Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objects of the trust are the promotion of the Christian faith at home and abroad by distribution of Bibles and Christian literature; support for the acquisition and upkeep of meeting rooms; relief of poverty; all in accordance with the known sympathies of the late Mrs Stone and subsequent benefactors (notably, but not exclusively, testators). Given the reserves from previous financial years, the trust was able to provide support for key purposes outlined below, and to maintain a substantial reserve for future activities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The trust has continued to support the distribution of Christian literature in countries where it has reliable contacts and where the recipients could not otherwise afford such material. These countries include India and Russia. In some cases the trust has also made gifts to known individuals for the relief of their own or of others' poverty. This has included many of our contacts who live in communities that have been severely impacted by economic difficulties. In Africa, India and elsewhere, believers and others have been without work and have struggled to obtain food and life's necessities. Support from the relevant state authorities was often unavailable. Throughout the year the trust was able to reach out, often proactively, to our contacts and provide funds to help relieve the immediate needs. Support has been provided for the upkeep of several meeting rooms in the UK in accordance with the purposes of the trust.

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In our use of finite resources, we have naturally to be selective with our assistance and careful in our continuing assessment of the contacts, invariably known personally either to ourselves or to our close associates, through whom we operate. Although we cannot meet every need that comes our way we believe that a wide variety of eligible persons, both here and abroad, do benefit from our activities. In these activities we seek to be informed by and have regard to the guidance of the Charity Commission on public benefit.

Policy on grant making	Para 1.38	As already indicated, it is our overall policy to apply our available funds to cases that come with strong personal recommendation either from among ourselves or from fellow Christians well known to us. Our investments are either for immediate use or bank deposits for use over the medium term. We do not seek to accumulate assets for their own sake.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We set out to meet the demand for Christian literature that has come our way. In India, Moldova and Russia there is a thirst for Christian literature in indigenous languages which we seek to continue to meet subject to the resources available. The Russian pictorial calendar is well established and continues to be well received in local schools and elsewhere. We have continued to provide support to alleviate the needs of Christians in poverty in several countries in Africa and Asia, and Ukraine, through existing known and trusted personal contacts established over many years.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Total funds held on the balance sheet at 31 December 2024 were £453,501 (2023 - £629,417) of which £2,167 were for restricted purposes.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Trustees of the Dorothy Stone Trust consider the resources available to the charity as well as the forecast income and expenditure for the forthcoming periods. Based on this analysis, the Trustees have a reasonable expectation that the charity has adequate reserves to continue in operation for at least twelve months from the date of the approval of the financial statements. The Trustees are not aware of any future events or other considerations which means there is a risk to going concern and have therefore adopted the going concern basis of accounting in the preparation of the financial statements, as set out in the Accounting Policies.
Amount of reserves held	Para 1.22	The reserves of £453,501 at 31 December 2024 are primarily short term deposits of £330,000 and cash at bank of £121,789.
Reasons for holding zero reserves	Para 1.22	Not applicable

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2024**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

- the accounts did not accord with the accounting records; or

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objects of the trust are the promotion of the Christian faith at home and abroad by distribution of Bibles and Christian literature; support for the acquisition and upkeep of meeting rooms; relief of poverty; all in accordance with the known sympathies of the late Mrs Stone and subsequent benefactors (notably, but not exclusively, testators). Given the reserves from previous financial years, the trust was able to provide support for key purposes outlined below, and to maintain a substantial reserve for future activities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The trust has continued to support the distribution of Christian literature in countries where it has reliable contacts and where the recipients could not otherwise afford such material. These countries include India and Russia. In some cases the trust has also made gifts to known individuals for the relief of their own or of others' poverty. This has included many of our contacts who live in communities that were severely impacted by Covid-19 and subsequent economic difficulties. In Africa, India and elsewhere, believers and others have been without work and have struggled to obtain food and life's necessities. Support from the relevant state authorities was often unavailable. Throughout the year the trust was able to reach out, often proactively, to our contacts and provide funds to help relieve the immediate needs.

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In our use of finite resources, we have naturally to be selective with our assistance and careful in our continuing assessment of the contacts, invariably known personally either to ourselves or to our close associates, through whom we operate. Although we cannot meet every need that comes our way we believe that a wide variety of eligible persons, both here and abroad, do benefit from our activities. In these activities we seek to be informed by and have regard to the guidance of the Charity Commission on public benefit.

Policy on grant making	Para 1.38	As already indicated, it is our overall policy to apply our available funds to cases that come with strong personal recommendation either from among ourselves or from fellow Christians well known to us. Our investments are either for immediate use or bank deposits for use over the medium term. We do not seek to accumulate assets for their own sake.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We set out to meet the demand for Christian literature that has come our way. In India, Moldova and Russia there is a thirst for Christian literature in indigenous languages which we seek to continue to meet subject to the resources available. The Russian pictorial calendar is well established and continues to be well received in local schools and elsewhere. We have continued to provide support to alleviate the needs of Christians in poverty in several countries in Africa and Asia through existing known and trusted personal contacts established over many years.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Total funds held on the balance sheet at 31 December 2023 were £629,417 (2022 - £700,949) of which £700 were for restricted purposes.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Trustees of the Dorothy Stone Trust consider the resources available to the charity as well as the forecast income and expenditure for the forthcoming periods. Based on this analysis, the Trustees have a reasonable expectation that the charity has adequate reserves to continue in operation for at least twelve months from the date of the approval of the financial statements. The Trustees are not aware of any future events or other considerations which means there is a risk to going concern and have therefore adopted the going concern basis of accounting in the preparation of the financial statements, as set out in the Accounting Policies.
Amount of reserves held	Para 1.22	The reserves of £629,417 at 31 December 2023 are primarily short term deposits of £480,000 and cash at bank of £148,717.

Set out on pages

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2023**.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

CHARITY COMMISSION

Trustees' Annual Report for the period

Charity registration number: 1010626

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objects of the trust are the promotion of the Christian faith at home and abroad by distribution of Bibles and Christian literature; support for the acquisition and upkeep of meeting rooms; relief of poverty; all in accordance with the known sympathies of the late Mrs Stone and subsequent benefactors (notably, but not exclusively, testators). The trust again received significant gifts during the financial year which enabled it to provide additional support to key projects outlined below, and to provide a substantial reserve for future activities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The trust has continued to support the distribution of Christian literature in countries where it has reliable contacts and where the recipients could not otherwise afford such material. These countries include India and Russia. In some cases the trust has also made gifts to known individuals for the relief of their own or of others' poverty. This has included many of our contacts who live in communities that have been severely impacted by Covid-19 and subsequent economic difficulties. In Africa, India and elsewhere, believers and others have been without work and have struggled to obtain food and life's necessities. Support from the relevant state authorities was often unavailable. Throughout the year the trust was able to reach out, often proactively, to our contacts and provide funds to help relieve the immediate needs.

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In our use of finite resources, we have naturally to be selective with our assistance and careful in our continuing assessment of the contacts, invariably known personally either to ourselves or to our close associates, through whom we operate. Although we cannot meet every need that comes our way we believe that a wide variety of eligible persons, both here and abroad, do benefit from our activities. In these activities we seek to be informed by and have regard to the guidance of the Charity Commission on public benefit.

Policy on grant making	Para 1.38	As already indicated, it is our overall policy to apply our available funds to cases that come with strong personal recommendation either from among ourselves or from fellow Christians well known to us. Our investments are either for immediate use or bank deposits for use over the medium term. We do not seek to accumulate assets for their own sake.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We set out to meet the demand for Christian literature that has come our way. In India, Romania and Russia there is a thirst for Christian literature in indigenous languages which we seek to continue to meet subject to the resources available. The Russian pictorial calendar is well established and continues to be well received in local schools and elsewhere. We have continued to provide support to alleviate the needs of Christians in poverty in several countries in Africa and Asia through existing known and trusted personal contacts established over many years. We supported a long-established contact to complete the construction of a new Christian meeting room in an area of Liberia where there is currently no place for believers to gather for many miles around.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Total funds held on the balance sheet at 31 December 2022 were £700,949 (2021 - £484,460) of which £2,725 were for restricted purposes.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Trustees of the Dorothy Stone Trust consider the resources available to the charity as well as the forecast income and expenditure for the forthcoming periods. Based on this analysis, the Trustees have a reasonable expectation that the charity has adequate reserves to continue in operation for at least twelve months from the date of the approval of the financial statements. The Trustees are not aware of any future events or other considerations which means there is a risk to going concern and have therefore adopted the going concern basis of accounting in the preparation of the financial statements, as set out in the Accounting Policies.
Amount of reserves held	Para 1.22	The reserves of £700,949 at 31 December 2022 are primarily short term deposits £530,000 and cash at bank of £168,161.

**Responsibilities and
basis of report**

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2022**.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants of Scotland.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

Charity name: THE DOROTHY EVELYN STONE WILL TRUST

Charity registration number: 1010626

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objects of the trust are the promotion of the Christian faith at home and abroad by distribution of Bibles and Christian literature; support for the acquisition and upkeep of meeting rooms; relief of poverty; all in accordance with the known sympathies of the late Mrs Stone and subsequent benefactors (notably, but not exclusively, testators). The trust received significant gifts and legacies during the financial year which enabled it to provide additional support to key projects outlined below, and to provide a substantial reserve for future activities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The trust has continued to support the distribution of Christian literature in countries where it has reliable contacts and where the recipients could not otherwise afford such material. These countries include India, Romania and Russia. In some cases the trust has also made gifts to known individuals for the relief of their own or of others' poverty. This has included many of our contacts who live in communities that have been severely impacted by Covid-19 and subsequent economic difficulties. In Africa, India and elsewhere, believers and others have been without work and have struggled to obtain food and life's necessities. Support from the relevant state authorities was often unavailable. Throughout the year the trust was able to reach out, often proactively, to our contacts and provide funds to help relieve the immediate needs.
Statement confirming	Para 1.18	In our use of finite resources, we have

whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit		naturally to be selective with our assistance and careful in our continuing assessment of the contacts, invariably known personally either to ourselves or to our close associates, through whom we operate. Although we cannot meet every need that comes our way we believe that a wide variety of eligible persons, both here and abroad, do benefit from our activities. In these activities we seek to be informed by and have regard to the guidance of the Charity Commission on public benefit.

Policy on grant making	Para 1.38	As already indicated, it is our overall policy to apply our available funds to cases that come with strong personal recommendation either from among ourselves or from fellow Christians well known to us. Our investments are either for immediate use or bank deposits for use over the medium term. We do not seek to accumulate assets for their own sake.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We set out to meet the demand for Christian literature that has come our way. In India, Nigeria, Romania and Russia there is a thirst for Christian literature in indigenous languages which we seek to continue to meet subject to the resources available. The Russian pictorial calendar is well established and continues to be well received in local schools and elsewhere. We have continued to provide support to alleviate the needs of Christians in poverty in several countries in Africa and Asia through existing known and trusted personal contacts established over many years. We helped a long-established contact to complete the construction of a new Christian meeting room in an area of Liberia where there is currently no place for believers to gather for many miles around.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Total funds held on the balance sheet at 31 December 2021 were £484,460 (2020 - £331,454) of which £2,188 were for restricted purposes.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Trustees of the Dorothy Stone Trust consider the resources available to the charity as well as the forecast income and expenditure for the forthcoming periods. Based on this analysis, the Trustees have a reasonable expectation that the charity has adequate reserves to continue in operation for at least twelve months from the date of the approval of the financial statements. The Trustees are not aware of any future events or other considerations which means there is a risk to going concern and have therefore adopted the going concern basis of accounting in the preparation of the financial statements, as set out in the Accounting Policies.
Amount of reserves held	Para 1.22	The reserves of £484,460 at 31 December 2021 are primarily short term deposits £300,254 and cash at bank of £182,256.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2021**.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants of Scotland.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The only direct association of the trust is with the Stone Publishing Trust (Registration No. 1034689) with which it acts as underwriter, for which there continues to be no call for the foreseeable future. The trust does from time to time use the services of other Christian trusts to transmit funds, usually abroad, for purposes explicitly requested and approved by the trust.

In its activities the trust seeks to avoid ongoing commitments, especially any that could expose it to significant risks.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the trust are the promotion of the Christian faith at home and abroad by distribution of Bibles and Christian literature; support for the acquisition and upkeep of meeting rooms; relief of poverty; all in accordance with the known sympathies of the late Mrs Stone and subsequent benefactors (notably, but not exclusively, testators). The trust received significant gifts and legacies during the financial year which enabled it to provide additional support to key projects outlined below, and to provide a substantial reserve for future activities.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trust has continued to support the distribution of Christian literature in countries where it has reliable contacts and where the recipients could not otherwise afford such material. These countries include Burma, India, Ghana, Romania and Russia.

A major project in previous years was the construction of a Christian school in Liberia. The trust provided additional support for some agricultural projects at the school.

In some cases the trust has also made gifts to known individuals for the relief of their own or of others' poverty. This has included many of our contacts who live in communities that have been severely impacted by Covid-19 in 2020. In Africa, India and elsewhere, believers and others have been without work and have struggled to obtain food and life's necessities. Support from the relevant state authorities was often unavailable. Throughout the year the trust was able to reach out, often proactively, to our contacts and provide funds to help relieve the immediate needs.

In our use of finite resources we have naturally to be selective with our assistance and careful in our continuing assessment of the contacts, invariably known personally either to ourselves or to our close associates, through whom we operate. Although we cannot meet every need that comes our way we believe that a wide variety of eligible persons, both here and abroad, do benefit from our activities. In these activities we seek to be informed by and have regard to the guidance of the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

As already indicated, it is our overall policy to apply our available funds to cases that come with strong personal recommendation either from among ourselves or from fellow Christians well known to us. Our investments are either for immediate use or bank deposits for use over the medium term. We do not seek to accumulate assets for their own sake.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

We set out to meet the demand for Christian literature that has come our way. In Burma, Ghana, India, Romania and Russia there is a thirst for Christian literature in indigenous languages which we seek to continue to meet subject to the resources available. The Russian pictorial calendar is well established and continues to be well received in local schools and elsewhere.

We have continued to provide support to alleviate the needs of Christians in poverty in several countries in Africa and Asia through existing known and trusted personal contacts established over many years.

We are helping a long-established contact to build a new Christian meeting room in an area of Liberia where there is currently no place for believers to gather for many miles around.

Section E Financial review

Brief statement of the charity's policy on reserves

We do not seek to retain reserves other than to enable us to continue to operate on a modest scale over the medium term.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

We continue to appreciate generous gifts by way of legacies and otherwise which have enabled us to look favourably on the larger projects mentioned in this report. They also offer a welcome degree of assurance that we have the confidence of the donors.

Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES**Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. **See policy adopted below.**

Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS**Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress

These are valued at the lower of cost or market value.

**POLICIES ADOPTED

Independent Examiner's Report

Report to the trustees/

Charity Name **The Dorothy Evelyn Stone Will Trust**

On accounts for the year
ended

31st December 2020

Charity no (if

1010626

Set out on pages

1 and 2

(remember to include the page numbers of additional sheets)

Respective responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 43 of the 1993 Act
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's
statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
