Solicitor:	Herbert Smith Freehills LLP Exchange House Primrose Street London EC2A 2HS

Report of the Trustees

The Trustees are pleased to present their report together with the financial statements for the year ended 05 April 2021. The financial statements have been prepared in accordance with the accounting policies set out on page 14 and comply with the charity's trust deed and applicable law.

Structure, governance and management

The George Davies Charitable Trust (GDCT) is a registered charity, registration number 1024818, and is established under a trust deed dated 27 April 1995.

Trustees

The Trustees, who served during the year, were:

George William Davies
Barnaby Charles Davies
George Jeremy William Davies

A new Trustee may be appointed at any time provided that the total number of Trustees does not exceed four. A Trustee is appointed or discharged by a resolution of a meeting of the Trustees.

Objectives and activities

The principal object of the charity is to make donations to such charitable institutions as the Trustees may in their absolute discretion think fit, with an emphasis on medical and educational activities.

Achievements and performance

Throughout the year we have continued supporting the ongoing relationships we have with our Charities as well as reviewing requests we receive and reporting back on Charities we currently support. The Trust has a focus on health and education.

The trustees manage the day to day running of the Charity. This involves processing Charity paperwork and filing and replying to the many requests the Charity receives. Any potential Charities are visited by the Charity Director, where possible, for further exploration work ahead of presenting their feasibility for funding at Trustee Board Meetings.

The George Davies Charitable Trust remains passionate about supporting lesser well-known charities with a focus on health and education, with a hands-on supportive approach. In the period we have continued our ongoing support for Chitra Lane and The Leicester Hospital VaLS Clinic.

In the UK, the Trust has also supported Firefly Cancer Awareness, based in Doncaster. Providing support and free transport to local cancer patients to regional treatment hospitals. In January 2021, a donation of £5,000 was awarded to the Charity.

Also in the UK, The George Davies Charitable Trust has supported a local Doctors surgery - Barn Close Surgery, in their new building. Pledging a donation of £10,000 towards the build costs.

Report of the Trustees

The Trustees continue to enjoy a strong relationship with Maggie's Cancer Support Charity – During the period, a generous, one-off donation, of £250,000 was made toward the costs of an extension to their Cheltenham centre.

In January 2021, the Trustees agreed to support Birmingham Women's and Children's Hospital, to establish a Priority Setting Partnership (PSP) in congenital heart disease. The PSP will shape the future of congenital heart disease research in the UK for the next decade, providing a platform for clinical trials and other studies that will have a significant impact on the lives of patients and their families.

The Donation of £65,000 will be used to fund staff costs, James Lind Alliance advisors, promotional materials (surveys, website, and communications) and all costs associated with running the PSP workshops (e.g. venue hire, travel expenses etc).

It is anticipated that, following receipt of the donation, the PSP process would start in March 2021, and run for a period of 18 months.

In November 2017 The George Davies Charitable Trust was honoured to support the implementation of The Leicester Hospital VaLS Clinic – Pledging a generous £5,000,000. Initially this amount was to fund the project over 5 years, however as a result of controlled expenditure, the team at VaLS are confident this funding will be sufficient to take the project over six years to continue to treat patients with circulatory problems faster and more effectively, to prevent amputation.

Throughout the COVID-19 pandemic, the Trustees have been committed to continuing support in Health and Education – The George Davies Charitable Trust developed, purchased, and subsequently donated 2,000 sets of medical scrubs to help protect front line clinical staff in Leicester's Hospital's and 900 sets to 3rd & 4th Year Clinical medical students from the University of Leicester, with a total value of £12,480.

In Sri Lanka, The Trustees have also enjoyed their continuing support of The Chitra Lane Children's Resource Centre, receiving regular updates from the school throughout the year. Founded in 1967, The Chitra Lane School for the Special Child is a government approved charity that was first started as a day school for children with special needs. Today, they reach out to over 2,000 children and young adults annually across Sri Lanka providing much needed services and facilities for the early detection and intervention of disabilities. It has gained recognition island-wide and internationally for its comprehensive and well-structured training programme for intellectually challenged children. There are no agreements in place to continue funding, during the period, The George Davies Charitable Trust donated £74,165.00 to Chitra Lane.

A smaller donation was extended to Walk for Samaritans through Thrings Solicitors.

Financial review

Incoming resources during the year amounted to £2,178,475 (2020: £69,003), of which £2,139,598 (2020: £200) related to donations received, the balance to investment income. Resources expended amounted to £462,770 (2020: £149,842) of which £417,145 (2020: £109,250) related to charitable grants.

Report of the Trustees

Investment policy and performance

Julius Baer International Limited has continued with the policy of seeking to maximise total return through a diversified portfolio of assets (part discretionary and part execution only with Julius Baer advice). In the year to 5 April 2021 the Trust achieved a return on the investments held by Julius Baer (capital and income) of £448,215 in the year (2020: Loss £207,520). After considering the grants awarded and the expenses of the Trust, the unrestricted fund balance at the year-end was £3,696,549 (2020: £1,532,629).

Grant making and reserves policies

The Trust continues to make grants to local and national charities, at the discretion of the Trustees, in line with the charitable objectives.

The Trust's reserves are all unrestricted reserves. The Trust's policy on reserves is to apply the income and all or such parts of the capital for or towards such charitable institutions in such a manner that the Trustees think fit. The Trust Deed allows the Trustees to accumulate all or part of its income and hold the same as an accretion to its capital for a period of 21 years from the date of the Trust Deed (Clause 3.2 of the Charity's Trust Deed). On 4th November 2019 the Trustees resolved Clause 3.2 to be removed from the Deed as it was no longer applicable, and a Deed of Variation was submitted to effect this change.

The Trust is clear and transparent regarding the reserves held and does not actively seek fundraising or request donations, funding details for the Trust are set out below ('Funding').

The Trustees remain fully committed to supporting causes that meet the Charitable objectives of the Trust, they continue to actively reach out to such charitable institutions, as well as reviewing all applications for support received.

The reserves currently held allow the Trustees the flexibility to consider awarding Grants to large scale projects that require significant funding, as demonstrated by past significant projects supported by the Trust, this is something the Trustees are always willing to consider and are in a strong position to do so as funds held in Investments can be readily realised as cash, when required.

It is imperative to the Trustees that any significant Grants awarded are done so on the foundation of partnerships that have been built through not only strong communications, but by visiting the charitable institutions to gain a full understanding of the work carried out and the people that are involved. In doing so, the Trustees can continue their support beyond a financial transaction. During the pandemic no such visits have been able to take place. The Trustees have been in early communications with charitable institutions they could look to support once restrictions allow them to visit and formal proposals have been prepared, then ultimately considered by the Trustees.

Funding

It is the intention of Mr G W Davies to continue to fund the trust so as to enable it to fulfil its obligations. Significant fundraising activities are not carried out.

Public benefit

Report of the Trustees

The Trustees confirm that they have referred to the information contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's objectives and activities, plans for future periods and grant making policy. The Trustees consider that their grant giving policy benefits many members of the public with diverse needs.

Plans for the future

The impact of COVID-19 on the ongoing activities of the Trust have been mainly unaffected. Some meetings of the Trustees have been postponed due to the Clinical vulnerability of one of the members however efforts have been made to limit the impact this has on its activities and the Trust remains fully committed to considering all applications for support received and supporting its current projects remotely.

The Trust will continue to pursue similar objectives and carry out similar activities to those in previous years. It will continue to support charities in line with its primary focus on education and health.

Risk Management

The Trustees consider and assess the major risks to which the Trust may be exposed, in particular those related to its activities and finances, and are satisfied that systems are in place to mitigate exposure to such major risks, including those associated with a diversified portfolio.

Trustees' responsibilities for the financial statements

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and regulations.

The Charities Act 2011 requires the trustees to prepare financial statements for each financial year. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019). The Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice "Accounting and Reporting by Charities", the SORP applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the trust deed.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Trustees

Approved by the Trustees and signed on their behalf by:

A handwritten signature in dark ink, appearing to read 'G W Davies', written in a cursive style.

G W Davies – Trustee

Date: 29 September 2021

Report of the Independent Auditors to the trustees of The George Davies Charitable Trust

Opinion

We have audited the financial statements of The George Davies Charitable Trust for the year ended 5 April 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 5 April 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statement and our auditor's report thereon. The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we

Report of the Independent Auditors to the trustees of The George Davies Charitable Trust

identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under the Act and relevant regulations made or having effect thereunder. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards of Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

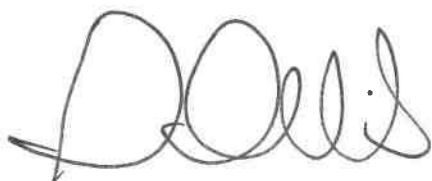

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report of the Independent Auditors to the trustees of The George Davies Charitable Trust

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with the Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements

1. Accounting policies

Basis of preparation

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Second Edition – Effective 1 January 2019). The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast a significant doubt on the ability of the Charity to continue as a going concern. The Trustees make this assessment in respect of a period of one year from the date of approval of the financial statements. On review, the Trustees have concluded that they are to adopt the going concern basis in preparing the annual financial statements.

Income and expenditure

All income is recognised in full in the statement of financial activities when receivable. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

Grant awarded

Grants offered subject to conditions which have not been met at the year-end date are noted as a commitment but not accrued as expenditure.

Creditors

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

Cash at bank in hand

Cash at bank includes cash on hand and other short term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Listed investments

The investment portfolio is managed by one Investment Asset Manager. Income arising on investments, which has not been transferred to the Trust, is shown as a current asset.

Notes to the Financial Statements

Listed investments are included in the accounts at a value based on either the last traded price or a bid price basis depending on the market convention for that Exchange. The market value in local currency is calculated by multiplying the current holding by the current market price. The value in base currency is derived by dividing local value by the exchange rate (if applicable). Realised and unrealised gains and losses are retained in the relevant fund.

Unrealised gains or losses are recognised during the year in accordance with provisions of the SORP.

Fund accounting

The general funds consist of accumulated surpluses and other funds which the charity may use for any purposes at its discretion.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the Charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements

No significant judgements have been made by the Trustees in preparing these financial statements.

Key sources of estimation uncertainty

No key sources of estimation uncertainty have been identified by the Trustees in preparing these financial statements other than those detailed in these accounting policies.

Notes to the Financial Statements (continued)

2. Income from investments

	2021 £	2020 £
Within the UK:		
Listed fixed asset investments	38,877	68,803
	<u>38,877</u>	<u>68,803</u>

3. Donations received

	2021 £	2020 £
G W Davies – Cash Donation	920,000	-
HMRC Charities – Gift Aid Donation	230,000	-
G W Davies – Non Cash Donation	983,798	-
Other	5,800	200
	<u>2,139,598</u>	<u>200</u>

4. Grants included in direct charitable expenditure in the year

There were 8 (2020, 2) grants in the year to institutions totalling £417,145 (2020, £109,250) which included material grants made to institutions as follows:

	2021 £	2020 £
Maggies	250,000	-
Chitra Lane School	74,165	101,500
Birmingham Womens and Childrens Hospital	65,000	-
Donation of Scrubs to Leicester Hospital & University	12,480	-
Rainbow Centre	-	7,500
New Barn Close Surgery Charity	10,000	-
Firefly Cancer Awareness and Support	5,000	-
Other grants during the year	500	250
Total grants	<u>417,145</u>	<u>109,250</u>

No grants were paid to individuals during the year.

Other grants included £500 to Thrings Walk for Samaritans

5. Governance costs

	2021 £	2020 £
Investment management fees	33,042	46,117
Auditor's fee	4,800	4,416
Administrative costs	308	2,858
Exchange (gain)/loss	7,475	(12,799)
	<u>45,625</u>	<u>40,592</u>

Notes to the Financial Statements (continued)

6. Payments to Trustees and connected persons

No remuneration was paid during the year to Trustees, or persons with a family or business connection with a Trustee. Trustee expenses of £298 (2020: £338) were paid during the year.

7. Related party transactions

During the year costs relating to the Charity totalling £Nil (2020: £Nil), paid by S'Porter International Ltd, were recharged to the Charity and the balance was due at year end. S'Porter International Ltd is related because a Trustee of the Charity is a Director of that company. There was no balance due to or from any other related party at the year end.

During the year there were no donations received from companies and employees of companies £Nil (2020: £Nil) controlled by one of the Trustees (listed in Note 3).

8. Fixed asset investments

	Shares and Securities	Total investment assets
	£	£
Market valuation or cost		
At 6 April 2020	753,552	753,552
Additions at cost	6,753,450	6,753,450
Disposal proceeds	(3,935,491)	(3,935,491)
Donation from G W Davies (See note 3)	983,798	983,798
Net (loss)/gain on investments	448,215	448,215
At 5 April 2021	<u>5,003,524</u>	<u>5,003,524</u>
Cost		
At 6 April 2020	<u>729,582</u>	<u>729,582</u>
At 5 April 2021	<u>4,706,620</u>	<u>4,706,620</u>

The analysis of investments is as follows (market valuation at 5 April 2021):

	£
Assets held in UK	634,672
Assets held outside UK	<u>4,368,852</u>
Total	<u>5,003,524</u>

No single investments represented more than 5% of the value of the portfolio (market valuation at 5 April 2021).

Notes to the Financial Statements (continued)

9. Liabilities:

A: amounts falling due within one year

	2021	2020
	£	£
Grants payable	1,005,000	1,000,000
Accruals	4,452	4,200
