Partner Aid International (UK)
Trustees Report
For the year ended 31 December 2021

Structure, governance and management

Partner Aid International (UK) is an unincorporated registered UK charity (No.1015165), governed by a Trust Deed. The name PartnerAid UK has been adopted for working purposes.

The Charity is self-governing. It coordinates with a wider network of charities operating under the 'PartnerAid' name in other countries, including Switzerland and the Netherlands, which gives access to co-operative support and expertise when needed.

The current Trustees are listed on page 1. The Trustees have the power to elect new Trustees as required. All of the Trustees have served throughout the year apart from Mr G Thackray who resigned on 26 June 2021 and Mrs E Fewkes who was appointed on 26 June 2021.

Objectives and activities

The Trustees wish to thank the trusts and individuals who have provided vital fundraising in support of PartnerAid UK during the past year and are conscious that some limitations upon your support may have arisen in the year arising from limitations due to Coronavirus.

Trustees are pleased to confirm that all fundraising is done in compliance with best fundraising practice. During 2021 we did not employ any professional fundraisers. There were no complaints or criticisms during the year about our fundraising activities.

The Charity's primary objective is to raise funds to support relief and development projects and continue to support projects in Burkina Faso, Chad, Ghana, Ethiopia, Mauritania, Pakistan and South Sudan.

The Trustees seek to achieve this objective by raising funds to support reliable, experienced and committed local partner organisations. We look for cost-effective projects run by community-based teams with whom we can maintain good communications and accountability. By relying mainly on volunteers, the Charity's expenses are kept to a minimum, thus allowing maximum funds to be channelled into relief and development projects.

Trustees are acutely aware of the devastating impact of the Covid-19 pandemic upon so many communities in the world and they remain committed to supporting the existing partners and projects in the field as well as considering new opportunities where possible.

Achievements and performance

Total donations received or receivable were £37,641 in 2021 which showed a £9,745 decrease (2020 increase of £4,187).

The Trustees have considered risks to which the Charity is exposed and in their opinion the established systems and procedures continue to afford adequate safeguard.

Financial review

Donations received in 2021 were sufficient to continue funding ongoing long-term development projects. Funds at the year end of £8,836 (2020 £13,292) represented mainly cash held in a bank account prior to distribution.

The Trustees' policy is to send all specific donations to overseas projects as soon as these can be effectively used. Gifts awaiting remittance earn bank interest, which is added to the balances held for the related projects.

At the year end, unrestricted funds were £2,811 (2020 £3,476) which are considered satisfactory.

Statement of Trustees' responsibilities

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity at the year end and of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- (a) select suitable accounting policies and then apply them consistently,
- (b) make judgements and estimates that are reasonable and prudent,
- (c) state whether accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements, and
- (d) prepare the financial statements on a going concern basis, unless it is inappropriate to assume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy, at any time, the financial position of the Charity and enable them to ensure that the financial statements comply with charity law. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Declaration

The Trustees declare they have approved the above report.

3. Accounting Policies

Incoming Resources and Fund Accounting

Donations are credited in the statement of financial activities when received. Income received for a specific restricted purpose as declared by the donor is credited to a separate restricted fund.

Unrestricted funds are expendable at the Trustees' discretion in furtherance of the Charity's objectives.

Resources Expended

Resources expended are accounted for on an accruals basis. Expenditure is allocated in the statement of financial activities between restricted and unrestricted funds and is further analysed between charitable expenditure and cost of generating funds. Charitable expenditure is analysed between Field Projects & Support and Management & Administration.

4. Contribution from Projects

A proportion of Developing Country Project Income (not exceeding a maximum of 10% of donations) was contributed in 2021 towards the Charity's support costs, including general publicity and administration. Any excess funds are allocated back to Projects at the Trustees' discretion.

5. Direct Charitable Expenditure

Projects & Support comprises gifts forwarded to Project teams.

The Charity does not have any paid staff and instead uses expert consultants where possible. This enables maximum funds to be channelled overseas into relief and development projects. Trustees are not remunerated and are paid expenses for attending meetings and duties directly related to their duties as trustee.

Mrs J Merrow-Smith was paid £3,775 for consultancy fees during the year (2020: £1,712).

£240 (2020: £240) has been provided for the independent examiner's fee in the 2021 accounts.
