classes.

These classes have been restarted after Covid-19 and relocated to 248A High Street North.

Hifz Classes (Quran memorisation)

The hifz class promotes the complete memorisation of the Qur'an. There are approximately 15 boys in the class which are held twice every weekday from 6:15am to 7:30am and 5:00pm to 7:00pm.

Madrasahs

Madrasahs are after school classes where Quran and Islamic knowledge are taught.

MADRASSA TALIMUL ISLAM

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

The Madrassah runs five days a week from 5:00pm to 7:00pm. Approximately two hundred children aged five and above currently attending follow a strategic curriculum.

The Madrassah held its Prize Giving Day Ceremony where students were presented with prizes and certificates.

We organised a course titled 'Safeguarding Children' for the Madrassa teachers during the year, this was given by an external organisation specialising in this field.

Mosque

This is where the five daily regular prayers take place as well as the main Friday congregational prayer.

Comprehensive translation of the Quran is given by the Imam three days a week after a congregational prayer. One day a week the Imam also gives Islamic Fiqh and Hadeeth lectures.

A short lesson from the Hadith books is also given by the Imam at least once during the day after a congregational prayer.

Ramadhan

Madrasa Talimul Islam Charity invited Muslims to share food during the evenings in Ramadhan.

The food was provided from donation given by the community specifically for this purpose.

Islamic lectures were organised for the young members of the community, which were given by local young scholars in English.

Special Appeals (Zakaat and Sadaqa) - Restricted funds

Madrasa Talimul Islam held appeals throughout the year to raise money for disaster areas around the world. A special effort to raise money for flood victims in India, Pakistan and earthquake victims in turkey was carried out. Other disasters benefitted from appeals were in Yemen, Syria, Iraq, Palestine, India, Pakistan and Bangladesh.

FINANCIAL REVIEW

Reserves policy

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trust average monthly spending was approximately £19,000 (2022: £12,000 per month during year ended 31st March 2023).

The trustees consider that the ideal level of reserves would cover six months spending which is approximately £100,000. The current reserve's come to £2,438,249 (2022: £2,343,030) at the year end 31st March 2023 out of which £458,517 (2022: £344,271) are free reserves (net current assets).The trustees consider the trust is in a healthy position to continue support the charity objectives.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MADRASSA TALIMUL ISLAM**

Independent examiner's report to the trustees of Madrassa Talimul Islam

I report to the charity trustees on my examination of the accounts of Madrassa Talimul Islam (the Trust) for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements and assessment of going concern

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Going Concern

Although the net movement in the year £95,219 (2022: £122,763) is lower compared to previous year, the Board of Trustees are confident that they would be in operation for the next twelve months. The charity is currently operating at full capacity since the Pandemic.

As a result of this, the account has been prepared as a going concern status.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when the charity receives them.

Investment income is recognised on receivable basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using either a straight line or reducing balance method, as indicated below.

Depreciation is provided on the following basis:

Freehold property - 1% on cost

Fixtures and fittings - 25% on cost

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES - continued

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Debtors

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at less any impairment.

Creditors

Basic financial liabilities, including trade and other creditors, loans from third parties and loans from related parties, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The whole of the premises at 241E High St. North has been now been leased to Letslocate Ltd, which includes the car park, first and second floor of the building.

The revised planning application for the shop floor (formally 99p store) conversion were submitted to Newham Council in February 2020 for approval and in July 2020 our planning application was approved by Newham Planning Application Committee. Our solicitor Abdul Rauf (of Whitmore Solicitors) is currently in the process of a agreeing a working framework (S106 planning agreement) between Madrasaa Talimul Islam and Newham Council before we can start any building work. As of end March 2022, because of the backlog at Newham council due to Covid-19 our solicitors have not been able to complete the working framework (i.e. S106 agreement) with Newham council. We still do not have a date when the S106 agreement will be completed

An Annual Jalsa (prize giving) was held to mark the end of the Madrasah academic year. Many of the Madrasah students carried out activities that showed what they learned during the year, e.g. recitation of the Quran, give a short speech etc. The audience consisted of parents and other regular users of the Masjid.

The Charity invited a number of renowned Islamic scholars to give speeches on various Islamic topics.

The Charity also organised two successful Youth Conferences where renowned young Islamic scholars were invited to part good advice to the young members of the community. Food was provided at the end to everyone who attended the event.

We restarted youth activities for 2 days a week (Friday after Madrassa and Sunday afternoon) at 236-238 High St. North for the Madrassa children. The activities include table tennis, table football etc. We also took the senior students and their teachers for paint balling, fun was had by all.

MADRASSA TALIMUL ISLAM PROJECTS

Womens Classes

Madrassa Talimul Islam runs classes for Women who want to further they knowledge of Islam. These classes are very popular with women of all age groups.

In early 2013 we started Quran Tafsir (Quran Commentary) during the Women's classes.

These classes have been restarted after Covid-19 and relocated to 248A High Street North.

Hifz Classes (Quran memorisation)

The hifz class promotes the complete memorisation of the Qur'an. There are approximately 15 boys in the class which are held twice every weekday from 6:15am to 7:30am and 5:00pm to 7:00pm.

Madrasahs:

Madrasahs are after school classes where Quran and Islamic knowledge are taught.

The Madrasah runs five days a week from 5:00pm to 7:00pm. Approximately two hundred children aged five and above currently attending follow a strategic curriculum.

The Madrasah held its Prize Giving Day Ceremony where students were presented with prizes and certificates.

MADRASSA TALIMUL ISLAM

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

We organised a course titled 'Safeguarding Children' for the Madrassa teachers during the year, this was given by an external organisation specialising in this field.

Mosque

This is where the five daily regular prayers take place as well as the main Friday congregational prayer.

Comprehensive translation of the Quran is given by the Imam three days a week after a congregational prayer. One day a week the Imam also gives Islamic Fiqh and Hadeeth lectures.

A short lesson from the Hadith books is also given by the Imam at least once during the day after a congregational prayer.

Ramadhan 2021

Madrassa Talimul Islam Charity invited Muslims to share food during the evenings in Ramadhan.

The food was provided from donation given by the community specifically for this purpose.

Islamic lectures were organised for the young members of the community, which were given by local young scholars in English.

Special Appeals (Zakaat and Sadaqa) - Restricted funds

Madrassa Talimul Islam held appeals throughout the year to raise money for disaster areas around the world. A special effort to raise money for the Rohingya people fleeing persecution was carried out. Other disasters benefitted from appeals were in Yemen, Syria, Iraq, India, Pakistan and Bangladesh.

FINANCIAL REVIEW

Reserves policy

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trust average monthly spending was approximately £11,300 per month during year ended 31st March 2022.

The trustees consider that the ideal level of reserves would cover six months spending which is approximately £68,000. The current reserve's come to £2,343,030 at the year end 31st March 2022 out of which £344,271 are free reserves (net current assets).The trustees consider the trust is in a healthy position to continue support the charity objectives.

Going concern and Impact of Covid 19

Due to the national lockdown in March 2020 relating to Covid-19 we were expecting a shortfall in charity donations in Ramadhan 2020 and from the year, however this did not materialise, and the charity is currently in financially healthy position. Despite the national lockdown we still managed to receive the full rental income from all our rented properties.

In the new financial year, we will be negotiating new leases for all our rented properties with a view of getting at least 20% increase in rental income.

In the new financial year, we hope to start raising new funds for the renovation work to the ground floor (formally 99p Store) of 236-238 High Street North. The plans for this renovation were approved by Newham council in July 2020.

We expect no financial impact in the current financial year due to Covid-19. The trustees consider the charity to be a going concern.

MADRASSA TALIMUL ISLAM

TRUSTEES' RESPONSIBILITY STATEMENT FOR THE YEAR ENDED 31 MARCH 2022

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MADRASSA TALIMUL ISLAM**

Independent examiner's report to the trustees of Madrassa Talimul Islam

I report to the charity trustees on my examination of the accounts of Madrassa Talimul Islam (the Trust) for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements and assessment of going concern

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Impact of Covid 19 and Going Concern

Although the charity has been impacted by the Pandemic, the Board of Trustees confirm that they have sufficient funds, continued online donation and rental income to keep the charity in operation. There were no need to furlough staff members. In addition, other various measures and approaches have been adopted by the organisation and they are complying with the government rules and regulations to curtail the impact of the Pandemic. The Board of Trustees are confident to be in operation for the next twelve months.

As a result of this, the account has been prepared as a going concern status.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when the charity receives them.

Investment income is recognised on receivable basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using either a straight line or reducing balance method, as indicated below.

Depreciation is provided on the following basis:

Freehold property - 1% on cost

Fixtures and fittings - 25% on cost

MADRASSA TALIMUL ISLAM

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES - continued

Tangible fixed assets

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Debtors

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at less any impairment.

Creditors

Basic financial liabilities, including trade and other creditors, loans from third parties and loans from related parties, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.

Karzi hasne loan

Included in other creditors is £56,000 (2021: £22,000) Karze Hasne Loan. These are interest free loans from the community which are repayable on demand

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The lease for the rear car park of the premises at 241E High St. North has been extended on six months rolling contract to the Hindu Temple next door.

The revised planning application for the shop floor (formally 99p store) conversion were submitted to Newham Council in February 2020 for approval and in July 2020 our planning application was approved by Newham Planning Application Committee. Our solicitor Abdul Rauf (of Whitmore Solicitors) is currently in the process of a agreeing a working framework (S106 planning agreement) between Madrasaa Talimul Islam and Newham Council before we can start any building work.

Extensive work was carried out on the ground floor and the flat roof area of 236-238 High Street North (formally occupied by 99p store) to make it safe after rain damaged the ceiling. We took advantage of the lockdown in November 2020 to create extra temporary prayer space for the public on the ground floor.

During the Covid-19 pandemic in partnership with Newham Council Safety Forum we distributed food parcels to those in need on a weekly basis. We estimated that we distributed approximately 300-350 food parcels every week.

Due the Covid-19 the following activities were suspended during this financial year:

- Madrassah annual Jalsa
- Youth club
- Youth conferences
- Lectures by renown scholars

MADRASSA TALIMUL ISLAM PROJECTS

Womens Classes

Madrasa Talimul Islam runs classes for Women who want to further they knowledge of Islam. These classes are very popular with women of all age groups.

In early 2013 we started Quran Tafsir (Quran Commentary) during the Women's classes.

These classes have now moved to the new building at 241E High Street North. The extra space in the new building allows the women to offer more group sessions specialising in specific topics.

Due to the national lockdown in March 2020 relating to Covid-19 all women's classes were suspended during this financial year.

Hifz Classes (Quran memorisation)

The hifz class promotes the complete memorisation of the Qur'an. There are approximately 15 boys in the class which are held twice every weekday from 6:30am to 7:30am and 5:00pm to 7:00pm.

Madrasahs:

Madrasahs are after school classes where Quran and Islamic knowledge are taught.

MADRASSA TALIMUL ISLAM
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021

The Madrassah runs five days a week from 5:00pm to 7:00pm. Approximately two hundred children aged five and above currently attending follow a strategic curriculum.

Due to the national lockdown in March 2020 relating to Covid-19 all Madrassah lessons were successfully moved online on to Zoom.

Mosque

This is where the five daily regular prayers take place as well as the main Friday congregational prayer.

Comprehensive translation of the Quran is given by the Imam three days a week after the Esha (last prayer of the day) congregational prayer.

One day a week the Imam also gives Islamic Fiqh lectures.

A short lesson from the Hadith books is also given by the Imam at least once during the day after a congregational prayer.

Ramadhan 2020

Due to the national lockdown in March 2020 relating to Covid-19 all Masjid activities were suspended during Ramadhan 2020.

Special Appeals (Zakaat and Sadaqa) - Restricted funds

Madrassa Talimul Islam holds appeals throughout the year to raise money for disaster areas around the world. Due to restrictions put in place due to Covid-19, this year we were unable to raise funds to help those in need in places such as Yemen, Rohingya, Syria, Iraq, Palestine, Libya.

FINANCIAL REVIEW

Reserves policy

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trust average monthly spending was approximately £11,300 per month during year ended 31st March 2021.

The trustees consider that the ideal level of reserves would cover six months spending which is approximately £68,000. The current reserve's come to £2,219,910 at the year end 31st March 2021 out of which £231,320 are free reserves (net current assets). The trustees consider the trust is in a healthy position to continue support the charity objectives.

MADRASSA TALIMUL ISLAM
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021

FINANCIAL REVIEW

Going concern and Impact of Covid 19

Due to the national lockdown in March 2020 relating to Covid-19 we were expecting a shortfall in charity donations in Ramadhan 2020 and from the year, however this did not materialise, and the charity is currently in financially healthy position. Despite the national lockdown we still managed to receive the full rental income from all our rented properties.

In the new financial year, we will be negotiating new leases for all our rented properties with a view of getting at least 20% increase in rental income.

In the new financial year, we hope to start raising new funds for the renovation work to the ground floor (formally 99p Store) of 236-238 High Street North. The plans for this renovation were approved by Newham council in July 2020.

We expect no financial impact in the current financial year due to Covid-19.

FINANCE

The Financial Statements that follow relates to the Madrassa Talimul Islam Charity the year to 31st March 2021. On approval the accounts will be sent to the Charity Commission.

MADRASSA TALIMUL ISLAM
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021

TRUSTEES' RESPONSIBILITY STATEMENT - continued

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 8th OCT 2021..... and signed on its behalf by:

Trustee : Mr O. Mohamed Ahmed

MADRASSA TALIMUL ISLAM**

Independent examiner's report to the trustees of Madrassa Talimul Islam

I report to the charity trustees on my examination of the accounts of Madrassa Talimul Islam (the Trust) for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements and assessment of going concern

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Impact of Covid 19 and Going Concern

Although the charity has been impacted by the Pandemic, the Board of Trustees confirm that they have sufficient funds, continued online donation and rental income to keep the charity in operation. There were no need to furlough staff members. In addition, other various measures and approaches have been adopted by the organisation and they are complying with the government rules and regulations to curtail the impact of the Pandemic. The Board of Trustees are confident to be in operation for the next twelve months.

As a result of this, the account has been prepared as a going concern status.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when the charity receives them.

Investment income is recognised on receivable basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using either a straight line or reducing balance method, as indicated below.

Depreciation is provided on the following basis:

Freehold property - 1% on cost

MADRASSA TALIMUL ISLAM

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES - continued

Tangible fixed assets

Fixtures and fittings - 25% on cost

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Debtors

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at less any impairment.

Creditors

Basic financial liabilities, including trade and other creditors, loans from third parties and loans from related parties, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.

Karzi hasne loan

Included in other creditors is £22,000 (2020: £22,000) Karze Hasne Loan. These are interest free loans from the community which are repayable on demand
