PRAXIS SERVICE

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2025

The trustees' present their report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Praxis Service (Praxis) exists for the benefit of the public through the provision of its services to any member of the public who is homeless and who is referred to Praxis through Newcastle City Council's homeless services. They are likely to have complex needs and include women with their dependent children. All the services provided by Praxis are within the aims and objectives as set out in the Memorandum and Articles of Association.

Throughout the review of objectives and activities section of this report, we have identified and evaluated the benefits that individuals gain from accessing our services and maximizing independence through self-directed support.

In shaping our objectives for the year and planning our activities, the trustees have considered the charity commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Objectives:

- to promote and advance the social welfare and housing needs of people who are financially disadvantaged, suffering or recovering from mental illness, alcoholism, or chemical addictions.
- to provide advice, treatment, and support through the provision of both community services and the development and management of housing schemes.
- to provide accommodation for individuals or groups in special housing need, without distinction of sex, sexual orientation, race, political, religious, or other opinions; and to assist Service Users towards Moving On into their own independent accommodation.

Praxis continues to manage two major projects, comprising of eight separate properties, within the Newcastle Citywide Supported Accommodation and resettlement support for homeless people contract. All the referrals to these projects are made through the Housing Advice Centre administered by Newcastle City Council. The system of referral of potential service users is computerised through the Gateway system. Both men and women (including women with dependent children), are homeless at the point of referral and come from a range of diverse backgrounds. They have complex needs and if accepted, are allocated a place in one of our two projects.

- Their needs are assessed at the point of entry to our service and staff offer support, advice and assistance through a Support Plan to help address their need and move towards resettlement in their own tenancies.
- Service Users are assisted to gain or retain meaningful relationships with their friends and families.
- Service Users are assisted in their engagement and relationships with important agencies such as Social Services, the Department of Work and Pensions, Probation, Mental Health services and in links with the wider community.
- Service users are encouraged to participate in a wide range of sport, leisure and work activities.

PRAXIS SERVICE

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2025

Review of the objectives and activities

Praxis is part of a Consortium contractual arrangement, led by the Changing Lives organisation, with a Supporting People Contract with Newcastle City Council. The existing contract has been extended a number of times, latterly to March 2025 and then 31 May 2025. Post year end a new contract was agreed for a period of 3 + 1 years from 1 June 2025, with the option for an uplift. The Consortium managers meet on a bi-monthly basis to review progress of the Contract and its constituent parts, and to consider new developments. Praxis' staff continue to benefit from shared training opportunities and assistance in the computerisation of records using the Inform system. This means that all support work of clients is centrally recorded and achieves a range of important purposes and outcomes. Praxis is also part of the Newcastle City Council's Gateway system which is also computerised. This allows for potential clients of Praxis Service to be promoted through this system and to help evaluate a range of important outcomes. These include length of stay in Praxis accommodation; move-on arrangements; reasons for leaving including eviction and the tabulation of the number of referrals over time and the number of acceptances and refusals.

Newcastle women and children project

This service continues to provide high quality accommodation for up to eight mothers with their dependent children. All of our families have complex needs and high percentages are involved with statutory services such as Social Service departments. Although some of our families are clearly identified as fleeing domestic violence, many of them do not fall straightforwardly into this category. Many of the women wish to maintain some relationship with their previous partners and Praxis staff work with other agencies to facilitate contact between fathers and their children.

This service specialises in work with the mothers with dependent children who may be involved with Newcastle Social Care and a range of complex situations. This involves a high degree of team working with our partner agencies and the work is intense and demanding. Amongst a range of important outcomes includes the prevention of children being looked after by the Local Authority.

Praxis Service Project

This Service consists of two large-terraced houses at Normanton Terrace in the West End of Newcastle and provides high standard accommodation for twelve men and women. The women's house at Normanton Terrace, which was once single female accommodation now accommodates pregnant women and women with their dependent children due to high demand for family accommodation.

Our third property is based at Praxis House. This property is a large detached modern house standing in its own, well stocked gardens. The property has been extensively renovated and provides very comfortable accommodation for up to seven men at present however can be a mixed depending on demand in Newcastle at any one time.

Praxis fourth property is situated at Brighton Grove, recently modernised is also in the West End of Newcastle. This is a large-terraced property for the occupation of up to six Service Users. Our fifth house is a five bedded terraced also in the West End of Newcastle close to our main offices, this has also been updated to a very high standard.

Our newest property, fully refurbished has been open for several months and is an additional 3 units for women and children. All seven properties have HMO status through Newcastle City Council.

PRAXIS SERVICE

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance

Financial review

The principle funding sources of Praxis are Housing Benefit income received from Newcastle City Council and Supporting People income. The total income from these sources is shown in note 3.

At 31 March 2025, the total unrestricted reserves stood at £1,965,452 (2024: £1,838,378). Included within unrestricted reserves is a balance of £547,549 (2024: £559,929) which is designated as £527,623 (2024: £527,623) for a future women and children's project premises, £6,697 (2024: £32,306) for property upgrades, and £13,229 (2024: nil) for the purchase of a van.

Reserves policy

The Support Service Manager has the power to invest in such investments, securities, or property as they see fit subject to any restrictions imposed by law.

The trustees identify that they wish to pursue a policy of holding sufficient cash deposits in our various bank accounts to cover various potential contingencies. This was achieved in the year.

The trustees consider that the target for free reserves should remain in the sum of £100,000. Excluding fixed assets and designated funds, the unrestricted reserves are £720,308 (2024: £561,106). The trustees are reviewing the reserves held in excess of this target to identify areas where Praxis can contribute further to its objectives, including identifying the need for additional staff resources or additional properties for the projects.

The charity participates in the Tyne and Wear Pension Fund. Following a valuation at 31 March 2022, contribution rates from 1 April 2022 are 27.1%.

Key risks management

During the year the trustees reviewed their risk management plan. As part of the risk management process, the trustees have implemented a risk management strategy, which comprises of:

- an annual review of the risks, which the Charity may face;
- detailed action plans to mitigate those risks identified; and
- the implementation of procedures designed to minimise any potential impact on the Charity should any of those risks materialise.

The risk management focused on the need to maximise returns from their current cash reserves, ensure new developments in the Supporting People requirements are kept abreast of and initiate compliance measures as and when appropriate. The trustees also recognise the increasing burden of the superannuation scheme and are keeping abreast of any increased cost.

Going concern

The trustees have reviewed the sources of income for Praxis and expect no material change in the levels of incoming resources. The trustees have also reviewed the levels of expenditure incurred by Praxis and expect no material change in the level of outgoing resources. Given the level of funds available, and the new contract now agreed, the trustees are confident that they have sufficient funds to ongoing expenditure and other liabilities as they fall due.

Based on the cash reserves held by Praxis, and the consistency in the monthly management accounts, the trustees are confident that Praxis has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Structure, governance and management

Praxis Service is a charity which was registered with the Charity Commission on 13 January 1992, number 1007319. It is also a private company limited by guarantee and not having share capital, being registered with Companies House on 28 July 1988 under company number 02281535, governed by its Memorandum and Articles of Association.

PRAXIS SERVICE

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2025

The director who served the charity during the year and the since the year end was as follows:
M Robinson

As well as the director a number of people acted as trustees during the year, and these are:

S. Murthwaite
M. Robinson (Chair)
Dr J. Moore
K. Moore
B. McAloon

Trustees can be appointed and/or leave the committee at any point during the year. Praxis advertises in the local press and on the Internet for new potential trustees. New trustees are given clear instruction and information on their range of new responsibilities as well as having the opportunity to attend training courses, particularly those run by Newcastle Council for Voluntary Services.

The staff team is managed by a Support Service Manager, P Gillingham BA and there is an organisational structure which includes two Senior Project Workers, an Administrator, a part-time Bookkeeper, and a team of Project Workers.

The trustees consider key management comprise the charity's trustees and the service manager who are in charge of directing and controlling, running and operating the charity on a day-to-day basis. All trustees give their time freely and no trustee received remuneration in the year. Details of trustees' expenses and related party transactions are disclosed in notes 9 and 16 to the accounts.

The pay of the support service manager is reviewed annually and normally increased in accordance with average earnings.

Trustees' responsibilities in relation to the financial statements

The Trustees (who are also the directors of Praxis Service for the purposes of company law) are responsible for preparing a Trustees' Annual Report and financial statements in accordance with applicable law and UK Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the Trustees are required to:

- Select suitable accounting practices and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK accounting standards have been followed; subject to any material departures that must be disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' Report was approved by the Board of Trustees.

M Robinson

Director

PRAXIS SERVICE

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF PRAXIS SERVICE

I report to the trustees on my examination of the accounts of Praxis Service ('the company') for the year ended 31 March 2025, which are set out on pages 6 to 17.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the accounts present a 'true and fair view' and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of The Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

PRAXIS SERVICE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

Praxis Service (the 'charitable company') is a private company limited by guarantee incorporated in England and Wales. The registered office is Praxis House, Park Close, Newcastle upon Tyne, Tyne and Wear, NE4 6SB.

The charitable company's operations and principal activities are described in the Trustees' Report.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102) second edition (effective 1 January 2019), "Accounting and Reporting by Charities" the Statement of Recommended Practice for charities applying FRS 102, the Companies Act 2006 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015. The charitable company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

Financial Reporting Standard 102 requires, if appropriate, the charitable company's financial statements are prepared on the going concern basis, which means that the charitable company is able to operate for the foreseeable future on the basis of known and reasonable projected resources.

The trustees have reviewed the sources of income for Praxis and expect no material change in the levels of income. The trustees have also reviewed the levels of expenditure incurred by Praxis and expect no material change in the level of expenditure and are confident that a renewal of services will be agreed with the Commissioners. Given the level of funds available, and the new contract now agreed, the trustees are confident that they have sufficient funds to meet ongoing expenditure and other liabilities as they fall due.

Given the cash reserves held by Praxis, and the consistency in the monthly management accounts, the trustees are confident that Praxis has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the director in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Designated funds are unrestricted funds that have been earmarked by the trustees for a specific purpose.

1.4 Income

Income is recognised in the period in which the charitable company has entitlement to the funds, any conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations and legacy income are included in the Statement of Financial Activities when receivable. In accordance with the Charities SORP (FRS102) general volunteer time is not recognised.

Income from charitable activities is recognised in the Statement of Financial Activities as received.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charitable company; this is normally upon notification of the interest paid or payable by the bank.

PRAXIS SERVICE

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies (Continued)

1.5 Expenditure

Expenditure is all considered as expenditure on charitable activities. Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party; it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is included in the Statement of Financial Activities on an accruals basis, inclusive of VAT. They include:

- Charitable expenditure comprises those costs incurred by the charitable company in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of any indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and the statutory requirements of the charitable company and include the audit fees and costs linked to the strategic management of the charitable company.

1.6 Tangible fixed assets

Assets worth £250 or more are capitalised upon acquisition.

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives on the following bases:

Freehold properties	2% straight line
Plant and equipment	20% reducing balance

Subsequent costs, including replacement parts are capitalised only when it is probable that such costs will generate future economic benefits. Any replaced parts or remaining carrying amounts are then derecognised. All other costs of repairs and maintenance are charged to profit or loss as incurred.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Financial instruments

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade, other debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method.

PRAXIS SERVICE

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies (Continued)

Basic financial liabilities

Basic financial liabilities, including other creditors, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

1.8 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless these costs are required to be capitalised as an intangible or tangible fixed asset.

Certain employees are entitled to carry forward unused holiday entitlement at the reporting date. The cost of any unused entitlement is recognised in the period in which the employee's services are required.

1.9 Retirement benefits

The charitable company participates in a multi-employer pension scheme for its employees. For the scheme, contributions are recognised as expenditure in the period to which they relate as there is insufficient information available to use defined benefit accounting.

Where applicable, a liability is recognised for contributions arising from an agreement with the multi-employer plan that determines how the charitable company will fund a deficit. Contributions are discounted, at a rate according to FRS102, when they are not expected to be settled wholly within 12 months of the period end. The unwinding of the discount rate is recognised as a finance cost.

1.10 Government grants

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

Government grants relating to turnover are recognised as income over the periods when the related costs are incurred. Grants relating to an asset are recognised in income systematically over the asset's expected useful life. If part of such a grant is deferred it is recognised as deferred income rather than being deducted from the asset's carrying amount.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

13 Retirement benefit schemes

The charitable company participates in a multi-employer pension plan, being the Tyne & Wear Superannuation Fund Scheme. The assets of the scheme are held separately from those of the charitable company in an independently administered fund.

The contributions payable by the charitable company charged to income and expenditure amounted to £17,227 (2024: £18,950).

The pension fund is run as a multi-employer scheme and as such it is not possible for the assets and liabilities of the fund to be identified separately. As at 31 March 2022, the Tyne and Wear Pension Fund was valued. Due to deficit funding the required employer's contribution rate from 1 April 2024 is 27.1%.

As at the balance sheet date, there was 1 (2024: 1) active members of the fund employed by the charitable company.

Unrestricted funds

General funds are 'free reserves' after allowing for designated funds.

From unrestricted funds, the trustees have made the following designations:

- an amount of £527,623 to purchase and refurbish one additional property to expand the Newcastle women and children project and potentially office space, following the purchase and refurbishment of 89 Normount Road in the year; and
- an amount of £6,697 has been allocated for property upgrades and repairs. These works are ongoing.
- an amount of £13,229 has been allocated for the purchase of a van.
