Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The charity expended just over £55,500 to further its objects, most of which is directly handled by a sub-committee in Malawi and another in Mozambique who have day to day responsibility for the distribution of funds in accordance with the charity's aims and objectives. Relief of poverty: Unstable world conditions, another poor maize harves, chronic economic conditions in Malawi, rampant inflation in Malawi and food insecurity has caused a continued rise in food prices causing hunger and hardship. As a consequence from August 2025 monthly food subsidy was sent to assist families identified as being in need. The total welfare expenditure was just over £32,000. Gospel outreach: A steady growth of church members in both countries as a result of teaching activities.

Independent examiner's report on the accounts

Section A **Independent Examiner's Report**

Report to the trustees/ members of	The Dawn Christadelphian Committee for Malawi		
On accounts for the year ended	31/12/2025	**Charity no (if any)**	1002674
Set out on pages	3 and 4		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2025**

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE DAWN CHRISTADELPHIAN COMMITTEE FOR MALAWI - Independent Examiner's Report to the Trustees YE 2025

PLAN	FINDING	CONCLUSION
Check total income and balance sheet for classification purposes	Total income for the year and the value of assets fall below the levels which would require a full Audit. Accounts are prepared on a current accounting (receipts and payments) basis.	An independent examiner's report is required. An audit is not required.
Check for conflict of interests	The examiner is independent of the Committee, has no involvement in the day-to-day management of same and has no close relationship with any Trustee or Officer of the Committee. The examiner has a relevant qualification and relevant experience as the retired Financial Director of a limited company.	The appointed examiner is eligible to carry out the task.
Check the objectives of the Charity	Constitution document supplied	The activities of the Charity are in accordance with the Mission stated in the Constitution
Obtain accounting records, bank statements, budgets and decision records	Quarterly and annual accounts have been supplied and are up to date and complete for the period examined. Minutes of meetings and the budgets supplied clearly record the justification for cash outflows and the decision processes which have been undertaken.	The accounts have been properly prepared and supporting documentation has been supplied.
Examine bank statements and check consistency with accounting records.	PDF bank statements have been examined and a full download of the year's transactions has been used to analyse the transactions and compare with the internal records of the Committee.	The accounts of the Committee accurately reflect the inflow and outflow of funds and accurately record their sources and destinations.
Identify samples of documents to support payments	The main outflow of funds from the Charity occurs in the form of grants made to the Dawn Christadelphian Communities in Malawi and Mozambique, representing during the year under review a total of £53,201 (compared with £38,707 for the previous year). The increase is accounted for by well-documented evidence in respect of the need for famine relief. Total expenditure during 2025 amounted to £53,555 (compared with 2024 expenditure of £47,697), the balance being accounted for by travel and administrative expenses. Aid to the communities in Malawi and Mozambique is channelled through the local Sub-committee which has its own bank account and takes full responsibility for identifying needs for financial support and for providing pastoral care. The Sub-Committee is headed by Winston Manda, who is the sole signatory for the local account. The printed statements from the local bank have been examined to check that outflows from the Charity's bank account have been correctly received in Malawi. Receipts for goods and services have also been examined, together with detailed written descriptions of the application of funds at the local level in the countries concerned.	The receipts into the local bank account at the National Bank of Malawi along with limited payments made directly to Mozambique fully reflect the outflows from the UK and have been converted at exchange rates which were in line with published rates at the dates indicated. Evidence has been provided that the funds have been applied in the manner agreed.

PLAN	FINDING	CONCLUSION
Examine budgets and minutes of meetings to understand the reasons for the award of grants	The local Sub-Committee in Malawi makes detailed assessments of the needs of each of the communities within Malawi and Mozambique and submits proposals to the Trustees of the Committee with costings. The proposals require unanimous agreement of the Trustees before payment is made. Grants for the regular expenses of the community groups are made in quarterly tranches, with additional funds being provided for pressing needs.	Needs are well-researched and documented and Winston Manda maintains good communication with leaders of local communities in Malawi and Mozambique to understand local needs. A clear picture is received by the Trustees of local conditions and resulting needs. The examiner concludes that all decisions relating to the award of grants are well supported and correctly made.
Examine local records to determine whether grants have been applied as intended	Detailed written records of expenditure are provided by the Malawi sub-committee, along with receipts and records of application by local community groups.	Extensive evidence has been provided of the way in which grants provided have been distributed to local communities according to need and the independent examiner is satisfied that the funds have been applied as intended.
Comment on assets held	Cash assets of £71,479 are held by the Charity, to be compared with £89,544 held at the end of 2024.	Cash assets provide an adequate reserve for the work of the Committee.
Assess whether the Charity is in a position to fulfil its mission for the foreseeable future	The Committee has sufficient funds in hand to enable them to continue to support the Dawn Christadelphian Communities in Malawi and Mozambique during the coming year in accordance with its declared mission. The wider Dawn Christadelphian Community has consistently been responsive in providing funds as needed and this has enabled reserves to be maintained at a satisfactory level.	The Committee is able to plan future work with assurance of available funding.
Carry out an analytical review of the accounts including comparison with previous year.	Donation income in 2025 amounted to £33,830, compared with £ 53,478 in 2024. Outgoings in 2025 amounted to £53,555, compared with £47,697 in 2024. These trends have led to a fall in reserves, but the funds held are nevertheless at a good level to support foreseeable requirements for the year ahead.	The outgoings are considered reasonable and correct application of funds has been made in line with the mission of the Charity. The inflow of donations is adequate for foreseeable requirements.
Comment on internal financial controls	Payments are tightly controlled, being made with the written agreement of all Trustees. Financial reporting is thorough and appropriate.	Internal financial controls are adequate to the size and scope of the organisation.
Check Annual Report and Accounts as submitted to Charities Commission	The Trustees Annual Report accurately reflects the work of the Charity during the year 2025 and the Accounts as prepared are in line with the findings of the Examiner.	The Examiner is happy to endorse the documents to be submitted.

Independent examiner's report on the accounts

Section A **Independent Examiner's Report**

Report to the trustees

Charity Name
The Dawn Christadelphian Committee for Malawi

On accounts for the year ended	31/12/2024	**Charity no (if any)**	1002674

Set out on pages	3 and 4

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2024.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE DAWN CHRISTADELPHIAN COMMITTEE FOR MALAWI - Independent Examiner's Report to the Trustees YE 2024

PLAN	FINDING	CONCLUSION
Check total income and balance sheet for classification purposes	Total income for the year and the value of assets fall below the levels which would require a full Audit. Accounts are prepared on a current accounting (receipts and payments) basis.	An independent examiner's report is required. An audit is not required.
Check for conflict of interests	The examiner is independent of the Committee, has no involvement in the day-to-day management of same and has no close relationship with any Trustee or Officer of the Committee. The examiner has a relevant qualification and relevant experience as the former Financial Director of a limited company.	The appointed examiner is eligible to carry out the task.
Check the objectives of the Charity	Constitution document supplied	The activities of the Charity are in accordance with the Mission stated in the Constitution
Obtain accounting records, bank statements, budgets and decision records	Quarterly and annual accounts have been supplied and are up to date and complete for the period examined. Minutes of meetings and the budgets supplied clearly record the justification for cash outflows and the decision processes which have been undertaken.	The accounts have been properly prepared and supporting documentation has been supplied.
Examine bank statements and check consistency with accounting records.	Bank statements have been examined and a full download of the year's transactions has been used to analyse the transactions and compare with the internal records of the Committee.	The accounts of the Committee accurately reflect the inflow and outflow of funds.
Identify samples of documents to support payments	The main outflow of funds from the Charity occurs in the form of grants made to the Dawn Christadelphian Communities in Malawi and Mozambique, representing during the year under review a total of £38,707(compared with £73,285 for the previous year). Total expenditure during 2024 amounted to £47,697 (compared with 2023 expenditure of £75,103), the balance being accounted for by travel and administrative expenses. Aid to the communities in Malawi and Mozambique is channelled through the local Sub-committee which has its own bank account and takes full responsibility for identifying needs for financial support and for providing pastoral care. The Sub-Committee is headed by Winston Manda, who is the sole signatory for the local account. The printed statements from the local bank have been examined to check that outflows from the Charity's bank account have been correctly received in Malawi. Receipts for goods and services have also been examined, together with detailed written descriptions of the application of funds at the local level in the countries concerned.	The receipts into the local bank account at the National Bank of Malawi fully reflect the outflows from the UK and have been converted at exchange rates which were in line with published rates at the dates indicated. Evidence has been provided that the funds have been applied in the manner agreed.

PLAN	FINDING	CONCLUSION
Examine budgets and minutes of meetings to understand the reasons for the award of grants	The local Sub-Committee in Malawi makes detailed assessments of the needs of each of the communities within Malawi and Mozambique and submits proposals to the Trustees of the Committee with costings. The proposals require unanimous agreement of the Trustees before payment is made. Grants for the regular expenses of the community groups are made in quarterly tranches, with additional funds being provided for pressing needs. The main additional need during 2024 has been for famine relief and records show this to have been distributed to the communities in need.	Needs are well-researched and documented and Winston Manda maintains good communication with leaders of local communities in Malawi and Mozambique to understand local needs. A clear picture is received by the Trustees of local conditions and resulting needs. Copies of applications for funds have been examined, together with minutes of meetings at which they have been discussed and decided upon. The examiner concludes that all decisions relating to the award of grants are well supported and shown to be thoroughly considered and correctly made.
Examine local records to determine whether grants have been applied as intended	Detailed written records of expenditure are provided by the Malawi sub-committee, along with receipts and records of application by local community groups.	Extensive evidence has been provided of the way in which grants provided have been distributed to local communities according to need and the independent examiner is satisfied that the funds have been applied as intended.
Comment on assets held	Cash assets of £89,544 are held by the Charity, to be compared with £82,557 held at the end of 2023.	Cash assets provide an adequate reserve for the work of the Committee.
Assess whether the Charity is in a position to fulfil its mission for the foreseeable future	The Committee has sufficient funds in hand to enable them to continue to support the Dawn Christadelphian Communities in Malawi and Mozambique during the coming year and beyond in accordance with its declared mission. The wider Dawn Christadelphian Community has been responsive in providing funds for the exceptional needs identified in Malawi and Mozambique during 2024 and this has enabled reserves to be maintained at a satisfactory level.	The Committee is able to plan future work with assurance of available funding.
Carry out an analytical review of the accounts including comparison with previous year.	Donation income in 2024 amounted to £53,478 (including gift aid) compared with £76,638 in 2023. Outgoings in 2024 amounted to £47,697, compared with £75,103 in 2023. The fall in income is explained by the greater need for support which occurred in 2023 as a direct result of Cyclone Freddy and the fact that the Charity successfully raised additional funds last year to cover this need.	The outgoings are considered reasonable and correct application of funds has been made in line with the mission of the Charity. The inflow of donations is adequate for foreseeable requirements.
Comment on internal financial controls	Payments are tightly controlled, being made only with the written agreement of all Trustees. Financial reporting is thorough and appropriate.	Internal financial controls are adequate to the size and scope of the organisation.
Check Annual Report and Accounts as submitted to Charities Commission	The Trustees Annual Report accurately reflects the work of the Charity during the year 2024 and the Accounts as prepared are in line with the findings of the Examiner.	The Examiner is happy to endorse the documents to be submitted.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The charity expended just over £75,000 to further its objects, most of which is directly handled by a sub-committee in Malawi who have day to day responsibility for the distribution of funds in accordance with the charity's aims and objectives. Cyclone relief: The biggest challenge met was the initial and urgent response to cyclone Freddy victims and, later in the year, help to rebuild lost and damaged housing. Assistance on a monthly basis was maintained throughout the year Relief of poverty: Arising from unstable world conditions, a poor harvest after the cyclone and chronic economic conditions in Malawi, staple food prices have rocketed causing hunger and hardship. As a consequence from July a monthly food

		subsidy was sent to assist 165 families identified as being in need. Funding for repairs to several church halls in Malawi and Mozambique for congregations to shelter, gather and worship.

Section A **Independent Examiner's Report**

Report to the trustees	The Dawn Christadelphian Committee for Malawi		
On accounts for the year ended	31st December 2023	**Charity no (if any)**	1002674
Set out on pages	4 and 5		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2023.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE DAWN CHRISTADELPHIAN COMMITTEE FOR MALAWI - Independent Examiner's Report to the Trustees YE 2023

PLAN	FINDING	CONCLUSION
Check total income and balance sheet for classification purposes	Total income for the year and the value of assets fall below the levels which would require a full Audit. Accounts are prepared on a current accounting (receipts and payments) basis.	An independent examiner's report is required. An audit is not required.
Check for conflict of interests	The examiner is independent of the Committee, has no involvement in the day-to-day management of same and has no close relationship with any Trustee or Officer of the Committee. The examiner has a relevant qualification and relevant experience as the former Financial Director of a limited company.	The appointed examiner is eligible to carry out the task.
Check the objectives of the Charity	Constitution document supplied	The activities of the Charity are in accordance with the Mission stated in the Constitution
Obtain accounting records, bank statements, budgets and decision records	Quarterly and annual accounts have been supplied and are up to date and complete for the period examined. Minutes of meetings and the budgets supplied clearly record the justification for cash outflows and the decision processes which have been undertaken.	The accounts have been properly prepared and supporting documentation has been supplied.
Examine bank statements and check consistency with accounting records.	PDF bank statements have been examined and a full download of the year's transactions has been used to analyse the transactions and compare with the internal records of the Committee.	The accounts of the Committee accurately reflect the inflow and outflow of funds.
Identify samples of documents to support payments	The main outflow of funds from the Charity occurs in the form of grants made to the Dawn Christadelphian Communities in Malawi and Mozambique, representing during the year under review a total of £73,285 (compared with £47502 for the previous year). Total expenditure during 2023 amounted to £75,103 (compared with 2022 expenditure of £58176), the balance being accounted for by travel and administrative expenses. Aid to the communities in Malawi and Mozambique is channelled through the local Sub-committee which has its own bank account and takes full responsibility for identifying needs for financial support and for providing pastoral care. The Sub-Committee is headed by Winston Manda, who is the sole signatory for the local account. The printed statements from the local bank have been examined to check that outflows from the Charity's bank account have been correctly received in Malawi. Receipts for goods and services have also been examined, together with detailed written descriptions of the application of funds at the local level in the countries concerned.	The receipts into the local bank account at the National Bank of Malawi fully reflect the outflows from the UK and have been converted at exchange rates which were in line with published rates at the dates indicated. Evidence has been provided that the funds have been applied in the manner agreed.

PLAN	FINDING	CONCLUSION
Examine budgets and minutes of meetings to understand the reasons for the award of grants	The local Sub-Committee in Malawi makes detailed assessments of the needs of each of the communities within Malawi and Mozambique and submits proposals to the Trustees of the Committee with costings. The proposals require unanimous agreement of the Trustees before payment is made. Grants for the regular expenses of the community groups are made in quarterly tranches, with additional funds being provided for pressing needs. There were significant additional needs during 2023 as a result of Cyclone Freddy, which occurred during February and March of 2023 and caused extensive damage to housing, particularly in Mozambique, and also exacerbated the need for famine relief in both countries. It is considered that this natural disaster fully justifies the additional funding provided during 2023.	Needs are well-researched and documented and Winston Manda maintains good communication with leaders of local communities in Malawi and Mozambique to understand local needs. A clear picture is received by the Trustees of local conditions and resulting needs. The examiner concludes that all decisions relating to the award of grants are well supported and correctly made.
Examine local records to determine whether grants have been applied as intended	Detailed written records of expenditure are provided by the Malawi sub-committee, along with receipts and records of application by local community groups.	Extensive evidence has been provided of the way in which grants provided have been distributed to local communities according to need and the independent examiner is satisfied that the funds have been applied as intended.
Comment on assets held	Cash assets of £82,557 are held by the Charity, to be compared with £80,751 held at the end of 2022.	Cash assets provide an adequate reserve for the work of the Committee.
Assess whether the Charity is in a position to fulfil its mission for the foreseeable future	The Committee has sufficient funds in hand to enable them to continue to support the Dawn Christadelphian Communities in Malawi and Mozambique during the coming year in accordance with its declared mission. The wider Dawn Christadelphian Community has been responsive in providing funds for the exceptional needs identified in Malawi and Mozambique during 2023 and this has enabled reserves to be maintained at a satisfactory level.	The Committee is able to plan future work with assurance of available funding.
Carry out an analytical review of the accounts including comparison with previous year.	Donation income in 2023 amounted to £76,638, compared with £34,219 in 2022. Outgoings in 2023 amounted to £75,103, compared with £58176 in 2022. Analysis of the grants made to the communities in Malawi and Mozambique show that there has been a substantially greater need for support as a direct result of Cyclone Freddy and that the Charity has been successful in raising funds to cover this need.	The increased outgoings are considered reasonable and correct application of funds has been made in line with the mission of the Charity. The inflow of donations is adequate for foreseeable requirements.
Comment on internal financial controls	Payments are tightly controlled, being made only with the written agreement of all Trustees. Financial reporting is thorough and appropriate.	Internal financial controls are adequate to the size and scope of the organisation.
Check Annual Report and Accounts as submitted to Charities Commission	The Trustees Annual Report accurately reflects the work of the Charity during the year 2023 and the Accounts as prepared are in line with the findings of the Examiner.	The Examiner is happy to endorse the documents to be submitted.

Independent examiner's report on the accounts

Section A **Independent Examiner's Report**

Report to the trustees/ members of	The Dawn Christadelphian Committee for Malawi

On accounts for the year ended	31st December 2022	**Charity no (if any)**	1002674

Set out on pages	3 and 4

Responsibilities and basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2022.

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE DAWN CHRISTADELPHIAN COMMITTEE FOR MALAWI - Independent Examiner's Report to the Trustees YE 2022

PLAN	FINDING	CONCLUSION
Check total income and balance sheet for classification purposes	Total income for the year and the value of assets fall below the levels which would require a full Audit. Accounts are prepared on a current accounting (receipts and payments) basis.	An independent examiner's report is required. An audit is not required.
Check for conflict of interests	The examiner is independent of the Committee, has no involvement in the day-to-day management of same and has no close relationship with any Trustee or Officer of the Committee. The examiner has a relevant qualification.	The appointed examiner is eligible to carry out the task.
Check the objectives of the Charity	Constitution document supplied	The activities of the Charity are in accordance with the Mission stated in the Constitution
Obtain accounting records, bank statements, budgets and decision records	Quarterly and annual accounts have been supplied and are up to date and complete for the period examined. Minutes of meetings and the budgets supplied clearly record the justification for cash outflows and the decision processes which have been undertaken.	The accounts have been properly prepared and supporting documentation has been supplied.
Examine bank statements and check consistency with accounting records.	PDF bank statements have been examined and a full download of the year's transactions has been used to analyse the transactions and compare with the internal records of the Committee.	The accounts of the Committee accurately reflect the inflow and outflow of funds.
Identify samples of documents to support payments	The main outflow of funds from the Charity occurs in the form of grants made to the Dawn Christadelphian Communities in Malawi and Mozambique, representing during the year under review a total of £47502 out of total expenditure of £58176. The balance was used primarily in carrying out much-needed pastoral visits from the UK to the many communities in Malawi and Mozambique. Aid to these communities is channelled through the local Sub-committee which has its own bank account and takes full responsibility for identifying needs for financial support and for providing pastoral care. The Sub-Committee is headed by Winston Manda, who is the sole signatory for the local account. The printed statements from the local bank have been examined to check that outflows from the Charity's bank account have been correctly received in Malawi. Receipts for goods and services have also been examined, together with detailed written descriptions of the application of funds at the local level in the countries concerned.	The receipts into the local bank account at the National Bank of Malawi fully reflect the outflows from the UK and have been converted at exchange rates which were in line with published rates at the dates indicated. Evidence has been provided that the funds have been applied in the manner agreed.

PLAN	FINDING	CONCLUSION
Examine budgets and minutes of meetings to understand the reasons for the award of grants	The local Sub-Committee in Malawi makes detailed assessments of the needs of each of the members of the communities within Malawi and Mozambique and submits proposals to the Trustees of the Committee with costings. The proposals require unanimous agreement of the Trustees before payment is made. Grants were made during 2022, mainly in quarterly tranches, with some top-ups for pressing needs, particularly those relating to medical and welfare needs, house repairs, and famine relief and agricultural support. Total funding during the year amounted to £18625 for pastoral care (£13,807 in 2021), £18,488 for welfare needs, including support for employment and agriculture (£14,983 in 2021) and £9447 for capital projects relating to the repair and improvement of homes and community buildings (£14,564 in 2021). The balance of grants provided represents local travel costs between communities.	Needs are well-researched and documented and Winston Manda maintains good communication with leaders of local communities in Malawi and Mozambique to understand local needs. A clear picture is received by the Trustees of local conditions and resulting needs. The examiner concludes that all decisions relating to the award of grants are well supported and correctly made.
Examine local records to determine whether grants have been applied as intended	Detailed written records of expenditure are provided by Winston Manda against each withdrawal and where possible receipts are also provided, but it is accepted that the local economy is not paper-driven.	The local organisation in Malawi is robust and Winston Manda has proved himself reliable and trustworthy over a period of many years. The evidence provided is satisfactory.
Comment on assets held	Cash assets of £80,751 are held by the Charity	Cash assets provide an adequate reserve for the work of the Committee.
Assess whether the Charity is in a position to fulfil its mission for the foreseeable future	The Committee has sufficient funds in hand to enable them to continue to support the Dawn Christadelphian Communities in Malawi and Mozambique in accordance with its declared mission during the coming year. The wider Dawn Christadelphian Community will be made aware of the need for increased donations in the longer term and appeals may be made for specific needs identified in Malawi and Mozambique. It is pleasing to see the increased level of donations during 2022.	The Committee is able to plan future work with assurance of available funding.
Carry out an analytical review of the accounts including comparison with previous year.	Donation income in 2022 amounted to £34,219, compared with £16,718 received in 2021. Outgoings in 2022 amounted to £58176, compared with £44497 in 2021. Analysis of the grants made to the communities in Malawi and Mozambique show that there has been a greater need for support, particularly in respect of welfare and pastoral care.	The increased outgoings are considered reasonable and correct application of funds in line with the mission of the Charity. The examiner is confident that inflow of donations will be kept under review, knowing that the Christadelphian community is very responsive to cases of need and that present funds are adequate for foreseeable requirements.
Comment on internal financial controls	Payments are tightly controlled, being made only with the written agreement of all Trustees. Financial reporting is thorough and appropriate.	Internal financial controls are adequate to the size and scope of the organisation.
Check Annual Report and Accounts as submitted to Charities Commission	The Trustees Annual Report accurately reflects the work of the Charity during the year 2022 and the Accounts as prepared are in line with the findings of the Examiner.	The Examiner is happy to endorse the documents to be submitted.
