THE CORNWELL CHARITABLE TRUST

TRUSTEES REPORT

FOR THE YEAR ENDED 5 APRIL 2024

The Trustees present their report and financial statements for the year ended 5 April 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's Trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective from 1 January 2019).

Objectives and activities

The Trust's objectives are met in such proportion and manner as the board of trustees shall in their absolute discretion, from time to time, determine.

There have been no changes in the policies adopted by the Trust during the year.

The Trustees have paid due regard to the guidance issued by the Charity Commission in deciding what activities the Trust should undertake in relation to public benefit.

Grant making policy and how we delivered public benefit

Applications for grants are open to all charities, individuals and community projects in the UK and worldwide who match the requirements of the Trust. This has enabled the Trust to provide benefit to the public at large. All applications to the Trust are reviewed and considered by the Trustees who consult with one another regularly.

The Trust will respond to particular needs that arise from time to time, such as the cost-of-living crisis, homelessness and displacement, as the Trustees consider appropriate.

Achievements and performance

The Trust's income increased to £43,829, up £3,457 when compared to 2023, and grants awarded rose by £2,500 to £50,000.

Details of grants awarded in the year are disclosed in note 6 on page 9.

Financial review

The Statement of Financial Activities set out on page 4 shows the Trust's income and expenditure for the year ended 5 April 2024.

Total income amounted to £43,829 (2023: £40,372) and was comprised of investment income and bank deposit interest.

Total expenditure for the year amounted to £57,987 (2023: £55,136), with £50,000 (2023: £47,500) applied towards making grants, £6,465 (2023: £5,958) on investment management fees, and £1,522 (2023: £1,678) on support and governance costs.

After allowing for the net realised and unrealised gains on the Trust's investment portfolio for the year of £102,164 (2023: loss of £57,881), the net movement in funds for the year was a surplus of £88,006 (2023: deficit of £72,645).

The Balance Sheet on page 5 shows the financial position of the Trust as at 5 April 2024.

Total assets less liabilities amounted to £1,266,457 (2023: £1,178,451) which is represented by the accumulated balances on the expendable endowment funds of £1,221,424 (2023: £1,125,725) and the unrestricted funds of £45,003 (2023: £52,726).

Reserves policy

In accordance with the Trust deed the endowment funds are expendable at the discretion of the Trustees, that is the capital can be expended when the Trustees so decide, although it is the usual policy of the Trustees to make awards from the unrestricted funds only.

THE CORNWELL CHARITABLE TRUST

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2024

The net assets of the Trust's expendable endowment funds are held to generate sustainable income in order to support the Trust's activities. The net assets of the Trust's unrestricted income funds are held in order to meet the ongoing overheads and administrative expenses and are also applied towards the Trust's charitable objectives. The balance held as free reserves at the year end was £45,033 (2023: £52,726).

Funding sources and utilisation

The main sources of income continues to be dividends and interest receivable from investments which have been utilised to meet the Trust's commitments from year to year.

Investment policy and performance

There are no restrictions on the Trust's power to invest.

The Trust deed authorises the Trustees to make and hold investments using the funds of the charity. The policy of the Trustees is to maximise the total return on the charity's investment portfolio without placing the capital of the trust at undue risk. The portfolio remains defensively positioned with a bias towards income generation. The value of the Trust's investment portfolio rose by 7.97%, during the year under review, reflecting a recovery in financial markets post concerns over increased inflation and rises in interest rates.

Risk assessment

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that adequate systems are in place to mitigate their exposure to the major risks. The major risk is centred on the volatility of investment returns, hence the Trustees have ensured that funds are invested in lower risk investments.

Plans for the future

The Trustees will look to make grants from year to year, that amount in aggregate to not less than the annual income generated from the Trust's Investment portfolio.

Apart from this the Trustees do not plan for any significant changes to the Trust's activities.

Structure, governance and management

The Cornwell Charitable Trust is a charitable trust established under a deed of settlement dated 12 June 1992. It is a charity registered with the Charity Commission (number 1012467). It is governed by this deed and by the Charities Act 2011.

The Trustees who served during the year and up to the date of signature of the financial statements are detailed on the legal and administrative information page.

The statutory power of appointing new or additional Trustees is vested in the Trustees named on the legal and administration information page.

The Trust's day to day activities are overseen by the Trustees as there are no employees. The Trustees are responsible for the consideration and authorisation of all the charitable donations made.

The Trustees consider the board of Trustees as the key management personnel of the Trust in charge of directing, running, and controlling the Trust. All Trustees give their time freely and no Trustee remuneration was paid in the year.

The Trustees' report was approved by the Board of Trustees and signed on their behalf by:

Clare Cornwell

THE CORNWELL CHARITABLE TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE CORNWELL CHARITABLE TRUST

I report to the Trustees on my examination of the financial statements of The Cornwell Charitable Trust (the Trust) for the year ended 5 April 2024.

Responsibilities and basis of report

As the Trustees of the Trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Trust's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Use of my report

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My independent examination work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees, as a body, for my independent examination work, for this report, or for the opinions I have formed.

THE CORNWELL CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2024

1 Accounting policies

Charity information

The Cornwell Charitable Trust is an unincorporated charity governed by a Trust deed. The charity is registered in England and Wales with the Charity Commission. The charity's registered address is Devonshire House, 1 Devonshire Street, London, United Kingdom, W1W 5DR.

The principle accounting policies adopted and judgements made in the preparation of the financial statements are as follows.

1.1 Basis of preparation

The financial statements have been prepared in accordance with the Trust's deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective from 1 January 2019).

The Trust meets the definition of a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

1.2 Going concern

The Trustees have reviewed the cash position of the Trust and its commitments at the date of signing the financial statements and also considered the fact that the endowment funds are expendable at any time at the discretion of the Trustees. They are confident that the Trust has adequate resources to continue in operational existence for the foreseeable future. The Trustees therefore continue to adopt the going concern basis of accounting in preparing these financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Endowment funds represent those assets which are held permanently by the Trust. The funds are attributable to the original amount settled on the Trust, subsequent settlements and accumulated recognised gains and losses. Income arising on the Endowment funds can be used in accordance with the objects of the Trust and is included as unrestricted income. Investment management charges relating to the funds are charged against the funds. The Endowment funds are expendable at the discretion of the Trustees.

1.4 Income recognition

All income is included in the Statement of Financial Activities when the Trust is legally entitled to the income, receipt is probable, and the amount can be quantified with reasonable accuracy.

Donations are included in the year in which they are receivable, which is when the Trust becomes entitled to the resource and the Trust has been notified in writing of both the amount and settlement date. No amounts are included in the financial statements for services donated by volunteers.

THE CORNWELL CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2024

1 Accounting policies

(Continued)

Investment income is earned through holdings of assets for investment purposes such as shares and gilts, and it includes dividends and interest. Where it is not practical to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs, and it is included when the amount can be measured reliably.

Dividend and interest income is recognised when the Trust's right to receive payment is established.

1.5 Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Trust to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including governance costs are allocated or apportioned to the applicable expenditure headings.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1.6 Investments

Investments are a form of basic financial instruments and are initially recognised at their transaction value and subsequently measured at fair value as at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

1.7 Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if they were acquired subsequent to the first day of the financial year.

Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

1.8 Debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the Statement of Financial Activities.
