Accounts Audit

The 2024/25 accounts were independently audited by a Restaurant Manager who has no links to the PTFA. They found the accounts to be precise and had no comments to add.

Financial Year 2025/26

We began the new school year with an amazing balance of £23,138.87. We will be preparing a full calendar of events and are confident that we will fundraise enough to cover the wish list from Holland Haven School.

The Friends of Holland Haven (FOHH) are the schools equivalent to a PTA. We are a registered charity (1023913) and we work to organise a variety of social and fundraising events throughout the school year.

The events we organise are to fundraise for items that fall outside of the school budget, yet are crucial to support both the pupils and the teachers in every day learning.

Our money is raised by holding various events, from school discos to secret shops for Mother's Day, Father's Day and Christmas, to Summer Fairs and dress down days. All our events are carefully planned to ensure all the pupils can be involved, and to help create fun memories from their time at the school.

In 2022/23 we funded the following items:

- Improving classroom reading environments and supplying new books
- The purchasing of new books for the school library
- The purchasing of core reading books for all years
- New headphones for years one to four
- Christmas Crackers for all of the pupils on Christmas Dinner Day
- Easter treats for all pupils
- Gifts for each pupil to commemorate the King's Coronation
- Funding to subsidise the cost of school trips to make them more affordable for parents
- Funding to improve the schools Courtyard.

For 2022/23, we made a total profit of £15,224.62. Our expenditure on items that we provided for the school totalled £12,499.79.
