1st Sutton (Wirral) Scout group

WELCOME BACK!!!!!!!!!!!!!!

Scouting can happen again at 1st Sutton (Wirral) after a huge effort to ensure a safe return.

The hut has been fully decorated and deep cleaned, a new carpet has been laid and a state of art outdoor hand wash and shower installed.

A full and very detailed Risk assessment has been carried out and approved (very few have been passed) and I would like to thank the kind people who have helped me with getting the hut ready and the risk assessment.

When you bring your child, you will be met at the gate, the child's temperature will be taken and a brief questionnaire will be filled in. The child's arrival will be announced via radio and only the child will be allowed up the drive (No parents). The child will wash hands before going off to play, when activities start, children will be put into 2 groups.

When it is time to leave, The adult at bottom of drive will radio up the drive and after washing hands the child will be released!!!

All activities will be outdoors (Toilets will be open) We do however have a large marquee up.

Despite all the changes we intend to have lots of fun, and remember a dirty child is a happy (and healthy) child.
