## Activities

---

**Objects:** To assist with the preservation and maintenance of 'The Church In The Field' church, as well as the historical, architectural, archaeological and environmental heritage that may exist in or around the building, for the benefit of the nation and in particular the people of Low Ham. To educate the public on the history, art, archaeology and architecture of the building, in particular by encouraging the use of the building for suitable community activities, events, visits and educational activities.

**Activities:** The Charity supports and raises funds to assist the Churches Conservation Trust which has taken on responsibility for the maintenance of the Church-in-the-Field in preserving for the benefit of the nation the church and, if appropriate, historical, architectural and archaeological environmental heritage that may exist around the church.

## Classification

- **How:** Acts As An Umbrella Or Resource Body
- **What:** Environment/conservation/heritage
- **Who:** Other Defined Groups

## Geography

- **Area of benefit:** HIGH HAM
- Somerset
