Major Activities and Achievements throughout the year

The Group is continuing to thrive with the Beaver and Cub Sections holding waiting lists and the Scout section has a few places available. All sections continue to explore and follow the Scouting programmes and the number of badges being awarded over the last twelve months bears testament to this. Our Annual Scout camp was once again a great success with Cubs, Scouts and Young Leaders enjoying a week at Bramhope when we all went “Quakers”

Governance

The Group’s governing documents are those of the Scout Association. They consist of a Royal Charter which in turn gives authority to the Bye Laws of the Association and the Policy, Organisation and Rules of the Scout Association. The group does have its own constitution which is modelled on POR.

The Group has Trustees who form the Executive Committee and it is this committee who manage the group and are responsible for complying with the legislation that applies to charities.

The Group Executive has reviewed the risks and internal controls and they are injury to any member of The Group and through subscription we are covered for such events through the Scout Association Insurance. There are internal controls in place that relate to finance and all payments require two signatories.

The Accounts of the Group are prepared in accordance with the applicable accounting standards as required by “Accounting and Reporting by Charities “

The Group’s policy on reserves is to keep a contingency in the funds an amount of £2000 in general reserves to enable it to meet the next year’s liabilities. The mini bus fund is a restricted account for the costs associated with the mini bus and was a special account launched to purchase and now upkeep of the mini bus.
