## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

- To provide a protective, happy, caring and stimulating environment for young children to gain essential early skills, thereby affording peace of mind to parent/carers when entrusting us with their child's care.
- Enhance the development and education of children under statutory school age by encouraging parents to understand and provide for the needs of their children.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The main activities undertaken by the pre-school are:

- Provide accommodation and equipment.
- Raise money to pay for pre-school activities.
- Make such payments as shall be necessary.
- Fix and collect the fees payable in respect of children attending sessions run by the pre-school.
- Subject to adherence with all applicable legislation, to control the admission of children to the sessions run by the pre-school and if appropriate, require parents or guardians to withdraw them.
- Insure the property and assets of the pre-school against any foreseeable risk and to take out other insurance policies to protect the pre-school as required.
- Provide indemnity insurance to cover the liability of the committee members which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default, breach of trust or breach of duty of which they may be guilty in relation to the pre-school. Ensure that any such insurance shall not extend to any claim arising from any act or omission which the committee members knew to be a breach of trust or duty or which was committed by the committee members in reckless disregard to whether it was a breach of trust or duty or not. Also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the committee members in their capacity as committee members of the pre-school.
- Employ paid and unpaid staff, agents and advisors as maybe required from time to time.
- To do any other lawful things which are necessary or desirable to enable the pre-school to achieve its aims.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Membership of the pre-school committee is voluntary and is divided into two kinds:

**(a) Family Membership**

- Parents or guardians of all children who attend any group run by the pre-school wishing to support the aims of the pre-school.
- Each family holding Family Membership will count as one member of the pre-school and will be entitled to one vote at any general meetings of members of the pre-school.

**(b) Affiliated Membership**

- Affiliated Membership is open to those individuals, organisations or other bodies interested in supporting the aims of the pre-school, but who may not have a child attending the pre-school.
- An Affiliated Member will be entitled to one vote at any meetings of the pre-school.

**Summary of the main achievements of the charity during the year**

-  The pre-school continues to keep the number of children at suitable levels to ensure the continuing employment of staff.
-  New play equipment has been purchased and we replace equipment and toys that are more popular as and when required.
-  The committee membership has declined in membership with turnover of members as children join and leave the pre-school. We continue to advertise for and encourage new committee members to join, but volunteers are often difficult to come by.
-  Key roles in the committee have been stable for several years.
-  Provided one-to-one care for specific children, funded by government.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

- Ladybirds is run so as to keep an available cash balance in reserve, at a level sufficient to meet our statutory obligations under employment law, should we be unable to continue operating.

### Details of any funds materially in deficit

None.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

- Ladybird's principal source of income is from Government funding of the pre-school places for children. This is available for all after their third birthday, though Ladybirds is also an approved setting for younger children who are entitled to receive funding.
- Additional income is derived from private fees charged for children before they are entitled to the government funding, and for sessions not covered by the funding for older children. We do our best to supplement this income with fundraising as far as possible.
- All Ladybirds expenditure is for the benefit of the children - employing caring competent staff, and providing stimulating and fun activities and play equipment, in a safe supportive environment.

## Section F

## Other optional information

During the financial year to August 2023, child numbers have remained at or near capacity, keeping staff costs high, but also generating good levels of income. Overall Ladybirds are showing a financial surplus position for this year, though as this is calculated on a receipts and payments basis, the increase is predominantly due to timing differences on certain expenses. Any surplus funds will be re-invested into equipment and improvements in the setting.
