COPPICE MISSION CHURCH
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

The Trustees have pleasure in submitting the Report and Accounts for the year ended 31 March 2025.

Objectives and activities

The charity is a charitable trust. The charity's objectives, as set out in its governing document, are the worship of God, the instruction and edification of Christians, the care and Christian instruction of young people and children and the evangelisation of non-Christians, the relief of sickness or poverty and the advancement of the Christian faith generally.

To this end, we aim to be a Christian church that advances the Christian faith and tries to relieve distress among residents of the neighbourhood - be it caused by loneliness, sickness and poverty. Specifically, we aim to be an evangelical Christian Church which shares the love of God in Jesus Christ by concern and practical help to the community, regardless of age, gender identity, culture, creed, social status, disability or ethnic origin.

Summary of the charity's main activities and achievements

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

We provide Christian worship services on Sunday mornings, prayer meetings on Monday evenings, a men's fellowship group on Tuesday mornings and a Craft Club on Tuesday afternoons. Bible study is held on Friday mornings. Pastoral care includes listening to anyone who approaches us for help, particularly the elderly, bereaved or disabled. We participate in several national and borough-wide projects including Hope into Action, Churches Together, and Transform Bromley Borough. The Pastor visits local care homes and sheltered housing schemes, and participates in a rota of volunteers taking Sunday services. The Pastor also visits local primary schools as a volunteer with Spinnaker Trust to take assemblies.

The charity continues to run social groups to help address social isolation, particularly for the older members of the community. Bi-monthly bring and share lunches also encourage community cohesion.

The charity creates opportunity for people who want to find out more about the Christian faith, which may involve discussion over a meal and around a short film. One person has made a commitment to Christ and has been baptised. Others continue to receive support in their questioning and searching of the Christian faith.

Outreach based from the local convenience store promotes the different activities run by the church and a number of people have connected either into the church or one of the group activities on offer.

We have continued to be able to support our missionaries who are able to continue in their work and are encouraged by our prayer, financial and practical support.

Again this year the church community put together 'shoebox' gifts, partnering with Link to Hope who send shoeboxes to impoverished families and elderly people in Eastern Europe (particularly Ukraine, Moldova, Romania and Bulgaria).

The charity is looking at the buildings on site with a view to updating them and to see how they could be opened up more for community use. Initial plans have been drawn up but due to retirement of the pastor in August 2025, appointment of the new pastor is awaited to continue this review.

The focus for the church late 2024 / early 2025 was prayer and discernment for a new pastor. The trustees began drawing together a job description and person specification both of which drew on the vision casting of the previous year.

Financial review

The trustees report a deficit for the year of £4,621 (2024: £33,527) but maintain a high level of cash reserves of £375,371. All of the cash held by the charity is unrestricted and can be used for any charitable purpose. During 2021/22 an investment property was sold and the proceeds were placed on deposit; the charity continues to benefit from the interest paid by these deposit accounts. The charity continues to move towards a breakeven position as growth takes place.

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's unrestricted fund expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

Three month's expenditure on unrestricted funds amounts to approximately £17,500. With the level of unrestricted reserves at the year end of £375,371, the policy is more than adequately satisfied with many months' worth of reserves covered. It is likely that the trustees will consider setting aside some of the excess unrestricted reserves in future years for further longer term investment, potentially in the church building.

Risk statement

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Responsibilities of trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.

COPPICE MISSION CHURCH
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2024

The Trustees have pleasure in submitting the Report and Accounts for the year ended 31 March 2024.

Objectives and activities

The charity is a charitable trust. The charity's objectives, as set out in its governing document, are the worship of God, the instruction and edification of Christians, the care and Christian instruction of young people and children and the evangelisation of non-Christians, the relief of sickness or poverty and the advancement of the Christian faith generally.

To this end, we aim to be a Christian church that advances the Christian faith and tries to relieve distress among residents of the neighbourhood - be it caused by loneliness, sickness and poverty. Specifically, we aim to be an evangelical Christian Church which shares the love of God in Jesus Christ by concern and practical help to the community, regardless of age, gender identity, culture, creed, social status, disability or ethnic origin.

Summary of the charity's main activities and achievements

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

We provide Christian worship services on Sunday mornings, prayer meetings on Monday evenings, a men's fellowship group on Tuesday mornings and a Craft Club on Tuesday afternoons. Bible study is held on Friday mornings. Pastoral care includes listening to anyone who approaches us for help, particularly the elderly, bereaved or disabled. We participate in several national and borough-wide projects including Hope into Action, Churches Together, and Transform Bromley Borough. During the year, two congregation members graduated as street pastors to serve the wider community with Churches Together. The Pastor visits local care homes and sheltered housing schemes, and participates in a rota of volunteers taking Sunday services. The Pastor also visits local primary schools as a volunteer with Spinnaker Trust to take assemblies.

The charity continues to run social groups to help address social isolation, particularly for the older members of the community. A number of sessions were hosted for South East London Community Energy (SELCE) to visit and give advice to the community on keeping warm and reducing energy bills. Monthly bring and share lunches also encourage community cohesion.

The charity creates opportunity for people who want to find out more about the Christian faith, which may involve discussion over a meal and around a short film. Two people have made a commitment to Christ and have been baptised. Others continue to receive support in their questioning and searching of the Christian faith. Sadly, a funeral and memorial service was held for one of the local community. However, this event was a celebration of the life that was lived and meant that the church could reach out to guests in a positive way.

Outreach based from the local convenience store promotes the different activities run by the church and a number of people have connected either into the church or one of the group activities on offer.

We have continued to be able to support our missionaries who are able to continue in their work and are encouraged by our prayer, financial and practical support.

Again this year the church community put together 'shoebox' gifts, partnering with Link to Hope who send shoeboxes to impoverished families and elderly people in Eastern Europe (particularly Ukraine, Moldova, Romania and Bulgaria).

The charity is looking at the buildings on site with a view to updating them and to see how they could be opened up more for community use.

In June an away day was held in order for the church to take time out and consider where things were at now and what things could be like in the next 5-10 years. Some ideas have already been put into practice and the church is keen to build on this momentum.

Financial review

The trustees report a deficit for the year of £33,527 (2023: £20,826) but maintain a high level of cash reserves of £379,992. All of the cash held by the charity is unrestricted and can be used for any charitable purpose. During 2021/22 an investment property was sold and the proceeds were placed on deposit; the charity continues to benefit from the interest paid by these deposit accounts. The charity plans to gradually move towards a breakeven position as growth takes place.

The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

Three month's expenditure on unrestricted funds amounts to approximately £19,400. With the level of unrestricted reserves at the year end of £379,992, the policy is more than adequately satisfied with many months' worth of reserves covered. COPPICE MISSION CHURCH
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023

The Trustees have pleasure in submitting the Report and Accounts for the year ended 31 March 2023.

Objectives of the charity

The charity is a charitable trust. The charity's objectives, as set out in its governing document, are the worship of God, the instruction and edification of Christians, the care and Christian instruction of young people and children and the evangelisation of non-Christians, the relief of sickness or poverty and the advancement of the Christian faith generally.

To this end, we aim to be a Christian church that advances the Christian faith and tries to relieve distress among residents of the neighbourhood - be it caused by loneliness, sickness and poverty. Specifically, we aim to be an evangelical Christian Church which shares the love of God in Jesus Christ by concern and practical help to the community, regardless of age, gender identity, culture, creed, social status, disability or ethnic origin.

Summary of the charity's main activities and achievements

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

We provide Christian worship services on Sunday mornings, prayer meetings on Monday evenings, a men's fellowship group on Tuesday mornings and a Craft Club on Tuesday afternoons. Bible study is held on Friday mornings and a 'Warm Welcome Space' is available on Friday afternoons. Occasional outings and special events are organised for those who attend this group. Pastoral care includes listening to anyone who approaches us for help, particularly the elderly, bereaved or disabled. We participate in several national and borough-wide projects including Hope into Action, Churches Together, and Transform Bromley Borough. The Church purchases and distributes free of charge a monthly newspaper which contains encouraging articles from a Christian perspective and has established a presence at the local convenience store, offering free Christian literature and also Carol singing at Christmas. The Pastor visits local care homes and sheltered housing schemes, and participates in a rota of volunteers taking Sunday services. The Pastor also visits local primary schools as a volunteer with Spinnaker Trust to take assemblies.

The charity has established several social groups which alleviate loneliness in the community, particularly for the older members of the community.

The charity has held a series of meetings for people who want to find out more about the Christian faith, which involved a meal, a short film to introduce a topic for open discussion. Two people have made a commitment to Christ and have been baptised. Several others are considering baptism and are attending services regularly.

Several contacts made at the local convenience store have developed into friendships, spiritual and practical support for people who have approached the charity.

We have continued to be able to support our missionaries who are able to continue in their work and are encouraged by our prayer, financial and practical support.

The church community made up a number of 'shoebox' gifts, partnering with Link to Hope who send shoe boxes to impoverished families and elderly people in Eastern Europe (particularly Ukraine, Moldova, Romania and Bulgaria).

Financial review

The trustees report a deficit for the year of £20,826 but maintain a high level of cash reserves of £413,519 following a prior year sale of an investment property. All of the cash held by the charity is unrestricted and can be used for any charitable purpose. The funds from the sale have been invested and therefore bring in interest which the church benefits from as income. However, the church is seeking to move towards a break-even position in future years as growth takes place.

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's unrestricted fund expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

Three month's expenditure on unrestricted funds amounts to approximately £14,600. With the level of unrestricted reserves at the year end of £413,519, the policy is more than adequately satisfied with many months' worth of reserves covered. It is likely that the trustees will consider setting aside some of the excess unrestricted reserves in future years for further longer term investment, potentially in the church building.

Risk statement

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Responsibilities of trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.

1 Accounting policies

The accounts have been prepared on a receipts and payments basis and comprise a statement that shows the charity's receipts and payments, a statement that summarises the charity's assets and liabilities and related notes. The accountancy profession have determined that only accounts prepared in accordance with applicable accounting standards present a 'true and fair' view and, as these receipts and payments accounts have not (and cannot) be prepared in accordance with accounting standards, these accounts do not present (and are not intended to present) a 'true and fair' view of the charity's financial activities and state of affairs.

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.
