Trustees' Report – Year ending **31 December 2021**

The most significant event of the year 2021 was, of course, the official opening of the church extension by the Bishop of Bedford on 26th September and the naming of the Fellowship Room.

In this final year of raising funds for the Building Project some £20,000 was donated to which will be added gift aid when recovered from HMRC. In addition, a little over £4,000 was received to help equip the kitchen.

A sub-committee has been formed to manage the use of the Fellowship Room and 5 fee-paying events were held in November and December.

The 100 Club is up and running again thanks to Frances Bulmer and we look forward to this becoming, once more, a regular source of income.

With government Covid-19 restrictions being eased more and more, I am hopeful that we can look forward to a year in which the Friends can support the Parish Church and its mission as we used to do. To this end, I would like to hear from anyone who is willing to help with the planning of concerts, entertainments and the like.

Finally, it seems to me appropriate to raise the subject of succession planning. Both your Chairman and Secretary are in their late 70s and it would be beneficial for the Friends to consider successors whilst we are still around to offer the benefit of our experience.

Edward Jones

Friends of St Owens
Financial Report 2021

The year 2021 has seen the completion of the Extension at St Ower fundraising for this has not only paid for the extension but left the Fund of the Friends in good shape. In 2022, we have our next quinquennial which will no doubt bring further challenges to our group as we aim to preserve our wonderful Church.

The accounts show we have £59,358 in the bank, split between the Fund (£44,024) and General Fund (15,334).

From these funds, we must make the final payment to the Builders Architect (the retention is of the order of £17,000, plus final works) balance of the Headstone £500. We have however an outstanding claim, currently being worked on, which will hopefully be of the order of £6,000.00

The General Fund contains £1,824 of '100 Club' monies and £170 of subscriptions that relate to 2022. This is not shown separately as this is a rolling fund, and has no annual meaning.

Lastly, may I thank Frances for her 'cashier' role (one of the many), David and Simon for their help and advice.

FRIENDS OF ST OWENS BROMHAM

England & Wales - Charity number 1022947

Accounts

Friends of St Owen's Bromham Registered Charity Number 1022947
Trustees' Report – Year ending **31 December 2020**

The main activities that the charity undertook in 2020 were to continue fundraising for the planned extension to St Owen's Church, Bromham, to include toilets, a kitchen, a meeting room and improved disabled access. Planning permission for alterations to the South Porch to provide disabled access and the building of the extension was granted in January 2015.

Having completed alterations to the South Porch in March 2017 at a net cost, after recovery of VAT under the Listed Places of Worship Grant Scheme, of £66,312, the building of the extension was divided into 2 phases:

Phase 1 – all ground work, archaeology, drainage and floor slab.

Phase 2 – construction of extension on the slab laid in Phase 1, connection into the church via the north porch.

These two Phases were costed at £427,356 and contracts let. By late April 2019 Phase 1 had been completed but work was then paused to allow for the completion of the fund-raising effort. Sufficient funds were obtained for work on Phase 2 to begin in March 2020 with a view to completion in late January 2021. However, as a result of the national response to the Covid-19 pandemic, numerous delays were experienced with the building programme which would put back the completion date well into 2021.

In addition to the above, the charity also raises funds for the continued improvement and repair of church facilities. These funds are primarily raised from donations for refreshments and a 100 Club draw.
