TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees (who are also the directors of St. Paul's Newpin Limited for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations. Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and the income and expenditure of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF ST PAULS NEWPIN LIMITED

I report on the accounts for the year ended 31 March 2024 set out on pages 9 to 16

Respective responsibilities of trustees and examiner

The charity's trustees (who are the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required. The charity's gross income was less than £250,000 and I am qualified to undertake the examination by being a qualified member of CIMA.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act) and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records in accordance with section 386 and 387 of the Companies Act 2006 and

- to prepare the accounts which accord with the accounting records, comply with the accounting requirements of section 394 and 395 of the Companies Act 2006 and with the methods and principals of the statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES Basis of accounting

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets and investments measured at market value. The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015), and the requirements of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) (SORP 2015).

Fund accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.

- Designated funds are unrestricted funds earmarked by the Management Committee for particular purposes.

- Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable, grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

- Grants given for the purchase of fixed assets are treated as restricted. The grant is credited to the Statement of Financial Activities at the earlier of the date received or receivable. Depreciation is charged to the Statement of Financial Activities and against the restricted fund over the life of the asset purchased with the grant. Therefore, the balance on the fund is equivalent to the net book value of the asset.

- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

1. ACCOUNTING POLICIES *(continued)*

- Investment income is included when receivable.
- Incoming resources from charitable trading activity are accounted for when earned.
- Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

- All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis -

The salary costs of the central function, is apportioned on the following basis which are an estimate, based on staff time, of the amount attributable to each activity. This was reassessed this financial year due to how the charity has changed during the years.

Personal Development Programme - 45%
Support Costs - 10%
Nursery - 45%

Fixed assets

Fixed assets (excluding investments) are stated at cost less accumulated depreciation. The costs of minor additions or those costing below £200 are not capitalised. Depreciation is 25% reducing balance
