Achievements and performance

Summary of the main achievements of the charity during the year

Since the last report which was dated to 31.3.2024, the Centre focused on continually increasing the bookings for community and support services that were obviously linked to the needs and concerns of the local community e.g

- Social Supermarket alongside our Essentials Shop in response to the cost-of-living crisis,
- increased IAG clinics to support people with welfare, wellbeing, debt, benefits, housing, tenancy and signposting to relevant services for personal support,
- popular holiday fun clubs to help parents with educational activities and a nutritious meal for children aged 5-16
- a community garden encouraging the children to sow, plant, water and harvest vegetables and fruit
- increased wellbeing activities for adults eg physical fitness, yoga, mindfulness, arts and crafts

The Community Association continued to receive support from local funding groups including Torbay Council, Sanctuary Housing, TCDT, and main grant funders like Devon Community Foundation, Awards for All. Social media and word of mouth became the preferred method of promoting and celebrating the activities at the centre.

Due to the changing guidelines the committee decided to stop hosting parties and individual celebration bookings due to the high cleaning costs, rising utility bills, safeguarding concerns and unfortunate repairs after damage to the centre: it was no longer cost effective to host party bookings so the centre worked alongside partner organisations, social services, family intervention groups, NHS and other professionals to offer exclusive and safe ventilated use of the hall space which was a major consideration and hygiene lesson learned post-lockdowns

Covid-support grants were replaced by cost-of-living grants which supported our work even further and the committee continues to strengthen working partnerships with local organisations to offer great support and training services to the local residents because we feel this focus suits the centre.

We continued to work with a multi-organisational cohort delivering educational and fun activities and food as part of the Holiday Activity Clubs but within a more flexible framework funded by the social housing group Sanctuary. Joining the Food Alliance developed our social supermarket model rather than a food bank. And for the very hardest financially impacted people, we have a separate Food Pantry which allows 'donations, swops or take' without question or forms which generates itself through the generosity of the residents on the estate.

The Community Association continued to receive support from local funding groups including Torbay Council, Sanctuary Housing, TCDT, and main grant funders like Devon Community Foundation, Awards for All. The council support for our social supermarket led to our joining the holiday voucher scheme to offer families with financial struggles discounted shopping bags. We also increased the opening hours of our Warm Space and with funding from the National Grid, we distributed Warm Packs to vulnerable residents.

Our Facebook page became the preferred method of promoting and celebrating the activities at the centre.

Achievements and performance

Summary of the main achievements of the charity during the year

Since the last report which was dated to 31.3.2022, the Centre focused on gradually increasing the bookings for community and support services that were obviously linked to the needs and concerns of the local community e.g

- Social Supermarket alongside our Essentials Shop in response to the cost-of-living crisis,
- increased IAG clinics to support people with welfare, wellbeing, debt, benefits, housing, tenancy and signposting to relevant services for personal support,
- popular holiday fun clubs to help parents with educational activities and a nutritious meal for children aged 5-16
- a community garden encouraging the children to sow, plant, water and harvest vegetables and fruit

The Community Association continued to receive support from local funding groups including Torbay Council, Sanctuary Housing, TCDT, Imagine – Torbay Multicultural Group CIC and main grant funders like Devon Community Foundation, Awards for All. The council supported our social supermarket and we joined the holiday voucher scheme to offer families with financial struggles discounted shopping bags.

Our Facebook page became the preferred method of promoting and celebrating the activities at the centre.

Due to the changing guidelines the committee decided to stop hosting parties and individual celebration bookings due to the high covid cleaning costs, rising utility bills, safeguarding concerns and unfortunate repairs after damage to the centre: it was no longer cost effective to host party bookings so the centre worked alongside partner organisations, social services, family intervention groups, NHS and other professionals to offer exclusive and safe ventilated use of the hall space which was a major consideration post-lockdowns

Covid-support grants had made this transitional operational change possible and the committee continues to strengthen working partnerships with local organisations to offer great support and training services to the local residents because we feel this focus suits the centre.

The 2 most successful of this change in focus is working with a multi-organisational cohort delivering educational and fun activities and food as part of the Holiday Activity Clubs, a nationwide initiative to support children and families on free school meals over the holiday dates. And joining the Food Alliance to develop our social supermarket model rather than a food bank. Instead, we have a separate Food Pantry which allows 'donations, swaps or take' without question or forms which generates itself through the generosity of the residents on the estate.

Achievements and performance

Summary of the main achievements of the charity during the year

Since the last report which was dated to 31.3.2021, Covid-19 restrictions affected the centre directly as it had to adjust its services to the public with many activities affected as required by national public health guidelines.

The Community Association continued to receive support from local funding groups including Torbay Council, Sanctuary Housing, TCDT, Imagine – Torbay Multicultural Group CIC and main grant funders like Devon Community Foundation, Awards for All. Many projects were secured under the covid-response grants and had to be delivered and monitored under strict supervision.

Some projects were moved online, meetings were held by video conferencing, text and email, and competitions/engagement were posted on the Centre's Facebook page to maintain contact with residents.

Due to the changing guidelines the committee decided to stop hosting parties and individual celebration bookings due to the high covid cleaning costs, rising utility bills, safeguarding concerns and unfortunate repairs after damage to the centre: it was no longer cost effective to host party bookings so the centre worked alongside partner organisations, social services, family intervention groups, NHS and other professionals to offer exclusive and safe ventilated use of the hall space which was a major consideration post-lockdowns

Covid-support grants has made this transitional operational change possible and the committee continues to strengthen working partnerships with local organisations to offer great services to the local residents.

The most successful of these is working with a multi-organisational cohort delivering educational and fun activities and food as part of the Holiday Activity Clubs, a nationwide initiative to support children and families on free school meals over the holiday dates.

Achievements and performance

Summary of the main achievements of the charity during the year

Increased footfall and activity were working successfully until Covid-19 lockdown restrictions closed the community centre. During 2020-2021 the committee constantly reviewed its service and utility provision and the committee members refreshed CPD and mandatory training

Since the last report which was dated to 31.3.2020, Covid-19 restrictions affected the centre directly as it had to close its doors to the public and all activities as required by national public health guidelines.

The Community Association continued to receive support from local funding groups including Torbay Council, Sanctuary Housing, TCDT, Imagine – Torbay Multicultural Group CIC and main grant funders like Devon Community Foundation, Awards for All and the Tampax Fund. Many projects were secured under the covid-response grants. Projects were moved online, meetings were held by video conferencing, text and email, and competitions/engagement were posted on the Centre's Facebook page to maintain contact with residents.

During the emergency response to Covid-19, the centre adapted one of its projects to support local families with healthy meals, activity children packs and wildlife activity boxes which continued throughout the summer despite the centre staying closed to the public.

The Centre applied successfully for the government Covid - support grants as it has every intention of reopening when the lockdown restrictions allow.
