Trustees' annual report

The Board of Trustees submit their annual report and the financial statements of North London Revival Bookshop for the period ended 31 August 2025. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, including the Charity Act 2011, as well as the requirements of the Charity's governing document and the provisions of the 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Objects

The objects of the Charity are set out in the Charity's trust deed and are to advance the Christian religion particularly by the publication of books, pamphlets and leaflets. The objects also include the ability to establish, assist and support charitable organisations and activities for the promotion of Christian missionary education and evangelical work.

Activities

North London Revival Bookshop was set up for the furtherance of the Bible-directed gospel through the sale of Bibles, gifts and Christian literature.

We promote Christian values and teachings through regular meetings at the hall; monthly street outreaches where we establish links with the local community; dinner evenings and concerts which we make freely available to members of the public; planned outings, walks and cultural events to promote fellowship and a sense of social commitment and responsibility.

Clear Bible teaching is a foundation of the Charity combined with a practical application of these teachings in the lives of members of the fellowship and their families. We use our resources, both financial and practical, to introduce these opportunities to people in the surrounding community. Commitment to the Charity is voluntary, and service is seen as a 'free will offering'.

The Charity will sometimes, however, cover the expenses of members where those expenses are directly related to the work of the Charity.

The Charity also helps run large scale conventions and 'camps' which are nationally organised and coordinated with other affiliated fellowships that fall under the umbrella organisation of Revival Fellowship International.

All activities are carried out in line with the doctrinal basis of the organisation which states that as a community the attendees believe:

- Jesus Christ is the Son of God.

- The Bible is the true and inspired Word of God.
- In Jesus' miraculous birth, his life, his death and resurrection.
- In the need to repent, be baptised and receive the Holy Spirit.
- We are baptised into the body of Christ (the Church) through the Holy Spirit, with the Bible evidence of speaking in tongues.
- In the miraculous gifts of the Holy Spirit in the Church.
- In prayer for the sick and healing by the power of God.
- The historical fulfilment of prophecy confirms God's plan and purpose for the Church, nations and individuals.
- The soon return of Jesus Christ.

A more complete version of this doctrinal basis of belief is found within the Declaration of Trust dated 28 March 1993.

Throughout the process of determining these activities, the Trustees confirm that they have complied with their duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the Charity.

Achievements and performance for 2024-2025

Pastor Martin Gladdish and Pastor Jeremy Archer lead our fellowship, continuing to support the congregation and promote our core objective of preaching the gospel of Jesus Christ. We are well established in Wealdstone, where we meet at our leased hall several times weekly. The hall is the hub of our fellowship, including outreaching and the weekly distribution of leaflets. Our members work as a team to promote spiritual growth, well-being and learning within a fellowship setting. We welcome visitors from far and wide to attend our meetings, which are Bible based and aimed at developing our understanding and trust in Jesus Christ. We provide a range of activities such as dinners, concerts, presentations and quiz nights, which are open to all. Our bookshop is well stocked and the bibles and merchandise we supply are also sold at our camps to national and international attendees.

We are committed to the Bible directive to assist those in need in both spiritual and practical ways. As an example, we were able to help support the visit of one of our pastors from Kenya and pass on much needed items to take back with him. A series of talks and presentations promoted our understanding of the needs of our brethren in our fellowships throughout Africa.

All maintenance to the hall is completed, as well as any repairs required.

Plans for the future

Going forward, we will oversee two camps per year and support our own and other UK fellowships to run these as efficiently as possible to keep these valuable activities financially viable for our families. We will continue to develop our programme of youth centred events, which bring young (and not so young) people together from across the UK and Europe. We will continue to maintain our hall and keep the door open to all in the community.

Financial Review

During the current financial period, the Charity achieved a surplus of £21,269 (year ended 31 March 2024: deficit of £3,963), increasing total reserves at period end to £199,069 (year ended 31 March 2024: £177,800).

All reserves held at period end £199,069 were unrestricted in nature (year ended 31 March 2024: £177,800).

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one year of rent and ongoing expenses. This is estimated to be £30,000. This should exclude expenditure on camps, conferences and other retreats as these events aim to be generally self-funded. It will also ensure that support and governance costs are covered.

The balance held as unrestricted funds at 31 August 2025 was £199,069 all of which is regarded as free reserves. The current level of reserves is therefore higher than is needed. The trustees expect to reduce this over the next few years.

Structure, Governance and Management

Governing document

A Declaration of Trust was completed on 28 March 1993 and updated on 18 February 1997 to take account of the changes in accounting and scrutiny requirements for charities, enabling the Charity to have an independent examination as opposed to a full statutory audit.

Recruitment and appointment of Trustees

Trustees are elected onto the Board through nomination by the current Trustee Board. New Trustees are provided with an induction by the current members.

Under the Declaration of Trust, the number of Trustees shall not be less than three nor more than ten. A quorum is formed when one half of the Trustees are present or three, whichever is the greater number. All decisions are made by the Trustees.

Use of volunteers

All activities and roles within the Charity are filled by volunteers and there are no paid members although, as mentioned above some expenses are occasionally covered.

Principal risks and how they are managed

The principal risks as identified by the Trustees are:

- *High impact event such as a fire or accident happens on site*
A fire drill is carried out regularly and there are appointed fire wardens and first aiders on site. Fire extinguishers are regularly checked, replaced and certified; and,
- *A break-in occurs causing financial loss to the Charity*

There is a full intruder alarm and CCTV fitted and monitored 24/7 on the premises. During meetings there are people 'on the door' at all times to ensure a limited amount of security and awareness of the members and any property on site.

Statement of Board of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year. Under that law they are required to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue its activities.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website.

Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions. In addition, the Trustees confirm that they are happy that the content of the annual review in pages 3-5 of this document as well as the legal and administrative information on page 2, meet the requirements of the Trustees' Annual Report under charity law.

They also confirm that the financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities:

Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

This report was approved and authorised for issue by the Board of Trustees on 29 June 2026 and signed on its behalf by:

Martin Gladdish

Trustee

Independent examiner's report to the Board of Trustees of North London Revival Bookshop

I report to the Trustees on my examination of the accounts of North London Revival Bookshop (Charity number 1020984) for the period ended 31 August 2025 set out on pages 7 to 15.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Charities Act). The Charity's Trustees consider that an audit is not required for this period under section 144 of the Charities Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and,
- to state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the Charity's Trustees as a body. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustee

Notes to the financial statements

1. Accounting policies

Basis of preparation of the financial statements

The financial statements have been prepared in accordance with 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The effect of any event relating to the period ended 31 August 2025, which occurred before the date of approval of the financial statements by the Board of Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 August 2025 and the results for the period ended on that date.

The functional currency of the Charity is sterling.

The amounts in the financial statements are rounded to the nearest pound.

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

Going concern

The financial statements have been prepared on the going concern basis as the Board of Trustees is confident that future reserves and future income is more than sufficient to meet current commitments. There are no material uncertainties that impact this assessment and the ongoing global economic uncertainty has no material impact on this assessment.

Legal status

North London Revival Bookshop is a charitable trust registered in England and Wales and meets the definition of a public benefit entity. In the event of the Charity being wound up, the Trustees of the Charity hold no liability. The registered address is 73 Drummond Drive, Stanmore, HA7 3PH.

Change in accounting period

During the current financial period the Trustees agreed to amend the accounting year end date from 31 March to 31 August, via a resolution on 27 January 2026, and to apply this to the period that commenced on 1 April 2024. This decision was made to ensure that the financial statements fitted more closely with the annual cycle of activities for the charity which tend to follow the academic year September to August.

As a result, the current period is seventeen months long compared to the prior year figures which represent a twelve-month period, resulting in some limitations with the comparative analysis.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds that are to be used in accordance with specific restrictions imposed by donors or that have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund, where applicable, is set out in note 7 of the financial statements – there are currently no restricted funds within the Charity.

Income

Income is recognised when the Charity has entitlement to the funds, any performance indicators attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised in full in the Statement of Financial Activities when entitled, receipt is probable and when the amount can be quantified with reasonable accuracy. Gift aid receivable is included when claimable. Income from individuals relating to camps and similar activities are treated as donations as the Trustees allow discretion on the amount received dependent on the financial ability of the individuals attending.

Income from charitable activities is credited to the Statement of Financial Activities when received or receivable whichever is earlier, unless it relates to a specific future period or event, in which case it is deferred.

Expenditure and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities.

Indirect costs, including governance costs, which cannot be directly attributed to activities, are allocated directly to charitable activities as any fundraising costs are immaterial. A breakdown of these expenses is outlined in note 4 of the financial statements.

Irrecoverable VAT is charged against the category of expenditure for which it was incurred.

Tangible fixed assets and depreciation

Fixed assets related to the freehold land (excluding investments) are stated at cost and capitalised when the cost exceeds £500. Smaller items of equipment are written off to the Statement of Financial Activities in the year of purchase.

Depreciation is provided for at a rate to ensure the items are written down over their useful economic life as follows:

Leasehold improvements	Life of lease
------------------------	---------------

Cash at bank and in hand

Cash at bank and in hand includes cash in hand, deposits with banks and funds that are readily convertible into cash at, or close to, their carrying values, but are not held for investment purposes.

Debtors and prepayments

Trade and other debtors are recognised at the settlement amount after any trade discount is applied. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and accruals

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount due to settle the obligation can be measured or estimated reliably.

Financial instruments

Basic financial instruments are measured at amortised cost other than investments which are measured at fair value.

Critical estimates and judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The treatment of tangible fixed assets is sensitive to changes in useful economic lives and residual values of assets. These are reassessed annually.

In the view of the Trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

Short term investments

Short term investments includes funds that are held on short term deposit for investment purposes.

Trustees' annual report

The Board of Trustees submit their annual report and the financial statements of North London Revival Bookshop for the year ended 31 March 2024. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, including the Charity Act 2011, as well as the requirements of the Charity's governing document and the provisions of the 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Objects

The objects of the Charity are set out in the Charity's trust deed and are to advance the Christian religion particularly by the publication of books, pamphlets and leaflets. The objects also include the ability to establish, assist and support charitable organisations and activities for the promotion of Christian missionary education and evangelical work.

Activities

North London Revival Bookshop was set up for the furtherance of the Bible-directed gospel through the sale of Bibles, gifts and Christian literature.

We promote Christian values and teachings through regular meetings at the hall; monthly street outreaches where we establish links with the local community; dinner evenings and concerts which we make freely available to members of the public; planned outings, walks and cultural events to promote fellowship and a sense of social commitment and responsibility.

Clear Bible teaching is a foundation of the Charity combined with a practical application of these teachings in the lives of members of the fellowship and their families. We use our resources, both financial and practical, to introduce these opportunities to people in the surrounding community. Commitment to the Charity is voluntary, and service is seen as a 'free will offering'.

The Charity will sometimes, however, cover the expenses of members where those expenses are directly related to the work of the Charity.

The Charity also helps run large scale conventions and 'camps' which are nationally organised and coordinated with other affiliated fellowships that fall under the umbrella organisation of Revival Fellowship International.

All activities are carried out in line with the doctrinal basis of the organisation which states that as a community the attendees believe:

- Jesus Christ is the Son of God.

- The Bible is the true and inspired Word of God.
- In Jesus' miraculous birth, his life, his death and resurrection.
- In the need to repent, be baptised and receive the Holy Spirit.
- We are baptised into the body of Christ (the Church) through the Holy Spirit, with the Bible evidence of speaking in tongues.
- In the miraculous gifts of the Holy Spirit in the Church.
- In prayer for the sick and healing by the power of God.
- The historical fulfilment of prophecy confirms God's plan and purpose for the Church, nations and individuals.
- The soon return of Jesus Christ.

A more complete version of this doctrinal basis of belief is found within the Declaration of Trust dated 28 March 1993.

Throughout the process of determining these activities, the Trustees confirm that they have complied with their duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the Charity.

Achievements and performance for 2023-2024

We continue to be a positive presence in the local community, where we are well known. Our main objective, as always, is to preach the gospel of Jesus Christ. This is through ministering to the already established members of our congregation and also to reach out to those we meet through our personal lives and via our distribution of leaflets. Our profile on social media and through our website has been further developed, with contacts around the world as we are part of an international fellowship. The door is always open to visitors. Our bookshop is well stocked with bibles and other related books and merchandise.

In August 2023, Martin Gladdish became the pastor and works closely with Pastor Jeremy Archer, who has recently become part of our local Assembly. Pastor Warren Sharrock has returned to New Zealand.

All maintenance to the hall is completed, as well as any repairs required.

We have resolved the issue with paying our quarterly rent to the landlord. This is reflected by clearing the backlog and keeping everything up to date during this financial year. The rental arrears had been accrued in the previous financial year, and, therefore whilst impacting cash at bank, they do not have a significant impact on reserves.

Plans for the future

Our maintenance and development plans include repairing some windows and improving the toilets and heating.

Financial Review

During the current financial year, the Charity incurred a deficit of £3,963 (2023: deficit of £19,251), decreasing total reserves at year end to £177,800 (2023: £181,763).

All reserves held at year end (£177,800) were unrestricted in nature (2023: £181,763).

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one year of rent and ongoing expenses. This is estimated to be £30,000. This should exclude expenditure on camps, conferences and other retreats as these events aim to be generally self-funded. It will also ensure that support and governance costs are covered.

The balance held as unrestricted funds at 31 March 2024 was £177,800 all of which is regarded as free reserves. The current level of reserves is therefore higher than is needed. The trustees expect to reduce this over the next few years.

Structure, Governance and Management

Governing document

A Declaration of Trust was completed on 28 March 1993 and updated on 18 February 1997 to take account of the changes in accounting and scrutiny requirements for charities, enabling the Charity to have an independent examination as opposed to a full statutory audit.

Recruitment and appointment of Trustees

Trustees are elected onto the Board through nomination by the current Trustee Board. New Trustees are provided with an induction by the current members.

Under the Declaration of Trust, the number of Trustees shall not be less than three nor more than ten. A quorum is formed when one half of the Trustees are present or three, whichever is the greater number. All decisions are made by the Trustees.

Use of volunteers

All activities and roles within the Charity are filled by volunteers and there are no paid members although, as mentioned above some expenses are occasionally covered.

Principal risks and how they are managed

The principal risks as identified by the Trustees are:

- *High impact event such as a fire or accident happens on site*
A fire drill is carried out regularly and there are appointed fire wardens and first aiders on site. Fire extinguishers are regularly checked, replaced and certified; and,
- *A break-in occurs causing financial loss to the Charity*
There is a full intruder alarm and CCTV fitted and monitored 24/7 on the premises. During meetings there

are people 'on the door' at all times to ensure a limited amount of security and awareness of the members and any property on site.

Statement of Board of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year. Under that law they are required to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue its activities.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website.

Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions. In addition, the Trustees confirm that they are happy that the content of the annual review in pages 3-5 of this document as well as the legal and administrative information on page 2, meet the requirements of the Trustees' Annual Report under charity law.

They also confirm that the financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102, The Financial

Reporting Standard applicable in the UK and Republic of Ireland
published on 16 July 2014.

This report was approved and authorised for issue by the Board of
Trustees on 27 January 2025 and signed on its behalf by:

A handwritten signature in black ink, appearing to read 'M. Gladdish', written in a cursive style.

Martin Gladdish

Trustee

Independent examiner's report to the Board of Trustees of North London Revival Bookshop

I report to the Trustees on my examination of the accounts of North London Revival Bookshop (Charity number 1020984) for the year ended 31 March 2024 set out on pages 7 to 15.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Charities Act). The Charity's Trustees consider that an audit is not required for this year under section 144 of the Charities Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and,
- to state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the Charity's Trustees as a body. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustee

Notes to the financial statements

1. Accounting policies

Basis of preparation of the financial statements

The financial statements have been prepared in accordance with 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The effect of any event relating to the period ended 31 March 2024, which occurred before the date of approval of the financial statements by the Board of Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 March 2024 and the results for the year ended on that date.

The functional currency of the Charity is sterling.

The amounts in the financial statements are rounded to the nearest pound.

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

Going concern

The financial statements have been prepared on the going concern basis as the Board of Trustees is confident that future reserves and future income is more than sufficient to meet current commitments. There are no material uncertainties that impact this assessment and the ongoing global economic uncertainty has no material impact on this assessment.

Legal status

North London Revival Bookshop is a charitable trust registered in England and Wales and meets the definition of a public benefit entity. In the event of the Charity being wound up, the Trustees of the Charity hold no liability. The registered address is 73 Drummond Drive, Stanmore, HA7 3PH.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds that are to be used in accordance with specific restrictions imposed by donors or that have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund, where applicable, is set out in note 7 of the financial statements – there are currently no restricted funds within the Charity.

Income

Income is recognised when the Charity has entitlement to the funds, any performance indicators attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised in full in the Statement of Financial Activities when entitled, receipt is probable and when the amount can be quantified with reasonable accuracy. Gift aid receivable is included when claimable. Income from individuals relating to camps and similar activities are treated as donations as the Trustees allow discretion on the amount received dependent on the financial ability of the individuals attending.

Income from charitable activities is credited to the Statement of Financial Activities when received or receivable whichever is earlier, unless it relates to a specific future period or event, in which case it is deferred.

Expenditure and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities.

Indirect costs, including governance costs, which cannot be directly attributed to activities, are allocated directly to charitable activities as any fundraising costs are immaterial. A breakdown of these expenses is outlined in note 4 of the financial statements.

Irrecoverable VAT is charged against the category of expenditure for which it was incurred.

Tangible fixed assets and depreciation

Fixed assets related to the freehold land (excluding investments) are stated at cost and capitalised when the cost exceeds £500. Smaller items of equipment are written off to the Statement of Financial Activities in the year of purchase.

Depreciation is provided for at a rate to ensure the items are written down over their useful economic life as follows:

Leasehold improvements	Life of lease
------------------------	---------------

Cash at bank and in hand

Cash at bank and in hand includes cash in hand, deposits with banks and funds that are readily convertible into cash at, or close to, their carrying values, but are not held for investment purposes.

Debtors and prepayments

Trade and other debtors are recognised at the settlement amount after any trade discount is applied. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and accruals

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount due to settle the obligation can be measured or estimated reliably.

Financial instruments

Basic financial instruments are measured at amortised cost other than investments which are measured at fair value.

Critical estimates and judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts

recognised in the financial statements. The treatment of tangible fixed assets is sensitive to changes in useful economic lives and residual values of assets. These are reassessed annually.

In the view of the Trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

Short term investments

Short term investments includes funds that are held on short term deposit for investment purposes.

Trustees' annual report

The Board of Trustees submit their annual report and the financial statements of North London Revival Bookshop for the year ended 31 March 2023. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, including the Charity Act 2011, as well as the requirements of the Charity's governing document and the provisions of the 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Objects

The objects of the Charity are set out in the Charity's trust deed and are to advance the Christian religion particularly by the publication of books, pamphlets and leaflets. The objects also include the ability to establish, assist and support charitable organisations and activities for the promotion of Christian missionary education and evangelical work.

Activities

North London Revival Bookshop was set up for the furtherance of the Bible-directed gospel through the sale of Bibles, gifts and Christian literature.

We promote Christian values and teachings through regular meetings at the hall; monthly street outreaches where we establish links with the local community; dinner evenings and concerts which we make freely available to members of the public; planned outings, walks and cultural events to promote fellowship and a sense of social commitment and responsibility.

Clear Bible teaching is a foundation of the Charity combined with a practical application of these teachings in the lives of members of the fellowship and their families. We use our resources, both financial and practical, to introduce these opportunities to people in the surrounding community. Commitment to the Charity is voluntary, and service is seen as a 'free will offering'.

The Charity will sometimes, however, cover the expenses of members where those expenses are directly related to the work of the Charity.

The Charity also helps run large scale conventions and 'camps' which are nationally organised and coordinated with other affiliated fellowships that fall under the umbrella organisation of Revival Fellowship International.

All activities are carried out in line with the doctrinal basis of the organisation which states that as a community the attendees believe:

- Jesus Christ is the Son of God.

- The Bible is the true and inspired Word of God.
- In Jesus' miraculous birth, his life, his death and resurrection.
- In the need to repent, be baptised and receive the Holy Spirit.
- We are baptised into the body of Christ (the Church) through the Holy Spirit, with the Bible evidence of speaking in tongues.
- In the miraculous gifts of the Holy Spirit in the Church.
- In prayer for the sick and healing by the power of God.
- The historical fulfilment of prophecy confirms God's plan and purpose for the Church, nations and individuals.
- The soon return of Jesus Christ.

A more complete version of this doctrinal basis of belief is found within the Declaration of Trust dated 28 March 1993.

Throughout the process of determining these activities, the Trustees confirm that they have complied with their duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the Charity.

Achievements and performance for 2022-2023

As Covid restrictions began to ease, we were able to use our hall once again as our main hub, although many activities continued to be accessed online or switched to online if necessary. We continued with our core purpose of preaching the gospel of Jesus Christ, preaching on a personal basis, distributing leaflets, selling bibles and other items from our bookshop. We have been active in to sharing the Bible message of salvation. We are a positive presence in our local community, with an open-door policy.

One of our pastors, Martin Polhill, passed away in October 2022 and the oversight of the fellowship has continued with the same ethos and mission under Pastor Warren Sharrock and Martin Gladdish (trustees). Elizabeth Polhill, Martin's widow, was appointed as a trustee.

We are now using a card reader in order to minimise the use of cash for bookshop purchases and overseas visitor camp fees. etc.

We maintain the hall well and carried out a refit of the second half of the roof.

Since December 2021, Boots, our landlord, have not been able to successfully process our lease payments. These payments have however been recognised as liabilities within the accounts. This is an ongoing issue which we hope to resolve as soon as possible.

Plans for the future

Our maintenance and development plans include repairing some windows and improving the toilets and heating.

Financial Review

During the current financial year, the Charity incurred a deficit of £19,253 (2022: surplus of £2,255), decreasing total reserves at year end to £181,763 (2022: £201,014).

All reserves held at year end (£181,763) were unrestricted in nature (2022: £201,014).

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one year of rent and ongoing expenses. This is estimated to be £30,000. This should exclude expenditure on camps, conferences and other retreats as these events aim to be generally self-funded. It will also ensure that support and governance costs are covered.

The balance held as unrestricted funds at 31 March 2023 was £181,763 all of which is regarded as free reserves. The current level of reserves is therefore higher than is needed. The trustees expect to reduce this over the next few years.

Structure, Governance and Management

Governing document

A Declaration of Trust was completed on 28 March 1993 and updated on 18 February 1997 to take account of the changes in accounting and scrutiny requirements for charities, enabling the Charity to have an independent examination as opposed to a full statutory audit.

Recruitment and appointment of Trustees

Trustees are elected onto the Board through nomination by the current Trustee Board. New Trustees are provided with an induction by the current members.

Under the Declaration of Trust, the number of Trustees shall not be less than three nor more than ten. A quorum is formed when one half of the Trustees are present or three, whichever is the greater number. All decisions are made by the Trustees.

Use of volunteers

All activities and roles within the Charity are filled by volunteers and there are no paid members although, as mentioned above some expenses are occasionally covered.

Principal risks and how they are managed

The principal risks as identified by the Trustees are:

- *High impact event such as a fire or accident happens on site*
A fire drill is carried out regularly and there are appointed fire wardens and first aiders on site. Fire extinguishers are regularly checked, replaced and certified; and,
- *A break-in occurs causing financial loss to the Charity*
There is a full intruder alarm and CCTV fitted and monitored 24/7 on the premises. During meetings there

are people 'on the door' at all times to ensure a limited amount of security and awareness of the members and any property on site.

Statement of Board of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year. Under that law they are required to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue its activities.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website.

Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions. In addition, the Trustees confirm that they are happy that the content of the annual review in pages 3-5 of this document as well as the legal and administrative information on page 2, meet the requirements of the Trustees' Annual Report under charity law.

They also confirm that the financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102, The Financial

Reporting Standard applicable in the UK and Republic of Ireland
published on 16 July 2014.

This report was approved and authorised for issue by the Board of
Trustees on 26 January 2024 and signed on its behalf by:

Martin Gladdish

Trustee

Independent examiner's report to the Board of Trustees of North London Revival Bookshop

I report to the Trustees on my examination of the accounts of North London Revival Bookshop (Charity number 1020984) for the year ended 31 March 2023 set out on pages 7 to 15.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Charities Act). The Charity's Trustees consider that an audit is not required for this year under section 144 of the Charities Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and,
- to state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the Charity's Trustees as a body. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

1. Accounting policies

Basis of preparation of the financial statements

The financial statements have been prepared in accordance with 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The effect of any event relating to the period ended 31 March 2023, which occurred before the date of approval of the financial statements by the Board of Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 March 2023 and the results for the year ended on that date.

The functional currency of the Charity is sterling.

The amounts in the financial statements are rounded to the nearest pound.

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

Going concern

The financial statements have been prepared on the going concern basis as the Board of Trustees is confident that future reserves and future income is more than sufficient to meet current commitments. There are no material uncertainties that impact this assessment and the ongoing COVID-19 pandemic has no material impact on this assessment.

Legal status

North London Revival Bookshop is a charitable trust registered in England and Wales and meets the definition of a public benefit entity. In the event of the Charity being wound up, the Trustees of the Charity hold no liability. The registered address is 73 Drummond Drive, Stanmore, HA7 3PH.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds that are to be used in accordance with specific restrictions imposed by donors or that have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund, where applicable, is set out in note 7 of the financial statements – there are currently no restricted funds within the Charity.

Income

Income is recognised when the Charity has entitlement to the funds, any performance indicators attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised in full in the Statement of Financial Activities when entitled, receipt is probable and when the amount can be quantified with reasonable accuracy. Gift aid receivable is included when claimable. Income from individuals relating to camps and similar activities are treated as donations as the Trustees allow discretion on the amount received dependent on the financial ability of the individuals attending.

Income from charitable activities is credited to the Statement of Financial Activities when received or receivable whichever is earlier, unless it relates to a specific future period or event, in which case it is deferred.

Expenditure and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities.

Indirect costs, including governance costs, which cannot be directly attributed to activities, are allocated directly to charitable activities as any fundraising costs are immaterial. A breakdown of these expenses is outlined in note 4 of the financial statements.

Irrecoverable VAT is charged against the category of expenditure for which it was incurred.

Tangible fixed assets and depreciation

Fixed assets related to the freehold land (excluding investments) are stated at cost and capitalised when the cost exceeds £500. Smaller items of equipment are written off to the Statement of Financial Activities in the year of purchase.

Depreciation is provided for at a rate to ensure the items are written down over their useful economic life as follows:

Leasehold improvements	Life of lease
------------------------	---------------

Cash at bank and in hand

Cash at bank and in hand includes cash in hand, deposits with banks and funds that are readily convertible into cash at, or close to, their carrying values, but are not held for investment purposes.

Debtors and prepayments

Trade and other debtors are recognised at the settlement amount after any trade discount is applied. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and accruals

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount due to settle the obligation can be measured or estimated reliably.

Financial instruments

Basic financial instruments are measured at amortised cost other than investments which are measured at fair value.

Critical estimates and judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The treatment of tangible fixed assets is sensitive to changes in useful economic lives and residual values of assets. These are reassessed annually.

In the view of the Trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

9. Other financial commitments

At 31 March 2023, the Charity had future minimum lease payments under non-cancellable leases (all for land and buildings) as set out below:

	Total lease payments 31 Mar 2023	<i>Total lease payments 31 Mar 2022</i>
	£	<i>£</i>
Due within one year	20,000	<i>19,375</i>
Due within two to five years	5,000	<i>25,000</i>
	<u>25,000</u>	<i><u>44,375</u></i>

10. Trustee remuneration

During the year, no Trustee received any remuneration (2022: £NIL). No members of the Board of Trustees received

reimbursement of expenses related to attendance at Trustee meetings (2022: £NIL).

11. Related party transactions

There were no transactions with related parties during the year (2022: £Nil).

Total unrestricted donations from Trustees amounted to £11,200 (2022: £8,280).

Trustees' annual report

The Board of Trustees submit their annual report and the financial statements of North London Revival Bookshop for the year ended 31 March 2022. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, including the Charity Act 2011, as well as the requirements of the Charity's governing document and the provisions of the 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Objects

The objects of the Charity are set out in the Charity's trust deed and are to advance the Christian religion particularly by the publication of books, pamphlets and leaflets. The objects also include the ability to establish, assist and support charitable organisations and activities for the promotion of Christian missionary education and evangelical work.

Activities

North London Revival Bookshop was set up for the furtherance of the Bible-directed gospel through the sale of Bibles, gifts and Christian literature.

We promote Christian values and teachings through regular meetings at the hall; monthly street outreaches where we establish links with the local community; dinner evenings and concerts which we make freely available to members of the public; planned outings, walks and cultural events to promote fellowship and a sense of social commitment and responsibility.

Clear Bible teaching is a foundation of the Charity combined with a practical application of these teachings in the lives of members of the fellowship and their families. We use our resources, both financial and practical, to introduce these opportunities to people in the surrounding community. Commitment to the Charity is voluntary, and service is seen as a 'free will offering'.

The Charity will sometimes, however, cover the expenses of members where those expenses are directly related to the work of the Charity.

The Charity also helps run large scale conventions and 'camps' which are nationally organised and coordinated with other affiliated fellowships that fall under the umbrella organisation of Revival Fellowship International.

All activities are carried out in line with the doctrinal basis of the organisation which states that as a community the attendees believe:

- Jesus Christ is the Son of God.
- The Bible is the true and inspired Word of God.

- In Jesus' miraculous birth, his life, his death and resurrection.
- In the need to repent, be baptised and receive the Holy Spirit.
- We are baptised into the body of Christ (the Church) through the Holy Spirit, with the Bible evidence of speaking in tongues.
- In the miraculous gifts of the Holy Spirit in the Church.
- In prayer for the sick and healing by the power of God.
- The historical fulfilment of prophecy confirms God's plan and purpose for the Church, nations and individuals.
- The soon return of Jesus Christ.

A more complete version of this doctrinal basis of belief is found within the Declaration of Trust dated 28 March 1993.

Throughout the process of determining these activities, the Trustees confirm that they have complied with their duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the Charity.

Achievements and performance for 2021-2022

The Coronavirus pandemic was still very much with us in 2021 and so whilst we were able to return to our hall with restrictions, many of our activities were switched to online at times. Our core purpose of preaching the gospel of Jesus Christ continued in whatever way was available to us. We were still able to share the Bible message of salvation. We continued to strengthen our links with our other international fellowships and be a positive presence in our local community.

We improved the décor and installed a ventilation system.

We were able to renew our lease for the hall, the centre of our meetings and activities, until June 2029. We paid all rent that had not been invoiced for during lease negotiations covering from June 2019 until December 2021.

Plans for the future

As the pandemic restrictions ease, we continue many of our activities in our hall. Following the completion of the lease we can now carry out some repairs and improvements. Our maintenance and development plans include replacing the remainder of the roof, repairing some windows, improving the toilets and heating.

Financial Review

During the current financial year, the Charity achieved a surplus of £2,254 (2021: £12,392), increasing total reserves at year end to £201,014 (2021: £198,760).

All reserves held at year end (£201,014) were unrestricted in nature (2021: £198,761).

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one year of rent and ongoing expenses. This is estimated to be £25,000 for 2021-2022, increasing to £30,000 over the next five years to allow for the staggered increase in rent. This should exclude expenditure on camps, conferences and other retreats as these events aim to be generally self-funded. It will also ensure that support and governance costs are covered.

The balance held as unrestricted funds at 31 March 2022 was £201,014 all of which is regarded as free reserves. The current level of reserves is therefore higher than is needed. The trustees expect to reduce the unrestricted funds following the signing of the new lease. Repairs / replacements to the roof and windows and general refurbishment and maintenance will be undertaken as soon as practicable after the new agreement is finalised.

Structure, Governance and Management

Governing document

A Declaration of Trust was completed on 28 March 1993 and updated on 18 February 1997 to take account of the changes in accounting and scrutiny requirements for charities, enabling the Charity to have an independent examination as opposed to a full statutory audit.

Recruitment and appointment of Trustees

Trustees are elected onto the Board through nomination by the current Trustee Board. New Trustees are provided with an induction by the current members.

Under the Declaration of Trust, the number of Trustees shall not be less than three nor more than ten. A quorum is formed when one half of the Trustees are present or three, whichever is the greater number. All decisions are made by the Trustees.

Use of volunteers

All activities and roles within the Charity are filled by volunteers and there are no paid members although, as mentioned above some expenses are occasionally covered.

Principal risks and how they are managed

The principal risks as identified by the Trustees are:

- *High impact event such as a fire or accident happens on site*
A fire drill is carried out regularly and there are appointed fire wardens and first aiders on site. Fire extinguishers are regularly checked, replaced and certified; and,

- *A break-in occurs causing financial loss to the Charity*
There is a full intruder alarm and CCTV fitted and monitored 24/7 on the premises. During meetings there are people 'on the door' at all times to ensure a limited amount of security and awareness of the members and any property on site.

Statement of Board of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year. Under that law they are required to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue its activities.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website.

Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions. In addition, the Trustees confirm that they are happy that the content of the annual review in pages 3-5 of this document as well as the legal and administrative information on page 2, meet the requirements of the Trustees' Annual Report under charity law.

They also confirm that the financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities

preparing their accounts in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

This report was approved and authorised for issue by the Board of Trustees on 30 January 2023 and signed on its behalf by:

Martin Gladdish

Trustee

Independent examiner's report to the Board of Trustees of North London Revival Bookshop

I report to the Trustees on my examination of the accounts of North London Revival Bookshop (Charity number 1020984) for the year ended 31 March 2022 set out on pages 7 to 15.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Charities Act). The Charity's Trustees consider that an audit is not required for this year under section 144 of the Charities Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and,
- to state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the Charity's Trustees as a body. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

1. Accounting policies

Basis of preparation of the financial statements

The financial statements have been prepared in accordance with 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The effect of any event relating to the period ended 31 March 2022, which occurred before the date of approval of the financial statements by the Board of Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 March 2022 and the results for the year ended on that date.

The functional currency of the Charity is sterling.

The amounts in the financial statements are rounded to the nearest pound.

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

Going concern

The financial statements have been prepared on the going concern basis as the Board of Trustees is confident that future reserves and future income is more than sufficient to meet current commitments. There are no material uncertainties that impact this assessment and the ongoing COVID-19 pandemic has no material impact on this assessment.

Legal status

North London Revival Bookshop is a charitable trust registered in England and Wales and meets the definition of a public benefit entity. In the event of the Charity being wound up, the Trustees of the Charity hold no liability. The registered address is 73 Drummond Drive, Stanmore, HA7 3PH.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds that are to be used in accordance with specific restrictions imposed by donors or that have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund, where applicable, is set out in note 7 of the financial statements – there are currently no restricted funds within the Charity.

Income

Income is recognised when the Charity has entitlement to the funds, any performance indicators attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised in full in the Statement of Financial Activities when entitled, receipt is probable and when the amount can be quantified with reasonable accuracy. Gift aid receivable is included when claimable. Income from individuals relating to camps and similar activities are treated as donations as the Trustees allow discretion on the amount received dependent on the financial ability of the individuals attending.

Income from charitable activities is credited to the Statement of Financial Activities when received or receivable whichever is earlier, unless it relates to a specific future period or event, in which case it is deferred.

Expenditure and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities.

Indirect costs, including governance costs, which cannot be directly attributed to activities, are allocated directly to charitable activities as any fundraising costs are immaterial. A breakdown of these expenses is outlined in note 4 of the financial statements.

Irrecoverable VAT is charged against the category of expenditure for which it was incurred.

Tangible fixed assets and depreciation

Fixed assets related to the freehold land (excluding investments) are stated at cost and capitalised when the cost exceeds £500. Smaller items of equipment are written off to the Statement of Financial Activities in the year of purchase.

Depreciation is provided for at a rate to ensure the items are written down over their useful economic life as follows:

Leasehold improvements	Life of lease
------------------------	---------------

Cash at bank and in hand

Cash at bank and in hand includes cash in hand, deposits with banks and funds that are readily convertible into cash at, or close to, their carrying values, but are not held for investment purposes.

Debtors and prepayments

Trade and other debtors are recognised at the settlement amount after any trade discount is applied. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and accruals

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount due to settle the obligation can be measured or estimated reliably.

Financial instruments

Basic financial instruments are measured at amortised cost other than investments which are measured at fair value.

Critical estimates and judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The treatment of tangible fixed assets is sensitive to changes in useful economic lives and residual values of assets. These are reassessed annually.

In the view of the Trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

Trustees' annual report

The Board of Trustees submit their annual report and the financial statements of North London Revival Bookshop for the year ended 31 March 2021. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, including the Charity Act 2011, as well as the requirements of the Charity's governing document and the provisions of the 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Objects

The objects of the Charity are set out in the Charity's trust deed and are to advance the Christian religion particularly by the publication of books, pamphlets and leaflets. The objects also include the ability to establish, assist and support charitable organisations and activities for the promotion of Christian missionary education and evangelical work.

Activities

North London Revival Bookshop was set up for the furtherance of the Bible-directed gospel through the sale of Bibles, gifts and Christian literature.

We promote Christian values and teachings through regular meetings at the hall; monthly street outreaches where we establish links with the local community; dinner evenings and concerts which we make freely available to members of the public; planned outings, walks and cultural events to promote fellowship and a sense of social commitment and responsibility.

Clear Bible teaching is a foundation of the Charity combined with a practical application of these teachings in the lives of members of the fellowship and their families. We use our resources, both financial and practical, to introduce these opportunities to people in the surrounding community. Commitment to the Charity is voluntary, and service is seen as a 'free will offering'.

The Charity will sometimes, however, cover the expenses of members where those expenses are directly related to the work of the Charity.

The Charity also helps run large scale conventions and 'camps' which are nationally organised and coordinated with other affiliated fellowships that fall under the umbrella organisation of Revival Fellowship International.

All activities are carried out in line with the doctrinal basis of the organisation which states that as a community the attendees believe:

- Jesus Christ is the Son of God.
- The Bible is the true and inspired Word of God.

- In Jesus' miraculous birth, his life, his death and resurrection.
- In the need to repent, be baptised and receive the Holy Spirit.
- We are baptised into the body of Christ (the Church) through the Holy Spirit, with the Bible evidence of speaking in tongues.
- In the miraculous gifts of the Holy Spirit in the Church.
- In prayer for the sick and healing by the power of God.
- The historical fulfilment of prophecy confirms God's plan and purpose for the Church, nations and individuals.
- The soon return of Jesus Christ.

A more complete version of this doctrinal basis of belief is found within the Declaration of Trust dated 28 March 1993.

Throughout the process of determining these activities, the Trustees confirm that they have complied with their duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the Charity.

Achievements and performance for 2019-2020

We continue with our main aim of spreading the gospel of Jesus Christ. Our primary objective is to share the Bible message of salvation with whoever we meet. During the Coronavirus pandemic many of our activities were switched to online. Our meetings and events were held on Zoom. We still were able to attract new interest as many found their own churches were closed. We were able to further strengthen our links with our international fellowships, able to virtually attend conventions around the world. We also found creative ways to support each other with online concerts, presentations and quiz nights. Obviously, we were not able to hold any of our usual conventions and camps.

Keeping within the social distancing guidance, when it was allowed, we prepared our hall for limited and safe use. This meant we were able to use a small group to broadcast meetings to Zoom.

Plans for the future

As the pandemic eases, we expect to be able to resume many of our activities in our hall. As far as future plans are concerned, as soon as permissible and on completion of our new lease for the hall, we will be refurbishing the hall and replacing and updating any equipment as necessary. The arrears for the rent (due to delay in completing new lease) are reflected within these accounts.

Financial Review

During the current financial year, the Charity achieved a surplus of £12,392 (2020: £11,511), increasing total reserves at year end to £198,760 (2020: £186,368).

All reserves held at year end (£198,760) were unrestricted in nature (2020: £186,368).

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one year of rent and ongoing expenses. This is estimated to be £25,000 for 2021-2022, increasing to £30,000 over the next five years to allow for the staggered increase in rent. This should exclude expenditure on camps, conferences and other retreats as these events aim to be generally self-funded. It will also ensure that support and governance costs are covered.

The balance held as unrestricted funds at 31 March 2021 was £198,760 all of which is regarded as free reserves. The current level of reserves is therefore higher than is needed. The trustees expect to reduce the unrestricted funds following the signing of the new lease. Repairs / replacements to the roof and windows and general refurbishment and maintenance will be undertaken as soon as practicable after the new agreement is finalised.

Structure, Governance and Management

Governing document

A Declaration of Trust was completed on 28 March 1993 and updated on 18 February 1997 to take account of the changes in accounting and scrutiny requirements for charities, enabling the Charity to have an independent examination as opposed to a full statutory audit.

Recruitment and appointment of Trustees

Trustees are elected onto the Board through nomination by the current Trustee Board. New Trustees are provided with an induction by the current members.

Under the Declaration of Trust, the number of Trustees shall not be less than three nor more than ten. A quorum is formed when one half of the Trustees are present or three, whichever is the greater number. All decisions are made by the Trustees.

Use of volunteers

All activities and roles within the Charity are filled by volunteers and there are no paid members although, as mentioned above some expenses are occasionally covered.

Principal risks and how they are managed

The principal risks as identified by the Trustees are:

- *High impact event such as a fire or accident happens on site*
A fire drill is carried out regularly and there are appointed fire wardens and first aiders on site. Fire extinguishers are regularly checked, replaced and certified; and,

- *A break-in occurs causing financial loss to the Charity*
There is a full intruder alarm and CCTV fitted and monitored 24/7 on the premises. During meetings there are people 'on the door' at all times to ensure a limited amount of security and awareness of the members and any property on site.

Statement of Board of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year. Under that law they are required to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue its activities.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website.

Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions. In addition, the Trustees confirm that they are happy that the content of the annual review in pages 3-5 of this document as well as the legal and administrative information on page 2, meet the requirements of the Trustees' Annual Report under charity law.

They also confirm that the financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities

preparing their accounts in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

This report was approved and authorised for issue by the Board of Trustees on 28 January 2022 and signed on its behalf by:

Martin Polhill

Martin Polhill

Pastor/Chair of the Board of Trustees

Independent examiner's report to the Board of Trustees of North London Revival Bookshop

I report to the Trustees on my examination of the accounts of North London Revival Bookshop (Charity number 1020984) for the year ended 31 March 2021 set out on pages 7 to 15.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Charities Act). The Charity's Trustees consider that an audit is not required for this year under section 144 of the Charities Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and,
- to state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the Charity's Trustees as a body. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

1. Accounting policies

Basis of preparation of the financial statements

The financial statements have been prepared in accordance with 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The effect of any event relating to the period ended 31 March 2021, which occurred before the date of approval of the financial statements by the Board of Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 March 2021 and the results for the year ended on that date.

The functional currency of the Charity is sterling.

The amounts in the financial statements are rounded to the nearest pound.

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

Going concern

The financial statements have been prepared on the going concern basis as the Board of Trustees is confident that future reserves and future income is more than sufficient to meet current commitments. There are no material uncertainties that impact this assessment and the ongoing COVID-19 pandemic has no material impact on this assessment.

Legal status

North London Revival Bookshop is a charitable trust registered in England and Wales and meets the definition of a public benefit entity. In the event of the Charity being wound up, the Trustees of the Charity hold no liability. The registered address is 73 Drummond Drive, Stanmore, HA7 3PH.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds that are to be used in accordance with specific restrictions imposed by donors or that have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund, where applicable, is set out in note 7 of the financial statements – there are currently no restricted funds within the Charity.

Income

Income is recognised when the Charity has entitlement to the funds, any performance indicators attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised in full in the Statement of Financial Activities when entitled, receipt is probable and when the amount can be quantified with reasonable accuracy. Gift aid receivable is included when claimable. Income from individuals relating to camps and similar activities are treated as donations as the Trustees allow discretion on the amount received dependent on the financial ability of the individuals attending.

Income from charitable activities is credited to the Statement of Financial Activities when received or receivable whichever is earlier, unless it relates to a specific future period or event, in which case it is deferred.

Expenditure and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities.

Indirect costs, including governance costs, which cannot be directly attributed to activities, are allocated directly to charitable activities as any fundraising costs are immaterial. A breakdown of these expenses is outlined in note 4 of the financial statements.

Irrecoverable VAT is charged against the category of expenditure for which it was incurred.

Tangible fixed assets and depreciation

Fixed assets related to the freehold land (excluding investments) are stated at cost and capitalised when the cost exceeds £500. Smaller items of equipment are written off to the Statement of Financial Activities in the year of purchase.

Depreciation is provided for at a rate to ensure the items are written down over their useful economic life as follows:

Leasehold improvements	Life of lease
------------------------	---------------

Cash at bank and in hand

Cash at bank and in hand includes cash in hand, deposits with banks and funds that are readily convertible into cash at, or close to, their carrying values, but are not held for investment purposes.

Debtors and prepayments

Trade and other debtors are recognised at the settlement amount after any trade discount is applied. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and accruals

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount due to settle the obligation can be measured or estimated reliably.

Financial instruments

Basic financial instruments are measured at amortised cost other than investments which are measured at fair value.

Critical estimates and judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The treatment of tangible fixed assets is sensitive to changes in useful economic lives and residual values of assets. These are reassessed annually.

In the view of the Trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

Trustees' annual report

The Board of Trustees submit their annual report and the financial statements of North London Revival Bookshop for the year ended 31 March 2020. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, including the Charity Act 2011, as well as the requirements of the Charity's governing document and the provisions of the 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Objects

The objects of the Charity are set out in the Charity's trust deed and are to advance the Christian religion particularly by the publication of books, pamphlets and leaflets. The objects also include the ability to establish, assist and support charitable organisations and activities for the promotion of Christian missionary education and evangelical work.

Activities

North London Revival Bookshop was set up for the furtherance of the Bible-directed gospel through the sale of Bibles, gifts and Christian literature.

We promote Christian values and teachings through regular meetings at the hall; monthly street outreaches where we establish links with the local community; dinner evenings and concerts which we make freely available to members of the public; planned outings, walks and cultural events to promote fellowship and a sense of social commitment and responsibility.

Clear Bible teaching is a foundation of the Charity combined with a practical application of these teachings in the lives of members of the fellowship and their families. We use our resources, both financial and practical, to introduce these opportunities to people in the surrounding community. Commitment to the Charity is voluntary, and service is seen as a 'free will offering'.

The Charity will sometimes, however, cover the expenses of members where those expenses are directly related to the work of the Charity.

The Charity also helps run large scale conventions and 'camps' which are nationally organised and coordinated with other affiliated fellowships that fall under the umbrella organisation of Revival Fellowship International.

All activities are carried out in line with the doctrinal basis of the organisation which states that as a community the attendees believe:

- Jesus Christ is the Son of God.
- The Bible is the true and inspired Word of God.

- In Jesus' miraculous birth, his life, his death and resurrection.
- In the need to repent, be baptised and receive the Holy Spirit.
- We are baptised into the body of Christ (the Church) through the Holy Spirit, with the Bible evidence of speaking in tongues.
- In the miraculous gifts of the Holy Spirit in the Church.
- In prayer for the sick and healing by the power of God.
- The historical fulfilment of prophecy confirms God's plan and purpose for the Church, nations and individuals.
- The soon return of Jesus Christ.

A more complete version of this doctrinal basis of belief is found within the Declaration of Trust dated 28 March 1993.

Throughout the process of determining these activities, the Trustees confirm that they have complied with their duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the Charity.

Achievements and performance for 2019-2020

We continue with our primary objective which is preaching the gospel of Jesus Christ. Our mission is to lead as many as possible to know His message and receive salvation. We regularly outreach to the community either by personal conversation or by distribution of printed leaflets. This always includes an invitation to attend any of our meetings and activities. Many visitors comment on the welcoming, family atmosphere. We vary our events to make them accessible to young and old and for the diverse population of Wealdstone and further afield. These activities include concerts, coffee mornings, dinner evenings, presentations, games nights and quiz evenings.

We always support an annual international convention alongside our West London assembly and have supported our members to attend a variety of camps throughout the year.

We continue leasing the hall, where we run meetings every Wednesday and every Sunday, which are central to all we do. Most of our Saturday events are held at the hall. We also run smaller groups in other areas midweek. Our bookshop sells bibles, cds and booklets, all with the same aim of furthering the gospel.

After ten years in our base on the high street, we have become an established presence within the area and maintain good relationships with the locals. The high street close by benefits from both our business and our good example and conduct.

Plans for the future

As soon as the new lease has been agreed, our intention is to replace some of the windows, carry out repairs or replacement where necessary to remainder of the roof and generally refurbish and decorate the hall. We plan our activities usually in the October 2021.

Financial Review

During the current financial year the Charity achieved a surplus of £11,511 (2019: £216), increasing total reserves at year end to £186,368 (2019: £174,857).

All reserves held at year end (£186,368) were unrestricted in nature (2019: £174,857).

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one year of rent and ongoing expenses. This is estimated to be £25,000 for 2020-2021, increasing to £30,000 over the next five years to allow for the staggered increase in rent. This should exclude expenditure on camps, conferences and other retreats as these events aim to be generally self-funded. It will also ensure that support and governance costs are covered.

The balance held as unrestricted funds at 31 March 2020 was £186,368 all of which is regarded as free reserves. The current level of reserves is therefore higher than is needed. The trustees expect to reduce the unrestricted funds following the signing of the new lease. Repairs / replacements to the roof and windows and general refurbishment and maintenance will be undertaken as soon as practicable after the new agreement is finalised.

Structure, Governance and Management

Governing document

A Declaration of Trust was completed on 28 March 1993 and updated on 18 February 1997 to take account of the changes in accounting and scrutiny requirements for charities, enabling the Charity to have an independent examination as opposed to a full statutory audit.

Recruitment and appointment of Trustees

Trustees are elected onto the Board through nomination by the current Trustee Board. New Trustees are provided with an induction by the current members.

Under the Declaration of Trust, the number of Trustees shall not be less than three nor more than ten. A quorum is formed when one half of the Trustees are present or three, whichever is the greater number. All decisions are made by the Trustees.

Use of volunteers

All activities and roles within the Charity are filled by volunteers and there are no paid members although, as mentioned above some expenses are occasionally covered.

Principal risks and how they are managed

The principal risks as identified by the Trustees are:

- *High impact event such as a fire or accident happens on site*
A fire drill is carried out regularly and there are appointed fire wardens and first aiders on site. Fire extinguishers are regularly checked, replaced and certified; and,

- *A break-in occurs causing financial loss to the Charity*
There is a full intruder alarm and CCTV fitted and monitored 24/7 on the premises. During meetings there are people 'on the door' at all times to ensure a limited amount of security and awareness of the members and any property on site.

Statement of Board of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year. Under that law they are required to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue its activities.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website.

Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions. In addition, the Trustees confirm that they are happy that the content of the annual review in pages 3-5 of this document as well as the legal and administrative information on page 2, meet the requirements of the Trustees' Annual Report under charity law.

They also confirm that the financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities

preparing their accounts in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

This report was approved and authorised for issue by the Board of Trustees on 23 December 2020 and signed on its behalf by:

Martin Polhill

Pastor/Chair of the Board of Trustees

Independent examiner's report to the Board of Trustees of North London Revival Bookshop

I report to the Trustees on my examination of the accounts of North London Revival Bookshop (Charity number 1020984) for the year ended 31 March 2020 set out on pages 7 to 14.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Charities Act). The Charity's Trustees consider that an audit is not required for this year under section 144 of the Charities Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and,
- to state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the Charity's Trustees as a body. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Martin Polhill

Pastor/Chair of the Board of Trustees

Notes to the financial statements

1. Accounting policies

Basis of preparation of the financial statements

The financial statements have been prepared in accordance with 'Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition (effective 1 January 2019)', the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The effect of any event relating to the period ended 31 March 2020, which occurred before the date of approval of the financial statements by the Board of Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 March 2020 and the results for the year ended on that date.

The functional currency of the Charity is sterling.

The amounts in the financial statements are rounded to the nearest pound.

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

Going concern

The financial statements have been prepared on the going concern basis as the Board of Trustees is confident that future reserves and future income is more than sufficient to meet current commitments. There are no material uncertainties that impact this assessment and the ongoing COVID-19 pandemic has no material impact on this assessment.

Legal status

North London Revival Bookshop is a charitable trust registered in England and Wales and meets the definition of a public benefit entity. In the event of the Charity being wound up, the Trustees of the Charity hold no liability. The registered address is 73 Drummond Drive, Stanmore, HA7 3PH.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds that are to be used in accordance with specific restrictions imposed by donors or that have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund, where applicable, is set out in note 7 of the financial statements – there are currently no restricted funds within the Charity.

Income

Income is recognised when the Charity has entitlement to the funds, any performance indicators attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised in full in the Statement of Financial Activities when entitled, receipt is probable and when the amount can be quantified with reasonable accuracy. Gift aid receivable is included when claimable. Income from individuals relating to camps and similar activities are treated as donations as the Trustees allow discretion on the amount received dependent on the financial ability of the individuals attending.

Income from charitable activities is credited to the Statement of Financial Activities when received or receivable whichever is earlier, unless it relates to a specific future period or event, in which case it is deferred.

Expenditure and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities.

Indirect costs, including governance costs, which cannot be directly attributed to activities, are allocated directly to charitable activities as any fundraising costs are immaterial. A breakdown of these expenses is outlined in note 3 of the financial statements.

Irrecoverable VAT is charged against the category of expenditure for which it was incurred.

Tangible fixed assets and depreciation

Fixed assets related to the freehold land (excluding investments) are stated at cost and capitalised when the cost exceeds £500. Smaller items of equipment are written off to the Statement of Financial Activities in the year of purchase.

Depreciation is provided for at a rate to ensure the items are written down over their useful economic life as follows:

Leasehold improvements	Life of lease
------------------------	---------------

Cash at bank and in hand

Cash at bank and in hand includes cash in hand, deposits with banks and funds that are readily convertible into cash at, or close to, their carrying values, but are not held for investment purposes.

Debtors and prepayments

Trade and other debtors are recognised at the settlement amount after any trade discount is applied. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and accruals

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount due to settle the obligation can be measured or estimated reliably.

Financial instruments

Basic financial instruments are measured at amortised cost other than investments which are measured at fair value.

Critical estimates and judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The treatment of tangible fixed assets is sensitive to changes in useful economic lives and residual values of assets. These are reassessed annually.

In the view of the Trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

2. Income from donations and legacies

	Unrestricted Funds 2020 £	Restricted Funds 2020 £	Total Funds 2020 £
Donations including contributions towards camps	48,760	-	48,760
	48,760	-	48,760

	<i>Unrestricted Funds 2019 £</i>	<i>Restricted Funds 2019 £</i>	<i>Total Funds 2019 £</i>
Donations including contributions towards camps	53,871	-	53,871
	53,871	-	53,871

3. Expenditure on charitable activities

	Unrestricted Funds 2020 £	Restricted Funds 2020 £	Total Funds 2020 £
Camps and social functions	11,983	-	11,983
Premises	18,638	-	18,638
Other direct costs	1,329	-	1,329
Administrative costs	4,928	-	4,928
Governance costs	1,277	-	1,277
	38,155	-	38,155

	Unrestricted Funds 2019 £	Restricted Funds 2019 £	Total Funds 2019 £
Camps and social functions	14,799	-	14,799
Premises	35,693	-	35,693
Other direct costs	342	-	342
Administrative costs	1,655	-	1,655
Governance costs	1,176	-	1,176
	53,665	-	53,665

Governance costs includes:

	Total Funds 2020 £	Total Funds 2019 £
Independent examination	810	810
Insurance	467	366
	1,277	1,176

4. Tangible fixed assets

	Leasehold improvements £	Total fixed assets £
Cost		
As at 1 April 2019	18,175	18,175
Decapitalised in period	(18,175)	(18,175)
As at 31 March 2020	-	-
Accumulated depreciation		
As at 1 April 2019	16,137	16,137
Decapitalised in period	(16,137)	(16,137)
As at 31 March 2020	-	-
Net book value		
As at 1 April 2019	2,038	2,038
As at 31 March 2020	-	-

5. Debtors

	Total Funds 2020 £	Total Funds 2019 £
Loans to community members	2,700	3,000
Prepayments	110	3,175
Other debtors	5,939	422
	8,749	6,597

6. Creditors – amounts falling due within one year

	Total Funds 2020 £	Total Funds 2019 £
Accruals	8,885	2,430
	8,885	2,430

7. Analysis of charity funds

	Balance brought forward 2020 £	Income received in year 2020 £	Amounts expended in year 2020 £	Transfer between funds 2020 £	Balance carried forward 2020 £
Unrestricted funds					
General funds	174,857	49,666	(38,155)	-	186,368
Total funds	174,857	49,666	(38,155)	-	186,368
	<i>Balance brought forward 2019 £</i>	<i>Income received in year 2019 £</i>	<i>Amounts expended in year 2019 £</i>	<i>Transfer between funds 2019 £</i>	<i>Balance carried forward 2019 £</i>
Unrestricted funds					
General funds	174,641	53,881	(53,665)	-	174,857
Total funds	174,641	53,881	(53,665)	-	174,857

8. Analysis of net assets

	Unrestricted Funds 2020 £	Restricted Funds 2020 £	Total Funds 2020 £
Current assets	195,253	-	195,253
Current liabilities	(8,885)	-	(8,885)
	186,368	-	186,368
	<i>Unrestricted Funds 2019 £</i>	<i>Restricted Funds 2019 £</i>	<i>Total Funds 2019 £</i>
Fixed assets	2,038	-	2,038
Current assets	175,249	-	175,249
Current liabilities	(2,430)	-	(2,430)
	174,857	-	174,857

9. Other financial commitments

At 31 March 2020, the Charity had future minimum lease payments under non-cancellable leases (all for land and buildings) as set out below:

	Total lease payments 2020 £	<i>Total lease payments 2019 £</i>
Due within one year	16,875	12,700
Due within two to five years	61,875	3,175
	<u>78,750</u>	<u>15,875</u>

During the year lease payments totalling £14,425 were made (2019: £12,700) all relating to land and buildings.

10. Trustee remuneration

During the year, no Trustee received any remuneration (2019: £NIL). No members of the Board of Trustees received

reimbursement of expenses related to attendance at Trustee meetings (2019: £NIL).

11. Related party transactions

There were no transactions with related parties during the year (2019: £NIL).

Total unrestricted donations from Trustees amounted to £7,174 (2019: £6,516).
