From 01/09/2024 To 31/08/2025

Charity name: The Ashford School Parents and Friends Association

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the all round development of pupils attending Ashford School in any of its constituent parts by engaging in any activities which support the school. To promote the experience of pupils attending the school. To encourage the relationship between Ashford School and the wider community and to support the schools strategic direction.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The main activities undertaken by the PFA for the period were: Christmas Fair - This has become an annual event hosted by the PFA which is open to the whole school community and the general public. Small local businesses have stalls at the event to advertise and sell their products. The Coffee Box – The PFA run a regular morning a week of selling coffee and other hot drinks from the horse box. The Coffee Box has also hosted other events this year. Various Sports Days selling cakes and drinks. End of Half Term treat sales selling treats such as hot chocolate, lollies and candy floss at the end of each half term and also Arts Week – selling drinks and snacks to parents attending the Arts Week events. The Coffee Box has been very well received and helps keep the PFA visible at the Schools. School Disco – The school disco is now a staple event on the PFA events calendar. It remains a highly popular event each year. 100 Club – Although the number of participants fluctuates through the year, the

		100 club is still a popular and profitable venture. Uniform Shop – The PFA runs the secondhand uniform shop which sells good condition secondhand uniform. Parents donate uniform and the profits made on sales go directly to the PFA to generate funds. The shop provides an invaluable service to parents. This uniform shop turnover has been impacted slightly due to the change in compulsory uniform from the school. Wreath Making Workshop – Members spend an evening with a florist learning the skill of wreath making. This has proved a very popular and profitable evening. Quiz Night – A new event for this financial year which was well received and made a small profit.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In dealing with the Charity, the trustees have had due regard to the guidance issued by the Charity Commission as regard to the public benefit. Each trustee has received and read the guidance “Public benefit” – PB1, PB2 and PB3. The trustees would like to thank all the volunteers who have supported the PFA this year without who many of the events held and the running of the school uniform shop would not have been possible.

Achievements and Performance

	SORP reference	
		This year the PFA made a surplus from our activities after costs of £15,879, which is on

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	par with previous years. As in previous years much of this surplus is made up from our fundamental recurring activities of the Christmas Fair, School Uniform shop, 100 Club and the combined events with the Coffee Box. You will note the continued success of the Christmas Fair, where both the income and expenses have increased resulting in a profit amount which was similar to previous years. The School Uniform shop initiative is still a great source of income for the PFA, and income has slightly dipped from previous years, which may coincide with compulsory change in some uniform items from September 2024. A new Quiz night was added to the PFA events agenda for this year and was a successful evening which turned a small profit. The Coffee Box activities continue to be a great success again with a profit of £1,746. The surpluses within this category are made up of the new end of term PFA hot chocolate and treat sales, our attendance at a number of Sporting events, the Arts Week appearance and not to mention the regular opening of the Coffee Box for morning coffee. Both these events and others like them during the year are great achievements for the PFA in terms of meeting our objectives of encouraging a relationship between Ashford School and the wider community as well as raising funds to enhance the development of the children attending the School. This year the PFA have made donations to the School directly of £17,083 for equipment and activities. Donations to the School were used for the following items, all of which enhance the School experience for the pupils and enrich the activities they partake in: • Replacement 3D Printers x 3 • Special Games • Outdoor musical equipment • Grass Outdoor Sofa • Replacement Outdoor resources
--	------------------	---

		• Seating Area for Reception • Senior School Race Car - Shed and Battery Charger • Pop Lacrosse • Wellbeing Day • Bee keeping • Bridge Nursery Allotment Project • Food Studies, Ninja double stack and air fryer • Learning enhancement snug – SS • Stem investigation area • Pavillion Refurbishment • Robotics Kits • Library - PS - Harry Potter and various The items purchased from the donations will support the education and welfare of pupils attending Ashford School and other groups using the facilities.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity has ensured that its financial position and closing funds remain buoyant this year. Funds carried forward are to ensure that the PFA has enough working capital to fund future fundraising and to ensure the long-term viability of the PFA. The amount of available funds will also be used when reviewing funding requests from the School at the in meetings during 2025.

Trustees' Annual Report for the period

From 01/09/2023 To 31/08/2024

Charity name: The Ashford School Parents and Friends Association

Charity registration number: 1029241

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the all round development of pupils attending Ashford School in any of its constituent parts by engaging in any activities which support the school. To promote the experience of pupils attending the school. To encourage the relationship between Ashford School and the wider community and to support the schools strategic direction.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The main activities undertaken by the PFA for the period were: Christmas Fair - This has become an annual event hosted by the PFA which is open to the whole school community and the general public. Small local businesses have stalls at the event to advertise and sell their products. The Coffee Box – The PFA run a regular morning a week of selling coffee and other hot drinks from the horse box. The Coffee Box has also hosted other events this year. Various Sports Days selling cakes and drinks. End of Half Term treat sales selling treats such as hot chocolate, lollies and candy floss at the end of each half term and also Arts Week – selling alcoholic drinks, soft drinks and snacks to parents attending the Arts Week events. The Coffee Box has been very well received and helps keep the PFA visible at the Schools. School Disco – Following the success of bringing back the School disco in 2022 the PFA widened attendance of the event in 2023 to include Years 5 and 6, creating extra income. This was very popular with 95% attendance across all the years (R-6).

		100 Club – Although the number of participants fluctuates through the year, the 100 club is still a popular and profitable venture. Uniform Shop – The PFA runs the secondhand uniform shop which sells good condition secondhand uniform. Parents donate uniform and the profits made on sales go directly to the PFA to generate funds. The shop provides an invaluable service to parents. This uniform shop turnover has been impacted in part by the decision to slim down the stock and keep in storage rather than having a dedicated shop area, however, it is still a very profitable initiative. Christmas Cards – The PFA ran the popular Christmas Card event again this year where each child's artwork was made into Christmas Cards, which parents could purchase to help raise funds for the PFA. Wreath Making Workshop – Members spend an evening with a florist learning the skill of wreath making. This has proved a very popular and profitable evening.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In dealing with the Charity, the trustees have had due regard to the guidance issued by the Charity Commission as regard to the public benefit. Each trustee has received and read the guidance "Public benefit" – PB1, PB2 and PB3. The trustees would like to thank all the volunteers who have supported the PFA this year without who many of the events held and the running of the school uniform shop would not have been possible.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During the year the PFA has made a surplus of over £17,000, raising these funds from social events, donations, 100 club draws and secondhand uniform shop sales. The Christmas Fair built on the success of the previous year, generating more income. However with higher costs, the funds raised were equivalent to the previous year. There were visitors from the School community but also the general public. The now bi-annual Comedy night was undertaken this year and was a great social event for parents, friends and teachers alike, but doesn't produce a great profit. Both these events and others like them during the year are great achievements for the PFA in terms of meeting our objectives of encouraging a relationship between Ashford School and the wider community as well as raising funds to enhance the development of the children attending the School. This year the PFA have made donations to the School directly of £11,863 for equipment and activities. Donations to the School were used for the following items, all of which enhance the School experience for the pupils and enrich the activities they partake in: Green Power Car Racing Kit – allow pupils at the Senior School to design, build and race a green powered car. Prep School Play Equipment - to ensure broad playing options at play time. Books for Prep School Library - non-fiction books to help replace well used books. PlayStation 5 – For use by the boarders in the Senior School Year 6 Leavers Yearbooks – now a regular feature on the donations from the PFA, the Yearbooks for the Year 6 leavers from the Prep School

		Stables Nursery library corner - creation of a Library Corner in the hub area at Stables Nursery. Stables Nursery Sensory garden Cricket Covers – Mobile cricket pitch covers for Prep and Senior schools to protect the pitches from inclement weather. Lego / Construction / Building Kits – for the Prep School. 3D Printing Pens Meat Grinder – for use within the Senior School Pickleball Equipment – Pickleball sports equipment for the senior school. Drums for KS3 Music The items purchased from the donations will support the education and welfare of pupils attending Ashford School and other groups using the facilities.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the all round development of pupils attending Ashford School in any of its constituent parts by engaging in any activities which support the school. To promote the experience of pupils attending the school. To encourage the relationship between Ashford School and the wider community and to support the schools strategic direction.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The main activities undertaken by the PFA for the period were: Christmas Fair - This has become an annual event hosted by the PFA which is open to the whole school community and the general public. Small local businesses have stalls at the event to advertise and sell their products. The Coffee Box – The PFA run a regular morning a week of selling coffee and other hot drinks from the horse box. The Coffee Box has also hosted other events this year. Various Sports Days selling cakes and drinks. End of Half Term treat sales selling treats such as hot chocolate, lollies and candy floss at the end of each half term and also Arts Week – selling alcoholic drinks, soft drinks and snacks to parents attending the Arts Week events. The Coffee Box has been very well received and helps keep the PFA visible at the Schools. School Disco – The PFA have brought back the annual School disco for Prep School. This was very popular with 95% attendance across all the years (R-4). Following this success the November 2023 will also include years 5 and 6.

		100 Club – Although the number of participants has reduced slightly, the 100 club is still a popular and profitable venture. Uniform Shop – The PFA runs the secondhand uniform shop which sells good condition secondhand uniform. Parents donate uniform and the profits made on sales go directly to the PFA to generate funds. The shop provides an invaluable service to parents. This uniform shop turnover has been impacted in part by the decision to slim down the stock and keep in storage rather than having a dedicated shop area, however, it is still a very profitable initiative. Christmas Cards – The PFA ran the popular Christmas Card event again this year where each child's artwork was made into Christmas Cards, which parents could purchase to help raise funds for the PFA. Wreath Making Workshop – Members spend an evening with a florist learning the skill of wreath making. This has proved a very popular and profitable evening.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In dealing with the Charity, the trustees have had due regard to the guidance issued by the Charity Commission as regard to the public benefit. Each trustee has received and read the guidance "Public benefit" – PB1, PB2 and PB3. The trustees would like to thank all the volunteers who have supported the PFA this year without who many of the events held and the running of the school uniform shop would not have been possible.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During the year the PFA has made a surplus of over £18,000, raising these funds from social events, donations, 100 club draws and secondhand uniform shop sales. The Christmas Fair built on the success of the previous year raising over £1,400 more than the previous year. There were visitors from the School community but also the general public. The 125th Anniversary Ball was a big undertaking which took a lot of effort from members of the PFA. The event was a huge success and very enjoyable, marking the 125th Anniversary of Ashford School. Both these events and others like them during the year are great achievements for the PFA in terms of meeting our objectives of encouraging a relationship between Ashford School and the wider community as well as raising funds to enhance the development of the children attending the School. This year the PFA have made donations to the School directly of £17,395 for equipment and activities. They have also made a donation to the Ashford School Foundation of £2,500. Donations to the School were used for the following items, all of which enhance the School experience for the pupils and enrich the activities they partake in: Update of the Quad play area – for Pre-Prep children – enhancing the Quad area and making play time more interactive Swimming lane lines and starting blocks – Senior School – upgrading the swimming pool for better competition equipment Canopy for the Forest School - Prep School – this will allow the Forest School area to be utilised more fully even during inclement weather Netball post protectors and hockey goals - refreshing the look of the sporting courts and pitches

		Bean bags in the Global Perspectives area, allowing the children a comfortable and quiet area to relax Equipment to host a School Colour Run – a fun way to end the Summer term The items purchased from the donations will support the education and welfare of pupils attending Ashford School and other groups using the facilities.
