Annual report for the year September 2020 to August 2021

Uttoxeter Preschool is a charity registered with the Charity Commission (No 1021100)

Uttoxeter Preschool is run by a committee comprising of:

Chairperson	-	Kayleigh Moody
Secretary	-	Jamie Ratcliffe
Treasurer	-	Salmha Richardson
Fundraiser	-	Claire Smith Chloe Smith

Our object at Uttoxeter Preschool is to provide a safe and varied learning environment for children from 2 years until they move on to “big school” Our ethos is “learning through play”.

Our Autumn term 2020 started with 18 children attending the Preschool and by October half term this had increased to 24. All staff returned on more hours than the previous September. Sarah and Rachel resigned from their positions in September 2020 and a new Deputy Manager Paula Stanton was recruited in October 2020.

Just before Rachel left the Preschool, she wanted to raffle off the raffle prizes left over from last year. She raised £70 and she took the money before I had the chance to bank it therefore there is no paper transaction and bought an ironing board, clothes airer and sensory toys for the children.

During the spring term numbers increased slightly so we recruited a new member of staff, Lauren is a great asset to the team.

In the spring term the children completed a sponsored walk which raised £440, this was spent on multi-cultural resource for the children and we also purchased new outdoor equipment for the children to enjoy during the summer term.

Wrote and signed on behalf of the committee

Jo Ratcliffe  
Preschool Manager
