Gypsies and Travellers Wales Limited

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2021.

Structure, governance and management

Nature of governing document

The charity is a company limited by guarantee and registered charity. It is operated under the rules of its memorandum and articles of association dated 29th March 1993. It has no share capital and the liability of each member in the event of winding-up is limited to £1.

Recruitment and appointment of trustees

Adverts are placed in relevant journals. Trustees are invited to join and observe two Executive committee meetings and then a decision to appoint is made by existing Trustees.

Objectives and activities

Objects and aims

We aim to support and enable Gypsies and Travellers to achieve a high and sustainable quality of life, within their own culture, through improving access to suitable accommodation, public services and employment skills.

Objectives, strategies and activities

Gypsies and Travellers Wales meets its aims by the provision of an extensive information, advice and liaison service to the Gypsy and Traveller communities in Cardiff, to the Local Authority and all relevant agencies and professionals. Delivery of these services is through drop-in advice sessions and a telephone helpline for Gypsies and Travellers, and through employment skills training.

Main areas of work are liaison on issues of development, management and maintenance of traveller sites; homelessness; welfare benefits, reviews and appeals; education, health, social and housing services; and racial discrimination.

Public benefit

Our services provide advice, advocacy and information to Gypsies and Travellers as a community recognised as an ethnic group and with high levels of poverty, homelessness, poor literacy and high unemployment. Our services enable Gypsies and Travellers to overcome these difficulties while building self-confidence and independence.

Our services also enable Local Authorities and public services, and therefore the public generally, to deliver services more effectively to Gypsies and Travellers and aids the Local Authority in meeting its socio-economic duty.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Gypsies and Travellers Wales Limited

Trustees' Report

Achievements and performance

In the year we were able to provide support to more than 180 individuals and families, helping them with a wide range of issues including, homelessness, housing, welfare benefits, family issues, debt, domestic violence, education, health and employment support.

The Covid-19 pandemic presented many challenges for our clients and the way we work. In March 2020 we quickly adapted the way we worked to ensure the continuity of our service and to meet short-term immediate need for food parcels. We acquired funding to provide emergency food parcels to families who were unable to go shopping.

The community we support have been able to access support throughout the pandemic despite us being unable to deliver our normal drop in advice service and instead initial support has been provided by a Monday - Friday telephone advice. As a result of the nationwide lockdowns staff adjusted quickly to working in remote settings whilst still providing in-person support where absolutely necessary in a safe and considered way.

As a result of the changes we have made significant reductions in our environmental impact with large reductions in mileage and printing costs. Clients have increased their use of digital tools to engage with us and meetings with other organisations and the trustees have taken place online. The organisation is now looking at ways to can incorporate these practices into our long-term work plans in an effort to improve efficiency, digital skills in the community and reduce our environmental footprint.

Financial review

We have obtained funding from a number of additional sources to widen our services. At the end of the year we have made a surplus.

Policy on reserves

The Trustees policy is to hold sufficient reserves to maintain 6-months operation in the event of loss of grant funding income. Currently we do not have this level of reserves but we are slowly building toward it.

Statement of Trustees' Responsibilities

The trustees (who are also the directors of Gypsies and Travellers Wales Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

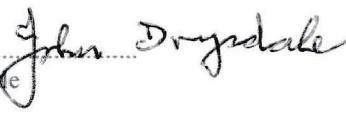

Gypsies and Travellers Wales Limited

Trustees' Report

Statement of Trustees' Responsibilities

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the trustees of the charity on 24/11/2021 and signed on its behalf by:

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Gypsies and Travellers Wales Limited

Independent Examiner's Report to the trustees of Gypsies and Travellers Wales Limited

Independent examiner's report to the trustees of Gypsies and Travellers Wales Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Gypsies and Travellers Wales Limited

Notes to the Financial Statements for the Year Ended 31 March 2021

1 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Gypsies and Travellers Wales Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Exemption from preparing a cash flow statement

The charity opted to adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Gypsies and Travellers Wales Limited

Notes to the Financial Statements for the Year Ended 31 March 2021

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
General Equipment	25% Reducing Balance

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Gypsies and Travellers Wales Limited

Notes to the Financial Statements for the Year Ended 31 March 2021

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted income funds are those grants for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Pensions and other post retirement obligations

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. Pension costs charges in the Statement of Financial Activities represent the contributions payable by the company during the year.
