TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their annual report and financial statements for the year ended 31 December 2021.

Name and Registered Office of the Charity

The full name of the Charity is Maktab Tarighat Oveyssi Shahmaghsoudi (School of Islamic Sufism), its registered office is PO Box 33805, London, N8 8ZW and its principal operating address is 23 Edison Road, Crouch End, London, N8 8AE. It is part of the global organisation with the same name (the global organisation hereinafter referred to as 'MTO').

Charity Financial Statements

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The objects are to establish the teaching and advancement of religion and education in the United Kingdom and elsewhere around the world in accordance with the tenets and doctrines of Sufism as practiced by MTO.

During the year the Charity continued to promote Sufism and education as a part of MTO. Its program of lectures and classes in the UK included webcasts from London to students throughout the world. These compliment the broadcasts of related MTO centres elsewhere in Europe and from the United States. The Charity continued to encourage the development of Sufism at Universities and other educational institutions in the UK and to promote inter-faith activities in local communities.

Achievements and performance

The Charity is progressing with the transfer of its assets and operations to the Charitable Incorporated Organisation ('CIO'), registered charity 1156782 with the same name and objects as the Charity. Any on-going donations or receipts are vested to the CIO accounts as part of the transfer policy.

The main remaining assets of the Charity are the commercial premises near the London Centre bought in October 2012. They were leased for 5 years from 20 March 2015 to a nursery. Following approval from the freeholders, in 2020 a new lease was signed by the subtenants and Trustees.

Based on legal advice at the time, the Trustees issued a claim against the original solicitor who acted in the purchase of the commercial premises. The claim was issued in 2018 with the relevant fee paid by the Trust. However, in February 2019, the new solicitors informed Trustees that there was a potential issue with the limitation of the new claim. Trustees sought legal advice, and pursued with Directions questionnaires. Following exchange of documents and correspondence with the other side, both parties asked the court for a consent order to agree mediation. Due to Covid 19, the mediation was postponed. The case was settled in 2020. A new claim against the new solicitors and advising counsel has been sought. Both defendants have disputed their liability and the matter has been beset by delays in the court listing application and Covid restrictions. The Trustees are waiting for a court hearing date.

Financial review

As detailed in the Statement of Financial Activities on page 6, the Charity's reserves at the year-end amounted to £912,392 of unrestricted funds. The Trust will hold these reserves and further funds as they are received as a buffer for operating costs. In addition they are available to help support other centres abroad or fund additional properties in the UK for holding meetings and lectures as required.

Structure, governance and management

The Charity, a Charitable Trust, was registered as a Charity on 14th April 1992. Registration number: 1010542. The governing document is the Deed of Trust dated 18 October 1991 as amended by supplemental deeds dated 9 March 2006, 15 June 2006, 2 January 2009 and 9 April 2009.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF MAKTAB TARIGHAT OVEYSSI SHAHMAGHSOUDI (SCHOOL OF ISLAMIC SUFISM)

I report to the trustees on my examination of the financial statements of Maktab Tarighat Oveyssi Shahmaghsoudi (School of Islamic Sufism) (the charity) for the year ended 31 December 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

1.1 Accounting convention

The accounts have been prepared in accordance with applicable accounting standards, "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" and the Charities Act 2011. The charity is a Public Benefit Entity defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

General unrestricted funds represent unrestricted income which is expendable at the discretion of the Trustees in the furtherance of the objects of the charity. Such funds may be held in order to finance working capital.

Restricted funds represent income received which are allocated by the donor for specific purposes which are therefore not available for other purposes.

1.4 Incoming resources

Donations are accounted for on a cash receivable basis.

Rent receivable is accrued on a day to day basis.

Interest receivable is accounted for at the date it is declared.

Other income is accounted for on a cash received basis.

1.5 Resources expended

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities.

Charitable activities include costs of services and support costs.

Governance costs are those costs incurred in the management of the charity's assets, organisational administration, and compliance with constitutional and statutory requirements.

Cost of raising funds are those associated with rental and investment income.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

1.6 Investment properties

Fixed asset investments are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the statement of financial activities in the year of disposal. Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the statement of financial activities based on the market value at the year end.

Investment properties are included in the balance sheet at their open market value as estimated by the trustees. Depreciation is provided only on those investment properties which are leasehold and where the unexpired lease term is less than 20 years.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount.

1.9 Foreign exchange

Transactions denominated in foreign currencies are recorded at the rate ruling at the date of transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. All differences are included in net outgoing resources.

1.10 Taxation

The charity is exempt from tax on income and gains falling within the Taxes Act 1988, s. 505 or the Taxation of Chargeable Gains Act 1992, s. 252 to the extent that these are applied to its charitable objectives.

The charity is not VAT registered. As such, expenditure is shown inclusive of VAT.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Valuation of investment properties

As described in note 10 to the financial statements, investment properties are stated at fair value. The trustees based this on observable market prices.
