Sumner Wilson Charitable Trust

Trustees' Annual Report

for the year ended 5 April 2023

Structure, governance and management

Governing document: The governing document is the Trust deed dated 7th April 1992.

Method of appointing new Trustees: New trustees may be appointed by the existing trustees.

Risk policy: The Trustees have assessed the major risks to which the Charity is exposed, in particular those relating to the investments and finances of the charity and are satisfied that there are systems in place to mitigate the exposure of the Charity to those risks.

Reporting serious incidents The Trustees can confirm that there have been no 'serious incidents' to report in the year to 5 April 2023, as defined by the Charity Commission in their Guidance for Trustees issued in June 2010.

Objectives and activities

Objectives: The assets are held on trust for charitable foundations or charitable purposes generally, at the Trustees' discretion.

Grant making policy: The Trustees continue to consider causes falling within the Trust criteria and to favour causes supported by the Trustees over recent years.

Public benefit: In setting out objectives and planning activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Achievements and performance

Review of activities Grants totaling £329,661.00 (2022: £142,601) were made during the year. The Trustees continue to make grants to many of the causes which have been supported in earlier years and other causes in line with the Trustees' objectives. The difference in grants can be explained by the fact that the current year figure includes any commitments for the 2023/24, 2024/25 and 2026/27 periods.

Financial review: Total income was £125,622.04 (2022: £125,288) with expenditure amounting to £366,289.00 (2022: £192,778). Net assets at the end of the year were £6,262,348.43 (2022: £6,991,571).

Reserves: It has been the Trustees' general policy to apply the available income towards charitable causes although they are prepared to make payments from capital where they consider it justified. The Trustees have ongoing grant commitments of £199,000.00 (2022: £43,000), but have not set aside a special reserve for these. The Trustees aim to ensure that the Trust has sufficient funds to meet its objectives in future years.

Investment policy: The Trustees expect investments in the portfolio normally to comprise the leading UK and international companies, unit and investment trusts including those investing in major international markets and fixed interest securities, with a view to achieving a reasonable overall return.

Sumner Wilson Charitable Trust

Trustees' Annual Report

for the year ended 5 April 2023

The Trustees expect a balance between capital growth and income to further the charitable work they undertake.

The investment portfolio continues to be managed on a discretionary basis and the Trustees continue to keep the performance under review.

Plans for future periods: The Trustees intend to continue to support those causes favoured over recent years. However, the Trustees have decided not to make any grants or donations to unsolicited applications in the foreseeable future.

Statement of the Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Statement of Recommended Accounting Practice: Accounting and Reporting by Charities (SORP 2019) UK Accounting Standards, the Charities Act 2011 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the Trust Deed, the Charities Act 2011 and the Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in October 2019.

**Independent examiner's report to the
Trustees of the Sumner Wilson Charitable Trust**

I report on the accounts of the charity for the year ended 5 April 2023, which are set out on pages 1 to 13.

Responsibilities and basis of report

As the charity's Trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts

for the year ended 5 April 2023

1. Accounting policies

a) Basis of preparation

The Charity constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in October 2019, the Charities Act 2011, and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have therefore necessarily departed from the extant Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Statement of Recommended Practice: Accounting and Reporting by Charities effective from 1 April 2005, which has since been withdrawn.

b) Going Concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. There are no material uncertainties affecting the current year's accounts.

In future years, the key risks to the charity are fluctuation in the value of their investment and a fall in investment income, but the Trustees have arrangements in place to mitigate those risks by delegating the management of the portfolio to professional managers and regularly review their performance.

c) Funds Structure

The Trustees maintain an unrestricted general fund which may be applied at the discretion of the trustees for achieving the objects of the charity as set out in the deed. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the Trust's work.

d) Income recognition

All income is recognised once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

Dividend income and interest from investment managers is received gross and shown gross.

e) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis.

The Trustees do not employ fundraisers and therefore the only cost of generating funds are the fees payable to the fund managers for the management and holding of the investments which produce the bulk of the charity's income.

No remuneration has been paid to the Trustees during the year.

The costs of raising funds consist of investment management costs.

f) Charitable activities

Costs of charitable activities include grants made, governance costs and administration cost in the pursuit of the charitable objects of the charity.

Sumner Wilson Charitable Trust

Notes to the accounts

for the year ended 5 April 2023

g) Grants payable

Grants payable are charged in the statement for financial activities in the year in which the grant is authorised by the Trustees.

h) Cash at bank

Cash at bank is held to meet the day to day running costs of the charity as they fall due.

i) Creditors

Creditors are amounts owed by the charity. They are measured at the amount that the charity expects to have to pay to settle the debt.

j) Fixed asset investments

Quoted investments are stated at market value. Realised and unrealised gains and losses on quoted investments are shown separately in note 6 below. Unquoted investments are included at the lower of cost or market value. Losses (realised or unrealised) together with realised gains on unquoted investments are shown in note 6 below.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

k) Realised gains and losses

Realised gains/(losses) represent the profit/(loss) by comparing the net proceeds of sale of investment compared with the market value of that investment as at 5 April 2022 or subsequent cost.

Unrealised gains/(losses) represent the difference in market value at 5 April 2023 as compared with the market value at 5 April 2022 or subsequent cost.

2. Related party transactions and trustees' expenses and remuneration

The charity's Trustees give their time freely and receive no remuneration for the work that they undertake as trustees. However, they can claim expenses to reimburse them for costs that they incur in fulfilling their duties. During the year the Trustees' remuneration was £nil and £nil expenses were reimbursed (2022: £nil and £nil).

3. Investment income

Investment management charges	<u>22,606.55</u>	<u>23,891</u>

The investment management costs are all attributable to the general fund.

The Trustees of the Sumner Wilson Charitable Trust are promoting a book produced by Samantha Weinberg. The book is for educational purposes to assist businesses and entrepreneurs in dealing with the problems of business in all aspects.

It will be principally marketed by St James's Place plc and all proceeds of sale will be donated to the St James's Place Foundation. The sale proceeds were £nil (2022: £601.20).

Total investments		

All investments are carried at their fair value. The basis of fair value for quoted investments is equivalent to the market value, using the bid price. Asset sales and purchases are recognised at the date of trade at cost (that is their transaction value).

The main risk to the Trust from financial instruments lies in the combination of uncertain investment markets and volatility in yield. The charity manages these investment risks by retaining expert advisors.
