1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

Income from donations and grants, is recognised when the charity is entitled to the funds, the receipt is probable, and the amount can be measured reliably. For donations, this is usually on receipt. For grants, this is usually when a formal offer letter is made in writing, unless the grant contacts terms and conditions outside of the charity's control which must be met before the charity is entitled to the funds. Where such conditions exist, the income is deferred until those periods.

Income from other trading activities relates to fundraising events and is recognised once the fundraising event has been held.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are funds set aside by the trustees for a particular future purpose.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Fixed asset investments

Fixed asset investments are shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Trustees' Report Year to 31st March 2024

We have pleasure in presenting our report and the accounts of the Association of Friends of James Terry Court for the year to 31st March 2024.

Income:

As can be seen, income from Annual Family Membership is down from last year to £250

Donations and Patronage is £16,810 lower than last year.

Dividends and bank deposit interest declined this year.

Fund Raising Events:

Our numerous fundraising events through 2023- 2024 generated a sum of £16,602

Expenses:

General expenses have been controlled at a satisfactory level.

Expenses for the residents satisfactory which included Entertainment, Christmas and Birthday cards, Chiropody, and exercise.

A deficit has been recorded for the year of £5,689

Accumulated Funds:

The piano fund, which was established in 1998 by Spring Park Lodge, is separately identified as such in the accounts. Although the fund assets remain merged with those of the unrestricted Fund. There has been no expenditure in respect of the piano fund in the past seven years.

The value of the Friends shareholding in Group Santander has dipped this year.

As shown last year there is now a "permanent" reserve of £30,000 to enable the friends to continue to provide on-going support for the residents should there ever be a catastrophic decrease in income levels. This reserve fund is clearly earmarked on the account and separated from the accumulated Unrestricted Funds.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

Income from donations and grants, is recognised when the charity is entitled to the funds, the receipt is probable, and the amount can be measured reliably. For donations, this is usually on receipt. For grants, this is usually when a formal offer letter is made in writing, unless the grant contacts terms and conditions outside of the charity's control which must be met before the charity is entitled to the funds. Where such conditions exist, the income is deferred until those periods.

Income from other trading activities relates to fundraising events and is recognised once the fundraising event has been held.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are funds set aside by the trustees for a particular future purpose.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Fixed asset investments

Fixed asset investments are shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

The piano fund is a separately identified fund for the use of purchasing a new piano for the charity. A new piano was purchased during the 2023/24 financial year and so the fund has been reduced down to nil at the year-end.

The JTC 100 club fund is for a monthly lotto held by the charity. Members pay an annual membership to participate. All profits go directly to The Friends of James Terry Court and are used for the benefit of the residents of James Terry Court.

Trustees' Report Year to 31st March 2023

We have pleasure in presenting our report and the accounts of the Association of Friends of James Terry Court for the year to 31st March 2023.

Income:

As can be seen, income from Annual Family Membership up slightly on last year to £ 640.00 this year.

Donations and Patronage is £19,215.66 Higher than last year.

Dividends and bank deposit interest declined this year.

Fund Raising Events:

Our numerous fundraising events through 2022- 2023 generated a sum of £6843.49.

Expenses:

General expenses have been controlled at a satisfactory level.

Expenses for the residents amounted to £32,503.46 which included Entertainment, Christmas and Birthday cards, Chiropody, and exercise.

A deficit has been recorded for the year of £5,804.31.

Accumulated Funds:

The piano fund, which was established in 1998 by Spring Park Lodge, is separately identified as such in the accounts. Although the fund assets remain merged with those of the unrestricted Fund. There has been no expenditure in respect of the piano fund in the past seven years.

The value of the Friends shareholding in Group Santander has dipped this year.

As shown last year there is now a "permanent" reserve of £30,000 to enable the friends to continue to provide on-going support for the residents should there ever be a catastrophic decrease in income levels. This reserve fund is clearly earmarked on the account and separated from the accumulated Unrestricted Funds.

Association of Friends of James Terry Court
Examiners Report for the Year ended 31st March
2023

I have examined the Accounts presented to us for the year ended 31st March 2023 and am satisfied that the accounts are an accurate record of the transactions for the year ended 31st March 2023 and that the Balance Sheet is an accurate representation of the position at that date.

It has been a year of recovery after the national pandemic and the activities have been partially restarted. Total income amounted to £26,699.15 compared to £15,160.68 in the previous year.

The expenditure for the year amounted to £32,503.46 (£16,616.35 in 2022). This sum included equipment in the sum of £7,202.24.

The expenditure exceeded the income this year by £5,804.31 (£1,455.67 in 2022).

The overall financial situation of the Friends Association is very sound, and it has substantial reserves to cover any unexpected expenditure, part of the work in the current year should be to consider what the association feels those reserves should be used for.

I would like to congratulate Tania Tibbs for the way the records were presented, and the explanations received. I am pleased to recommend the adoption of the Accounts.
