OBJECTIVES AND ACTIVITIES

Objectives of the charity

The principal objectives of the Trust are to advance the education of pupils of music in the United Kingdom of Great Britain and Italy in such manner in all respects as the Trustees shall think fit so long as the same shall be charitable and in particular (but without prejudice to the generality of the foregoing and insofar as the same shall be charitable) through the award of bursaries, scholarships, exhibitions, prizes and grants to such pupils and by making such payments as they shall in their absolute discretion.

Public benefit statement

In setting the Trust's objectives, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education. The Trust encourages applications for bursaries and scholarships from pupils of music from all backgrounds. An individual's economic status, ethnicity, race, religion or disability do not form part of the assessment process. The Trustees view bursary awards as important in helping pupils from families who would otherwise not be able to afford advancement.

Significant activities for achieving objectives

The payments of grants and donations are all considered to be in accordance with the charitable objects of the Trust.

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit.

REVIEW OF ACTIVITIES AND ACHIEVEMENTS

The Trust's income for the year under review was £26,831 (2021: £140,894), expenditure totalled £49,787 (2021: £275,340) and the unrealised and realised losses on investments totalled £44,058 (2021: £Nil). A deficit of £67,014 (2021: £134,446) arose in the year.

The Trustees distributed £18,494 (2021: £Nil) as donations during the year in furtherance of the Trust's objectives. The Trustees have committed to making donations of £Nil (2021: £25,000) in future years, these have been provided as a liability in these financial statements.

FINANCIAL REVIEW

The principal funding source is investment income which comprises dividend income from equity funds and interest from balances held in bank accounts and bonds.

The key factors likely to impact on future financial performance or position are the general market and economy conditions.

RESERVES POLICY

The Trust seeks to cover their annual expenses each year. The reserves currently total £1,311,977, all of which are unrestricted reserves.

The Vivien and Peter Beckwith Young Musicians Trust
Trustees Report
For the Year Ended 5 April 2022

FUTURE PLANS

The Trustees wish to shift emphasis of the Trust from Harrow School to musical scholarships and bursaries in the United Kingdom of Great Britain and Italy and have been advised that the current Objectives of the Trust are sufficiently broad to permit this, however the Trustees will formally amend the Objectives to reflect this new focus. The Trustees also intend to apply to the Charity Commission to change the name of the Trust to the Vivien and Peter Beckwith Young Musicians Trust.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Method, policy and procedure for new Trustees

The induction process for any new Trustee comprises an initial meeting with P M Beckwith, followed by meetings with not less than two other Trustees. A new Trustee will be appointed by a resolution of the Trustees passed at a special meeting, after the new Trustee has signed a declaration of his or her acceptance and willingness to act in the interests of the charity. New Trustees are provided with a pack comprising a copy of the Trust Deed, the last financial year's Annual Report and Accounts, and are referred to the Charity Commission guidance on "*The Essential Trustee*" and "*Trustee Responsibilities*".

Risk management

The Trustees have examined the major strategic, business and operational risks to which the charity is exposed and confirm that systems and procedures are in place to manage those risks.

Relationship between Trust and related parties

The Trust owned 100% of the issued share capital of Dunedell Properties Limited, a non charitable incorporated company whose principal activity was that of property development. The company was involved in various joint ventures in Limited Liability Partnerships (LLPs) with PMB Holdings Limited, a company owned by P M Beckwith.

Dunedell Properties Limited was dissolved on 17 May 2022.

During the year end, the outstanding amount from the year ended 5 April 2021 of £1,632,053 was repaid by Dunedell Properties Limited. A provision of £Nil (2021: £638,469) is held against loans owed by Dunedell Properties Limited to the Trust leaving total loans of £Nil (2021: £1,632,053) outstanding.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Trustees' activities

P M Beckwith signed a Power of Attorney in favour of R H Woolley (Trust manager) and D Reid (Trust accountant) in accordance with the Trustee Delegation Act 1999. This allowed R H Woolley and D Reid to make decisions involving the Trust on behalf of P M Beckwith in his absence. The Power of Attorney was not invoked at any time during the year. It is anticipated that there will be further Trustee activity required in order to bring about the change of focus as reflected in the Amendment to the Objectives as referenced above.

Organisational structure and decision making

The Trustees meet twice a year, at which all decisions regarding income and donations committed and paid are endorsed and ratified. The day to day running of the Trust is managed and administered on behalf of the other Trustees by P M Beckwith, the settlor of the Trust. All property matters were referred to J A Strachan, an independent consultant and former Trustee, for him to review and comment on. The Trustees comprise P M Beckwith OBE (the settlor), V Beckwith and L Macleod-Miller. It is anticipated that the organisation structure will change to reflect the change in focus as referenced above.

TRUSTEES RESPONSIBILITIES

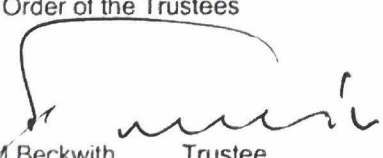

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities FRS 102 SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

b) **Basis of Accounting**

The Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective October 2019) - (Charities SORP (FRS 102)), rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The accounts have been prepared on an accruals basis. The accounts also comply with the charity's trust deed.

c) **Voluntary income**

Cash, donations, gifts and legacies are included in full in the statement of financial activities when receivable, grossed up for income tax at the applicable rate if paid under the Gift Aid scheme. Significant non cash donations are included in the statement of financial activities at the Trustees' estimate of their market value when received. The value of voluntary help is not included in the accounts.

d) **Investment income**

Income represents amounts, excluding value added tax, derived from the sale of commercial development properties and is recognised on unconditional legal exchange of contracts.

Bank interest and dividends are included in the statement of financial activities as they become receivable.

e) **Investments**

Investments in subsidiaries and related trade investments are stated at cost less any provision for diminution in value. These are not included at market value as the cost of valuing these investments is considered to outweigh the benefits to the users of these accounts in accordance with paragraph 10.49 of the Charities SORP (FRS 102).

Investments in equity funds and bonds are stated at the market value as of 31 March 2022 as provided in the Brompton Asset Management quarterly investment report.

- h) **Fund accounting**
- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

- i) **Taxation**
The Vivien and Peter Beckwith Young Musicians Trust is a registered charity and is not liable to taxation.
- j) **Debtors**
Debtors are measured at transaction value less any impairment. At each balance sheet date, debtors are assessed for objective evidence of impairment. If an asset is impaired, the impairment loss is measured as the difference between carrying amount and the amount expected to be received.
- k) **Creditors**
Creditors are measured at transaction value.

OBJECTIVES AND ACTIVITIES

Objectives of the charity

The principal objectives of the Trust are to advance the education of pupils at Harrow School and the John Lyon School through the award of bursaries, scholarships and grants and by making payments for the repair, maintenance, development and improvement of the Schools' grounds and buildings and any other charitable purposes at the discretion of the Trustees with preference being given to the advancement of education amongst children and young persons. Achievement of these objectives will be enabled through successful and profitable property transactions, which will allow for the Trust to increase bursary support. Valuable expertise is provided by the Harrow School teaching staff in identifying suitable scholarship recipients.

Public benefit statement

In setting the Trust's objectives, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education. The Trust encourages applications for bursaries and scholarships from students from all backgrounds. An individual's economic status, ethnicity, race, religion or disability do not form part of the assessment process adopted by Harrow School and the John Lyon School on the Trust's behalf. These principles also apply when considering approaches for financial support received from students at other educational establishments to ensure that people in poverty are not excluded from the opportunity to benefit. The Trustees view bursary awards as important in helping children and young persons from families who would otherwise not be able to afford school and college fees. Awards are made solely on the basis of parental and individual means or to relieve hardship when a student's education and future prospects would otherwise be at risk.

Significant activities for achieving objectives

1. Donations paid to educational institutions (see note 4 to the financial statements)
2. Payment of school fees
3. Payment of school costs

These are all considered to be in accordance with the charitable objects of the Trust.

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit.

REVIEW OF ACTIVITIES AND ACHIEVEMENTS

The Trust's income for the year under review was £140,894 (2020: £128,460) and expenditure totalled £275,340 (2020: £937,912). A deficit of £134,446 (2020: deficit £809,452) arose in the year.

The Trustees distributed £Nil (2020: £1,000) as donations during the year in furtherance of the Trust's objectives. The Trustees have committed to making donations of £25,000 (2020: £26,000) in future years, these have been provided as a liability in these financial statements.

FINANCIAL REVIEW

The principal funding source is investment income which comprises interest from balances held in bank accounts.

The Peter Beckwith Harrow Trust
Trustees Report
For the Year Ended 5 April 2021

FUTURE PLANS

The Trustees wish to shift emphasis of the Trust from Harrow School to musical scholarships and bursaries in the UK and Italy and have been advised that the current Objectives of the Trust are sufficiently broad to permit this, however the Trustees will formally amend the Objectives to reflect this new focus. The Trustees also intend to apply to the Charity Commission to change the name of the Trust to the Vivien and Peter Beckwith Young Musicians Trust.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Method, policy and procedure for new Trustees

The induction process for any new Trustee comprises an initial meeting with P M Beckwith, followed by meetings with not less than two other Trustees. A new Trustee will be appointed by a resolution of the Trustees passed at a special meeting, after the new Trustee has signed a declaration of his or her acceptance and willingness to act in the interests of the charity. New Trustees are provided with a pack comprising a copy of the Trust Deed, the last financial year's Annual Report and Accounts, and are referred to the Charity Commission guidance on "*The Essential Trustee*" and "*Trustee Responsibilities*".

Risk management

The Trustees have examined the major strategic, business and operational risks to which the charity is exposed and confirm that systems and procedures are in place to manage those risks.

Relationship between Trust and related parties

The Trust owns 100% of the issued share capital of Dunedell Properties Limited, a non charitable incorporated company whose principal activity was that of property development. The company was also involved in various joint ventures in Limited Liability Partnerships (LLPs) with PMB Holdings Limited, a company owned by P M Beckwith.

The Trustees have taken the decision to do this for a number of reasons. The Trust benefits from the property expertise of a company with a strong track record of making successful investments and entering into a partnership allows the Trust access to higher value investments, which typically give a better return. P M Beckwith personally guarantees a base return on these investments and subordinates his own interests in favour of those of the Trust. The Trustees regularly review the investment strategy and compare this to other investment strategies to ensure that the current policy provides the best returns.

A provision of £638,469 is held against loans owed by Dunedell Properties Limited to the Trust leaving total loans of £1,632,053 outstanding at 5 April 2021. Post year end, the outstanding amount of £1,632,053 was repaid by Dunedell Properties Limited.

Dunedell Properties Limited owns a 4.53% share of MK DataVault Trading Limited. The Trust loaned the company £1,000,000 in 2017. This loan attracted interest at 10% per annum and is treated as interest receivable in the Statement of Financial Activities. This £1,000,000 and associated interest receivable is included within the £1,632,053 stated in the paragraph above.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Trustees' activities

P M Beckwith signed a Power of Attorney in favour of R H Woolley (Trust manager) and D Reid (Trust accountant) in accordance with the Trustee Delegation Act 1999. This allowed R H Woolley and D Reid to make decisions involving the Trust on behalf of P M Beckwith in his absence. The Power of Attorney was not invoked at any time during the year.

Organisational structure and decision making

The Trustees meet twice a year, at which all decisions regarding income and donations committed and paid are endorsed and ratified. The day to day running of the Trust is managed and administered on behalf of the other Trustees by P M Beckwith, the settlor of the Trust. All property matters were referred to J A Strachan, an independent consultant and former Trustee, for him to review and comment on. The Trustees comprise P M Beckwith OBE (the settlor), V Beckwith and L Macleod-Miller.

TRUSTEES RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities FRS 102 SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Peter Beckwith Harrow Trust
Notes to the Accounts
For the Year Ended 5 April 2021

1. **ACCOUNTING POLICIES**

a) **Statement of Compliance**

The Trust is an unincorporated charity registered in England and Wales. The registered charity number is 1015344. The nature of the Trust's operations is set out in the Trustees Report.

The address of the registered office is:

17 Cresswells Mead
Maidenhead
Berkshire
SL6 2YP

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

b) **Basis of Accounting**

The Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The accounts have been prepared on an accruals basis. The accounts also comply with the charity's trust deed.

c) **Voluntary income**

Cash, donations, gifts and legacies are included in full in the statement of financial activities when receivable, grossed up for income tax at the applicable rate if paid under the Gift Aid scheme. Significant non cash donations are included in the statement of financial activities at the Trustees' estimate of their market value when received. The value of voluntary help is not included in the accounts.

d) **Investment income**

Income represents amounts, excluding value added tax, derived from the sale of commercial development properties and is recognised on unconditional legal exchange of contracts.

Bank interest and dividends are included in the statement of financial activities as they become receivable.

e) **Investments**

Investments in subsidiaries and related trade investments are stated at cost less any provision for diminution in value. These are not included at market value as the cost of valuing these investments is considered to outweigh the benefits to the users of these accounts in accordance with paragraph 10.49 of the Charities SORP (FRS 102).

The Peter Beckwith Harrow Trust
Notes to the Accounts
For the Year Ended 5 April 2021

- f) **Expenditure**
All expenditure is accounted for on an accruals basis. Costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources.
- g) **Donations**
Donations are recognised as resources expended when a constructive obligation is made to the donee.
- h) **Fund accounting**
- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
 - Designated funds are unrestricted funds earmarked by the trustees for particular purposes.
 - Restricted funds are subjected to restrictions on their expenditure imposed by the grant provider.
- i) **Taxation**
The Peter Beckwith Harrow Trust is a registered charity and is not liable to taxation.
- j) **Debtors**
Debtors are measured at transaction value less any impairment. At each balance sheet date, debtors are assessed for objective evidence of impairment. If an asset is impaired, the impairment loss is measured as the difference between carrying amount and the amount expected to be received.
- k) **Creditors**
Creditors are measured at transaction value.
- l) **Cash and cash equivalents**
Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.
- m) **Financial instruments**
Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.
- Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities.
- The Group only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.
- n) **Summary of disclosure exemptions**
The company has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by SORP (FRS 102) "The Financial Reporting Standard applicable in the UK and Republic of Ireland":
