Governance and management

The charity is operated under the rules of its trust deed dated 24th June 1991, amended 31st March 2006 and 20th June 2008. Governance and management of the charity is the responsibility of the trustees who are appointed under the terms of the trust deed.

The minimum number of trustees required in order to form a quorum is three. There is no upper limit on the number of trustees that may be appointed. Day to day activity is managed by volunteers including the EDSA Director who is a trustee and works in a voluntary capacity. There are no paid staff.

The trustees elect one of their number as Chair and may also appoint a Secretary and Treasurer. New trustees are appointed by the current trustees through resolution at a trustees meeting.

Objectives and activities

The principal object of the charity is the advancement of education and relief of poverty of disadvantaged students (children and young people) in South Africa.

The main activity of the charity is to raise and distribute funding to impoverished children and young people in the Western Cape, South Africa. The charity provides funding to projects within the isolated rural township known as Smitsville, in the Overberg District of the Western Cape. All funds raised by EDSA are deposited in the Charity Aids Foundation bank and are distributed from there to South Africa.

Public benefit statement

The trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the Charity Commission's general guidance on public benefit, 'Charities and Public Benefit'. In fulfilment of its objectives the Trust funds and supports a range of activities including:

- supporting the Net vir Pret; a not-for-profit project based in Smitsville Township to deliver informal educational projects supporting the progression of children and young people.
- supporting children and young people living in poverty within isolated farmsteads funding direct work within the Smitsville Township which will benefit those children and young people living in poverty.
- encouraging the use of music and other creative arts and sports for after school and holiday projects in townships.
- recognising the effect of foetal alcohol syndrome in the township and enhance the healthy lifestyles of these and other disadvantaged children and young people around such issues as domestic abuse, parenting, (un)employment, HIV/AIDS, drug and alcohol misuse and crime, as well as supporting their understanding of and access to good nutrition and housing.
- encouraging township children and young people to become more aware of and take some responsibility for their environment.
- encouraging the sharing of good practice in Smitsville with other townships.

Trustees continue to be aware of the public benefit of the work they fund within the Smitsville Township. Young people continue to progress with their involvement in creative work within the Centre as their numbers increase and 16 NvP youngsters remained in further or higher education at the beginning of 2023 in spite of the enormous upheavals of COVID.

Public benefit also arises from improvements in the quality of life and mental and physical health of children and young people participating in funded activities; as well as broader community wide benefits associated with improvements in education, social inclusion, community and environmental awareness and public safety. The work is now being considered by other townships across the Overberg as a way forward.

Summary of the main activities undertaken during the period

Main activities funded during the year included supporting the work of Net vir Pret Children and Young People's charity based in the Smitsville Township through:

- A large programme of daily activities within the Net vir Pret Centre including creative work with under 10's and a separate group for over 10's in the craft studio making work for exhibiting and for marketing; Reaching up to 150 children per day.

- a daily bicycle club with training in road safety and bike maintenance as well as riding;
- a programme of pottery workshops run daily for skills development and production to a high standard for marketing and exhibiting.
- Holiday Schools during all four school vacations. Reaching 130+ participants each time.
- Outreach into 3 isolated Farm Schools on 3 days per week for play work, storytelling, creativity and crafts – all not on offer at these schools. Reaching 200 children aged 5-12 years over 3 days.
- 1 session per week on a 2 year rolling programme of structured training for “young leaders” with occasional excursions, to enable them to support the hands on work at NvP through volunteering. 25 participants involved in this training and ensuing delivery.
- A 4 days per week Music tutoring programme of individual and ensemble instrumental and voice tuition. Up to 15 participants per day.
- Daily Homework Club, offering space and computer time to up to 30 participants with support from staff.
- Weekly drama programme improvising plays training to take to public performance and enter into Overberg drama festival involving 10 participants.
- Four days per week training in djembe drumming and riel dancing to go to festivals and competitions. Reaching 30 participants.
- Two days per week the Chess Club works with up to 40 youngsters challenging each other, members of the community, also against the computer before entering school tournaments.
- Two single sex group work processes during a session per week over a 10 week period reaching 15 girls and 15 boys, looking at and supporting them through the challenges of puberty.
- An afternoon meeting every week of the Eco Warrior group looking at their environment and taking positive action. 25-35 participants.
- Young people about to and matriculate offered help with college and bursary applications when required.
- Intern support for 5 interns working within Net vir Pret on a 10 month placement.
- Throughout the year various training and activities happen to support the incredible December Puppet Parade involving the whole of Net vir Pret. The work is finalised during the 3 weeks of the December Holiday School and the presentation is a whole day event culminating in a story using large and small puppets to present it to the wider community. At least 150 participants are involved in the parade.

Other skills training which has taken place in 2022-23 period included:

- Bricklaying over a 6 month period full time for 9 participants.
- Carpentry a daily workshop for 7 participants of hard to reach young people focussing on reusing old pallets.
- Textile design - twice weekly practice in the design and production of high quality textile items.
- Beginners’ computer practice on 5 mornings per week starting with basic computing and reaching 30 participants.
- Occasional Friday morning Baking Workshop to produce bread and pastries for 15 participants.

Summary of the main achievements during the period

So many achievements during this period. Some of the special ones, many of which I was able to see for myself during a self-funded visit in early 2023:

- Staff member Sudonia was presented with the Top Achiever Award whilst attending a 5 day CPD course on Community Art Management.
- Staff member Herman attended further puppet building workshops to introduce him to lighter and malleable materials.
- A new Management structure was put in place by the NvP management board in recognition of the increased work of the Centre. The team will attempt to have a team management for a year whilst 2 of the team will jointly manage the NvP Centre Building and Development of the work. Change is always difficult, so the trial of this approach is a major achievement.
- 4 staff members attended the Puppetry, Pedagogies, Politics and Praxis workshop hosted by the University of the Western Cape where they delivered an excellent paper on the decade long involvement of Net vir Pret in puppetry.
- All 9 of those taking the Bricklayers Course were formally accredited and gained certificates of competence.
- The Children's room was oversubscribed daily, and children produced amazing crafts which decorated the walls and ceiling of the room.
- The choir and young musicians performed to large audiences and were greatly acclaimed, and the Riel Dancers were seen by over 300 people at "the Net Vir Pret Riel Dance at Grootvadersbosch" (have a look on You Tube)
- The Spring Holiday School took 150 youngsters on a learning journey focusing on food – how to identify and eat healthily. Some of the community elders guided them through cooking with herbs and preparation of food.
- NvP eco warriors led the planting of 500 donated trees in the dry and dusty township.
- Pallets were reused and made into coffee and kitchen tables, bedframes, garden benches. They were marketed by the team and many were sold for NvP.
- The textile workshop produced some high quality cushions and other items which were sold locally and in a boutique.
- Roosterbred (delicious local bread baked on coals outdoors) was produced under the watchful eyes of the chef along with samosas – delicious.
- The pottery produced in the workshop was of high quality and made many parents very proud to have it in their homes. Some was snapped up at a Sunday market.
- 27 participants took part in a certificated digital citizen IT course.
- A number of children became involved in photography with a local artist and presented work at an annual festival.
- The girls only programme was very well received, and the issues around early teenage pregnancy tackled as this is a huge issue. This will be repeated and a boys only programme will use some of the same materials.
- A group of over 11-year-olds worked with staff to restore the Municipal playground which was in serious disrepair. Repairs were carried out and paint donated. The playground is now functioning.
- A group of NvP youngsters, trained in craft and artwork are now employed on a project to make art using string as the medium. Proving that youngsters learn about and develop their abilities at NvP and can get employment later.
- NvP is spreading the word about the work through invitations to wider events where Peter and other staff share information on their work.

- The Chess club had great success in the Overberg chess tournament enabling 5 to go onto the Western Cape Provincial Trials where one of them gained a gold medal and 4 of them gained bronze medals.
- 200 youngsters a day are fed by Net vir Pret chef Fabian. A not inconsiderable task.
- 16 new and continuing students enrolled in Tertiary Education in 2023 with a further 3 youngsters involved in apprenticeships.
- The December 2022 Annual Giant Puppet show was a triumph, as ever. The life and times of Duke the Zebra was watched by a huge crowd from both sections of the village. The first show to be created and produced entirely by The NvP team under the direction of Sudonia with assistance from a newly qualified actor ex NvP participant, Gabriel. Such amazing progress.
- Many visits from SA and overseas visitors including several funders. NvP is always happy to meet anyone interested in their work and the children always make everyone feel very welcome.
- The involvement of Net vir Pret with Puppetry and the progression through the 11 years of shows was presented through Video links as part of the South to South Dignity of the People Festival hosted by Argentina Please view by using this link and forwarding to 1:16:17 <https://youtu.be/tiMI8ek5g2Q> A superb viewing for some of the marvellous past creations and stories.

Financial review

Once again, the main source of funding this year was from voluntary donations mainly from our “Friends of EDSA” supporters including several private trusts and Give as You Earn. A volunteer and a Trustee did a sponsored canal walk of 30 miles to support the Charity and got very wet on the way. Many of the donations attracted Gift Aid.

EDSA sent the funds raised to South Africa for use within Net vir Pret and its variety of programmes. Much of the funding supports staffing and NvP Centre costs.

The costs incurred by EDSA charity are very small, simply to support the fundraising platform “Just Giving” and bank charges. All other costs are currently absorbed by Trustees in their voluntary capacity.

The charity’s fundraising policy

EDSA has a Fundraising Strategy (currently 2021-2025) which includes its policy, which is in line with that of the Fundraising Regulator. The charity is not a member of that organisation because EDSA is a small charity and does not wish to pay for services, which are felt to be less useful for such a small charity. EDSA does not pay other organisations to fundraise on its behalf.

The charity's policy on reserves

EDSA applies funds raised towards vital township projects in South Africa, after retention of a small amount needed for fundraising in the UK. Grants are awarded as soon as possible after the necessary funds have been received. EDSA does not commit to make grants except out of funds already held by the charity.

Sufficient reserves are held only to ensure the smooth continuation of fundraising in the UK, and to retain a modest buffer for smaller grants that might be made in the short term. Reserves are reviewed annually, in conjunction with forecast income and expenditure, and sufficient funds are retained in reserve to ensure that costs may be met over the following three years.

Signed on behalf of the charity's trustees:

**Independent examiner’s report to the trustees of
Education for Democracy in South Africa (EDSA)
for the year ended 31 March 2023**

I report to the trustees on my examination of the accounts of the above charity for the year ended 31 March 2023, and which are set out on pages nine to twelve.

Responsibilities and basis of the report

As the trustees of the charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (“the Act”).

I report in respect of my examination of the charity’s accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner’s statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act, or
- the accounts do not accord with the accounting records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

House Rebuild Project	123	-	(123)	-	-
	<u>123</u>	<u>-</u>	<u>(123)</u>	<u>-</u>	<u>-</u>

4. Charitable disbursements

Charitable disbursements are funds provided by the EDSA charity to support various projects in South Africa. The majority of funds are currently used to support the Net vir Pret project.

5. Project equipment and materials

This includes equipment and materials purchased and donated to the Net vir Pret Project. Items donated during the year included toys, bike accessories, clothing, soccer balls, printer ink, seeds and stationery.

6. Transfers between funds

There were no transfers between funds.

7. Debtors

There were no debtors at year end.

8. Creditors

There were no creditors at year end.

9. Volunteers' reimbursements

During the accounting period, no reimbursements relating to trustees' travel and meeting expenses arose. A total of £649 was reimbursed to trustees for equipment and materials they purchased on behalf of the charity and which were donated to the Net vir Pret project. This is reported in the receipts and payments account under project equipment and materials.

10. Trustees' remuneration

None of the trustees were paid any remuneration during the period. Trustees were reimbursed for project equipment and materials they had purchased on behalf of the charity (see note 9 above).

11. Glossary of terms

Creditors: These are amounts owed by the charity, but not paid in the accounting period.

Debtors: These are amounts owed to the charity, but not received in the accounting period.

Restricted funds: These are funds given to the charity, subject to specific restrictions set by the donor, and within the general objects of the charity.

Constitution:

Declaration of Trust dated 24th June 1991 as amended by supplemental deed 31st March 2006 as amended by supplemental deed 20th June 2008.

Summary of the purposes of the charity as set out in its governing document

EDSA is a small charity which has been registered as a Charitable Trust and running since June 1991 (30 years). It was set up during the apartheid years for:

“The advancement of education and relief of poverty of disadvantaged students (children and young people) in South Africa.”

Trustees recognise that this is needed as much today as it was during apartheid and are supporting work in South Africa in a very small way to continue this work.

Summary of the main activities in relation to those purposes for the public benefit the activities, projects or services identified in the accounts

EDSA is a fundraising organisation based in the UK working to provide support to impoverished children and young people in the Western Cape SA.

Our main activity/aim is to raise and distribute funding to projects within the isolated rural township known as Smitsville, in the Overberg District of the Western Cape, which the Trustees agree as appropriate.

EDSA has no paid staff nor premises and extremely small fundraising costs (less than 0.5% in 20-21). All funds raised by the trustees of EDSA are held in the Charity Aids Foundation Bank and are sent regularly to South Africa, gaining the best exchange rate possible.

EDSA's objectives are to:

- support Net vir Pret a not for profit project based in Smitsville to deliver informal educational projects supporting the progression of children and young people.

(Public Benefit: to enthuse and encourage children and young people to have a better quality of life, raised self-esteem, more confidence and ability through their involvement in a wide range of creative activities outside of school, sharing of worries about children at risk and ability to support them leading to happier and better functioning families.)

- support children and young people living in poverty within isolated farmsteads

(P.B: opportunities to take part in new activities which challenge and break down isolation and raise ambition and ability.)

- fund direct work within the Smitsville township which will benefit those children and young people living in poverty.

(P.B: improved quality of life for individual children and young people and their families giving them a safer and better environment and the community a sense of cohesion and caring.)

- encourage the use of music and other creative arts and sports for after school and holiday projects in townships.

(P.B: improved mental and physical health, pride in delivery and self, pride in community participation)

- recognise the effect of foetal alcohol syndrome in the township and enhance the healthy lifestyles of these and other disadvantaged children and young people around such issues as domestic abuse, parenting, (un)employment, HIV/AIDS, drug and alcohol misuse and crime, as well as supporting their understanding of and access to good nutrition and housing.

P.B: public safety enhanced, better information and understanding of these issues, healthier participants able to make informed choices.

- encourage township children and young people to become more aware of and take some responsibility for their environment.

(P.B: an understanding of and involvement in local environmental issues by children and young people who can act as ambassadors within the community to teach and explain to elders.)

- encourage the sharing of good practice in Smitsville within other townships.

(P.B: allowing participants to feel proud of their work and their community and to learn to teach and respect others.)

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit

Trustees have received guidance on the requirements by the Charity Commission on Public Benefit. The purpose of EDSA being involved in any work in South Africa is to relieve poverty amongst disadvantaged children and young people.

The Trustees have targeted their funding on one specific township known to several of them to ensure that the funds are well used and the work they fund is sustainable and is having the widest benefits to children and young possible. There are huge community benefits which come from this. SA townships are inevitably disadvantaged, and most of the population are living in poverty. EDSA Trustees carry out research to consider the issues within the township and to observe the benefits to participants and other public on an annual basis.

Trustees are fully aware of the huge public benefit of the work they are funding with Smitsville township. The very fact that no young person had been to further or higher education before the involvement of Net vir Pret and there has been a steady number every year since they began to work in the township is a testament to one of the public benefits of the work we support. COVID has been a huge setback because of wide unemployment and therefore increased poverty but it has also shown the way NvP was quick to respond to the potential tragedy from lack of food and lack of knowledge about COVID. See some of the public benefit criteria under EDSA Aims.

Main activities:

History:

In 2006 Trustees were contacted and informed of the plight of the children and young people within an isolated rural township, known as Smitsville. After further information EDSA agreed to help facilitate, give training, and develop work there. Ann Harries Brown, Chair of EDSA Trustees, personally supported the work to constitute a children and young people project called **Net vir Pret** in the township, as a not for profit organisation with its own successful Management Board who employ all staff for this project.

Since 2007 the Trustees have agreed to focus all funding raised within the UK on one rural township area in the isolated Overberg District of the Western Cape. Within the municipality of Swellendam this township is known as Smitsville.

Trustees have continued to fundraise for the development of this work as well as to look at the wider issues of poverty and educational needs within Smitsville and offer support to anything relevant as agreed by all trustees and which fits within the EDSA criteria. By 2009 a small house was purchased and has since undergone huge renovation and extension to

become **the Centre for Children and Young People** within Smitsville. Much of the work was funded by EDSA who worked with the Net vir Pret Board to ensure that they had a great base to work from.

The Director of EDSA and at least 2 other trustees have been making self-funded annual visits to the township since 2008. This is to meet with everyone involved in any funded township work, including participants, staff of Net vir Pret and other key agencies so that work is monitored, evaluated with them and there is wide ranging discussion about current issues and future funding requirements.

In 2019-20 Three EDSA trustees made their annual self-funded monitoring visit to SA between January and March. Trustees visited all aspects of Net vir Pret and spoke to staff and participants as well as working alongside them if required or desired.

They evidenced work in progress within Net vir Pret, including exciting work with children aged 4-10years after school which teachers reported gave excellent additional skills to these children. Many of them had no toys at home, no access to crayons and paper or craft materials, and no positive educational stimulation.

The pottery club allowed children from 10-15yrs to learn to use clay and make beautiful artifacts to take home. The music group allowed children to work in small groups to try out the guitar playing and then to learn further if interested. A small jazz group had grown and drumming, and piano playing were being taught. Drama and theatre skills with puppetry are a strong feature and lead to the annual parade which has become a feature in the area.

Craftwork and printing are on offer to all age ranges and for children from the isolated areas who are collected in the NvP minivan. They have no experience in anything creative and for most of them this is such a joy.

Djembe drumming and riel dancing were a favourite of the children and again they have groups who take part in displays.

A group known as Project Hope are all school non-attenders, for different reasons. They rarely have any adult support and could be called street children. NvP tries to bridge the gap so that they could return to school although this is proving difficult for the schools to accept.

The work is so varied, and the staff are very attentive, and aware of the specific needs of children who are at risk. There is a voluntary sector social worker in the area, and they work closely with her. They ran a parenting course alongside her which was well attended and reached very impoverished young mothers.

Reports on the above and more were sent around to Trustees and all "friends of EDSA" recommending that the funding for NvP continued.

Summary of main achievements 2020-21 including funding allocations

EDSA was extraordinarily successful in raising funds in 2020-21 and were able to send the sum of £34000 to South Africa for use in Smitsville township. With the agreement of Trustees, two trustees also

spent a further £839 on children in need when visiting Smitsville. They claimed this back from EDSA UK with full invoices available. There was a total income into EDSA of £49121. EDSA had a carry forward amount of £16970 into 2021/22.

1. Net vir Pret (NvP) continued to receive ongoing funding throughout 2020/21. (£10000)

Net vir Pret continues to make a huge difference to the lives of hundreds of children and youth who regularly participate. Its township based Centre offers a safe and secure space to those whose lives are often chaotic and who regularly witness issues of domestic violence and crime. These are often related to drugs misuse and alcohol abuse which are greatly enhanced by poverty and feelings of low self-worth. There are a significant number of children who attend NvP who have foetal alcohol syndrome.

The project employed a “chef” to support their feeding scheme which has been considerably enhanced during the COVID outbreak. NvP became the major provider of home made masks to every child and young person within the community as well as ongoing teaching about health and hygiene. The interns produced a play which they performed outside about all these issues. They also supported the development of food gardens (a new thing), initially dug by the Project Hope team, to help families to learn to grow and help themselves. This has been very successful. NvP provided hundreds of activity packs to children and young people in their homes when in lock down.

Staff and interns continued to work during lock down and embarked on training in journalism, Audio-visual recording training for staff resulting in 5 lockdown productions (on you tube).

Two furthered their Puppet making skills with Handspring Puppets of Cape Town eventually they worked with Project Hope young people to build a giant puppet to represent a tiny indigenous Chameleon under threat of extinction. Online presentations given by staff to other organisations interested in their work.

By June they were allowed to reopen the Centre and see youngsters again. They complied with all the safety protocols - deep cleaning, temperature checks, hand washing and social distancing, so numbers had to be reduced and a rota system developed.

The Eco Warriors resumed their activities by tackling the pollution which had gathered under the bridges by the Huis River. See them at work at this link - https://drive.google.com/file/d/1VXyVonmo70CgEkj_dByClikYTpr0q8h/view?usp=drivesdk

Youngsters visited the forgotten graves where their ancestors are buried in what later became the “white” cemetery under Apartheid. They were also treated to a presentation on traditional Khoi medicinal herbs by a knowledgeable community member.

Youngsters in the Bike Programme had 3 new bikes funded by EDSA. The Bike Programme is often the point of entry to the NvP Centre where youngsters later move on to participate in other activities. The Project Hope “street children” use the bikes regularly and can renovate all parts themselves.

The NvP annual show/parade has provided a focus each year for work across the spectrum of different programmes, sparking creativity on every side and staff and youngsters have developed skills in story-telling, script-writing, acting, dance, puppetry design, construction and manipulation, costume, mask and set design and construction and musical composition and performance. The December 2020 event happened as “Reboot Eden” celebrating 7 years of training support from Handspring Puppets by restoring and remaking many of the huge old puppets from previous events and filming the event for streaming. See: [Mnumzane - YouTube](#)

Net vir Pret has had a major role in enthusing and encouraging young people to go onto further or higher education. In the last 7 years they have supported 48 youngsters to progress to further studies 10 of whom were still studying in 2001-2.

2. EDSA Trustees also recognise the importance of the Net vir Pret Centre having as wide a base of major funding as possible including from within South Africa. **In 2020-21 EDSA supported NvP and Smitsville with an additional sum of £4491 for developing and implementing a fundraising strategy.** This led to funds from 9 different foundations, trusts and corporate bodies as well as numerous personal donations. Fundraising is an ongoing worry for any South African NPO as it is for any organisation in the UK supporting work overseas and SA is no longer considered to be in need.
3. During the pandemic a terrible occurrence happened when one of the NvP youngsters, Liezl B. aged 14 yrs. was brutally raped and murdered on waste ground near to the township. Her siblings were at risk and their home was in very bad shape. **EDSA Trustees agreed to fund a small wooden extension to give the children more space and some security at** an estimated cost of £1000.

This building was finished by the end of December 2020 **funded by EDSA at a cost of £1038** and the children of the family were able to have their

own bedrooms. The 2 younger siblings of Liezl continue to be on the EDSA at risk watch list but have been progressing well.

4. Many of the township houses are still nothing more than hovels and more and more families are now living in tin shacks and were classed as squatters. Many of the children from Net vir Pret are from the much poorer parts of the township and a large number are on the NvP at risk watch list and being carefully monitored by staff. **Information was given to EDSA Trustees about a house demolished by fire where all had been lost and an elderly foster mother and her grandson were homeless. Grandmother had often supported work within NvP by making traditional bread for distribution and all the children involved were part of the NvP after school clubs. The family had also been scammed of their savings towards the rebuild (verified by the bank and the Police).** The cost for rebuilding was estimated at £5500.

The rebuilding was carried out by a local workforce giving sorely needed jobs within the township. (Many jobs disappeared immediately the pandemic began, and unemployment is very high). **The final cost of the new building was £5432 which was funded by EDSA.** This has enabled another small family to live in basic but good conditions, including allowing grandmother to continue to foster and care for needy children: the building work provided an income for several township craftspeople in a time of great need. Young people from net vir Pret were able to help with labouring and begin to learn about basic building.

5. **Bursaries were given to the tune of £125 by EDSA** - this amount allowed an impoverished student with no family support, studying in Cape Town, to pay towards accommodation, food, and travel. He has been involved with Net vir Pret since aged 6 years and is now at a specialist drama college after his talent was spotted during the puppet and drama work at Net vir Pret.

Regular reports are received from bursary students and are shared with EDSA. There are currently 10 township young people in tertiary education.

6. **A loan of £500 was agreed** by Trustees to be made to a person known to them, as a small start-up grant for a new business. Repayment terms have been agreed and so far, £100 was repaid in 20-21 financial year.

7. Because of the extraordinary amount of fundraising achieved by EDSA in 2020-21 the sum of R402,435.99 (**approx. £20000**) has been carried forward towards the costs of a new vehicle for NvP and equipment for 3

new workshops for NvP as well as other possible projects which may arise, subject to Trustee agreement. This is deposited in a high interest account in ABSA Bank, Barrydale. Trustees were happy for this to happen as there is virtually no interest available on funds held within the UK.

Fundraising 2020-2021

The pandemic hit as our Trustees were about to leave SA after their monitoring visit, they were lucky to get their flights out as the lockdown was quicker to reach South Africa than the UK.

EDSA had to put their regular fundraising on hold including garden parties, summer music gatherings, Christmas carols, gigs. However, the **“Friends of EDSA”** group has been built up over the last 6 years and became an important part of the fundraising strategy.

On her return the Director wrote to all “Friends of EDSA” *“I am inevitably worried about the impact of these strange times on Net vir Pret and the township and on the ability of EDSA to continue to fund raise. Much of our funding is still from events although we do have some amazing individual support and a few trusts also supporting the work in SA.*

Thank you so much to those of you who are still able to give generously to EDSA..... I will carry on writing and sending out any updates.”

She wrote several papers about the situation and the difficulties being faced by an already poverty stricken community through the pandemic.

Several appeals were made to “Friends of EDSA” by the Trustees for specific projects within Smitsville which were in dire need, not helped by the pandemic. Unemployment is always high, but it spiralled – no traditional work of picking, packing fruit and vegetables. No restaurants/café work, no gardening or housekeeping as the township people were not wanted inside houses in the nearby village. There was no system of furlough or paid benefits so no income going to many of the most impoverished households.

EDSA “Friends of” just rose to these challenges and funds began to increase in a way that has never happened before and is possibly a one off.

One donor gave an initial £2000 donation and after the appeals he sent a further £10000, as one off support. Several other previous donors raised the amount they normally sent. This was fantastic as EDSA was unable to receive any of the special funding to support Charities around at this difficult time because all our funding is specifically for work in South Africa. But, thanks to our “friends” rising

to the occasion by the end of the financial year we had sent £34000 to South Africa to be used by Net vir Pret and other township programmes and we still had a much larger carry forward amount than usual of £16970.

EDSA Trustees also want to particularly mention a father and daughter duo (Peter and Sophie aged 12 years) who did an amazing 26 mile sponsored walk during the pandemic raising over £1000. It proved that with the right timing and spirit then we can continue to fundraise.

A huge thanks must go to all the Friends of EDSA group. Some amazing funding came from longstanding as well as newer followers of our work within the Smitsville township. Thanks so much.

Trustees

Several trustees are founder members of EDSA and every one of them has at some stage visited Smitsville and seen Net vir Pret at first hand, meeting with staff and participants. All are enthusiastic and committed to this work in South Africa, recognising the ongoing difficulties faced by ordinary people within townships, which remain fully segregated. It is still rare to see “white” visitors in the township and very few township people have migrated into the nearby village they originally came from. Costs are prohibitive to them.

Fundraising Policy

EDSA has a Fundraising Strategy (currently 2021-2025) which includes its policy which is in line with that of the Fundraising Regulator. EDSA is not a member of that organisation as we do not wish to pay for services, we feel are not useful for our small charity. Our average annual income has been around £17000 for many years. EDSA never pays for fundraising to take place in the UK but has funded work in South Africa to encourage projects to be more sustainable from within that country.

There have been no complaints received by EDSA within the reporting period.

Reserves Policy

EDSA has a reserves policy in place,

EDSA:

- Applies all funds raised towards vital township projects in South Africa, after retention of a very small amount needed for fundraising in the UK,
- Remits major grants to South Africa as soon as possible after the necessary funds are received, and
- Does not commit to make grants except out of money already received.

Accordingly, reserves are necessary only to ensure the smooth continuation of fundraising in the UK, and to retain a modest buffer for smaller grants that might be

made in the short term. Reserves are reviewed annually, in conjunction with forecast income and expenditure, and sufficient funds are retained in reserve to ensure that these costs may be met over the following three years.

Normally there would be very little kept in reserve however the extraordinary amount raised from “friends of EDSA” during the COVID situation in 2020-21 surprised Trustees. It was decided to keep in reserve sufficient funding as a buffer against potential poor fundraising in 2020-21. This will not be continued and a normal amount of no more than £1000 will be kept in reserve in 2021-22.

EDSA has policies in place to cover: Safeguarding vulnerable beneficiaries; Volunteer Management; Complaint’s handling and Risk Management. A copy is available from the Director, c/o Trustees as per front page.

Note 1 Basis of preparation

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

- and with* the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014
- and with* the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102)
- and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.* X

* -Tick as appropriate

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;

n/a

Disclosure of any uncertainties that make the going concern assumption doubtful;

n/a

Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.

n/a

1.3 Change of accounting policy

The accounts present a true and fair view and the accounting policies adopted are those outlined in note { }.

Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied but if a different or additional policy has been adopted then this is

Recognition of income	<p>These are included in the Statement of Financial Activities if:</p> <ul style="list-style-type: none"> • the charity becomes entitled to the income • it is more likely than not that the charity will receive the income • the monetary value can be measured reliably
Offsetting	<p>There has been no offsetting of assets and liabilities or income and expenses, unless permitted by the FRS 102 SOA.</p>
Grants and donations	<p>Grants and donations are only included if the following criteria are met (5.10 to 5.12):</p> <ul style="list-style-type: none"> • the charity has no obligation to repay the grant or donation • the grant or donation is received from a government, government department, government agency, local authority, other public body or a private donor • the grant or donation is received for the general purposes of the charity • the grant or donation is received for a specific purpose of the charity • the grant or donation is received for a specific project of the charity • the grant or donation is received for a specific activity of the charity • the grant or donation is received for a specific asset of the charity • the grant or donation is received for a specific purpose, project or activity of the charity
Legacies	<p>In the case of performance related legacies, the charity has provided evidence that the legacy only occurs when the performance criteria are met.</p> <p>Legacies are included in the Statement of Financial Activities if the charity has received a grant of probate, the executor has accepted the legacy on behalf of the charity and any conditions attached to the legacy have been met.</p>
Government grants	<p>The charity has received government grants for the following purposes:</p> <ul style="list-style-type: none"> • the general purposes of the charity • a specific purpose of the charity • a specific project of the charity • a specific activity of the charity • a specific asset of the charity • a specific purpose, project or activity of the charity
Tax reclaims on donations and gifts	<p>Gift Aid receivable is included in the Statement of Financial Activities if the charity has received a Gift Aid certificate from HMRC. Any Gift Aid amount recovered is treated as an addition to the income of the charity. The terms of the appeal have specified that the charity is entitled to the Gift Aid amount.</p>
Contractual income and performance related grants	<p>This is only included in the Statement of Financial Activities if the charity has provided services or met the performance criteria specified in the contract or grant agreement.</p>
Donated goods	<p>Donated goods are measured at fair value (unless impracticable) at the date of receipt. The cost of any stock of goods donated for resale is measured at the fair value of those goods at the date of receipt. In the reporting period in which the goods are sold, the cost is included as an expense at the carrying amount less any impairment losses.</p> <p>Donated goods for resale are measured at the fair value of those goods at the date of receipt. The cost of any stock of goods donated for resale is measured at the fair value of those goods at the date of receipt. In the reporting period in which the goods are sold, the cost is included as an expense at the carrying amount less any impairment losses.</p> <p>Donated goods for resale are measured at the fair value of those goods at the date of receipt. The cost of any stock of goods donated for resale is measured at the fair value of those goods at the date of receipt. In the reporting period in which the goods are sold, the cost is included as an expense at the carrying amount less any impairment losses.</p> <p>Donated goods for resale are measured at the fair value of those goods at the date of receipt. The cost of any stock of goods donated for resale is measured at the fair value of those goods at the date of receipt. In the reporting period in which the goods are sold, the cost is included as an expense at the carrying amount less any impairment losses.</p> <p>Goods donated for on-going use are measured at the fair value of those goods at the date of receipt and included in the SoFA as intangible assets.</p>

	Gifts in kind for use by the charity when receivable.
Donated services and facilities	Donated services and facilities given as the gift to the charity provide the gift to the charity provide. Donated services and facilities with an equivalent amount recorded in the SOFA.
Support costs	The charity has incurred expenditure.
Volunteer help	The value of any voluntary help given in the trustees' annual report.
Income from interest, royalties and dividends	This is included in the accounts and can be measured reliably.
Income from membership subscriptions	Membership subscriptions received and Legacies. Membership subscriptions where benefits are recognised as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included where the criteria are met (5.10 to 5.12 in the SoFA).
Investment gains and losses	This includes any realised or unrealised gain or loss resulting from investments in the year.
2.3 EXPENDITURE AND LIABILITIES	
Liability recognition	Liabilities are recognised where there is a constructive obligation and the obligation can be measured reliably.
Governance and support costs	Support costs have been allocated to governance. Governance costs comprise a compliance with regulation and other costs. Support costs include central services and other costs on a basis consistent with the SOFA, by floor areas, or per capita, etc.
Grants with performance conditions	Where the charity gives a grant on the basis of a service or output to be provided by the recipient of the grant has provided.
Grants payable without performance conditions	Where there are no conditions attached to the grant, the charity realistically avoid the commitment to pay the grant is recognised.
Redundancy cost	The charity made no redundancy payments.

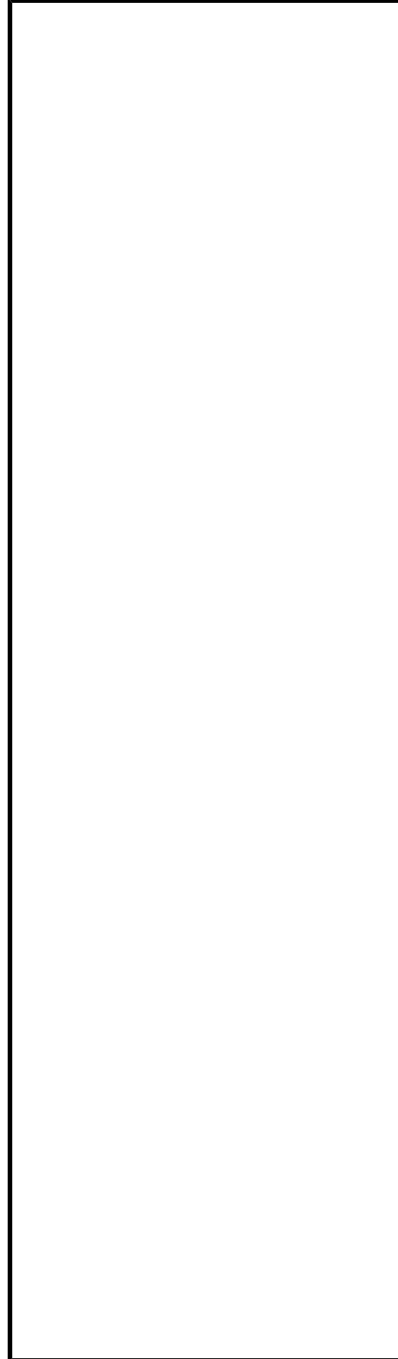

Deferred income	No material item of deferred i
Creditors	The charity has creditors whic discounts
Provisions for liabilities	A liability is measured on recc measured at the best estimat reporting date

Carrying (fair) value at end of year	-	-	-

***Please specify additions resulting from acquisitions through business combinations, if any.**

--

Please note that Fair Value in this context is the amount for which an asset could be sold between knowledgeable and willing parties in an arm's length transaction. For traded securities, the fair value is the closing price on the London Stock Exchange Daily Official List or equivalent. For other assets, it is the trustees' or valuers' best estimate of fair value.

17.2 Please provide a breakdown of investments shown above agreeing the total value, differentiating between those held at fair value and those held at cost

Note 21 Provisions for liabilities and charges

Please complete this note if you have included in charity expenditure any provisions. A charity has a liability of uncertain timing or amount.

21.1 Movements in recognised provisions and funding commitment during the period

- Balance at the start of the reporting period
- Amounts added in current period
- Amounts charged against the provision in the current period
- Unused amounts reversed during the period
- Balance at the end of the reporting period

21.2 Please provide:

- a brief description of any obligations on the balance sheet and the expected amount and timing of resulting payments;

- an indication of the uncertainties about the amount or timing of those outflows; and

- the amount of any expected reimbursement, stating the amount of any asset that has been recognised for that expected reimbursement.

This year

This year

21.3 For any funding commitment that is not recognised as a liability or provision, provide details of commitment made, the time frame of that commitment, any performance-related conditions and details of how the commitment will be funded (with contracts for capital expenditure separately identified).

--

21.4 Where unrestricted funds have been designated to a fund commitment, please disclose the nature of any amounts designated and the likely timing of that expenditure.

--
