TRUSTEES' REPORT
FOR THE YEAR ENDED 30 JUNE 2022

The Trustees present their report and financial statements for the year ended 30 June 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The objects of the charity are as follows:

- To promote the community activities of the League Managers Association, with past and present members working on community football coaching projects for the benefit of children and young people, including those with disabilities and special needs, and to work with other charitable organisations and voluntary bodies in order to promote such activities and projects.
- To advance education and personal development opportunities for all past and present members.
- To support financially and otherwise, necessitous past and present members and the necessitous wives, widows, children or dependents of past or present members.
- To promote the game of football generally to children and adults as a healthy recreational sport.

There has been no change in the charity's objects during the year.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

During the year ended 30 June 2022 the charity received income from fundraising and donations of £74,486 (2021: £60,935) and £11 (2021: £238) from investment income. After the deduction of expenditure £63,612 (2021: £136,930) this gave rise to a net surplus for the year of £10,885 (2021: deficit £75,757). Total reserves as at 30 June 2022 were £91,505 (2021: £80,620).

The Board of Trustees regularly review fundraising to ascertain if the current fundraising model is sustainable and if it has potential for growth.

Financial Review

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level at least equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year. At the 30 June 2022 unrestricted funds totalled £91,505 (2021: £80,620). See the Statement of Income and Expenditure for the details of the financial results for this year and the prior year.

The Trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, Governance and Management

In The Game is governed by a Trust Deed dated 30 December 1992 as amended by Deed dated 1 December 2008 and as amended by Resolution dated 12 May 2015. The charity is registered with the Charities Commission for England and Wales, registration number 1016248.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1.1 Accounting convention

These financial statements have been prepared in accordance with the charity's Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019)". The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, unless otherwise stated in the relevant accounting policy note(s). The principal accounting policies adopted are set out below.

1.2 Going Concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or Deeds of covenant is recognised at the time of the donation.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business.

1.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.6 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

1.7 Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

1.8 Creditors

The charity has creditors which are measured at settlement amounts less any trade discounts.
