Structure, governance and management

The organisation was registered as a Charity on 27 March 1991 under a governing instrument dated 16 October 1990. The organisation is governed by a management committee.

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit subject nevertheless to such conditions and consents as may, for the time being, be imposed or required by law. Surplus funds are invested with various institutions.

RESERVES POLICY

The Charity carries out a variety of both long-term and short-term projects. The Trustees have examined the requirement for free reserves, which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The Trustees consider that currently, given the nature of our work, this should be approximately £625,000, which gives flexibility to cover short term timing differences for grant claims and adequate working capital for our core costs, and to represent investment in fixed assets. However, the Trustees keep this under regular review as circumstances change. The free reserves at 31 December 2024 consist of the profit and loss reserve of £1,486,799.

RISK MANAGEMENT

The Trustees actively review the major risks which the Charity faces on a regular basis and believe that maintaining our free reserves at the levels stated above, combined with our annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which we face and confirm that they have established systems to mitigate the significant risks.

Objectives and activities

The objectives and activities of Foundry Community Housing are:

- 1) Housing accommodation for persons over 60 years who are members of the Foundry Community Church or in fellowship with the Church, or a Church in fellowship therewith, or persons in such need.
- 2) Relieving aged persons in occupation of the Housing accommodation of the Charity and, subject thereto, applying the income in furthering the religious and other charitable work of the Foundry Community Church.

Achievements and performance

Since 1985, FCH has maintained a high level of service, delivered with care, enthusiasm and commitment that is warmly appreciated by its tenants. FCH is served by an outstanding team of staff including on-site caretaker/warden, managers and staff. FCH also benefits from operating and working closely in conjunction with Foundry Community Church, with the added benefits of community living offered through the friendship and support of the local church. During the last decade, the management team have overseen a constant and considerable programme of refurbishment within the bungalows. The main areas of works carried out in 2024 were, completion of the upgrading of the living room heaters. We also continued to do day to day repairs and the ongoing refurbishment of new kitchen and shower rooms. FCH also spent a large proportion of its annual repairs and renewals budget on either repairs or renewal of the sites roofs including 10 new roofs to two blocks of bungalows. Occupancy rates remain high. the waiting list especially across both sets of accommodation remains strong, and the atmosphere on site remains friendly and amenable.

In 2024 we took on an additional Tenant liaison which now means there is staffing provision on site every day of the week excluding staff absence due to holidays or sickness which greatly enhances the team provision for all tenants.

Much credit must go to the managers, staff and volunteers who have continued to ensure that Fair Havens Court remains a safe and pleasant place to live!

FCH is currently working relationship with the Lighthouse Foundation Trustees on a potential merger of the two charities and continues to financially support the Lighthouse Foundation charity throughout this transition period.

The Trustees of Foundry Community Housing submit this review with confidence that the great work of 2024 will be continued into 2025 and beyond.

Financial review

Through sound financial management the charity has been able to continue to provide an excellent service to our residents.

Over the past 12 months, rental income has been increased through a programme of steady increases, undertaken in line with the current rates of inflation.

Independent Examiner's Report to the Trustees of Foundry Community Housing

Year ended 31 December 2024

I report to the trustees on my examination of the financial statements of Foundry Community Housing ('the charity') for the year ended 31 December 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Financial Accountants (IFA), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 December 2024

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is C/o The Foundry, Lugsdale Road, Widnes, Cheshire.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Foundry Community Housing

Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and Fittings	- 25% reducing balance
Equipment	- 25% reducing balance
Computer equipment	- 25% reducing balance

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Structure, governance and management

The organisation was registered as a Charity on 27 March 1991 under a governing instrument dated 16 October 1990. The organisation is governed by a management committee.

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit subject nevertheless to such conditions and consents as may, for the time being, be imposed or required by law. Surplus funds are invested with various institutions.

RESERVES POLICY

The Charity carries out a variety of both long-term and short-term projects. The Trustees have examined the requirement for free reserves, which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The Trustees consider that currently, given the nature of our work, this should be approximately £625,000, which gives flexibility to cover short term timing differences for grant claims and adequate working capital for our core costs, and to represent investment in fixed assets. However, the Trustees keep this under regular review as circumstances change. The free reserves at 31 December 2023 consist of the profit and loss reserve of £1,529,074.

RISK MANAGEMENT

The Trustees actively review the major risks which the Charity faces on a regular basis and believe that maintaining our free reserves at the levels stated above, combined with our annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which we face and confirm that they have established systems to mitigate the significant risks.

Objectives and activities

The objectives and activities of Pentecostal Residences Charity are:

- 1) Housing accommodation for persons over 60 years who are members of the Halton Pentecostal Church or in fellowship with the Church, or a Church in fellowship therewith, or persons in such need.
- 2) Relieving aged persons in occupation of the Housing accommodation of the Charity and, subject thereto, applying the income in furthering the religious and other charitable work of the Halton Pentecostal Church.

Achievements and performance

Since 1985, PRC has maintained a high level of service, delivered with care, enthusiasm and commitment that is warmly appreciated by its tenants. PRC is served by an outstanding team of staff including on-site caretaker/warden, managers and staff. PRC also benefits from operating and working closely in conjunction with Foundry Community Church, with the added benefits of community living offered through the friendship and support of the local church. During the last decade, the management team have overseen a constant and considerable programme of refurbishment within the bungalows. The main areas of works carried out in 2023 were, completion of the soffit, fascia boards and gutters renewal (this was completed across all bungalows, upgrading of the living room heaters (to be continued over into 2024). We also continued to do day to day repairs and continued to refurbish kitchen and shower rooms. Occupancy rates remain high. the waiting list especially across both sets of accommodation remains strong, and the atmosphere on site remains friendly and amenable.

In 2023 the charity faced some challenges around staffing with 2 members of staff being off on long term sick. Our tenant Liaison subsequently moved on to a new job and our business manager returned to work in December 2023 on a phased return, Much credit must go to the managers, staff and volunteers who have continued to ensure that Fair Havens Court remains a great place to live as well as a safe place to live!

PRC is also appreciative of the working relationship with the Lighthouse Foundation and their students who work hard to maintain grounds maintenance on behalf of the charity.

The Trustees of the Pentecostal Residences Charity submit this review with confidence that the great work of 2023 will be continued into 2024 and beyond.

Financial review

Through sound financial management the charity has been able to continue to provide an excellent service to our residents.

Over the past 12 months, rental income has been increased through a programme of steady increases, undertaken in consultation with an external property group to ensure the correct market rental values were applied. The Trustees are pleased to report that the proposed rentals increases have been accepted by the local authority for housing benefit purposes.

Independent Examiner's Report to the Trustees of Pentecostal Residences Charity

Year ended 31 December 2023

I report to the trustees on my examination of the financial statements of Pentecostal Residences Charity ('the charity') for the year ended 31 December 2023.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Financial Accountants (IFA), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 December 2023

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is C/o The Foundry, Lugsdale Road, Widnes, Cheshire.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies (continued)

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Pentecostal Residences Charity

Notes to the Financial Statements *(continued)*

Year ended 31 December 2023

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and Fittings	-	25% reducing balance
Equipment	-	25% reducing balance
Computer equipment	-	25% reducing balance

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Structure, governance and management

The organisation was registered as a Charity on 27 March 1991 under a governing instrument dated 16 October 1990. The organisation is governed by a management committee.

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit subject nevertheless to such conditions and consents as may, for the time being, be imposed or required by law. Surplus funds are invested with various institutions.

RESERVES POLICY

The Charity carries out a variety of both long-term and short-term projects. The Trustees have examined the requirement for free reserves, which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The Trustees consider that currently, given the nature of our work, this should be approximately £625,000, which gives flexibility to cover short term timing differences for grant claims and adequate working capital for our core costs, and to represent investment in fixed assets. However, the Trustees keep this under regular review as circumstances change. The free reserves at 31 December 2022 consist of the profit and loss reserve of £1,516,772.

RISK MANAGEMENT

The Trustees actively review the major risks which the Charity faces on a regular basis and believe that maintaining our free reserves at the levels stated above, combined with our annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which we face and confirm that they have established systems to mitigate the significant risks.

Objectives and activities

The objectives and activities of Pentecostal Residences Charity are:

- 1) Housing accommodation for persons over 60 years who are members of the Halton Pentecostal Church or in fellowship with the Church, or a Church in fellowship therewith, or persons in such need.
- 2) Relieving aged persons in occupation of the Housing accommodation of the Charity and, subject thereto, applying the income in furthering the religious and other charitable work of the Halton Pentecostal Church.

Achievements and performance

Since 1985, PRC has maintained a high level of service, delivered with care, enthusiasm and commitment that is warmly appreciated by its tenants. PRC is served by an outstanding team of staff including on-site caretaker/warden, managers and staff. PRC also benefits from operating and working closely in conjunction with the Foundry Church, with the added benefits of community living offered through the friendship and support of the local church. During the last decade, the management team have overseen a constant and considerable programme of refurbishment within the bungalows. The new consumer replacement scheme was completed in 2022 and the schedule of works for the gutters, soffits and fascia boards will continue into 2023. Occupancy rates remain high. the waiting list especially across both sets of accommodation remains strong, and the atmosphere on site remains friendly and amenable.

Much credit must go to the managers, staff and volunteers who have continued to ensure that Fair Havens Court remains a great place to live as well as a safe place to live!

PRC is also appreciative of the working relationship with the Lighthouse Foundation and their students who work hard to maintain grounds maintenance on behalf of the charity.

The Trustees of the Pentecostal Residences Charity submit this review with confidence that the great work of 2022 will be continued into 2023 and beyond.

Financial review

Through sound financial management the charity has been able to continue to provide an excellent service to our residents.

Over the past 12 months, rental income has been increased through a programme of steady increases, undertaken in consultation with an external property group to ensure the correct market rental values were applied. The Trustees are pleased to report that the proposed rentals increases have been accepted by the local authority for housing benefit purposes.

Plans for future periods

PRC and Lighthouse Trustees are exploring the opportunity of merging the two charities.

Independent Examiner's Report to the Trustees of Pentecostal Residences Charity

Year ended 31 December 2022

I report to the trustees on my examination of the financial statements of Pentecostal Residences Charity ('the charity') for the year ended 31 December 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 December 2022

1. General Information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is C/o The Foundry, Lugsdale Road, Widnes, Cheshire.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Pentecostal Residences Charity

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and Fittings	-	25% reducing balance
Equipment	-	25% reducing balance
Computer equipment	-	25% reducing balance

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial Instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Structure, governance and management

The organisation was registered as a Charity on 27 March 1991 under a governing instrument dated 16 October 1990. The organisation is governed by a management committee.

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit subject nevertheless to such conditions and consents as may for the time being be imposed or required by law. Surplus funds are invested with various institutions.

RESERVES POLICY

The Charity carries out a variety of both long term and short term projects. The Trustees have examined the requirement for free reserves, which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The Trustees consider that currently, given the nature of our work, this should be approximately £625,000, which gives flexibility to cover short term timing differences for grant claims and adequate working capital for our core costs, and to represent investment in fixed assets. However the Trustees keep this under regular review as circumstances change. The free reserves at 31 December 2021 consist of the profit and loss reserve of £1,516,772.

Pentecostal Residences Charity

Trustees' Annual Report *(continued)*

Year ended 31 December 2021

Structure, governance and management *(continued)*

RISK MANAGEMENT

The Trustees actively review the major risks which the Charity faces on a regular basis and believe that maintaining our free reserves at the levels stated above, combined with our annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which we face and confirm that they have established systems to mitigate the significant risks.

Objectives and activities

The objectives and activities of Pentecostal Residences Charity are:

- 1) Housing accommodation for persons over 60 years who are members of the Halton Pentecostal Church or in fellowship with the Church, or a Church in fellowship therewith, or persons in such need.
- 2) Relieving aged persons in occupation of the Housing accommodation of the Charity and, subject thereto, applying the income in furthering the religious and other charitable work of the Halton Pentecostal Church.

Achievements and performance

Since 1985, PRC has maintained a high level of service, delivered with care, enthusiasm and commitment that is warmly appreciated by its tenants. PRC is served by an outstanding team of staff, including on-site wardens and managers. PRC also benefits from operating and working closely in conjunction with the Foundry Church, with the added benefits of community living offered through the friendship and support of the local church.

During the last decade, the management team have overseen a constant and considerable programme of refurbishment within the bungalows. Occupancy rates remain high, the waiting list, especially for two-bedroom accommodation, remains strong, and the atmosphere on site remains friendly and amenable.

Much credit must go to the managers, wardens and volunteers who have continued to ensure that Fair Havens Court, particularly over the past 12 months and the opening up of community life after COVID-19, has continued to be a great place to live as well as a safe place to live!

Staff have continued to attempt to make Fair Havens Court an excellent place to work and live despite the challenges, and extra care and diligence has been taken to look out for especially vulnerable persons during this time.

PRC is also appreciative of the working relationship with the Lighthouse Foundation and their students who work hard to maintain grounds maintenance on behalf of the charity.

The Trustees of the Pentecostal Residences Charity submit this review with confidence that the great work of 2021 will be continued into 2022 and beyond.

Financial review

Through sound financial management the charity has been able to continue to provide an excellent service to our residents.

Over the past 12 months, rental income has been increased through a programme of steady increases, undertaken in consultation with an external property group to ensure the correct market rental values were applied. The Trustees are pleased to report that the proposed rentals increases have been accepted by the local authority for housing benefit purposes.

Plans for future periods

No significant changes are expected in the way the charity operates during the next financial year.

BENEFITS TO THE PUBLIC

The charity provides sheltered housing accommodation for persons over 60 years who are members of the Halton Pentecostal Church or in fellowship with the Church, or a Church in fellowship therewith, or persons in such need.

The trustees' annual report was approved on 17/7/22..... and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Pentecostal Residences Charity

Year ended 31 December 2021

I report to the trustees on my examination of the financial statements of Pentecostal Residences Charity ('the charity') for the year ended 31 December 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Pentecostal Residences Charity

Notes to the Financial Statements

Year ended 31 December 2021

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is C/o The Foundry, Lugsdale Road, Widnes, Cheshire.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and Fittings	- 25% reducing balance
Minibus	- 25% reducing balance
Equipment	- 25% reducing balance
Computer equipment	- 25% reducing balance

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Structure, governance and management

The organisation was registered as a Charity on 27 March 1991 under a governing instrument dated 16 October 1990. The organisation is governed by a management committee.

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit subject nevertheless to such conditions and consents as may for the time being be imposed or required by law. Surplus funds are invested with various institutions.

RESERVES POLICY

The Charity carries out a variety of both long term and short term projects. The Trustees have examined the requirement for free reserves, which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The Trustees consider that currently, given the nature of our work, this should be approximately £625,000, which gives flexibility to cover short term timing differences for grant claims and adequate working capital for our core costs, and to represent investment in fixed assets. However the Trustees keep this under regular review as circumstances change. The free reserves at 31 December 2020 consist of the profit and loss reserve of £1,478,453.

Pentecostal Residences Charity

Trustees' Annual Report *(continued)*

Year ended 31 December 2020

Structure, governance and management *(continued)*

RISK MANAGEMENT

The Trustees actively review the major risks which the Charity faces on a regular basis and believe that maintaining our free reserves at the levels stated above, combined with our annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which we face and confirm that they have established systems to mitigate the significant risks.

Objectives and activities

The objectives and activities of Pentecostal Residences Charity are:

- 1) Housing accommodation for persons over 60 years who are members of the Halton Pentecostal Church or in fellowship with the Church, or a Church in fellowship therewith, or persons in such need.
- 2) Relieving aged persons in occupation of the Housing accommodation of the Charity and, subject thereto, applying the income in furthering the religious and other charitable work of the Halton Pentecostal Church.

Achievements and performance

Since 1985, PRC has maintained a high level of service, delivered with care, enthusiasm and commitment that is warmly appreciated by its tenants. PRC is served by an outstanding team of staff, including on-site wardens and managers. PRC also benefits from operating and working closely in conjunction with the Foundry Church, with the added benefits of community living offered through the friendship and support of the local church.

During the last decade, the management team have overseen a constant and considerable programme of refurbishment within the bungalows. Occupancy rates remain high, the waiting list, especially for two-bedroom accommodation, remains strong, and the atmosphere on site remains friendly and amenable.

Much credit must go to the managers, wardens and volunteers who have continued to ensure that Fair Havens Court, particularly over the past 12 months and the global pandemic, has continued to be a great place to live as well as a safe place to live!

Staff have continued to attempt to make Fair Havens Court an excellent place to work and live despite the challenges, and extra care and diligence has been taken to look out for especially vulnerable persons during this time.

PRC is also appreciative of the working relationship with the Lighthouse Foundation and their students who work hard to maintain grounds maintenance on behalf of the charity.

The Trustees of the Pentecostal Residences Charity submit this review with confidence that the great work of 2020 will be continued into 2021 and beyond.

Pentecostal Residences Charity

Trustees' Annual Report *(continued)*

Year ended 31 December 2020

Financial review

Through sound financial management the charity has been able to continue to provide an excellent service to our residents.

Over the past 12 months, rental income has been increased through a programme of steady increases, undertaken in consultation with an external property group to ensure the correct market rental values were applied. The Trustees are pleased to report that the proposed rentals increases have been accepted by the local authority for housing benefit purposes.

2020 also saw the completion of an historic long-term mortgage, therefore the financial outlook for the charity is both positive and exciting.

Plans for future periods

No significant changes are expected in the way the charity operates during the next financial year.

BENEFITS TO THE PUBLIC

The charity provides sheltered housing accommodation for persons over 60 years who are members of the Halton Pentecostal Church or in fellowship with the Church, or a Church in fellowship therewith, or persons in such need.

The trustees' annual report was approved on 21/4/21..... and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Pentecostal Residences Charity

Year ended 31 December 2020

I report to the trustees on my examination of the financial statements of Pentecostal Residences Charity ('the charity') for the year ended 31 December 2020.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Pentecostal Residences Charity

Notes to the Financial Statements

Year ended 31 December 2020

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is C/o The Foundry, Lugsdale Road, Widnes, Cheshire.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and Fittings	- 25% reducing balance
Minibus	- 25% reducing balance
Equipment	- 25% reducing balance

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
