TRUSTEES' REPORT
YEAR ENDED 31ST MARCH 2025**

Organisation structure

The Lambeth Elderly Association from Vietnam has a Management Committee of up to 8 members who meet quarterly and are responsible for the strategic direction and policy of the charity. At present Committee has 8 members from a variety of professional backgrounds relevant to the work of the charity.

A scheme of delegation is in place and day to day responsibility for the provision of the services rest with the Project Manager. The Project Manager is responsible for ensuring that the charity delivers the services specified and that the key performance indicators are met.

Achievements and performance

Advice work

Our organisation tackles these inequalities by offering culturally and linguistically appropriate services that enable our clients to effectively tackle these challenges.

In frail health and unable to understand English language information in the media or on the internet, they were too anxious and confused to venture out, with many confined to their homes for many months after the start of the pandemic.

Clients have also faced difficulties with practical activities such as acquiring food, getting medical attention and communicating with mainstream providers, many of whom are offering scaled down services. With their trusted community centre (LEAV) also having closed its doors (in terms of not meeting clients physically), many were at crisis point.

We have delivered advice in Cantonese and Vietnamese on debt, benefits and housing to 90 older Vietnamese and Chinese-Vietnamese people over the last year.

These 90 people have made 191 visits to our advice service over the reporting period, with many coming between two and four times each. Three clients we have to help over 10 times. In addition, we ran two Cantonese-language workshops attended by a total of 113 people. The first, held in September 2024, covered the topic of state pension and pension credit and had 35 participants. The second, held in February 2025, offered guidance to 78 people on how best to survive the cost-of-living crisis. Our clients face additional barriers and challenges in terms of overcoming poverty, accessing services, gaining information and advice and maintaining their health and wellbeing.

Tea Dancing/Traditional exercise

The exercise sessions have been a major success so far with up to 35-42 people joining for each session. They are extremely fun and has helped our members with some problems they've been facing due to the pandemic, also enable our members to stay fit and healthy. The great thing about these sessions is that anyone can join and interact with other community members and develop friendship and change their lifestyle.

Table Tennis sessions

The table tennis sessions for Vietnamese and Chinese Elderly have been very successful with 15-28 people attended each session twice a week. It's actually one of the most beneficial things our user can do to develop friendship and stay fit and healthy.

The funding has greatly impacted what we do in our organisation by both enabling our organisation to continuously deliver successful activities to our beneficiaries, which has made a positive impact thus far. It has enabled us to focus our resources on securing more funding, which has gone well with Yapp Charitable Trust providing funding for our running cost for 3 years.

The grant has enabled us to build our reputation among the Vietnamese and Vietnamese-Chinese population in Lambeth and we were able to provide popular and much needed activities. We have gained 8 new new members from the table tennis and tradition dance beginner classes. Some of our new table tennis service users have become loyal supporters of the organisation and have been promoting us to friends and family.

Volunteers

The trust would not be able to provide such a wide service to our beneficiaries without the continued support of a large number of volunteers who give their services voluntarily, to assist the staff.

Financial review

A great deal of time and thought was spent during the year on organising activities for the Lambeth Vietnamese elderly. This includes outings, lunches and other activities held in the association.

The management committee has also focused its attention on the difficulties that elderly Vietnamese people experience, such as language problems and in the case of disabled elderly, they also have mobility problems.

The policy of the Lambeth Elderly Association continues to be to seek additional finance to support the activities of the association. There has been no change in policy since the last trustees' report.

Risk management

The Trustees actively review the major risk which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

Reserve policy

It is the policy of the charity to maintain unrestricted funds at a level which equate to approximately one month unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs. Unrestricted funds are maintained for at least this level throughout the year.

Statement of trustees' responsibilities

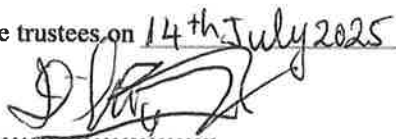

The trustees are required under the Charities Act 2011 to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

1. select suitable accounting policies and apply them consistently;
2. make judgements and estimates that are reasonable and prudent;
3. state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements.
4. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

This report was approved by the trustees on 14th July 2025 and signed on its behalf.
