Activities

Objects: TO RESCUE STRAY AND UNWANTED DOGS TO RELIEVE SUFFERING AMONGST DOGS WHICH ARE IN NEED OF CARE AND ATTENTION BY REASON OF SICKNESS MALTREATMENT POOR CIRCUMSTANCES OR OTHER CAUSES AND TO REHABILITATE AND REHOUSE THEM WHEREVER POSSIBLE

Activities: We aim to rescue unwanted and stray dogs by keeping them either in a safe foster home or in a kennel. They are attended by a veterinary surgeon and we call in a behaviourist if necessary. Following necessary home checks, our dogs are rehomed and we follow their progress. To raise funds for all these tasks, we hold dog shows, sponsored walks, attend carnivals and car boot sales.

Annual Report

Another busy year for our Charity, raising funds to look after our dogs. Veterinary fees are particularly high, and some of our dogs have needed urgent operations. We regularly hold tombola, raffle, and sales events at local businesses or if there is a local show. We have been established over 30 years, so are well known in the Rescue world. We also hold our own dog shows which are always successful. We also have a successful Vinted Auction site which helps.

We have made improvements to our kennels – an extra storage room, extra dog pen, racking, etc.

Been quite a traumatic year for us: bereavement, illness etc, but we are all still committed to the cause (just getting older!)

We are fortunate in having excellent supporters to look after our dogs and assist the two Managers.

We appreciate our Registrattion very much and are looking forward to meeting the undoubted challenges.

Trustee Annual Report Charity 1022949

Again a busy year fundraising and raising awareness. We have begun an initiative with our younger volunteers to increase their understanding of canine behaviour by holding sessions at our Centre with trainers, groomers etc. We have seen appalling cruelty and treatment of the dogs we take into care, and have seen evidence that illegal dogfighting is still taking place. The smaller dogs with awful injuries attest to this. We are arranging to build a sofa room at our Centre to give our long term dogs some relaxation and home comforts due to be completed this Autumn. Our profile continues to rise – in line with our vet bills, rent and wages! In summary, a good if expensive year, and we are all still committed to our cause. We have experienced significant loss in personnel which does make our job so much harder. Still, onwards!

Trustee Report
Wellingborough Dog Welfare Rc1022949
Year Ended November 2019

2019 was another hard-working year, raising funds and awareness. A large amount of time and funds were spent on gaining permission and planning for our proposed new site at Woodford. Our vet bills, rent and management costs were significant too. No new Trustees were appointed but Myra Byrne left us. The stray dog problem has not diminished, even though microchipping is mandatory, and we are still seeing evidence of puppy farming and, horrifically, illegal dogfighting. More 'pedigree' dogs are still coming in from Eastern Europe, many with illnesses, as evidenced by our vet bills! As we approach our 27th year in rescue, we are still committed to the cause. As ever, we are grateful for our registration.
