Structure, Governance and Management

St John's School PTA is a parent–teacher association run by parents, carers, teachers and volunteers within the school community. New members are typically welcomed through class WhatsApp groups, informal engagement in the school playground, and participation in school events. This approach helps maintain an inclusive, friendly and community-focused culture.

The PTA operates under the **ParentKind Model Constitution**, which was formally adopted by the association. Trustees are elected at the Annual General Meeting in accordance with the constitution, ensuring transparency, accountability and continuity of leadership.

The committee meets regularly throughout the year to plan activities, review finances and ensure that all decisions are made in line with the charity's objectives and legal responsibilities.

The association is made up of like-minded individuals who share a common goal: supporting the school and ensuring the best possible experience for its pupils. The Executive Committee—comprising the Chair, Treasurer and Secretaries—oversees the management and organisation of the charity's activities and finances, working closely with volunteers and the wider school community to deliver events and fundraising initiatives.

Objectives and Activities

The primary objective of St John's School PTA, in line with the ParentKind Model Constitution, is to **advance the education and wellbeing of pupils at the school**. The association fulfils this purpose by developing effective relationships between parents, carers, staff and the wider school community, and by engaging in activities that support the school and enrich pupils' experiences.

A key part of this work involves **raising funds** to provide additional resources, opportunities and enhancements that fall outside the scope of the standard school budget. The PTA works closely with the headmaster and governing body to identify priorities and areas where charitable support can make a meaningful difference to pupils' learning, development and wellbeing.

Activities undertaken by the PTA are designed to support the advancement of pupils' education and wellbeing, strengthen the partnership between home and school, and enhance the wider school community. These include:

Educational resources and equipment for classrooms

Providing additional materials, tools and enhancements that enrich teaching and learning beyond what the school budget can cover.

Enrichment opportunities and learning experiences for pupils

Funding workshops, events, activities and initiatives that broaden pupils' horizons and contribute to their personal development.

Treats and community events that benefit the entire school community

Organising inclusive, enjoyable activities that foster a sense of belonging, celebrate the school community, and strengthen relationships between families, staff and pupils.

To achieve these aims, the PTA organises a wide variety of fundraising and community-building events throughout the year. These activities bring families together, strengthen the school community and generate essential funds to support pupils' learning and wellbeing. Events typically include:

- School discos
- School fetes and fairs
- Guest speaker events
- Cake sales
- Hot chocolate cafés
- Raffles
- Sponsored events and challenges

Achievements and Performance

During the year, the PTA successfully achieved the objectives set out in its annual plan. Fundraising efforts enabled the charity to make several significant contributions to the school, including:

- Funding a breakout reflection garden for quiet thoughts and prayer.
- Purchasing a double-decker red bus, which is being converted into an interactive library to provide an engaging and inspiring reading space for children.
- Providing new storage systems for the breakout areas for key working groups throughout the years.

These projects represent a substantial investment in both the educational resources available to pupils and the overall learning environment within the school. They demonstrate the impact of the PTA's fundraising activities and the strong partnership between families, staff and the wider school community.

Financial Review

St John's School PTA operates two bank accounts, one of which is designated for holding the charity's reserves. The trustees maintain a reserves policy to ensure the financial stability of the organisation and to safeguard its ability to continue supporting the school in the event of unexpected circumstances.

The PTA holds a designated reserve of **£4124**, kept separate from general operating funds and reviewed annually by the committee.

Access to the bank accounts is restricted to the Chair and the Treasurer. The charity follows a strict financial management policy to ensure transparency and accountability. All expenditure is reviewed prior to approval, and significant purchases are brought to the committee for discussion and a vote. Where required, the Chair and the Executive Committee make the final decision in line with the charity's objectives and constitution.

At the end of the financial year, the charity held **no debts or outstanding financial obligations**, and the trustees consider the PTA to be in a stable financial position.

Total income: £29,294.65

Total expenditure: £17,929.63

Net surplus: £11,365.02

Public Benefit Statement

The trustees confirm that they have complied with their duty under the Charities Act 2011 to have due regard to the Charity Commission's guidance on public benefit.

St John's School PTA provides public benefit by advancing the education and wellbeing of pupils at St John's School. All activities and expenditure are directed towards this charitable purpose. The PTA enhances pupils' learning by funding additional resources, equipment and enrichment opportunities that are not covered by the standard school budget, and by supporting improvements to the school environment.

The association also strengthens the partnership between home and school, fostering positive relationships among parents, carers, staff and the wider community. Events and initiatives are designed to be inclusive and accessible, ensuring that the benefits of the PTA's work are available to all pupils regardless of background or circumstance.

The trustees ensure that all decisions, fundraising activities and funded projects remain aligned with the charity's objectives and deliver clear, identifiable public benefit.

Future plans

The PTA will continue to work closely with the headmaster and governing body to identify priorities that enhance pupils' learning and wellbeing. Planned areas of focus for the coming year include supporting further digital learning resources, continuing development of the school's reading and outdoor learning environments and delivering a full programme of fundraising and community events. The trustees will ensure that all future spending remains aligned with the charity's objectives and provides clear benefit to all pupils at St John's school.

INDEPENDENT EXAMINATION OF ST. JOHN'S SCHOOL P.T.A.

I Sergio De Oliveira Macedo am not a trustee or employee, nor am I involved in day-to-day transactions/finances or any other related activities, nor any family relationships.

I have reviewed the Trustees Annual Report '24-25, Parentkind Model Constitution (Oct 2024), Accounts Report and bank statements, along with receipts/income and invoices/payments.

My enquiries, plausibility check conducted and high-level review have concluded...

- Proper accounting records have been kept and at a sufficient level of detail.
- Accounting records sample checked and tied back to bank statements, copies of invoices and receipts. Bank balances in statements match account ledgers.
- Two bank accounts, one for activities (current) and one to hold a reserve (£4,124). This reserve is maintained to ensure financial stability and operate as a going concern.
- Activities aligned to charities objectives of 'supporting pupils learning and fostering inclusive community engagement'.
- No restricted funds, no remuneration for trustees or volunteers.
- Charity held no debts or outstanding financial obligations
- No prohibited use of funds identified
- All responses to enquiries and information provided were reasonable and consistent with records
- No matters to bring to trustees' attention as any matters of serious concern.

Based on my enquiries and review, nothing has come to my attention that suggests that the accounts are not prepared in accordance with charity law, or proper accounting records.
