20 May 2025

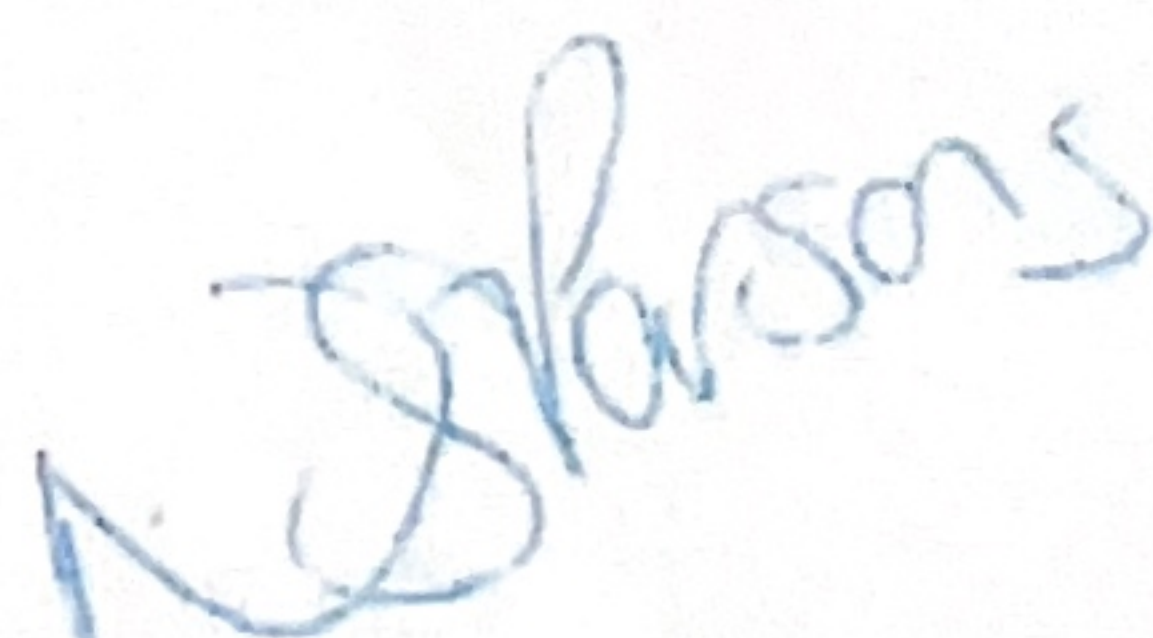

To whom it may concern.

Firstly I would like to introduce myself as Mrs N. Parsons. I am a company secretary, and I deal with the day to day accounts for the company along with payroll, so I have an understanding of accountancy. I have been asked by Southminster & District Young Farmers to audit and check their end of year accounts for the period Oct 2023 - 31st August 2024.

Checking through bank statements, cheque book records, invoices received and payment made, making sure that everything cross referenced correctly and all balanced.

I am happy and confident to confirm that the end of year statement, the accounts recorded and all information provided is completely accurate and true.
