3 Objectives and Activities

The primary objective of the District is that of the Scout Association generally, namely:

'to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.'

The Values of Scouting

As Scouts we are guided by these values:

- Integrity - We act with integrity; we are honest, trustworthy and loyal.
- Respect - We have self-respect and respect for others.
- Care - We support others and take care of the world in which we live.
- Belief - We explore our faiths, beliefs and attitudes.
- Co-operation - We make a positive difference; we cooperate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

4 Achievements and Performance

The Executive Committee gratefully acknowledges the valuable contribution made by volunteer leaders and supporter across the District who have worked hard to deliver quality Scouting in Derwentside District. Despite a number of challenges, including the closure of one of our groups, we have a 5.4% increase in our youth members and an overall increase of 3.1%. There have been increases in Explorer members, Network members, registered Young Leaders, DofE uptake and healthy waiting lists in all groups. No groups have reported any financial issues post-COVID. This is testimony to the dedication of our volunteers.

Nights away have returned to pre-COVID levels. Explorers who took part in the pilot visit to the Middle East, experiencing local history, culture and landscape, as well as representing the District and UK Scouting by meeting senior official of the Omani Scout and Guide Association delivered a presentation on their time in Oman and Dubai. Across the District 75 nights away took place, providing fantastic opportunities for all our youth members.

We have been able to progress plans to improve access to resources and experiences for our youth members. The District has continued to provide OS Maps and Easier Scouting resources to all groups. We have set up and equipped an archery and air rifle range, available to all groups, adding value programmes and providing clear value for money. Our successful application for funding from the Youth Investment Fund, enabled us to purchase a 9-seater minibus and 5.8m powerboat with associated safety equipment. These were available to all groups from May. Groups and the Explorer Unit have begun to use all these resources and feedback has been very positive. To the end of this financial year, we have provided £4455 worth of powerboat sessions to our youth members at a cost to them of £660, adding significant value to the scout and explorer programmes.

The Explorer Unit accessed an activity grant, enabling them to subsidise a number of activities. Older Explorers took part in a jetski session and all unit members had the opportunity to experience powerboating, coastal paddle boarding, and climbing, resulting in one jetski session, seven powerboating sessions, three paddle boarding sessions and three climbing sessions between June and July.

The District Shooting Squad entered their first national competition, the 44th National Scout Rifle Championship and did exceptionally well. As well as being the only squad from the north of the country and competing against some well-established and resourced squads, they came 17th out of 87 teams, a great achievement for our first competition. Of particular mention is Sid, who came 7th nationally (out of 304 participants) in the NSRA Cup, a combination of 6yd air rifle, 6yd pistol and field target by a shooter aged over 14. He was 6 points off a gold medal! We hope to increase the size of the squad (and our ranking) for the 2023 Championship.

Across the District groups have worked exceptionally hard in ensuring our volunteers have the support and encouragement necessary to complete their mandatory training. We have maintained our high standard for compliance with 97%-100% for safety and safeguarding training, 97-100% compliance for GDPR training and 90% compliance for first aid training. This should be celebrated.

4.1 Public benefit statement

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

5 Financial Review

5.1 Reserves Policy

The Scout District's policy on reserves is to hold sufficient resources to continue the charitable activities of the District should income and fundraising activities fall short.

In addition, sufficient funds should be available to replace equipment, support Scout Groups and promote Scouting within Derwentside District.

During the year the Executive Committee reviewed the reserves policy and decided that there was no longer a need for the Equipment and Gang Show designated funds, and increased the general reserve to reflect increased annual running costs.

The Committee allocated the following amounts:

General reserve	£3,000
Groups financial assistance fund	£1,851

The District held sufficient funds throughout the year to meet these requirements.

5.2 Investment Policy

The District does not have sufficient funds to invest in longer term investments. The District has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

4 Achievements and Performance

The Executive Committee gratefully acknowledges the valuable contribution made by volunteer leaders across the District who have worked hard to deliver quality Scouting in Derwentside District. As with last year, we have been gripped by COVID and this has significantly impacted on activities. However, alongside these huge challenges, the district has gradually returned to face-to-face scouting, building on the foundations set during the pandemic and moving forward with no financial issues reported because of a reduction in income.

It was inevitable that COVID and not meeting face-to-face would have an impact on membership numbers. However, we fared much better than other districts and recovered some of the reductions we saw last year. Nationally, there was a general expectation of a 20% reduction in membership. Within the district, we actually saw a 0.3% increase in youth membership. We also saw an increase in Explorer members, an increase in registered Young Leaders and healthy waiting lists across the district. This is testimony to the dedication of our volunteers.

The improvements we have made over the last few years in our web platforms paid real dividends during the pandemic. We have been ahead of the game since the first lockdown with our online systems and approaches enabling the District and groups to continue delivering Scouting despite lockdowns and restrictions and moving to a hybrid model of online and face-to-face as restrictions were lifted. Combining the creativity and innovation of our volunteers and our online systems resulting in over 600 online meetings taking place in groups and across the district over the course of the pandemic.

As we came out of COVID restrictions, nights away resumed, with groups taking a cautious, risk-based approach to run nights away between August and March. This resulted in the Explorer Summer Camp for 2021 being rescheduled for summer 2022, as advice was to stay local. We were also one of the first nationally to resume international trips when restrictions were lifted in January. A pilot group of Explorers spent a very successful 9 days in the Middle East, experiencing local history, culture and landscape, and representing the District and UK Scouting, meeting senior officials of the Omani Scout and Guidance Association.

The last couple of years have had an impact on plans to improve access to resources and experiences for our youth members. The District has continued to provide OS Maps and Easier Scouting resources to all groups. With the agreement of the GSL at 1st Leadgate, the District will be setting up an archery and air rifle range and has purchased the equipment to enable those to operate. The Leadgate Scout Leader and other District Leaders have gained Archery permits. The intention is that the ranges will be set up, tested and available from the Autumn Term 2022. The District Target Shooting Squad are meeting face-to-face again and are hoping to have access back to MoD ranges from May 2022. They hope to enter their first National Rifle Championship, as the 2020 competition was cancelled due to COVID. The District was also successful in applying for a grant from the Youth Investment Fund to fund a powerboat, safety equipment and a 9-seater minibus. These resources have been purchased and will be in use from May 2022.

Across the District groups have worked exceptionally hard in ensuring our volunteers have the support and encouragement necessary to complete their mandatory training. We have maintained our high standard for compliance with 95%-100% for safety and safeguarding training, 94% compliance for GDPR training and, following two district first aid courses, 89% compliance for first aid training. This should be celebrated, particularly as face-to-face first aid training has only recently restarted.

4.1 Public benefit statement

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

5 Financial Review

5.1 Reserves Policy

The Scout District's policy on reserves is to hold sufficient resources to continue the charitable activities of the District should income and fundraising activities fall short.

In addition sufficient funds should be available to replace equipment, support Scout Groups and promote Scouting within Derwentside District.

The Executive Committee considers that the District should hold a sum equivalent to 12 months running costs.

The Committee allocated the following amounts:

General reserve	£3000
Equipment fund	£2000
Gang Show	£3000
Groups financial assistance fund	£2290
BBC Children in Need – YIF (Restricted)	£2000

The District held sufficient funds throughout the year to meet these requirements.

5.2 Investment Policy

The District does not have sufficient funds to invest in longer term investments. The District has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

**Independent examiner's report to the trustees of
Derwentside District Scout Council**

I report to the trustees on my examination of the accounts of the Derwentside District Scout Council for the year ended 31st March 2022.

Responsibilities and basis of report

As the charity trustees of the Derwentside District Scout Council you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Derwentside District Scout Council accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Derwentside District Scout Council as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
