Section B Structure, governance and management

Description of the charity's trusts

Type of governing document

Constitution.

How the charity is constituted

Unincorporated Association

Trustee selection methods

Trustees are elected annually at the Annual General Meeting.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Annually, new trustees are supported and inducted by the outgoing trustees via a handover process concerning the affairs of the charity.

There is a committee of supporters that assist the Trustees and provide advice support and continuity for the charity.

Trustees are encouraged to participate in development opportunities provided by the Yorkshire Federation of Young Farmers' Clubs. The templates and resources for this are provided by the National Federation of Young Farmers' Clubs and additional information is provided by the county federation of YFCs.

The charity is affiliated to the Yorkshire Federation of Young Farmers' Clubs and the National Federation of Young Farmers Clubs. Together these form a network of clubs throughout England and Wales for young people aged 10 to 26 years.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the charity are:

1. To advance the education of young members of the public at large in their knowledge of agriculture, crafts, life skills, rural affairs and country life,
2. In the interests of the social welfare of such members to provide and promote the provision of facilities for recreation and other leisure time occupations, being facilities which will improve their conditions of life and will assist in the development of their spiritual and mental capacities, self-reliance and individual responsibility so that they may grow to full maturity as individuals and members of the community.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Trustees confirm that they have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake.

[add a balanced statement on the club programme that have delivered the charity's objects over the last year]

The charity recruits its members from a significant section of the community at large. Everyone aged 10 to 28 years can be a member of the Easingwold YFC in order to participate in activities and discussions that increase their knowledge of agriculture, crafts rural affairs and country life. The charity actively recruits its members, aged 10 to 28 years, from a catchment area of 10 miles of Easingwold.

The club activities also contribute to and create leisure activities for members and on occasion for the rural community in which the charity operates. The community around the charity benefits from our members being active citizens that contribute to the rural community.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

[consider adding a summary of the hours that club members have volunteered, including to run the YFC plus a broad brush estimate of the financial value of this contribution. That is useful information to include in the Trustees' Annual Report for several reasons:

- It provides the opportunity for the charity publicly to acknowledge, and express appreciation for, the contribution of its volunteers – the true scale of which often goes unrecognised, or under-estimated
- It provides a basis for demonstrating the "multiplier factor" of its volunteer contributions – ie their donations of unpaid time are increasing the financial value of the charity's outputs & outcomes by the amount that the charity, another charity or perhaps the local authority would otherwise have had to pay employees to do the same work]

EACH MEMBER VOLUNTEERS A MINIMUM OF AN HOUR AND A HALF EACH WEEK, PLUS ADDITIONAL TIME FOR WEEKEND FUNDRAISING AND COUNTY RALLIES.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

[add a balanced statement on the club programme over the last year and how this has contributed to the learning, leisure, community and environmental activities and achievements of YFC members, and to the public at large in their knowledge of agriculture, crafts, life skills, rural affairs and country life].

(Optional) Contributing to activities run by other organisations [add information here about any collaborative working with the county federation, NFYFC and all other organisations, with similar objectives, that have helped the club or that the club has helped during the year]

Section E

Financial review

Brief statement of the charity's policy on reserves

[Check this statement is correct for your YFC]

The charity's policy on reserves is to generate and maintain a reserve which will allow sufficient funds to:

- maintain the financial viability of the Charity in the event of unforeseen and/or unavoidable circumstance that brings a short-term fall in its income;
- to permit the Charity, in the interests of meeting its charitable objectives, to from time to time establish a new and innovative project on a project basis to demonstrate the feasibility of such activities as a test to maintaining such projects on an on-going basis.

For these purposes the Charity will endeavour to maintain reserves which are at least 50% of its annual turnover.

Details of any funds materially in deficit

The charity has no funds which are materially in deficit.

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

[add a note about the key sources of income and regular or significant outgoings]

REGULAR OUTGOINGS ARE HIRING OF A HALL FOR MEETINGS AND AFFILIATION FEES.

REGULAR INCOME IS FROM MEMBER FEES, AND TWO ANNUAL EVENTS, XMAS TREE COLLECTION AND MUCK CHUCK
