Chairman's Report

I AM pleased to report that despite all the problems caused by the ongoing Covid-19 epidemic, 2021 was a very successful year for the Trust, both in terms of funds raised and grants awarded.

Grants

In 2021, the Trust awarded 32 grants with a total value of £55,850, the details of which are set out later in this Annual Report. These grants were made possible by the excellent level of income generated by the annual Ride and Stride and from donations, for which the Trust is most grateful.

St Mary the Virgin, Titchmarsh

The Trustees' policy is to draw on their reserves to meet current needs at current prices while keeping a core amount of £100,000 as a long-term reserve.

When making grants, the Trustees continue to give priority to those churches and chapels which have a history of participation in the Ride and Stride, particularly to those churches which raise sponsorship money.

The Trustees are grateful to Michael Moore for undertaking the role of Grants Secretary and to Eric Peplow, John Barker and Rosalind Willatts for visiting the applicant churches and chapels and reporting on their circumstances.

Annual Ride and Stride

2021 despite the problems the epidemic caused, was our best Ride and Stride year yet. At the time of writing, it has raised £48,732, plus £7,640.50 from Gift Aid, a total of £56,372.50. This truly excellent result was reached in the most difficult of circumstances and reflects the sterling efforts of the Riders and Striders, the Area Organisers, the Church and Chapel Organisers and the County Organisers, Val Hartley and Liz Doherty, for their enthusiasm and the many hours they spent in planning and coordinating the event. Richard Hartley and Paul Stothard stepped down as County Organisers in 2020, but I know that Richard continues to offer strong support to Val and Liz from behind the scenes. The Trustees are equally grateful to Eddie Byland, the Trust's Treasurer, for dealing with the numerous individual payments involved and making the Gift Aid claims to HMRC.

In mentioning Eddie, I would like to record the Trust's thanks to him for the excellent and timely way in which he looks after the Trust's accounts.

The Ride and Stride support from the churches and chapels in Northamptonshire is the Trust's main fundraising source. It is largely from the monies raised by the Ride and Stride that we derive our funds to make grants to the County's churches and chapels.

There will be a 2022 Ride and Stride on 10th September, and Val and Liz will be sending out the entry form and details shortly. I hope that your church or chapel will take part in it.

Donations

I am pleased to report that, once again, the Constance Travis Charitable Trust made a most generous donation of £50,000 to the Trust this year. We also received a donation of £10,000 from the George Cadbury Fund and £1,540 from the White family in memory of John White. The Trustees are most grateful to the Constance Travis Trust and the Cadbury Fund trustees, and John's family for their generous support.

Celebration Evening

Unfortunately, the lockdowns caused by the Covid epidemic meant that we had to cancel the Celebration Evening due to be held at the home of David and Mary Laing on 16th July. This was a great pity as the Celebration Evening gives the trustees the opportunity to meet the representatives from the churches and chapels to which the Trust has made grants, and to thank them for their hard work in looking after their churches and chapels. The representatives also have the opportunity of sharing their experiences and information. These occasions are not only enjoyable, but also encouraging to those involved in the difficult and time-consuming business of caring for Northamptonshire's beautiful churches and chapels. We have recently confirmed that this year's Celebration Evening will be held on Wednesday 20th July, at the Laings' home in Grafton Underwood.

Annual General Meeting

We were able to hold our 2021 Annual General Meeting by Zoom in April and our Ride & Stride Review Meeting in person at the offices of HRC Hewitsons in November.

Church Study Day

In August, our annual Church Study Day was to the church of Saint Mary the Virgin, Higham Ferrers and its associated buildings of the Chantry Chapel and the Bede House, where we were made very welcome by the Revd. Michelle Dalliston and the twelve Bedesmen and the Bedeswoman (all in their ceremonial cloaks). 2021 marked the 600th anniversary of Archbishop Chichele's founding of the Chantry Chapel and the Bede House. To mark that event, Saint Mary's church has initiated the Saint Mary's 600 Appeal in which the church hopes to raise £600,000 towards the costs of preserving this important group of historic buildings. My thanks to Bruce Bailey for organising this visit and explaining the features of the buildings. We will be holding another Study Day on 13th August 2022, in which we will visit a few of the county's forgotten churches.

Friends

As well as taking on the role of the Trust's Secretary, Ruth Fitch remains our Friends' Secretary. The Trustees are very grateful to Ruth for dealing with this aspect of the Trust. Our aim is to continue to increase the number of Friends, both individual and corporate. We now have 120 individual Friends and 105 Church Friends. New Friends do not just appear, they need to be recruited and that is an aspect with which we can all help. An application form is in this Report.

National Churches Trust

We maintain our links with the National Churches Trust (NCT), which operates at a national level to promote the care of our heritage of England's wonderful churches – fundraising, making grants, lobbying where appropriate, and acting as a focal point for the efforts of the individual county trusts of which NORTHAMPTONSHIRE HISTORIC CHURCHES TRUST is one. However, NCT no longer participates in a partnership scheme under which it delegates aspects of its grant-making functions to the county trusts.

Roof Alarms

Lead theft remains an ongoing problem with all churches. Three years ago, we were fortunate to receive funding of £50,000 from Allchurches Trust Ltd to be expended in grants towards the installation of roof alarms in churches and chapels which did not have such systems. The scheme was due to end in December 2020 but, because of the problems caused by the epidemic, Allchurches Trust allowed it to be extended to 31st December 2021. It has now ended, and the unspent funds have been returned to Allchurches Trust. While the scheme was in being we were able to make grants of £1,000 each to twenty-six churches.

Allchurches Trust still make grants towards the installation of roof alarms, but the application must be made to them. Please direct any enquiries to the roof alarms page on Allchurches Trust's website: <https://www.allchurches.co.uk/what-we-fund/roof-alarm-grants/>. The Trust will still make grants towards the cost of installation of roof alarms from its own funds. Applications for these should be made to the Grants Secretary.

Website

The website (www.nhct.uk) contains details of the Trust's activities. We are still looking for a website developer to update it and run it for us. Please let me know if you have any suggestions for additional items or improvements to the site.

John White

It was with great sadness that the trustees heard of the death, on 29 April 2021, of John White, our former Chairman and Secretary. John was an outstanding Chairman of the Trust and I am very grateful to him for the help and advice he gave to me when I took on the role. He will be sorely missed. A tribute to John is in this Report.

New Report Editors

Dr Martin Gaskell, who edited this Report for many years, stood down from the role after the publication of the 2020 Annual Report. The Trustees are grateful to Martin for undertaking this arduous task for so many years. The Report's new editors are the Revd. Canon Brian Withington and Eleanor Townsend. We are grateful to them for volunteering to do the job and wish them well.

The Future

As I have said in previous Reports, I continue to be impressed with the time and effort spent by what are often relatively small groups of people in maintaining the wonderful churches and chapels in our county.

In Northamptonshire we have some of England's finest examples of church and ecclesiastical architecture and memorials, covering well over 1,000 years of church building. We are fortunate to be able to continue to enjoy them, but they have to be looked after. This is a very great responsibility, which lies ultimately with local people, the parishioners and worshippers, as well as those who may have no strong faith, but who love and respect the Christian tradition in England. Northamptonshire Historic Churches Trust endeavours to support those who care for these fine buildings in facing those considerable challenges and responsibilities. We do this in order that those who come after us can continue to enjoy and worship in them and play their part in ensuring that they, and the generations after them, may do so too; not only for the next 1,000 years, but for many centuries after that.

The small part Northamptonshire Historic Churches Trust plays in achieving that object is the result of the efforts of the Trustees and Council Members and I thank them, with our President, James Saunders Watson, HM Lord Lieutenant for Northamptonshire, and our Vice-Presidents David Laing, Bishop Donald Allister, and Bishop John Holbrooke, for their strong continuing friendship, support and encouragement.

In Conclusion

I hope you enjoy this Report. If you have any comments or suggestions about it, please send them to Brian, Eleanor or me.

Agenda Item 4 - Chairman's Report

Grants

In 2021, the Trust awarded 32 grants to a value of £55,850, the details of which are in the minutes. These grants were made possible by the excellent level of income generated by the annual Ride and Stride and from donations.

When making grants, priority is given to those churches and chapels which have a history of participation in the Ride and Stride, particularly to those churches which raise sponsorship money.

Annual Ride and Stride

The monies raised by the Ride & Stride are main source of the funds from which we make our grants to the County's churches and chapels. Despite the problems the epidemic caused, 2021 was our best Ride and Stride year yet. At the time of writing, the 2021 Ride & Stride raised £48,557, plus £7,638 from Gift Aid, a total of £56,195. This truly excellent result was reached in the most difficult of circumstances and reflects the sterling efforts of the Riders and Striders, the Area Organisers, the Church and Chapel Organisers and the Church and Chapel sitters. I am most grateful to them, as I am to our indefatigable County Organisers, Val Hartley and Liz Doherty, for their enthusiasm and the many hours they spent in planning and coordinating the event. Richard Hartley and Paul Stothard stepped down as County Organisers in 2020, but I know that Richard continues to offer strong support to Val and Liz from behind the scenes.

I am as equally grateful to Eddie Byland, our Treasurer, for dealing with the numerous individual payments involved and making the Gift Aid claims to HMRC, I would also like to record my thanks to him for the excellent and timely way in which he looks after the Trust's accounts.

The 2022 Ride and Stride will be on 10th September, and Val and Liz will be sending out the entry form and details shortly.

Donations

I am pleased to report that, once again, the Constance Travis Charitable Trust made a most generous donation of £50,000 to the Trust this year. We also received a donation of £10,000 from the George Cadbury Fund and £1,540 from the White family in memory of John White. I would like to record my the Trust's thanks the Constance Travis Trust, the Cadbury Fund trustees, and John's family for their generous support.

Celebration Evening

Unfortunately, the lockdowns caused by the Covid epidemic meant that we had cancel the Celebration Evening due to be held at David and Mary Laing's home on 16th July. This was a great pity as the Celebration Evening gives the trustees the opportunity to meet the representatives from the churches and chapels the Trust has made grants to, and to thank them for their hard work in looking after their churches and chapels. The Future

In Northamptonshire we have some of England's finest examples of church and ecclesiastical architecture and memorials, covering well over 1,000 years of church building, and I continue to be impressed with the time and effort spent by what are often relatively small groups of people in maintaining these wonderful buildings and facing the very considerable challenges and responsibilities of doing so. It's impossible to talk about these things without thinking about Philip Larkin's "*Church Going*". The poem was written nearly 70 years ago in 1955 but, even then, he was asking the question that is being asked much more desperately today.

*"...wondering, too,
When churches fall completely out of use
What we shall turn them into, if we shall keep
A few cathedrals chronically on show,
Their parchment, plate, and pyx in locked cases,
And let the rest rent-free to rain and sheep.
Shall we avoid them as unlucky places?"*

Larkin ended that great poem on a quiet but optimistic note:

*'Someone will forever be surprising
A hunger in himself to be more serious,
And gravitating with it to this ground,
Which, he once heard, was proper to grow wise in,
If only that so many dead lie round.'*

I'm sure he's right. We won't see the bulldozers move in on (say) Cranford, St Andrew, or any other ancient church, partly because of that respect for the dead and the feeling of seriousness Larkin refers to; partly because of planning rules, but mainly because of the determined efforts of those small groups of people. The small part that our Trust plays in achieving that object is the result of the efforts of the Trustees and Council Members and I thank you, and our President, James Saunders Watson, HM Lord Lieutenant for Northamptonshire, and our Vice-Presidents David Laing, Bishop Donald Allister, and Bishop John Holbrooke, for your strong continuing commitment, friendship, support and encouragement.
