I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/08/2022**

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

Sudbrooke Pre School is a registered Pre School providing early years education in line with Ofsted requirements to children aged 2.5 years old until school age for the community of Sudbrooke and surrounding area. We have been operating since 1987, initially as a playgroup latterly as a Pre School, the setting is at Sudbrooke Village Hall.

The Pre School Management Committee have referred to the charity commissions guidance on public benefit in the development and education of children.

At Sudbrooke Pre School our aim is for all children attending to experience a stimulating, enjoyable and rewarding time with us. We adhere to the requirements of the Early Years Foundation Stage through an educational programme of experiences and activities, which considers the individual needs, interests and stage of development of each child in our care. Practitioners working with the youngest children will focus on the three prime areas:

1. Personal, social and emotional development
2. Communication and language
3. Physical development

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

These are the basis for successful learning in the other four specific areas:

1. Literacy
2. Mathematics
3. Understanding the world
4. Expressive arts and design

The three prime areas reflect the key skills and capacities all children need to develop and learn effectively. It is expected the balance will shift towards a more equal focus on all areas of learning as the children grow in confidence and ability within the three prime areas.

This will benefit the young members of the Pre School as they will gain the necessary experiences, relationships and learning for a smooth transition into school.

We also provide family friendly employment to members of the local community.

Additional details of objectives and activities (Optional information)

Sudbrooke Pre School relies on volunteers to form the management committee, historically our members are mothers of pre school aged children. Due to this, the committee turnover is relatively high as the children are only at the pre school for two academic years or so. Our volunteers can only commit small amounts of time to the pre school with balancing work and home life therefore it can be tricky with committee consistency. The committee members and pre school managers are committed to ensuring the new committee have the necessary information to run the pre school effectively.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The preschool has a dedicated staff team and a reliable committee. We are a highly valued service within the community and we are the main feeder the Ellison Boulter which is the school most children go on to attend.

We started the academic school year with 13 children registered to attend.

Due to the corona virus pandemic, we were unable to hold our usual fundraising activities.

In the spring term we held an Easter Bunny Hunt which saw children and families from the surrounding area follow a map around the village to find the Easter Bunny. This was a great fundraiser which raised £600 for the preschool.

When we reopened after the summer holidays in September 2020, we were back to our normal opening hours of 4 morning sessions and 3 afternoon sessions. We also opened until 1.15 on a Thurs.

We had 4 members of staff upon reopening.

We continue to use the online learning journal to share information with parents regarding their children's development.

We also encourage parents to share information of any achievements etc. Within the learning journals, we have a section called 'all about me'. We encourage parents to fill this in when their child first starts so we can gain a good picture of their child before they start.

A small profit of £1287.95 was made this academic year which was good considering we didn't have many fundraising opportunities and our rent for the village hall was more than the previous year.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Pre school doesn't have a reserve policy it aims to maintain a reserve between £18-20K which would enable us to cover our operational costs for 6 months in the event of reduced numbers, this also allows us to have funds available when we need to purchase additional resources.

The account balance as of 1st September 2020 was £22,830 which leaves us comfortably within the reserve target amount. As a committee we decided to move £250 per month from the current account to the savings account if possible - this enables us to maintain the reserve amount which can also be used for purchases of larger items of equipment, if necessary, from time to time. At the start of the September term, the account balance is often low after no income from fees during August. Therefore, the savings are sometimes used at this time of year to contribute towards the Autumn Term rent if necessary.

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Sudbrooke Pre School's main source of income is through the Early Years Funding, our fees are set at £12 per session plus £4 extra for lunch time.

The opportunities for fundraising activities this academic year were limited by the pandemic, which has had an overall negative effect on funds. It is anticipated that these fundraising activities will be able to resume in the coming year and will provide financial boost for the charity.

Sudbrooke Pre-School Group

Independent Examiner's report on the accounts for Sudbrooke Pre-School Group

We have been instructed to carry out an Independent Examination of the Accounts for the year ended 31st August 2021, which are set out on pages 1 to 4.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees do not consider that an audit is required for this year and that an independent examination is required.

It is our responsibility to state whether any particular matters have come to our attention.

Basis of Independent Examiner's Report

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters.

Independent Examiner's Statement

Our work has only been undertaken to enable us to verify the financial statements on your behalf and for no other purpose.

We have not been instructed to carry out an audit of these financial statements. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	Charitable incorporated organisation
Trustee selection methods (eg. appointed by, elected by)	<p>Our Pre School is run by an elected management committee, consisting of parents/ carers or members of the community who volunteer their time and services to the group.</p> <p>The committee members are elected at our Annual General Meeting held in July each year, this is also when retiring members leave the committee.</p> <p>If between the AGM's we have a resignation or the committee believes further members are required we invite expression of interest and then any interested parties are discussed and voted for (if appropriate) at the next available committee meeting.</p> <p>Parents wishing to join the committee between AGM's may approach the Chair, Manager or any other committee member to express their interest in becoming a member.</p>

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Sudbrooke Pre School is a registered Pre School providing early years education in line with Ofsted requirements to children aged 2.5 years old until school age for the community of Sudbrooke and surrounding area. We have been operating since 1987, initially as a playgroup latterly as a Pre School, the setting is at Sudbrooke Village Hall.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Pre School Management Committee have referred to the charity commissions guidance on public benefit in the development and education of children.

At Sudbrooke Pre School our aim is for all children attending to experience a stimulating, enjoyable and rewarding time with us. We adhere to the requirements of the Early Years Foundation Stage through an educational programme of experiences and activities, which considers the individual needs, interests and stage of development of each child in our care. Practitioners working with the youngest children will focus on the three prime areas:

1. Personal, social and emotional development
2. Communication and language
3. Physical development

These are the basis for successful learning in the other four specific areas:

1. Literacy
2. Mathematics
3. Understanding the world
4. Expressive arts and design

The three prime areas reflect the key skills and capacities all children need to develop and learn effectively. It is expected the balance will shift towards a more equal focus on all areas of learning as the children grow in confidence and ability within the three prime areas.

This will benefit the young members of the Pre School as they will gain the necessary experiences, relationships and learning for a smooth transition into school.

We also provide family friendly employment to members of the local community.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Sudbrooke Pre School relies on volunteers to form the management committee, historically our members are mothers of pre school aged children. Due to this the committee turnover is relatively high as the children are only at the pre school for two academic years or so. Our volunteers can only commit small amounts of time to the pre school with balancing work and home life therefore it can be tricky with committee consistency. The committee members and pre school managers are committed to ensuring the new committee have the necessary information to run the pre school effectively.

Achievements and performance

Summary of the main achievements of the charity during the year

The year started well with two new part-time members of staff to fill a full time post vacated at the end of the summer term. We started the term with 22 children registered to attend. Fundraising activities held during the Autumn term were a family Halloween party, which raised £339 And the Nativity play at Christmas which raised a further £96 We also had a visit from the photographer.

Spring term was disrupted by the Coronavirus pandemic, necessitating the closure of preschool at the end of March as insufficient numbers of children were attending to keep the preschool viable. The six members of staff were furloughed until the preschool re-opened on June 22nd. During this time, all fundraising activities were cancelled.

On reopening, 3 members of staff returned and 3 remained on furlough. This entailed the writing of new policies and procedures, cleaning routines and new ways of operating to ensure social distancing and cleanliness. Initially six children returned, rising to 10 by the end of the summer term. During this time, we operated on reduced hours which were two sessions on Mondays and Tuesdays (9.00-12.00 and 12.00- 15.00). All the children coped well with new routines imposed by the pandemic. Unfortunately, they were unable to have their usual transition days to their ongoing schools but staff liaised with the schools to ensure all information was passed on. Again, we were unable to host our Sports day fundraiser at the end of term, however we did receive a grant from the local authority during May to help with resources needed to cope with Covid.

A small loss of approximately £2000 was made this academic year which was largely due to the results of the pandemic, limited fundraising and closures / reduced hours for part of the year. Despite the foregoing, the overall loss was far less than the previous year. Although fees were down on the previous year, the Preschool received increased grant contributions which had a positive impact and less was spent on toys, equipment and rent.

Section E Financial review

Brief statement of the charity's policy on reserves

The Pre school doesn't have a reserve policy it aims to maintain a reserve between £18-20K which would enable us to cover our operational costs for 6 months in the event of reduced numbers, this also allows us to have funds available when we need to purchase additional resources.

The account balance as on 1st September 2020 is £22,830 which leaves us comfortably within the reserve target amount. As a committee we decided to move £250 per month from the current account to the savings account if possible - this enables us to maintain the reserve amount which can also be used for purchases of larger items of equipment if necessary from time to time. At the start of the September term, the account balance is often low after no income from fees during August. Therefore the savings are sometimes used at this time of year to contribute towards the Autumn Term rent if necessary.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Sudbrooke Pre School's main source of income is through the Early Years Funding, our fees are set at £12 per session plus £4 extra for lunch time.

The opportunities for fundraising activities this academic year were limited by the pandemic, which has had an overall negative effect on funds. It is anticipated that these fundraising activities will be able to resume in the coming year and will provide financial boost for the charity.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2020.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
