TRUSTEE'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2024 (continued)

Trustees' responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the accounts in accordance with applicable law and UK Generally Accepted Accounting Practice.

Company law requires the trustees to prepare the financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income & expenditure, of the charity for that period. In preparing these financial statements the trustees are required to:

- a. select suitable accounting policies and then-apply them consistently,
- b. observe the methods and principles in the Charities SORP,
- c. make judgements and estimates that are reasonable and prudent,
- d. state where applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements and,
- e. prepare the financial statements on a going concern basis unless it is inappropriate to assume that the charitable company will continue in operation.

The trustees have overall responsibility for ensuring that the charitable company has appropriate systems of control, financial and otherwise. They are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with statutory requirements. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Charity Provisions

The trustees have opted to prepare receipts and payments accounts as the charity is a non-company charity which had an income of £250,000 or less in the reporting period.
