CHAIR'S REPORT 2024/25

I am absolutely delighted to report to you that Croydon u3a is going from strength to strength. Our membership is increasing steadily, this 'new blood' being vital for our sustainability. The local publicity delivered by social media and articles in neighbourhood magazines and your word-of-mouth promotions have all contributed. The New Member Coffee Mornings and the Welcome Group at Monthly Meetings ensure that we are inclusive and friendly. A recent speaker at a Monthly Meeting specifically commented that we are the friendliest and most diverse u3a he has been to. And he added that he had been to a lot! I must thank Sally, our Speaker Secretary, who puts together our varied and interesting programme for the Monthly Meetings.

The new website has developed since December 2024 when the old platform was closed down. We have a great team of members who have established the new site and are keeping it fresh and engaging. The two main functions of the website are – a reference point for members and a marketing tool. It is our 'shop window' for anyone interested to find out who we are and what we do and therefore has to look good!

The number of new Interest Groups and short courses has continued to develop, broadening the scope of social non-formal learning with low costs. The Committee always welcomes ideas and suggestions for new groups and for creating parallel groups when some are full. I am very grateful to the Interest Group team.

The Travel Team leaders, Linda and David, deserve a special mention. The outings and short breaks that are arranged for us are brilliant. They manage to put together such an interesting and varied programme, with such enthusiasm and attention to detail, assisted by the rest of the team.

The policy of sending Bulletins, Croydon Magazine and news by occasional emails was agreed with the aim of keeping costs down but also actioning our environmental commitment. If you didn't know about this please visit our statement of Commitment to Environmental Concerns which I am proud to tell you has been adopted by other u3as and was used as the basis for the national u3a policy.

https://croydonu3a.org.uk/imgs/croydon_u3a_commitment_to_the_environment_statement83138.pdf We also have a separate website dedicated to climate concerns which is well worth a look - <https://u3acroydon.weebly.com/>

My role as Council Representative for the London Region continues to develop and it is my continuing privilege to visit other u3as, learn from them and share our good practice.

I would like to register my grateful thanks to our Committee Members and Volunteers who are the essential 'ingredients' of our success.

Very best wishes for another successful year

Jenny (Jenny Wilson)

TREASURER'S REPORT 2024/25

We end the year with a very healthy balance again. We have £21665 in our General Fund which is more than last year. This is mainly because of an increase in membership and less expenditure on sending bulletins and magazines by post. The Travel Team fund is £6656. A large amount of this money is owed to various companies to pay for trips that have not yet taken place. The Venue Hire fund is £1488. This is money that is held in credit for interest groups to cover their expected venue hire expenses over the next year.

You are increasingly moving towards bank transfers rather than cheques when paying money to us. Please note that the Metro account 13630054 is only for paying in MEMBERSHIP FEES and Metro account 13630003 is for all other transactions you make. **Also, please make sure you add a reference to any payment you make.** I can receive hundreds of payments a month and need to be able to understand what each one is for. I must stress that both the above accounts are safe accounts even if your bank doesn't always recognise them when you are making a payment.

Please consider Gift Aiding if you do not already do so and you are a UK tax payer. You can Email me at pscsc@msn.com if you are not sure whether you Gift Aid or whether you want a form to sign and I will send one to you with a SAE. We can then claim back 25% of your membership fee each year.

Finally, I would like to thank Peter Cload, our financial examiner, for the work he has done on the accounts. Also thank you to all of you who have dealt with me over the past year in such a positive and co-operative way. I wish you a happy and healthy year with Croydon u3a.

Independent Examiner's Report to the Management Committee

This report on the financial statements of the University of the Third Age, Croydon Branch, is for the year ended 31st July 2025, which are set out on pages 2 to 4.

Respective responsibilities of trustees and examiner.

As the members of the management committee, you are responsible for the preparation of the financial statements. You consider that an audit is not required for this year under section 144 of the Charities Act 2011 (The Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act
- To follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- To state whether particular matters have come to my attention.

Basis of this report

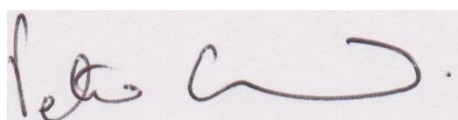

My examination was carried out in accordance with the general directions given by the Charity Commission. That examination includes a review of the accounting records kept by the charity and a comparison of the accounts with those records. It also includes considering any unusual items or disclosures in the financial statements and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with section 130 of the Charities Act;
 - to prepare financial statements, which accord with the accounting records and to comply with the requirements of the Act have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

For the Year Ended 31st July 2025

Accounting Policies

The financial statements have been prepared in accordance with the Charities Act 1993, together with applicable accounting standards.

The financial statements have been prepared under the historical cost convention. The financial statement includes all transactions, assets and liabilities for which the Committee is responsible in law.

Funds

Unrestricted funds are general funds which can be used for the Committee's ordinary purposes.

Designated funds are funds set aside by the committee for a particular project. Funds so designated may be pre-designated by the committee and so designation does not prevent funds being spent on any other purpose.

Restricted funds represent donations, fundraising and grants received for a specific object or invited by the committee for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund.

Incoming Resources – Receipts

Membership fees and venue fees are recognised in the year they are due. Tax refunds are recognised when they are received. Grants and legacies are accounted for when the committee is legally entitled to the amounts due. All other income is recognised when it is receivable. All income resources are accounted for gross.

Resources Expended – Payments

All expenditure is generally recognised when it is incurred and is accounted for gross.

Fixed Assets

Fixed assets are written off in the year in which they are acquired.

CROYDON u3a

Chair's Annual Report 2023-2024

I hardly know where to start as I am so proud of Croydon u3a. We have a fantastically friendly, diverse and talented membership, which has been increasing steadily and gently.

Our Interest Groups continue to evolve and branch out on different ventures with new members coming forward to lead and support them. Our Monthly Meetings are well supported and reflect a good range and variety of topics and speakers. The quality of these presentations is outstanding, and all the guest speakers tell me afterwards how much they have enjoyed their visit, what a friendly bunch we are and what good questions we always have. I know they are not just saying that to be kind! I would like to record my thanks to Sally Bitten who works hard to provide us with the programme of talks. She does a mighty fine job.

I was pleased that we were able to contribute to the hedge planting in South Croydon earlier this year. The interest in this project followed on from our earlier fund raising for the trees on Breacon Beacon for the late Queen's Green Canopy and the walking many of us undertook to support Croydon's Walk4Trees as we liaised with

Croydon Climate Action. This climate awareness was also seen when members took part in the Restore Nature Now Rally in London in June. u3a were there adding their voices to the requests for policies and practices to be kinder to the planet.

Three other major projects we have been part of started with The 100 Faces of Croydon, where 5 members were selected to be representatives.

When 2 Dutch students decided to write their BA thesis about the power of social connections in alleviating loneliness, they came to Croydon for 10 weeks. They met many of you in groups, at the Monthly Meetings and in small focus settings. They are now graduates of Cultural Anthropology having scored 75% for their submission. I hope you were able to read my page in the u3a matters summer issue, where I referred to the value of intergenerational conversations.

We had hardly drawn breath when we were asked to host a delegation of 8 high powered professionals from Taiwan. They were only with us for one day, but were able to see 3 groups and meet 46 members to find out how the u3a works and Croydon in particular.

They left us in awe of the fact that we are a volunteer-led organisation, with no entry requirements or qualifications to be gained. This is very different from the Taiwan model with government-led programmes and paid instructors. I believe this reinforced our belief in the strength of the u3a movement with its emphasis on the members in the local setting.

We are busy developing a new website which will be going live very soon. This will have a modern look and feel, but will still hold all the information members and potential members need to know. I am very grateful to the small team who are working on this for the benefit of us all.

The August Summer Outings gave a new look to the previous Summer Activities programme. There will be discussions about what could be planned for 2025.

Our presence in local and neighbourhood on-line and print 'newspapers' continues to reflect our dynamic and inclusive policy. Our Social Media Facebook page is reaching many people with 2 aims – for current members informing them of upcoming events and about what went well and giving potential members a good idea what we are about, and directing them in ways to join. The most effective recruitment method is word of mouth – you telling others about us. The 'packs' with leaflets to hand out has proved to be a successful strategy.

Use of Zoom continues with some groups operating a dual system of on-line and face-to-face meetings. This has enabled members to participate whilst reducing their need to travel, but still maintaining some meetings in person. The flexible approach works very well, and is a lifeline for some.

The Committee will be reviewing updating our Development Plan. There are always new challenges and we must never get stale. We welcome suggestions and ideas to consider from you – the catch phrase is 'the u3a is run by the members for the members'. Everyone is a part of the whole!

I should like to sum up that we have had a very successful year as we celebrated becoming 37 years young. Much of this is down to the work of the volunteers – the Group Leaders, their assistants, members who work 'off-committee' and others who step up when there is a plea for help. I am very grateful for the work and support of the 3 Committee members who have stepped down – but I know that they will be there in the wings when extra help is needed.

This supportive, innovative and caring backdrop is what makes Croydon u3a great.

A big thank you to you all.

TREASURER'S REPORT 2023/24

We end the year with a very healthy balance and have managed to deal with last year's price rises in the various services we use quite comfortably. Although our income was less than our expenditure over the year once you take out the Travel Team and Venue Hire restricted funds our core balance is slightly bigger than last year's.

You are increasingly moving towards bank transfers rather than cheques when paying money to us. Please note that the Metro account **13630054** is only for paying in **MEMBERSHIP FEES** and Metro account **13630003** is for all other transactions you make. Also, please make sure you add a reference to any payment you make. I can receive hundreds of payments a month and need to be able to understand what each one is for. CROYDON u3a

Chair's Annual Report 2022-2023

There are a great deal of positives to report that have enabled Croydon u3a to grow in size, to develop what's on offer, to be a force for good in members' lives and to be able to give other u3as support and advice.

We now have a much better data base called Beacon, which is secure and soon we will begin the migration to a new web platform so that our 'shop window' to the world is more appealing and easier to navigate. Our social media presence on Face Book is active and has the dual function of attracting new recruits and keeping members informed about past events and those to look forward to.

We continue to have articles accepted for neighbourhood on-line and print 'newspapers' and 2 promotional stalls during this last year raised the general public's awareness about who we are and what we do. The Treasure Chest postcards, the bookmarks and the badges have all served well to promote our organisation.

A growing number of members have been able to benefit from specific help with I.T. and we plan to keep this offer high up on our list of priorities, so that members do not get left behind in the world of modern technology. This is an essential part of our Inclusion strategy.

New members have been supported with a warm welcome and help with the membership application process. The majority of new members come from personal recommendations but it has always been important to us to look out for those who do not have a friend in our midst, and have systems in place to ease them in.

More new Interest Groups have been formed during the year and some groups have had a change of leadership. These are important to keep the groups fresh and vibrant, and to spread the load. The Interest Groups are often referred to as the 'life blood' of a u3a. We continue to place a very high value on their existence and development as they put into action our Constitutional 'Object Clause' to promote learning for its own sake within social settings, thereby contributing to members' wellbeing.

For those who have needed some extra support during the year, they have benefitted from the dedicated service of our Welfare Support Member. I have heard nothing but high praise for this aspect of our u3a.

Our commitment to environmental concerns has continued and grown. The dedicated section of the website has plenty of useful and interesting

information and links and is regularly updated:

Our participation in the Croydon Climate Action Group's Trees4Croydon campaign has been a source of great pride. The opportunity to work with other groups within Croydon – schools, businesses, charities, individuals and clubs, has been very energising, and again effective in spreading awareness about us. The outcome of all the walking, running and cycling and the grants and pledges released will be available in the near future.

The Summer Activities programme gave opportunities to try something different and for members to meet other people who they would not normally come across in their regular groups.

Use of Zoom continues with some groups operating a dual system of on-line and face-to-face meetings. This has enabled members to participate whilst reducing their need to travel, but still maintaining some meetings in person. The flexible approach works very well, and it is one of the things we have kept hold of, post pandemic.

The Committee has spent time this year updating our Governance systems and documentation and working to fulfill the strategic plan we put together in October 2022 following the last AGM. I believe this approach is essential so that we have checks and balances, that we have goals and do not just limp from committee meeting to committee meeting with no overall

vision for the year and beyond. After this AGM the newly formed Committee will be focused on setting strategic goals for 2023 – 2024.

I am proud of the fact that during year a number of other u3as within the national movement have been in touch to seek advice. This has included conversations about Environmental and Climate related issues, Equality, Diversity and Inclusion and how to deliver Chair Yoga. I recently had a very useful conversation with Liz Thackray (National Chair) about Croydon's approach to E,D & I and how good practice could be fostered.

I should like to sum up that in my opinion we have had a very successful year. Much of this is down to the work of the volunteers – the Group Leaders, their assistants, members who work 'off-committee' and others who step up when there is a plea for help.

This supportive, innovative and caring backdrop is what makes Croydon u3a great.

Jenny Wilson (Chair) September 2023

Statement of Financial Activities

Independent Examiner's Report to the Management Committee

This report on the financial statements of the University of the Third Age, Croydon Branch, is for the year ended 31st July 2023, which are set out on pages 2 to 4.

Respective responsibilities of trustees and examiner.

As the members of the management committee, you are responsible for the preparation of the financial statements. You consider that an audit is not required for this year under section 144 of the Charities Act 2011 (The Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act
- To follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- To state whether particular matters have come to my attention.

Basis of this report

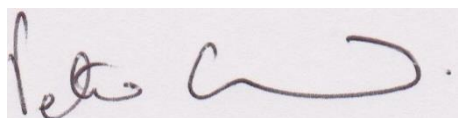

My examination was carried out in accordance with the general directions given by the Charity Commission. That examination includes a review of the accounting records kept by the charity and a comparison of the accounts with those records. It also includes considering any unusual items or disclosures in the financial statements and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with section 130 of the Charities Act;
 - to prepare financial statements, which accord with the accounting records and to comply with the requirements of the Act have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

For the Year Ended 31st July 2023

Accounting Policies

The financial statements have been prepared in accordance with the Charities Act 1993, together with applicable accounting standards.

The financial statements have been prepared under the historical cost convention. The financial statement includes all transactions, assets and liabilities for which the Committee is responsible in law.

Funds

Unrestricted funds are general funds which can be used for the Committee's ordinary purposes.

Designated funds are funds set aside by the committee for a particular project. Funds so designated may be predesignated by the committee and so designation does not prevent funds being spent on any other purpose.

Restricted funds represent donations, fundraising and grants received for a specific object or invited by the committee for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund.

Incoming Resources – Receipts

Membership fees and venue fees are recognised in the year they are due. Tax refunds are recognised when they are received. Grants and legacies are accounted for when the committee is legally entitled to the amounts due. All other income is recognised when it is receivable. All income resources are accounted for gross.

Resources Expended – Payments

All expenditure is generally recognised when it is incurred and is accounted for gross.

Fixed Assets

Fixed assets are written off in the year in which they are acquired.

TREASURER'S REPORT 2021/22

As you are all aware, this is a very difficult economic climate for any organisation to operate in. Our end of year balance is very healthy (although slightly lower than last year's) but predicting the next twelve months with the probability of extremely high inflation and relatively low interest rates on our accounts is very difficult. Added to this, Covid has affected our membership numbers although, thankfully, these are now close to pre-pandemic levels. We are already receiving notice of major price rises in some of the services we use for next year and this is one of the reasons we reluctantly agreed to raise the membership fee by near to the current level of inflation. However, the membership fee is still extraordinary value for money.

Finally, I would like to make my annual reminder that Group leaders should only keep a small amount of petty cash (a maximum of £50 is recommended) and any other money should be used for the immediate benefit of members or held in the central Croydon u3a account. I would also like to urge all of you who are taxpayers to fill in a Gift Aid form if you have not already done so and send it to David Apps, the Membership Secretary.

I would like to thank Peter Cload, our financial examiner, for the work he has done on the accounts. I would also like to thank the group leaders who hire venues and who work with me so co-operatively and cheerfully. I wish you all a happy and healthy year with the Croydon u3a.

Paul Smith

Independent Examiner's Report to the Management Committee

This report on the financial statements of the University of the Third Age, Croydon Branch, is for the year ended 31st July 2022, which are set out on pages 2 to 4.

Respective responsibilities of trustees and examiner.

As the members of the management committee, you are responsible for the preparation of the financial statements. You consider that an audit is not required for this year under section 144 of the Charities Act 2011 (The Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act
- To follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- To state whether particular matters have come to my attention.

Basis of this report

My examination was carried out in accordance with the general directions given by the Charity Commission. That examination includes a review of the accounting records kept by the charity and a comparison of the accounts with those records. It also includes considering any unusual items or disclosures in the financial statements and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with section 130 of the Charities Act;
 - to prepare financial statements, which accord with the accounting records and to comply with the requirements of the Act have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

For the Year Ended 31st July 2022

Accounting Policies

The financial statements have been prepared in accordance with the Charities Act 1993, together with applicable accounting standards.

The financial statements have been prepared under the historical cost convention. The financial statement includes all transactions, assets and liabilities for which the Committee is responsible in law.

Funds

Unrestricted funds are general funds which can be used for the Committee's ordinary purposes.

Designated funds are funds set aside by the committee for a particular project. Funds so designated may be predesignated by the committee and so designation does not prevent funds being spent on any other purpose.

Restricted funds represent donations, fundraising and grants received for a specific object or invited by the committee for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund.

Incoming Resources – Receipts

Membership fees and venue fees are recognised in the year they are due. Tax refunds are recognised when they are received. Grants and legacies are accounted for when the committee is legally entitled to the amounts due. All other income is recognised when it is receivable. All income resources are accounted for gross.

Resources Expended – Payments

All expenditure is generally recognised when it is incurred and is accounted for gross.

Fixed Assets

Fixed assets are written off in the year in which they are acquired.

After a challenging 2 years, we are not 'just back to normal' we are :

Back To Normal Plus.

We have bucked the trend here virtually retaining our pre-pandemic membership level and now growing it. (nationally the u3a membership has dropped by 62,000)

We continue to use Zoom in circumstances where it is more appropriate and the different styles of presentations has massively up-skilled many of us.

We have more new groups being launched and plenty of ideas and suggestions too. I am especially delighted with the way new members are eased into our organisation with our increased contact and New Member coffee mornings.

Supporting Group Leaders, the more vulnerable amongst us, encouraging new friendships and interests among members– these are the things we do well.

In April we had a number of successful 35th CROYDON ANNIVERSARY events, the Zoom party being a great hit. The Desert Island Discs theme

worked really well and we were treated to a very special video message from top chef Ainsley Harriott.

Our publicity team has done us proud, spreading the word in different ways throughout the borough, in print, on-line and with social media.

The bespoke Anniversary bookmarks (the design copied by a number of other u3as) have been a very popular give-away at the promotional stalls at the Croydon Clocktower café, The Wilderness Garden, and the Open Day at Shirley Methodist Church and with many members.

National Office contacted us about taking part in a promotional initiative with Spec Savers to widen public awareness. Jacqueline and I were both recruited to star in videos demonstrating our skills in the kitchen. These are on the Spec Savers website, u3a National website, London Region's, our own website and on You Tube! We are doing our bit to help the national recruitment and awareness drive.

The Travel Team has had significant challenges but are now planning more outings for 2023 following the Windsor Trip this year.

Many Interest Groups have been able to get out and about in smaller groups for visits and lunches.

The UK u3a movement celebrates its 40th anniversary this year and a group of our members will be taking part in London Region's walk of the Capital Ring.

This year's Summer Activities Programme offered 19 separate events, giving members a chance to try something different and meet members other than those in their regular groups. One member told me that she had met many members she had never seen before and it was a real bonus.

I have not yet received information about the tree purchase initiative we supported for the Brecon Beacons but when information is forthcoming I will share it with you.

In the meantime, to progress our 'green agenda' we have strong links with the Croydon Climate Action Group, Croydon Friends of the Earth and others.

We have been taking an active interest in Croydon's recycling work and doing what we can to promote interest in and knowledge about sustainable lifestyles.

The environment section on our website is packed with information which is regularly updated. Please have a look at it.

So what's ahead?

More of the same –

Promoting and publicising;

Recruiting and retaining members;

Organising worthwhile and cost effective talks and events;

Helping to start new groups while supporting our well-established ones;

AND being proud of Croydon u3a.

One challenge on the Development Plan for 2022-23 will be to move to a new web platform and another will be concerned with expanding our new data base - Beacon.

Croydon u3a works because we are a team of committed volunteers who freely give vast amounts of time (& often money): members of the Committee, those who carry out invaluable work off-committee, the Group Leaders and those who help them. I wholeheartedly thank them all.

Always remember we are ambassadors charged with telling people who are no longer working full time how they can enhance their lives by taking part in our social learning groups and events.

So please, support Croydon u3a in any way you can, spread the word to others and Learn, Laugh and Live.

Ever Yours, *Jenny Wilson*

P.S. If you haven't yet renewed your membership subscription PLEASE complete this process urgently.

Minutes of the 35th ANNUAL GENERAL MEETING

Held at 2.15pm on Wednesday 13th October 2021

Elected Committee members present: Jenny Wilson, Paul Smith, Roger Brimble, Joy Ellery, David Apps, Carol Milgate (retiring), Margaret Green, Cliff Brett, Jaqueline Harriott and Linda Grigsby

Apologies for Absence: Lesley Wood

1. Welcome and Opening Remarks by the Chair

- a. Jenny Wilson opened the meeting by welcoming all members and the guest of honour, The Worshipful, The Mayor of Croydon, Councillor Sherwan Choudhury. Jenny Wilson introduced the Mayor stating that the meeting looked forward to hearing about his origins in Bangladesh, and his life as a long-time resident of Thornton Heath. Jenny Wilson informed the meeting that the Mayor had been a councillor since 2006 serving the Broad Green ward and had served as a school governor for 14 years.

2. Address by The Worshipful, The Mayor of Croydon, Councillor Sherwan Choudhury

- a. Cllr Choudhury thanked everyone for the warm welcome and stated that he could see that the u3a organisation was flourishing in Croydon.
- b. Cllr Choudhury gave a brief description of his life and his Council work on social housing especially in relation to homeless people. He considered that many people have a misconception about the homeless and their needs.
- c. In relation to the homeless Cllr Choudhury informed the meeting that Crisis was one of his chosen charities for the year. Another charity relates to Cancer Research as he had lost three siblings to the disease, and he was sure people at the meeting would also know someone who had been affected. His third charity related to supporting a hospital back in Bangladesh.
- d. Cllr Choudhury praised Croydon u3a on its pioneering ideas and leadership on environmental improvements. He suggested the need to use buses rather than cars.
- e. Jenny Wilson thanked Cllr Choudhury for his address. She suggested that members send her an email if they wished to support all or individual organisations of the Mayors charities.

3. Explanation of the Voting Process by the Business Secretary

- a. Jenny Wilson handed over to Roger Brimble – Business Secretary
- b. Roger Brimble reminded the meeting that the Constitution had been amended in September 2020. The make-up of the Committee remains the same with a maximum of 12 places and the members are elected for a three-year term of office.

- c. Roger Brimble explained that those present who are fully paid up members of Croydon u3a would have 4 votes at this AGM. These related to the Acceptance of the Minutes of the Last AGM, Acceptance of the Chair's Report, Acceptance of the Treasurers Financial Report and Accounts, and the one nomination to join the Committee.

4. ANNUAL GENERAL MEETING

Roger Brimble stated the meeting was quorate.

a. Minutes of the 34th Annual General Meeting

The Minutes of the 34th AGM were Proposed for Acceptance by Clifford Brett and Seconded by Jacqueline Harriott. A majority voted acceptance of the Minutes as a true and accurate record of the meeting. There was one abstention.

There were no matters arising.

Thanks came from the floor for all of Jenny's hard work as Chair. Brian Derham thanked all the Committee for their hard work.

b. Chair's Report for the Year 2020-2021

The Chair's Report had been circulated earlier with the AGM papers, but the Chair also read out the report to the meeting.

The report was proposed for acceptance by Carol Milgate and Seconded by David Apps. The report was accepted.

c. Treasurer's Financial Report and Accounts for the Year 2020-2021

The Treasurer presented his Report for the year to 31 July 2021 and commented that the accounts were in good order following the issues with Covid restricting groups meeting face to face. Bulletin costs were higher in the year due to more issues being published but elsewhere some costs had been lower, such as stationery.

Acceptance of the Financial Report was Proposed by Sally Bitten and Seconded by Margaret Chan and was accepted unanimously by the meeting.

d. Election of Principal Officers

Roger Brimble explained that the previous approval of the amended Constitution meant that all those nominated as Officers and Committee Members had been elected for a three-year period at the previous AGM. Therefore, it was not required for the existing members of the Committee to be elected as this will be year two of their term of office.

Officers continuing in their Committee positions

Margaret Green	Committee Member
Linda Grigsby	Committee Member
Jaqueline Harriott	Committee Member

Roger Brimble announced there was one nomination to join the Committee

PROPOSED: Averil Coutinho

Proposed by: Brenda Kidd

Seconded by: Barnaby Powell

Averil was elected to the Committee to serve for a 3 year period.

Thanks were expressed to Carol Milgate who was retiring from the Committee. She was presented with a bouquet and a voucher. Maggie Chan will now take over the duties of the Interest Groups Co-ordinator.

f. Any Other Business

Thanks were given to Gordon Thynne who had retired from being editor of the Croydon u3a Magazine. Thanks were also given to Bob Garner for taking on the role of editor and producing a new look magazine. Bob said that the magazine was only as good as the contributions from members.

Jenny Wilson announced that Maggie Chan, a Croydon u3a member, had won the National short story competition and the piece was in the Magazine.

g. Close of Annual General Meeting

The Chair thanked Roger Brimble for his running of the Annual General Meeting, and to the Members attending this Annual General Meeting. The AGM closed at 3.03pm
