Accounts

1st Thame Scout Group – Treasurer’s Report

Accounting Year 1st April 2024 to 31st March 2025

Please find presented the Receipts and Payments Account for the financial year 2024/25 which have been verified as accurate by an independent scrutiny, Ian Rutherford as required in accordance with the Charities Act 2011.

Treasurer’s Comments:-

OVERVIEW:

The accounts reflect a steady year of scouting activity and some consistency within the accounts as detailed below.

RECEIPTS:

Membership Income & Gift Aid:-

Membership income remained consistent with the previous year at £14.8k, although the membership fees payable to National & District Councils saw an increase of £1000. Membership subscriptions will be increased for the upcoming year.

Gift Aid remains around £2k, however there is scope to improve this with improved communication with parents.

Government Grants & Support:-

We have not received or applied for any external funding this year.

Donations:-

The only donations received in the year were from the Christmas Card Deliveries. Oxford Round Table have yet to make a donation for the loan of our benches and tables for two days in November to use at their firework display.

Camps:-

This figure reflects deposit monies collected for the District Camp, all of which were then paid away immediately as reflected below under expenditure.

Property Rental Income:-

£600 of this income comes from the local Red Kite Explorer group who are closely linked with the Group and the rest from local community groups.

Other Income:-

This was the sale of the Minibus asset BF13HVD.

PAYMENTS:

Youth Programme:-

This is funds drawn down by the Sections to support their excellent scouting programmes.

Electricity & Gas:-

A replacement for Chris to handle utilities contracts is still required but the current contract rates mean we have shown a reduction in costs for this year in this area.

Insurance:-

Insurance costs have stayed relatively close to those of the previous year for the building and contents.

Repairs, Renewals & Improvements:-

There were minimal costs in this area for general maintenance.

Badges:-

Increased spend on badges this year as the cost per badge has risen.

Minibus Costs:-

This cost line reduced as we did not keep the Minibus safety inspections running at all times and have not taken out a new contract for this due to its sale.

ASSETS & LIABILITIES:

The closing bank balance remains relatively steady. We do show a net gain in the year of £1500, however this does include the sale of the Minibus. If that is excluded, we did spend around £3500 more than we received in income.

SUMMARY:

In summary, there is reason for concern over the longevity of our abilities to run the comprehensive scouting activity undertaken without change. The deficit in the accounts for the year was consistent with the previous year. In the previous year though, this could be attributed to repairs to the property which have not been made this year. The finances remain sound at this time but increased engagement from all for fundraising activities etc is needed. We now have one regular rental and need to grow that where possible. Gift Aid could be improved and subscriptions are increasing for the new year.

Scrutineer's Report
1st Thame Scout Group's Treasurer's Account
Year to 31st March 2025

I have reviewed the Thame Scout Group's Treasurer's Account and records for the year to 31st March 2025.

Nothing has come to my attention that needs to be reported to the Trustees, as the accounts match the records provided.

A handwritten signature in black ink, appearing to be 'Ian Rutherford', with a long horizontal flourish extending to the right.
