The Charity Commission

Dear Sirs

**1<sup>st</sup> Stoke Climsland Scout Group**

**Charity Commission No 1026915**

**Accounts 2021/2022**

The Group's accounts for the year 2021/2022 have exceeded £25,000.

Part of the reason for this is that this is a large and very popular Scout group, consisting of four sections (Beavers, Cubs, Scouts and Explorers). To help with Group running costs, subscriptions are raised from members and the income from these in the year in question represents almost £7,000.

Approximately every other year the Group makes a claim for Gift Aid on appropriate monies and the application in the 2021/2022 twelve-month period resulted in just over £4,000 being received.

The Group's donations/grants resulted in an income of nearly £11,000, most of which was from Covid grants.

A significant amount – nearly £14,000 – relates to camps and camping, which is a mainstay of the Group and a vitally important part of Scouting, which all sections take part in. This activity has been particularly popular following a return to Scouting after Covid.

Yours faithfully

K A Williams (Mrs)
