Manager/Trustee report

Year ending 31st August 2025

This last year has been another successful year, we started September 2024 with lower than usual numbers but the numbers improved as the year went on.

We had our Ofsted inspection in January 2025, resulting in a 'Good' outcome. The inspection itself was not as stressful as previous inspections, the inspector put us all at ease and there was a second lady (Quality Assurance) observing the inspector. This lady ensured that we felt at ease and happy with the process throughout.

We are very proud of our inspection report and feel it is well deserved by the hard-working staff.

We had a successful Nativity in December 2024, with a fantastic cast and audience as always.

We started the ball rolling to recruit a new apprentice in readiness for the next year. Lauren has since joined us and has fitted in very well.

We signed a new 6 year lease with the church, giving us the security of a roof over our heads for the next 6 years.

Fiona retired at the end of July 2025 after working for 25 years at Pre-school, she is sorely missed but we know that she is thoroughly enjoying her much deserved retirement!

The leaver's party in July 2025 was well attended; we had the magician Nick Barnes perform for us and he was a great success.

Our sponsored obstacle course raised an amazing £838!

The children leaving us for school in July 2025 had visits from reception teachers from the receiving schools in the area. The teachers were impressed with the children's behaviour and achievements. An 'end of year' report for each child was handed over to the reception teachers. The feed back was very positive about the helpfulness these reports provided.

We did have initial worries about the possibility of the local Primary school opening a nursery in the near future. After discussions it was decided that due to the plans for a possible 3 new housing estates in Sandbach, we do not have to be overly worried as many more spaces will be needed.

As always, I would like to thank the staff for their continued support and enthusiasm, we have worked together for many, many years and make a great team. All staff performed fantastically during the Ofsted inspection and the result was well deserved.

We are having to say 'goodbye' to two of our committee members, Charlotte our Chairperson and Beth, who have both been great assets to the Committee. Thank you for all of your hard work it is much appreciated.

Everything from contributing to our decision making and ideas, organising and running our open day, cups of tea after the Nativity, researching things and volunteering your husbands to do jobs for us!

Trustee report 2024

We had a good intake last September 2023 with spaces available on Fridays, this did remain a quiet day throughout the year.

We had a great Nativity in December 2023, all of the children performed brilliantly and the audience enjoyed it very much! We raised just short of £300 from the nativity.

We had a "Sponsored Bounce" in June which raised a fabulous £948.50, which is the most we have ever raised with a sponsored event!

We held an "Open Day" for new parents in July, the Committee ran the day, welcoming parents, chatting to them and handing out the necessary forms. Each set of parents were then given a tour around the setting.

The Leaver's party was a great success in July, we had a company called "Zoo2U" who brought in 5 different animals for the children to meet and learn about. This went down a storm, the children loved meeting the different animals. We also supported "The Lennox Children's Cancer Charity" during the leavers party and raised £50 for them.

We successfully prepared the children moving on to Primary school. We had good communication with the receiving schools, with visits from the reception teachers. The staff worked hard preparing "End of Year Reports" for each child.

Trustee Report 31st August 2023

We have had a very successful year, Covid is now a distant memory. We had healthy numbers of children all year through, which we can see reflected in our end of year accounts.

All the children that moved on to primary school in September, made the move confidently, something that we are proud of. We had good communication with the receiving schools.

We had a successful Nativity in December 2022 and a positive Open Day in July 2023, welcoming all our new starters. Our Leaver's party at the end of July went well.

In April we had a sponsored driving test to raise money, this raised an amazing £827! The most money ever raised for sponsored event.

We are looking forward to next year and the successes it brings.

Chairpersons Report AGM 15th November 2022

We've had another successful year following the Covid-19 pandemic. Things have felt almost back to normal.

We have had a good intake a new children in September meaning that all sessions are full. This shows what a popular setting we are and we continue to fill places without advertising, through recommendations and siblings.

New committee have settled well into their roles and have met regularly to keep up to date with everything.

We had a successful open day for our new families in July. Parents were able to visit with their children, helping them both to become familiar with staff and the environment.

The end of year party was also very successful. The children loved the entertainment and it was lovely for parents to spend time together in the sunshine.

We are looking forward to the nativity coming up and once again inviting parents. This will hopefully solidify our return to normal.

Finally a huge thank you to the staff team who continue to work hard, making Wheelock Pre-school a great place for children to play and learn.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/08/2022**.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustee AGM Report 29th March 2022

We have weathered a second year of the Covid-19 pandemic relatively unscathed, until recently!

The team has worked together like a well-oiled machine and I am very proud and massively grateful for the continued support and enthusiasm from all of the staff.

It has also been tough for parents and children, but once again everyone pulled in the same direction to keep us all safe and healthy. Pre-school remained its usual happy, safe and fun place to be.

Thank you to Kate Parfitt Killilea for continuing to carry out all the treasurer's duties.

Thank you to John Rixham for helping me with the detailed risk assessments that Covid 19 presented us with.

Thank you to all the other Committee members, I knew that you were there if I needed your help.

Covid 19 made lots of things difficult for a lot of people but it does feel like we have, hopefully, turned a corner now. We are getting back to a bit of normality once again, simple but important things like the Christmas Nativity, Leaver's party and our face-to-face Committee meetings can hopefully all take place again.

I look forward to a better year ahead and would like to say "thank you" once again for everybody's support, it is greatly appreciated.
