Activities

Objects: For the public benefit, maintaining and preserving the old church of Churchill and Sarsden parish in the county of Oxfordshire ('the old church') as a heritage asset. Regularly opening the old church to the general public, visitors to the area and residents of West Oxfordshire and the Cotswolds, and interpreting for the public benefit its place in the history of the community. Developing and holding exhibitions and meetings based on the old church to promote the understanding of local history in the community.

Activities: Providing historical information & records on the local villages
