The Right Reverend Nicholas Reade was Patron of the Association.

The association was founded as a charity in 1982, and in 1990 a trust was formed. A new Trust Deed in 2001 provided that members of the Management Committee would be the Trustees in place of the Founding Trustees. The names of the Management Committee are notified to the Charity Commission. The Association is registered with the Charity Commission, No. 1022122

OBJECTS, ORGANISATION AND ACTIVITIES

In May, 1982 the then Bishop of Lewes, initiated a movement in which church members and other individuals would give up some personal expenditure previously made as part of each individuals normal day-to-day life style. The monies thus saved would be used to support Third World projects of limited and specified nature, designed to eliminate poverty and ill health.

The Bishop recruited a small team to organise and administer the movement, and it was agreed that it would be appropriate to apply for registration with the Charity Commission in order that there should be a proper legal status for the movement.

As time went on, the Bishop's team was increased in order to provide an adequate central service in support of the representatives who organised local groups of members at the level of the parish or village. These local representatives collect money regularly from their members and forward it to the Team correspondent responsible for the area. The contributions are then passed to the Treasurer for listing, checking and banking. Accounts are kept by the Treasurer, and periodic reports are made to the Projects officer, who selects and monitors the overseas projects, and directs the remittance of funds to them.

The services provided by the Management Team now include:

- 1) Visits by the Projects Officer to local groups who are considering choosing or changing their supported projects, and require up-to-date information and guidance, backed up with some video material.
- 2) Visits by the Projects Officer and Chairman to address meetings or church services in the participating parishes.
- 3) Up-to-date news from individual projects for the groups supporting them.
- 4) A range of printed leaflets to support local recruitment efforts.
- 5) An annual newsletter, containing summaries of the various projects, and news from the groups.

THE CARING AND SHARING ASSOCIATION EAST SUSSEX

Independent Examiner's Report to the Trustees of the Association

I report on the accounts for the year ended 31st May 2022

Respective responsibilities of the Trustees and the examiner

The Trustees are responsible for the preparation of the accounts. The Trustees consider that an audit is not required under section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed.

It is my responsibility to

- o examine the accounts under section 145 of the Act
- o follow the procedures laid down in the General Directions given by the Charity Commissioners under section 145(5)(b) of the Act, and
- o state whether particular matters have come to my attention

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in a full audit, and consequently I do not express an audit opinion on the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention

- 1 which gives me reasonable cause to believe that in any material respect the requirements o
 - o to keep accounting records in accordance with section 130 of the Act; or
 - o to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
