Holding and Managing Trustees

Having taken advice and to ensure continuity of the position of Holding Trustee Peter Clay has been replaced by the Official Custodian for Charities. This decision was approved at a meeting of the Managing Trustees on the 23rd of February 2022 and Peter Clay was informed in writing. Thanks go to Peter and his family for the gift of the Hall and Peter's time as Holding Trustee.

At the Hall AGM on the 25th of May 2022 the following members of the Parish were confirmed as Managing Trustees.

Dawn Scull - Chair

Alison Thompson - Secretary

Geoff Evans - Treasurer

Chris Allen - Vice Chair

Joe Thompson

Richard Garnett

Rev Chris Moore

John Jones

In accordance with the conveyance and Trust Deed:-

Dawn Scull represents the WI,

Chris Allen represents the Parish Council

Rev Chris Moore represents the Church

The Cricket Club was represented by John Jones

Subsequently John Jones resigned as a Trustee but will remain as a committee member representing the Cricket Club and Richard Garnett also resigned as a Trustee but will continue to advise the committee on matters relating to our conveyance and trust deed. These changes were confirmed at our meeting of 27th July. Sarah Hollis and Hazel Wood were elected as Trustees at the same meeting.

Our Activities and Support to the Village

The Hall will continue to provide a meeting point for villagers.

During the year the activities available have expanded considerably so that more of the residents can take advantage of the facilities and engage with more of their fellow residents.

In order to support this the Hall has required some considerable updating and work continues this year.

With the advantage of reserves accrued over the years and Grants from various sources the majority of the Hall roof has been renewed this year to prevent leaks

and update insulation. In particular the Herefordshire Council Climate and Nature Grant Scheme has supported this work and we will report over this year on the improvements to our energy efficiency and spread the word to all villagers to encourage energy efficiency actions throughout the Parish.

We have also redecorated the Hall, upgraded the facilities for table tennis and badminton. We now also provide a childrens play area as well as improving the Hall technology to further expand our offerings to our community. All of this to enable us to make the hall facility and activities appealing to all generations.

We continue to seek support to upgrade the Tennis Court.

During the year we closed an account with Birmingham Midshires and transferred the money to our HSBC Bank Account. The amount transferred was £5601.99 against the amount previously shown in our accounts as £4948.53. The difference of £653.46 is assumed to be interest but we have no records to validate that as the account has been dormant for at least 10 years.

During this financial period we have received 5 Grants totalling £23,664.70. Our other income totalled £2,836.45 so we remain dependant on Grants to deliver our plans. Our HSBC Bank account stood at £43,117.06 and Total Net Assets at £43,502.48.

The yearend Balance sheets are detailed below together with the supporting Income and Expenditure records.

Brockhampton Parish Hall
c/o Geoff Evans (Treasurer)
Brockhampton
Herefordshire
HR1 4SG

Dear Chairperson,

Ref: Independent Examiner's Report

This letter acts as my report to the Brockhampton Parish Hall Trustees following on from my examination of the accounts and supporting documentation for Brockhampton Parish Hall for the year ended 31st March 2022.

I have undertaken the examination and completed this report as a qualified member of the Institute of Certified Bookkeepers.

My review indicated that during the year a Birmingham Midshires Account was closed and the funds transferred to the HSBC Bank Account. However, there is no record of the Interest Received on the Midshires Account prior to the account being closed. I would recommend that this be reported to the Trustees.

The above withstanding, I can confirm that during my examination, no material matters came to my attention. I therefore have no concerns, nor have I come across any matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your sincerely

Steve Wardle AICB
(Practice No. 18486)
