Charity name: Catastrophes Cat Rescue

Charity registration number: 1017304

Objectives and activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The prevention of cruelty to and the relief of cats who are in need of care and attention by need of their ill health or abandonment, in particular by the provision of veterinary treatment and the provision of homes.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We provide a rescue service for cats in need and work with veterinary and animal welfare professionals, as well as the general public, to provide shelter and homes where possible for cats in need. 2024 was another busy year with an increased number of emergency calls. The charity relies on public donations .Funding from International Animal Rescue ceased at the end of 2023. Total income for the year decreased by £256,943 (to £100,079), due to the ending of funding from IAR (£235k in 2023) and a generous donation from Ricky Gervais' tour in 2023, offset by increases to donations of £22k and to legacies by £8k. The charity aims to work within financial resources to provide and sustain a high level of veterinary care and welfare for the animals in our care. We continue to provide excellent veterinary care for our elderly cats to maintain a high quality of life.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In consideration of The Charities Act 2011 definition of charitable purpose; the trustees of Catastrophes Cat Rescue consider that the objectives and activities of the Charity are for the public benefit by supporting the advancement of animal welfare.

Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We continued to increase liaison with other animal welfare organisations, to support cooperation in the rescue of animals that need help. We increased our information and advice service to the public including directing people to vet professionals where appropriate. We also continued to increase our effort to facilitate the placement of cats from home to home without the need to enter our rescue centre. We provided work experience for young adults on animal welfare courses at local colleges. We continued to increase our visitor program by including elderly people accompanied by their carers or relatives. We held an open day in August and invited our Patron Peter Egan to open a new cat house which had been kindly donated by a supporter. We continued to increase our volunteer support and have successfully increased our social media awareness. However social media followers have dropped although the appeals we have done have increased due to the help of Facebook adverts paid for by a generous donor. Facebook has over 1700 followers Instagram has over 3700 followers.

Section C Notes to the accounts

Note 1 **Basis of preparation**

This section should be completed by all charities

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

• and with*	✓	the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014
• and with*	✓	the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102)

• and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.*	YES

* -Tick as appropriate

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;	*Donations from the related party International Animal Rescue ended in December 2023, however the trustees are confident that the charity is a going concern, due to lower operational spend combined with increased income from fundraising, and private funding. Private funding of £53.1k was provided by Alan Knight (partner of founder/trustee Liz Varney) in 2024 as a long-term loan, to be repaid when funds permit. Additional private funding will be provided as needed. A £50k short-term loan was received from International Animal Rescue in 2024, which has been fully repaid post year end. A generous donor has guaranteed funding of £30k per year, and the charity has been told that Ricky Gervais has included the charity in his distribution of funds for 2025. Also, a donor has agreed to provide a fundraiser for Catastrophes to increase online fundraising and to help reduce the private funding for 2025/6.*
Disclosure of any uncertainties that make the going concern assumption doubtful;	***Not applicable***
Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.	***Not applicable***

Note 2 Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	✓		
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	✓		
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓		
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	✓		
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.	✓		
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓		
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least	£500			
	They are valued at cost.		✓		
	The depreciation rates and methods used are disclosed in note 9.2.

The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.				✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments				✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.				✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.				✓
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.				✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.			✓	
Current asset investments	The charity has has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.			✓

Please provide details of the nature of the event		The funding from the charity International Animal Rescue (a related party) was reduced in Q3 2023 and ended in December 2023. As a result of this, redundancies were made and staff hours reduced in Q3, along with other cost savings. International Animal Rescue has loaned the charity £50,000 in 2024.
Provide an estimate of the financial effect of the event or a statement that such an estimate cannot be made		The trustees are confident that the reduction in funding from International Animal Rescue will be offset by the lower costs base (including reduced staff costs, and more volunteers) plus higher legacy and fundraising income. A new website and donations page have been created to help with raising funds. In addition to the £50,000 loan from International Animal Rescue in 2024, private funding will also be used if necessary.

Trustees' Annual Report for the period

From: 1st Jan 2023 Period start date to 31st Dec 2023 : Period end date

Charity name: Catastrophes Cat Rescue

Charity registration number: 1017304

Objectives and activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The prevention of cruelty to and the relief of cats who are in need of care and attention by need of their ill health or abandonment, in particular by the provision of veterinary treatment and the provision of homes.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We provide a rescue service for cats in need and work with veterinary and animal welfare professionals, as well as the general public, to provide shelter and homes where possible for cats in need. 2023 was another busy year with an increased number of emergency calls. The charity relies on public donations (and funds from International Animal Rescue, until the end of 2023) for operational funding. Total income for the year decreased by £21,716 (to £357,022), mostly due to decreased legacy income, partly offset by a generous donation from Ricky Gervais' tour. The charity aims to work within financial resources to provide and sustain a high level of veterinary care and welfare for the animals in our care. We continue to provide excellent veterinary care for our elderly cats to maintain a high quality of life.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In consideration of The Charities Act 2011 definition of charitable purpose; the trustees of Catastrophes Cat Rescue consider that the objectives and activities of the Charity are for the public benefit by supporting the advancement of animal welfare.

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;	*Although donations from the related party International Animal Rescue ended in December 2023, the trustees are confident that the charity is a going concern, due to lower operational spend (in particular a reduction to staff costs from Q3 2023 onwards) combined with increased income from fundraising. A £50,000 loan has been received from Internatioanal Animal Rescue in 2024. Private funding will also be used if necessary.*
Disclosure of any uncertainties that make the going concern assumption doubtful;	***Not applicable***
Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.	***Not applicable***

Note 2 Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	✓		
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	✓		
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓		
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	✓		
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.		✓	
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓		
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

			Yes	No	N/a
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least	£500			
	They are valued at cost.		✓		
	The depreciation rates and methods used are disclosed in note 9.2.				
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5			✓	
	They are valued at cost.				✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.			✓	
	They are valued at cost.				✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.				✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments				✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.				✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.				✓
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.				✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.		✓		
Current asset investments	The charity has has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.			✓	
	They are valued at fair value except where they qualify as basic financial instruments.				✓

Note 26 Events after the end of the reporting period

Please complete this note events (not requiring adjustment to the accounts) have occurred after the end of the reporting period but before the accounts are authorised which relate to conditions that arose after the end of the reporting period.

	This year	Last year
Please provide details of the nature of the event	The funding from the charity International Animal Rescue (a related party) was reduced in Q3 2023 and ended in December 2023. As a result of this, redundancies were made and staff hours reduced in Q3, along with other cost savings. International Animal Rescue has loaned the charity £50,000 in 2024.	The funding from the charity International Animal Rescue (a related party) will be reduced in Q3 2023 and will end in December 2023. As a result of this, a reduction to staff hours/costs is being made from Q3 2023, along with other cost savings.
Provide an estimate of the financial effect of the event or a statement that such an estimate cannot be made	The trustees are confident that the reduction in funding from International Animal Rescue will be offset by the lower costs base (including reduced staff costs, and more volunteers) plus higher legacy and fundraising income. A new website and donations page have been created to help with raising funds. In addition to the £50,000 loan from International Animal Rescue in 2024, private funding will also be used if necessary.	The trustees are confident that the reduction in funding from International Animal Rescue will be offset by the lower costs base (including reduced staff costs) plus higher fundraising income. Private funding will also be used if necessary.

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Report to the trustees/ members of	Catastrophes Cat Rescue		
On accounts for the year ended	31 December 2023	**Charity no**	1017304

Responsibilities of committee and examiner

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011.

The trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 and that an independent examination is needed.
It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act,
- To follow the procedures laid down in the general directions given by the Charities Commission (under section 145(5)(b) of the Charities Act, and
- To state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charities Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report to enable a proper understanding of the accounts to be reached.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	✓		
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	✓		
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓		
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	✓		
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	✓		
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.	✓		
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓		
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

			Yes	No	N/a
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least	£500			
	They are valued at cost.		✓		
	The depreciation rates and methods used are disclosed in note 9.2.

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF

CATASTROPHES CAT RESCUE

I report on the financial statements of the Charity for the year ended 31st December 2022.

Respective responsibilities of trustees and examiner
The charity's trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commissioners under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report
Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of the Institute of Chartered Accountants in England and Wales which is one of the listed bodies.

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement
In connection with my examination, no material matters have come to my attention which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the financial statements did not accord with the accounting records; or
- the financial statements did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts ad Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of

Charity Name
Catastrophes Cat Rescue

On accounts for the year ended	December 31, 2021	**Charity no (if any)**	1017304

Set out on pages 1 - 24
(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2021**.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of CIMA.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	✓		
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	✓		
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	✓		
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.		✓	
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest,	This is included in the accounts when receipt is probable and the amount receivable can

royalties and dividends	be measured reliably.	✓		
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes*	No*	N/a*
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.	✓		
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓		
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	✓		
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.				✓

Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	Yes*	No*	N/a* ✓

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

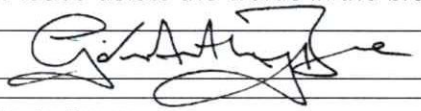

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
