Trustees' annual report for the year ended 31 December 2024

Statement of trustees' responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019).

In particular, charity law requires the trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the trustees are required to:

- prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business and
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the statutory responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that on the face of the report there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 17 September 2025.

Report of the independent examiner to the trustees of the charity on the accounts for the year ended 31 December 2024

I report to the trustees on my examination of the financial statements of the charity on pages 8 to 11 for the year ended 31 December 2024 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), and under the historical cost convention and the accounting policies set out on pages 12 and 13.

Respective responsibilities of the trustees and the independent examiner and the basis of the report

As described on page 5, you, the charity's trustees, are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:

- a) examine the financial statements of the charity under Section 145 of the Act and
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of independent examiner's statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide.

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the trustees of all material matters.

The Redeemed Evangelical Mission

Independent examiner's statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination and can confirm that:

This is a report in respect of an examination carried out under 145 of the Act and in accordance with directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

accounting records were not kept in respect of the charity as required by with Section 130 of The Charities Act 2011;

the financial statements do not accord with those records or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view, which is not a matter considered as part of an independent examination and

the financial statements have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2024

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as investment revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the trustees have obtained forecasts and, after reviewing the financial forecasts for future periods, the trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2024

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 5.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold property	2% straight line
Musical & church equipment	25% reducing balance
Fixture & fittings	25% straight line
Motor vehicles	25% straight line

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2024

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the church and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the church for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

There are no endowment funds.

2 Liability to taxation

The trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity and is therefore included in the relevant costs in the statement of financial activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Net surplus before tax in the financial year

	2024 £	2023 £
The net surplus before tax in the financial year is stated after charging:-		
Depreciation of tangible fixed assets	961	4,186

5 The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated. The church is grateful for the unflinching efforts of its volunteers who are involved in service provision, office work and administration. It is estimated that over 1,000 volunteer hours were provided during 2024. The arrangements with volunteers are difficult to value precisely in monetary terms and have not been recognised in the Statement of financial activities. The volunteers and the charity accept and agree that no contract of employment is created by these arrangements.

Trustees' annual report for the year ended 31 December 2023

Statement of trustees' responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019).

In particular, charity law requires the trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the trustees are required to:

- prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business and
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the statutory responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that on the face of the report there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 10 September 2024.

Report of the independent examiner to the trustees of the charity on the accounts for the year ended 31 December 2023

I report to the trustees on my examination of the financial statements of the charity on pages 8 to 11 for the year ended 31 December 2023 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), and under the historical cost convention and the accounting policies set out on pages 12 and 13.

Respective responsibilities of the trustees and the independent examiner and the basis of the report

As described on page 5, you, the charity's trustees, are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:

- a) examine the financial statements of the charity under Section 145 of the Act and
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of independent examiner's statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide.

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the trustees of all material matters.

The Redeemed Evangelical Mission

Independent examiner's statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination and can confirm that:

This is a report in respect of an examination carried out under 145 of the Act and in accordance with directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

accounting records were not kept in respect of the charity as required by with Section 130 of The Charities Act 2011;

the financial statements do not accord with those records or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view, which is not a matter considered as part of an independent examination and

the financial statements have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2023

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as investment revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the trustees have obtained forecasts and, after reviewing the financial forecasts for future periods, the trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2023

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 5.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold property	2% straight line
Musical & church equipment	25% reducing balance
Fixture & fittings	25% straight line
Motor vehicles	25% straight line

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2023

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the church and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the church for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

There are no endowment funds.

2 Liability to taxation

The trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity and is therefore included in the relevant costs in the statement of financial activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Net surplus before tax in the financial year

	2023 £	2022 £
The net surplus before tax in the financial year is stated after charging:-		
Depreciation of tangible fixed assets	4,186	56,638
Depreciation and amortisation of freehold property	84,783	84,783

5 The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated. The church is grateful for the unflinching efforts of its volunteers who are involved in service provision, office work and administration. It is estimated that over 1,000 volunteer hours were provided during 2022. The arrangements with volunteers are difficult to value precisely in monetary terms and have not been recognised in the Statement of financial activities. The volunteers and the charity accept and agree that no contract of employment is created by these arrangements.

Trustees' annual report for the year ended 31 December 2022

The charity's strategies for achieving its aims and objectives in the future.

The charity aims at building on its current achievements in effectively spreading the ethos, love and hope that Christian faith offers. It also aims at building upon its efforts of community involvement, in its bid to make our community and the larger world a better place for all.

The charity plans to develop various fundraising strategy to include community outreach. Besides community outreach and events, the charity is aiming to achieve its targets through securing donations from willing individuals. A development board may be created to help include other avenues of fundraising to be included in the yearly programme.

The contribution of volunteers during the year.

The church is grateful for the commitment and efforts of its volunteers who are involved in services provision. The church has over 23 volunteers who worked for more than 1,000 hours. These volunteers are committed to working in various departments within the church. The church continues to dispense the service of head of units and ministers to ensure that the best value is derived from the sterling efforts of the volunteers.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The members of the general trustee board are trustees for the purposes of charity law. New trustees may be appointed by resolution of a meeting of the trustees.

Much of the charity's work focuses upon the promotion of the Christian religion and the running and maintenance of its places of worship.

The general trustee board seeks to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body. To enhance the potential pool of trustees, the charity has through selective advertising and networking with voluntary organisations active in the sector, sought to indemnify those who would be willing to become members of the charity and use their own experience to assist the charity.

Trustees' annual report for the year ended 31 December 2022

Statement of trustees' responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019).

In particular, charity law requires the trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the trustees are required to:

- prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business and
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the statutory responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that on the face of the report there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 16 June 2023.

Report of the independent examiner to the trustees of the charity on the accounts for the year ended 31 December 2022

I report to the trustees on my examination of the financial statements of the charitable company on pages 8 to 11 for the year ended 31 December 2022 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), and under the historical cost convention and the accounting policies set out on pages 12 and 13.

Respective responsibilities of the trustees and the independent examiner and the basis of the report

As described on page 5, you, the charity's trustees, are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:

- a) examine the financial statements of the charity under Section 145 of the Act and
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of independent examiner's statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide.

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the trustees of all material matters.

The Redeemed Evangelical Mission

Independent examiner's statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination and can confirm that:

This is a report in respect of an examination carried out under 145 of the Act and in accordance with directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

accounting records were not kept in respect of the charity as required by with Section 130 of The Charities Act 2011;

the financial statements do not accord with those records or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view, which is not a matter considered as part of an independent examination and

the financial statements have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2022

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), effective January 2016, and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as investment revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the trustees have obtained forecasts and, after reviewing the financial forecasts for future periods, the trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2022

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 5.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold property	2% straight line
Musical & church equipment	25% reducing balance
Fixture & fittings	25% straight line
Motor vehicles	25% straight line

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2022

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the church and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the church for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

There are no endowment funds.

2 Liability to taxation

The trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity and is therefore included in the relevant costs in the statement of financial activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Net surplus before tax in the financial year

	2022 £	2021 £
The net surplus before tax in the financial year is stated after charging:-		
Depreciation of tangible fixed assets	56,638	55,967
Depreciation and amortisation of freehold property	84,783	84,783

5 The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated. The church is grateful for the unflinching efforts of its volunteers who are involved in service provision, office work and administration. It is estimated that over 1,000 volunteer hours were provided during 2022. The arrangements with volunteers are difficult to value precisely in monetary terms and have not been recognised in the Statement of financial activities. The volunteers and the charity accept and agree that no contract of employment is created by these arrangements.

Trustees' annual report for the year ended 31 December 2021

Statement of trustees' responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019).

In particular, charity law requires the trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the trustees are required to:

- prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business and
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the statutory responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that on the face of the report there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 13 August 2022.

Report of the independent examiner to the trustees of the charity on the accounts for the year ended 31 December 2021

I report to the trustees on my examination of the financial statements of the charitable company on pages 8 to 11 for the year ended 31 December 2021 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), and under the historical cost convention and the accounting policies set out on pages 12 and 14.

Respective responsibilities of the trustees and the independent examiner and the basis of the report

As described on page 5, you, the charity's trustees, are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:

- a) examine the financial statements of the charity under Section 145 of the Act and
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of independent examiner's statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide.

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the trustees of all material matters.

The Redeemed Evangelical Mission

Independent examiner's statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination and can confirm that:

This is a report in respect of an examination carried out under 145 of the Act and in accordance with directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

accounting records were not kept in respect of the charity as required by with Section 130 of The Charities Act 2011;

the financial statements do not accord with those records or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view, which is not a matter considered as part of an independent examination and

the financial statements have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as investment revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the trustees have obtained forecasts and, after reviewing the financial forecasts for future periods, the trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2021

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity. However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 5.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold property	2% straight line
Musical & church equipment	25% reducing balance
Fixture & fittings	25% straight line
Motor vehicles	25% straight line

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2021

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the church and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the church for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

There are no endowment funds.

2 Liability to taxation

The trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity and is therefore included in the relevant costs in the Statement of financial activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Net surplus before tax in the financial year

	2021 £	2020 £
The net surplus before tax in the financial year is stated after charging:-		
Depreciation of tangible fixed assets	55,967	55,267
Depreciation and amortisation of freehold property	84,783	84,783
Pension costs	-	271

5 The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated. The church is grateful for the unflinching efforts of its volunteers who are involved in service provision, office work and administration. It is estimated that over 714 volunteer hours were provided during 2021. The arrangements with volunteers are difficult to value precisely in monetary terms and have not been recognised in the Statement of financial activities. The volunteers and the charity accept and agree that no contract of employment is created by these arrangements.

Trustees' annual report for the year ended 31 December 2020

Statement of trustees' responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019).

In particular, charity law requires the trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the trustees are required to:

- prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business and
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the statutory responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that on the face of the report there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 09 July 2021.

The Redeemed Evangelical Mission

Report of the independent examiner to the trustees of the charitable company on the accounts for the year ended 31 December 2020

I report to the trustees on my examination of the financial statements of the charitable company on pages 8 to 11 for the year ended 31 December 2020 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), and under the historical cost convention and the accounting policies set out on pages 12 and 14.

Respective responsibilities of the trustees and the independent examiner and the basis of the report

As described on page 5, you, the charity's trustees, are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:

- a) examine the financial statements of the charity under Section 145 of the Act and
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of independent examiner's statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide.

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the trustees of all material matters.

The Redeemed Evangelical Mission

Independent examiner's statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination and can confirm that:

This is a report in respect of an examination carried out under 145 of the Act and in accordance with directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

accounting records were not kept in respect of the charity as required by with Section 130 of The Charities Act 2011;

the financial statements do not accord with those records or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view, which is not a matter considered as part of an independent examination and

the financial statements have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2020

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), effective January 2016, and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as investment revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the trustees have obtained forecasts and, after reviewing the financial forecasts for future periods, the trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2020

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity. However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 5.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold property	2% straight line
Musical & church equipment	25% reducing balance
Fixture & fittings	25% straight line
Motor vehicles	25% straight line

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

The Redeemed Evangelical Mission

Notes to the accounts for the year ended 31 December 2020

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the church and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the church for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

There are no endowment funds.

2 Liability to taxation

The trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity and is therefore included in the relevant costs in the Statement of financial activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Net surplus before tax in the financial year

	2020 £	2019 £
The net surplus before tax in the financial year is stated after charging:-		
Depreciation and amortisation of freehold property	84,783	84,753
Depreciation of tangible fixed assets	55,267	53,441

5 The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated. The church is grateful for the unflinching efforts of its volunteers who are involved in service provision, office work and administration. It is estimated that over 714 volunteer hours were provided during 2020. The arrangements with volunteers are difficult to value precisely in monetary terms and have not been recognised in the Statement of financial activities. The volunteers and the charity accept and agree that no contract of employment is created by these arrangements.
