Structure and Trustee Recruitment

We, Stocks Green School Association (PTA) rely solely on volunteers to exist. We recruit parents of children attending Stocks Green Primary School by speaking at parent engagement events at the school and advertising in the school newsletter and by email to all parents from the school. The committee always has a Chair, Secretary and Treasurer. All other roles and responsibilities are shared amongst the committee members depending on individual skill sets and availability. It is mandatory to step down after 3 years of service on the committee with a minimum of one year before seeking re-election. All new committee members stand for election at our AGM.

Activities and Objectives

The PTA exists to fundraise to help purchase extra resources for Stocks Green Primary School activities. 2024/25 was another fruitful year of fundraising. The PTA ran a successful Stocks Fest for the second year, which made just under £9,000 profit. This was a great amount considering costs for some items had more than doubled on the previous year. Stocks Fest had incredible feedback from parents and the local community. The PTA was featured in two national PTA magazines along with photos by parent Gemma Swaite.

Achievements and Performance

This year the PTA have been able to fund key projects, equipment and initiatives. Highlights include the VR workshops, stationery, water play equipment, phonics resources and a marquee. The last three years have seen fundraising efforts boost profits and the PTA have gone from raising on average £4,000 to £8,000 per year, onto £11,000 in 2023/2024 and then finally to £25,000 profit in the last academic year.

Financial Review

The most profitable event this year was Stocks Fest (£8,802.89 profit), followed by the Christmas Fair (£4,569.23) and then the Sponsored Marathon (£2,628.16). The PTA funded various school projects; classroom resources £1,400, VR workshops £680, a marquee £611.25 and Year 6 Leavers Books £460.35. Overall, the PTA made a profit of £19,488.46 and on the 31st August 2025 had a closing balance of £24,984.88. The following projects were also voted through during the academic year, Water play equipment (£877), Phonics resources (£1,605) and Stationery (£6,000).
