The Friends of Christchurch School

Registered Charity No. 1020144

Trustees Annual Report for the year ended 31 August 2025

The Friends of Christ Church had a very successful year raising a total of £50,347 from various sources compared with £31,559 the previous year. The current year total was higher than the previous year ~~as there were some very generous matched funding donations from individuals or through donors' employers' schemes made in February and March. The~~ increase was largely due to two highly successful crowdfunding campaigns conducted during the Spring and Summer terms. Regular sources of income included donations from parents and benefactors, sponsorship of Friends' events by local businesses, proceeds from events in cash, from Sum-up card readers and via the People's Fundraising online platform.

Events held throughout the year included ~~a two~~ bake sales ~~early in the Autumn Term~~, a book sale, ~~bonfire night~~, a movie night, a seven presents sale, the Winter and Summer Fairs, and the Christmas hampers.

Spring term events included a school disco, 'readathon', book sale and an international food fair ~~and Easter event~~. In the summer term, a major fair was held with various attractions for the children, a tombola, a barbecue and a wide range of refreshments on offer in a variety of stalls set up and run by many enthusiastic volunteers from among the school parent body.

Crowdfunding campaigns were organised to raise money for IT equipment renewal and a school anniversary art project. These contributed £17k to the total revenue for the year.

The Society's Gold CAF Account paid £1,100 in interest income.

During the year, grants were made totalling £64,930 to Christ Church Primary School, Hampstead, the Society's main beneficiary. This was over twice the normal level of annual funding, the prior year's grants having amounted to £25,595. The reason for the increase was that a surplus of funds had accumulated above the base level of buffer funds, considered to be about a year's funding. Following discussions with the School, the surplus was applied to a capital investment project to upgrade the school's stock of lap-top computers used as aids to learning. Regular annual funds are applied by the School to support extra-curricular activities such as; music and drama, art, various sports and cultural trips for the benefit of the children's wider education. Funds are also applied to the purchase of musical instruments and sports equipment for the School.

The opening balance on the Society's bank accounts was £42,807 and the year-end closing Balance was £25,317. There were no accrued expenses at the year end and cash at bank comprised the entirety of the Society's assets.

Given the experience of Covid and the risk of events such as bad weather, which might reduce income from events, as noted above it is the Society's policy to carry forward sufficient cash to fund one year's typical level of grants for the school.

Independent examiner's report to the Trustees of The Friends of Christ Church School

I report to the trustees on my examination of the accounts of The Friends of Christ Church School (the 'Trust') for the year ended 31 August 2025.

Responsibilities and basis of report

As the charity trustees of the trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 'Act'). I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust in accordance with section 130 of the Act, or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Friends of Christchurch School

Registered Charity No. 1020144

Trustees Annual Report for the year ended 31 August 2024

The Friends of Christ Church had a very successful year raising a total of £31,559 from various sources compared with £49,966 the previous year. The prior year total was exceptional as there were some very generous matched funding donations from individuals or through donors' employers' schemes. Sources of income included donations from parents and benefactors, sponsorship of Friends' events by local businesses, proceeds from events in cash, from Sum-up card readers and via the People's fundraising online platform.

Events throughout the year included a bake sale early in the Autumn Term, a book sale, seven presents sale, Winter Fair and Christmas hampers.

Spring term events included a school disco and Easter event. In the Summer term, a major fair with was held with various attractions for the children; tombola, barbeque and a wide range of refreshments on offer.

The Society's Gold CAF Account paid £993 in interest.

During the year, the Society made grants totalling £25,595 to Christ Church Primary School, Hampstead, the Society's main beneficiary. These funds are applied by the School to support extra-curricular activities such as music and art, drama, sports and cultural trips for the benefit of the children's wider education. Funds are also applied to the purchase of aids to learning such as computer tablets and to acquire musical instruments.

The opening balance on the Society's bank account was £41,939 and the year-end closing Balance was £42,807. There were no accrued expenses at the year end and cash at bank comprised the entirety of the Societies assets.

Given the recent experience of Covid, which resulted in a lower level of fundraising activity, it is the Society's policy to carry forward sufficient cash to fund one year's typical level of grants for the school.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Friends of Christ Church had a very successful year raising a total of £49,966 from various sources compared with £37,484 the previous year. Sources of income included donations from parents and benefactors, sponsorship of Friends' events by local businesses, proceeds from events in cash, from Sum-up card readers and via the People's fundraising online platform. Events throughout the year included a bake sale early in the Autumn Term, a book sale, seven presents sale, Winter Fair and Christmas hampers. Spring term events included a school disco and Easter event. In Summer, there was a major fair with various attractions for the children, tombola, barbeque and a wide range of refreshments on offer. Other sources of income were some generous one-off donations and parents making donations to match funding raised by events or through their employers' schemes. The Society's Gold CAF Account paid £351 in interest. During the year, the Society made grants totalling £28,255 to Christ Church Primary School, Hampstead, the Society's main beneficiary. These funds are applied by the School to support extra-curricular activities such as music and art, drama, sports and cultural trips for the benefit of the children's wider education or the purchase of aids to learning such as computer tablets and musical instruments.
